BEFORE THE HON'BLE NATIONAL GREEN TRIBUNAL

EASTERN ZONE BENCH, KOLKATA

ORIGINAL APPLICATION NO. 182/2023/EZ

In The Matter of:

Sushovan Saw

... Applicant

Versus

Ministry of Environment, Forest &
Climate Change & Ors.

... Respondents

AFFIDAVIT ON BEHALF OF THE RESPONDENT NUMBER 04, OFFICER-IN-CHARGE, JAMURIA POLICE STATION, PASCHIM BARDHMAN.

I, Sri Rajsekhar Mukhopadhyay S/o Late Harisadhan Mukhopadhyay, presently posted as the Officer-in-Charge, Jamuria Police Station situated at Paschim Bardhaman, do hereby solemnly affirm and submit as follows:-

1. That this affidavit is being filed in compliance to the Solemn Order dated 05.01.2024, as passed by the Hon'ble Tribunal.

30 JAN 2024

2. That the Hon'ble National Green Tribunal, Eastern Zone Bench has been pleased to interalia direct the respective respondents to file their counter affidavits, vide Solemn Order dated 05.01.2024.

3. That at the outset it is stated and submitted that the applicant in the original application has no 'locus standi' to file the instant original application. In as much as the applicant resides at Village-Gopedanga, Amdahi District: Bardhaman and the illegal encroachment as alleged has taken place at Jamuria, Mouza-Madumpur, district: Paschim Bardhaman, which is approximately 4.5 to 5 hours distance by car.

Moreover neither the applicant, nor the applicant's property is being injured and/or damaged. The applicant is also not a 'person aggrieved' as per the provisions of section 16 of the National Green Tribunal Act, 2010.

4. That it is also stated and submitted that throughout the entire original application the applicant has focused on encroachment of forest land by the respondent number 3, and the alleged Environmental Clearance (EC) granted by State Environment Impact Assessment Authority, (SEIAA), West Bengal without verifying that the respondent number 3, does not have Forest Clearance, which is a precondition for granting of Environmental Clearance (EC), but astonishingly the applicant has not made (SEIAA), West Bengal a party/respondent in the instant original application.

In as much as the (SEIAA), West Bengal has a vital role since it is the appropriate authority to answer before this Hon'ble Tribunal as to how EC has been granted without prior Forest Clearance.

30 JAN 2024

Thus the instant original application clearly suffers from Non-Joinder of parties and hence is liable to be dismissed.

5. That the instant original application relates to illegal encroachment of forest land by the respondent number 3 being the private respondent which is a proposed integrated steel plant engaged in the activity of Metallurgical industries and that the unit in question i.e the respondent number 3, had applied for 'Environmental Clearance' (EC) from the SIEAA, West Bengal without having Forest Clearance and thereby suppressed the fact and as such the same amounts to clear violation of Forest (Conservation) Act, 1980 and the Environment (Protection) Act, 1986 but the respondent authorities have not taken any steps.
6. That with regard to the statements made paragraphs 1 to 4, of the original application this deponent does not comment on the same as those are matters of fact.
7. That with regard to the statements made paragraphs 5 (a) to 5 (d), of the original application this deponent states the same are matters of fact and record.
8. That with regard to the statements made paragraphs 5 (e), of the original application this deponent states that to verify the fact that the respondent number 3, has committed violation by encroaching the forest land and also obtained Environmental Clearance by suppressing the fact that no forest clearance was given before SEIAA, West Bengal is within the domain of the SEIAA, West Bengal in which this deponent does not comment on the same.
9. That with regard to the statements made paragraphs 5 (f), & 5 (g) of the original application this deponent states the same are matters of fact and record.

30 JAN 2024

10. That with regard to the statements made paragraphs 5 (h) & 5 (i) of the original application this deponent states that on 13.04.2023 Shri Sanjoy Pati, Forest Range Officer, Asansol (T) Range lodged a written complaint to the effect that during spot enquiry he came to learn that there was illegal encroachment of forest land to the extent of 8.59 acre by the respondent number 3 namely M/s. Shyam Sel & Power Ltd. at Mouza – Maudpur, J.L. No. 51, Plot No. 473.

On the basis of the aforesaid complaint Jamuria P.S Case No. 159/2023 dated 13.04.2023 U/s 26/30/32/33/63 of Indian Forest Act, 1927 was registered and investigation was entrusted to SI of police Sudip Bhattacharjee of Jamuria Police Station.

During investigation Sub Inspector Sudip Bhattacharjee visited the Place of occurrence (PO), on 13.04.2024, prepared rough sketch map with index, examined available witnesses and recorded their statements u/s. 161 of Code of Criminal Procedure, 1973. He further received the report of Divisional Forest Officer (DFO), Durgapur, Survey Report of (Block Land & Land Reforms Officer) B.L. & L.R.O, Jamuria and other documents. The materials collected during investigation revealed that respondent number 3 M/s. Shyam Sel & Power Ltd. has encroached 8.73 acre of land in Plot No. 473, J.L. No. 51, Mouza – Mamudpur, classified as Jungle.

On completion of investigation prima facie case having been made out, (Investigating Officer) IO submitted charge sheet against Bajranglal Agarwal and Alok Kumar Mishra u/s. 26/30/32/33/63 of Indian Forest Act, 1927 and Sec. 4C of WBLR Act, 1955, before the Court of the Learned Chief Judicial Magistrate, Court, District: Paschim Bardhaman.

Copy of Inspection report, Written Complaint, First Information Report (F.I.R) and Charge Sheet are collectively annexed herewith and marked with the letter 'R-1'.

11. That with regard to the statements made paragraphs 5 (j), of the original application this deponent states that investigation by Jamuria Police Station has been completed and Charge Sheet submitted against the accused persons.
12. That with regard to the statements made paragraphs 5 (k), & 5 (l) 5 (m) of the original application this deponent states that Environment Impact Notification (EIA) 2006 has been framed by the respondent number 1 and the SEIAA, West Bengal in which duty is case upon the said authorities to grant EC after proper verification and following the procedure.
13. That with regard to the statements made paragraphs 5 (n), of the original application this deponent states that the application dated 07.11.2023 have been addressed to officials of Forest department and Ministry of Environment, Forest and Climate Change, Government of India and not to any police authority and moreover police had registered F.I.R and submitted Charge Sheet.
14. That with regard to the statements made in grounds of the original application this deponent states that the police authorities have taken steps but with regard to the other authorities does not comment on the same.

It is also humbly submitted that in this context the affidavit of the Forest department/Forest Ranger and the SEIAA, West Bengal is vital for smooth adjudicating of the case with respect to the aspect of granting EC and encroachment of Forest Land.

30 JAN 2024

From the F.I.R and Charge sheet it is clearly established that encroachment of forest land by the respondent number 3 had taken place.

15. That the statements made above are true to my knowledge and belief and from the records as available in the Jamuria Police Station, district: Paschim Bardhman.

16. That it is most respectfully prayed that this Hon'ble Tribunal may kindly be pleased to pass necessary Order/Orders as is deemed fit for the ends of justice.
