Sub: - Regarding Mining of Goshala hill in Maligaon
Goshala, district Kamrup (Metro), Guwahati.

Ref: 1. Letter No. W/PCE/Misc.Pt.I dated 08.05.2024
2. Letter No. 01/Miscell./DY.CE Estate/MLG dated
03.05.2024 and dated 08.05.2024

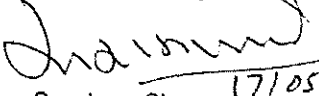

Sir,

I want to express my deep concern over day and night illegal mining activities being carried out in Goshala hill in Maligaon area from last two months. Hill cutting is in full swing disturbing local ecology, drainage pattern. As Nambari railway officer's colony, where all senior officers including General Manager, Northeast Frontier Railway are residing, is adjacent to Goshala land and due to loud noise of excavator machines and rock breakers, lot of complaints have been received by undersigned. It is also a threat to local ecology of area and disturbing natural habitat of flora and fauna.

Therefore, you are kindly requested to look into the matter and take necessary action as it is creating pollution in the area and disturbing ecology of local area.

Your prompt response in this regards will be highly appreciated.

Yours Faithfully
