

**BEFORE THE NATIONAL GREEN TRIBUNAL SOUTHERN ZONE,
CHENNAI**

Original Application No. 149 of 2020 (SZ)

IN THE MATTER OF:

Tribunal on its own motion Suo Motu based on the News Item in Dinamalar Tamil Newspaper dt.06.08.2020, "Will Perumpakkam Lake become tourist spot?"

With

The Principal Secretary to Government
Public Works Department
Chennai and Ors.

..

...Respondent(s)

**REPORT FILED BY THE DISTRICT COLLECTOR,
CHENGALPATTU DISTRICT AND EXECUTIVE ENGINEER,
WATER RESOURCES DEPARTMENT, LOWER PALAR BASIN
DIVISION, KANCHIPURAM**

This report pursuant is filed pursuant to the order dated 08.07.2022 of this Hon'ble Tribunal directing the District Collector to file a detailed report regarding the encroachments, if any and the nature of steps taken by them to remove the encroachment.

2. It is stated that the Joint Committee in its recommendations dated 13.02.2021 in item No.9 and 10 has stated that (a) the

PWD shall expedite construction of walkway, compound wall, to prevent encroachments and pollution, strengthening of tank bund, nesting land and reconstruction of sluices within six months under the Environment Protection and Renewable Energy Development (EPRED) Scheme and (b) PWD along with Tamil Nadu Tourism Department shall explore the possibility of creating the Perumbakkam lake as a Tourist spot.

3. It is stated that the following works have been taken up and completed in the Perumbakkam Tank at a cost of Rs. 4.011 crore and hence the recommendation No. 9 has been fully complied with and the photographs of the works completed are filed herein:

1. Strengthening of Tank bund
2. Providing Foot Path on Tank Bund
3. Providing Compound Wall in Foreshore boundary to prevent future encroachments.
4. Formation of Bird Nesting Island.
5. Reconstruction of sluice & removal of debris in the fore shore.
6. Reconstruction of Weir.

4. As regards the exploring the possibility of creating the Perumbakkam lake as a tourist spot, it is stated that generally the tanks structures are not public thoroughfare and the entry to public is restricted. However, the area abutting the tank and its periphery may be developed as a picnic spot for which the Tourism Department has to explore the possibility for the same. If the Tourism Department submits proposal, the same will be examined by WRD with hydraulic parameters and the safety of the tank.

5. As regards the encroachments, the survey and demarcation works are in progress by the survey officials and the WRD is coordinating with the survey work.

It is, therefore, prayed that this Hon'ble Tribunal may be pleased to take on file the report above and pass appropriate further orders as deemed fit in the facts and circumstances of the case and thus render justice.
