Subject - In the process of bridge construction in Athar Ghat Mushhari police station area of Muzaffarpur district, by Bihar State Bridge Construction Corporation Limited, Work Division Muzaffarpur, lakhs of plastic bags were dumped in the Budhi Gandak River, due to which the expression and flow of the river was affected due to not being cleaned.

Dear Sir

Regarding the above mentioned subject, it is to inform that in the Mushahari police station area of Muzaffarpur district, at Athar Ghat, Budhi Gandak River, Bihar Rajya Pul Nirman Nigam L.T.D - Work Division Muzaffarpur, during the construction of the bridge, lakhs of plastic bags were dumped in the Budhi Gandak River stream, which were not cleaned and hence, the flow and expression of the river is getting affected. Due to which, the aquatic life of the river has been affected due to water pollution. In this regard serial project engineer informed Bihar Rajya Pul Nirman Nigam L.T.D several times over the telephone, but no one has felt the need to remove plastic bags for pollution control.

It is to be noted that the construction work of the high level bridge on the Budhi Gandak river was done from the year 2014 to the year 2022. This work was allotted to M/s Ganesha Ram Dokaniya Aliganj Banka, Bihar Rajya Pul Nirman Nigam L.T.D. After the completion of the construction work, the work agency and the department do not remove the sand bags / plastic bags thrown into the river from the construction site of any bridge and do the cleaning work. Due to which the water of the rivers of our state is getting polluted and the flow and continuity of the river is getting affected. The aquatic life found in the river is also facing its ill effects. The fishes and other aquatic animals found earlier are also not seen in the river now. The whole problem can be seen through Google Earth satellite and how extensively it is obstructing the flow of the river.

Therefore, you are requested to kindly take cognizance of the above mentioned matter and take appropriate legal action.

Your Faithfully

Devendra
