

Expression of Interest
for
Empanelment of Experts

The National Green Tribunal invites Expression of Interest from Experts/Professionals of eminence in the field of environment in the following sectors:

- Air and Water Pollution, Abatement & Control; Sewage and Water Sanitation and Management of Common Effluent Treatment Plant (CETP).
- Solid Waste Management; Plastic Waste Management and Biomedical Waste Management.
- Hazardous Waste Management; Hazardous Chemical Management; E- Waste Management and Management of Common Treatment Storage Disposed Facility (TSDF).
- Biodiversity Management; Silviculture, Forest Management and Conservation.
- Flood Plains; Sand Mining Impacts; Riverine Coastal & Hill, Ecology; Land Degradation and Remediation.
- Environmental Economist and Social and Livelihood Expert etc.

The experts from the panel so drawn after due diligence would be shortlisted for the purpose of assigning work related to monitoring the compliance of orders of the Tribunal.

The remuneration/honorarium for the work would be decided as per their skill sets, competencies and experience. Experts are expected to have adequate experience of monitoring and evaluation.

The interested Professional/Experts are invited to apply for aforesaid positions by 5.00 PM, 27th August, 2018 through email mentioned below:

rg.ngt@nic.in giving their Bio-data with relevant details such as qualification, experience and skill sets.
