work was come into a standstill due to various reasons such as the Lack of Funds and the intervention of the Pandemic.

4. After the merger with the Tambaram Corporation, the said works have been again initiated and the Work orders have been issued for the bio-mining of the left out legacy wastes to the extent of 2070 Cubic meters was issued on 18-10-2021. There were delays due to the inundation of the Compost site during the Floods. Therefore process of Bio-mining is being carried out by digging up the solid wastes out of 2070 Cubic Meters of solid wastes, 900 Cubic Meters are cleared and the balance will be completed by 30-06-2022. Further there is no fresh dumping of solid waste at the above site.

5. With regard to the implementation of Municipal Solid Waste Management Rules, it is submitted that in the newly added Thiruneermalai Town Panchayath area totally there are 12000 households available and 10.5 M.Tons of Solid Waste was generated from the said households. Out of 10.5 M.Tons of Solid Waste 4.50 M.Tons is Wet Waste and the remaining is the Dry Waste. The 4.50 M.Tons of wet waste was processed through Micro Compost Centre and the same was converted into manure and the same was given at free of cost to the local residents and the farmers.

6. With regard to the Non Degradable Waste it is submitted that the said waste is transferred to Kannadapalayam Transfer Station located in Tambaram and from there the same was sent to the Cement Factories for their uses. The recyclable and reusable wastes were sold to the sellers and the amount was given to the Workers as incentive.
