### 3. Recommendations

3.1 Based on the observations made by the Joint Committee during the site visit which was conducted on 26/09/2024, the following recommendations are made and should preferably be complied with within 6 months:

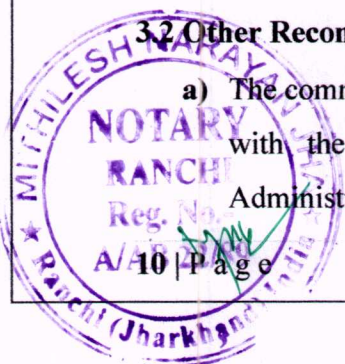

#### a) Measures to be taken for crushers / mines

- 1) In the case of stone crushers, both primary & secondary crushing units should be placed in a covered section.
- 2) The crushers shall install adequate number of scientifically designed of sprinklers with requisite hydraulic pressure and shall ensure that the sprinklers remain in operation during crushing period.
- 3) Conveyor belts should be covered /enclosed to avoid fugitive emission, without side gaps, in enclosure and belts.
- 4) The crushed stones or finished products should be kept lower than the height of wind-breaking walls.
- 5) Strong structural base and framing should be provided for wind-breaking walls to withstand strong wind conditions. The height of the stockpile should always be kept lower than the height of the wind-breaking wall. The wall can be erected radially, with crusher / screen as center point.
- 6) The haul roads/roads within the mines used for the transportation of the products from the stone crushers or mines shall be properly maintained.
- 7) The stone dusts from the stone crushing / mines may be utilized for construction activities in the area or for filling up the quarries / mine voids which were created during the stone mining or reclamation of the stone mines.
- 8) Vehicles carrying any kind of material should be completely covered.
- 9) Regular periodic wetting of roads should be done to suppress dust within the premises to control dust emission re-suspension.
- 10) Stone crusher unit should be operated only during day time (i.e. 6.00 AM to 10.00 PM) to avoid inconvenience to the nearby residents due to ambient noise.
- 11) JSPCB along with district administration shall ensure that crushers are not in operation without having requisite pollution control measures through strict vigilance.
- 12) 'Environmental Guidelines for Stone Crushing Units' published by CPCB in July 2023 should strictly be adhered to.

#### 3.2 Other Recommendation

- a) The common transportation road in the cluster areas may be developed in coordination with the respective department of the State Government and the District Administration.

*M. S. Sahu*

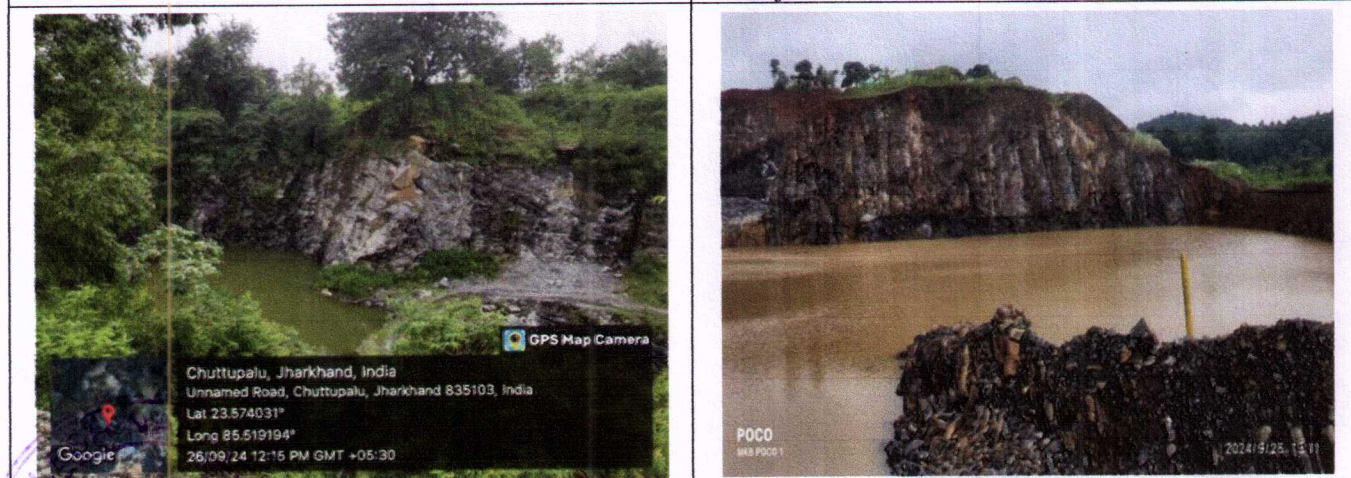

- b) The environmental management status shall be updated as well as verification of the adequacy of the pollution control devices installed in all the stone mines / crushing units operating in the region shall be done by JSPCB & DC Ranchi in the post monsoon season..
- c) The District Survey Report (DSR) for the Stone shall be prepared and updated from time to time so that the potential mining areas are highlighted and may be developed sustainably, adhering to environmental and regulatory guidelines.
- d) The District Mining Task Force, Ranchi may enhance the surprise visit and ensure enforcement of pollution control and environmental management measures across all mining and crushing unit.
- e) The District Mining Task Force, Ranchi to ensure that only units possessing a valid CTO from JSPCB and active storage license from Mines Department are allowed to operate.

HON'BLE MR. JUSTICE ARUN KUMAR TYAGI, JUDICIAL MEMBER  
HON'BLE DR. A. SENTHIL VEL, EXPERT MEMBER**

Respondents: Mr. Kumar Anurag Singh & Mr. Dev Aaryan, Advs. for JSPCB (Through VC)

**ORDER**

1. This original application is registered *suo motu* on the basis of the news item titled "रांची के चुटूपालू घाटी में मिट रहा पहाड़ों का अस्तित्व जहां 150 फीट ऊँचे पहाड़ थे, वहां अब हैं गहरे गड्ढे" appearing in 'Prabhat Khabar' dated 23.04.2024.

2. The news item relates to the disappearing mountains of Chuttupalu Valley in Jharkhand due to the rampant illegal stone mining in the area. As per the news item, at one time where there were mountains, now there are deep pits. The news item states that mining leases have been given to some people in the valley, but under their cover, haphazard illegal mining is going on. Where the height of the mountains used to be more than 150 feet, today a deep ditch has formed, which appears to be filled with water. The government is being defrauded of crores of rupees of revenue due to the operation of illegal crushers and mines. The article states that the illegal mining is having adverse effects on the environment and human life. Many acres of land has become barren. The greenery of the forest is disappearing. Mountains are turning

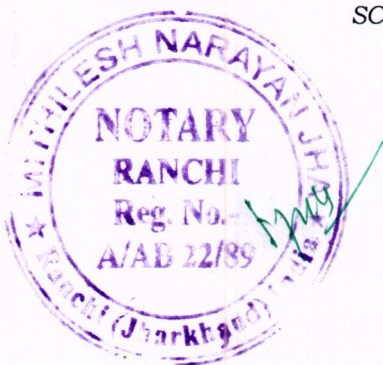

into pits. Even the martyrdom site of immortal martyr Tikait Umrao Singh Sheikh Bikhari situated in Chutupalu valley is now in danger. Due to illegal stone mines and crushers, the water level of the entire area is going down everyday.

3. The news item discloses that 17 mining leases of stone and minor minerals are approved in the entire Ormanjhi area. As per government records, currently 12 of them are legally employed. There are 39 mineral sellers of stones and minor minerals registered in the area. But the truth is that dozens of stone quarries and crushers are running in the Chutupalu valley area alone. It states that explosions are done in mines to break stones. The sound of the explosion shakes the area. The walls of the villagers' houses are cracking. Pieces of stones fall on the roofs of many houses. Common people are suffering in the entire area and their life is affected. There was a time when colorful birds were seen chirping in the mountains and forests. Now they have all disappeared. Nearby several acres of agricultural land has become barren due to the stone particles flying from dozens of crushers. Due to this, the laborers working in the area and the people of the village are suffering from various types of diseases. According to the information, the lease period of most of the stone mines has expired. Many crusher operators do not have requisite permissions, still they are running the crushers.

4. The news item raises substantial issue relating to compliance of the environmental norms.

5. Power of the Tribunal to take up the matter *suo-motu* has been recognized by the Hon'ble Supreme Court in the matter of "*Municipal Corporation of Greater Mumbai vs. Ankita Sinha & Ors.*" reported in 2021 SCC Online SC 897.

6. Hence, we implead the following as respondents in the matter:

- (1). Jharkhand State Pollution Control Board, through its Member Secretary, H.E.C. Dhurwa, Ranchi 834004 (Jharkhand).
- (2). Ministry of Environment, Forest and Climate Change, Regional Office, 2<sup>nd</sup> Floor, Headquarter – Jharkhand State Housing Board, Harmu Chowk, Ranchi, Jharkhand - 834002
- (3). Central Pollution Control Board, through its Member Secretary, Parivesh Bhawan, East Arjun Nagar, Delhi- 110032.
- (4). District Magistrate, Ranchi, Deputy Para, Ahirtoli, Ranchi, Jharkhand - 834001.

7. Learned Counsel appearing through virtual mode accepts notice on behalf of Respondent No. 1 and seeks four weeks' time to file the reply. Issue notice to Respondents No. 2 to 4 for filing their response before the appropriate Bench of the Tribunal at least one week before the next date of hearing.

8. Considering the seriousness of the issue involved in the OA, we also constitute a Joint Committee comprising of the representative of the Member Secretary, Central Pollution Control Board (CPCB), Member Secretary, Jharkhand State Pollution Control Board (JSPCB) and District Magistrate, Ranchi, who will act as the nodal agency. The Joint Committee will visit the site and ascertain the correctness of the facts disclosed in the news item and the persons responsible for carrying out the illegal mining and causing damage to the environment and the action, if any, taken by the JSPCB against them and will submit the factual and

action taken report before the Registrar of the Eastern Zonal Bench, Kolkata within a period of two months.

9. Since the matter falls within the jurisdiction of Eastern Zonal Bench of the Tribunal, therefore, the OA is transferred to the Eastern Zonal Bench, Kolkata for appropriate further action. Let the original record of the OA be transferred to Eastern Zonal Bench, Kolkata.
