Misc. Application 2/2025/EZ

In Original Application No.126/2023/EZ

In the matter of:

Mujibar Rahaman Mallik ... Applicant

Versus

The State of West Bengal &Ors. ... Respondents

**AFFIDAVIT ON BEHALF OF THE OF IRRIGATION & WATERWAYS DEPARTMENT,
GOVERNMENT OF WEST BENGAL, RESPONDENT NUMBER 4.**

I, Sri Rajat Nath, S/o Late Ramgopal Nath, aged about 55 years, by faith-Hindu, by occupation-service, and presently posted as Executive Engineer & Technical Assistant to Superintending Engineer, Western Circle-I, having office at Jalsampad Bhawan, 8th Floor, Salt Lake City, Kolkata: 700091, do hereby solemnly affirm and declare as follows:-

1. That, I am presently posted as Executive Engineer & Technical Assistant to Superintending Engineer, Western Circle-I, Department of Irrigation & Waterways, Government of West Bengal, having office at Jalsampad Bhawan, 8th Floor, Salt Lake City, Kolkata-700091 and I am well acquainted with the facts and circumstances of the case and as such I am competent to swear, sign and affirm this report in the form of affidavit.
2. That the Hon'ble National Green Tribunal, Eastern Zone Bench has directed the Irrigation and Waterways Department vide order dated 25/03/2025 that "The State Respondents shall file their counter affidavits within four weeks."

In this regard a paragraph wise reply is submitted hereunder:-

3. That in compliance to the Solemn Order Dated 30.04.2024 passed by the Hon'ble National Green Tribunal, Eastern Zone Bench, Kolkata where in interalia the Hon'ble National Green Tribunal has directed the Irrigation and Waterways Department, Government of West Bengal to file compliance report as has been observed in paragraph 1 under "Action required to be taken" of the Solemn Order Dated 30.04.2024, it has been directed to the Irrigation and Waterways Dept. and Local Authority that

"Canals are considered as flowing water bodies but almost no flow was observed in the Kamarnala, the Rajapur and the Janai Basin Canal. Water hyacinth in different locations of Rajapur Canal, Janai Basin canal and Kamarnala canal restricts the water flow. Periodical cleaning operations to be undertaken.

Action taken up by Irrigation and Waterways Department, West Bengal in regard to the respective works in question are as follows :

- (a) Kamarnala: Clearing of water hyacinth from Kamarnala Khal has been already taken up in compliance with the order of Hon'ble National Green Tribunal and the work has been completed. This will help clearing the obstruction in the flow through the khal. Photographs showing the completed work at various locations along the stretch are annexed herewith as **Annexure-A Collectively**.
- (b) Rajapur khal : the irrigation & Waterways Department has undertaken the work titled "Improvement of Rajapur Khal by re-excavation (Length-10.652 Km) and Rajapur Link Khal (Length-3.877 Km), bank strengthening (Length-3.727 Km) and construction of inspection path (Length-2.50Km) in Block & PS- Panchla, Dist-Howrah."

The primary objective of this initiative was to enhance drainage discharge capacity and ensure smooth flow of water through the river. Additionally, bank strengthening work for a length 3.727 Km and the Inspection path on the left embankment for the length of 2.50 Km were also constructed for the safety of the adjacent areas and better communication of the people respectively.

The work had commenced on 29th December, 2023 and has been successfully completed on 31 March 2025. Photographs showing the completed work at various locations along the stretch are annexed herewith as **Annexure-B Collectively**.

- (c) In addition, annual maintenance activities such as removal of water hyacinth and floating garbage-will be carried out as usual to prevent drainage congestion and ensure sustained improvement in the drainage capacity as well as to prevent spread of vector borne diseases. These activities are scheduled to begin prior to the monsoon and will continue throughout the year as part of regular up keeping of the Khal. Photocopy of Notice Inviting Tender is annexed herewith as **Annexure-C**.

Kana Damodar :

(under Burdwan Irrigation Division District : Purba Burdwan, Hooghly and Howrah):

It is to be submitted that the Irrigation & Waterways Department has undertaken the work titled "Improvement of Kana Damodar from 0.00 Km to 52.791 Km including all its appurtenant canals within the reach." - Package-IRR-14 in the District of Purba Bardhaman, Hooghly and Howrah West Bengal" under West Bengal Major Irrigation and Flood Management Project (WBMIFMP).

Necessity of the work: -The lack of adequate surface water for irrigation has led to increased dependency on groundwater, by the farmers in most regions. There is thus a need, not only for rehabilitating the canal infrastructure, but also to ensure its sustainable maintenance, provide equitable water distribution for better sustainable use of the canal water, reducing dependency on groundwater. Rehabilitation of civil structures will improve the condition of the six-decade old infrastructure, to ensure sustained operational efficiency in the command area. Involvement of other players termed as Irrigation Service Providers (ISPs) has also been started for maintenance of this canal.

It is also submitted that the major work executed by Irrigation & Waterways Department includes Re-sectioning /re excavation of 204.95 km canal network including embankment strengthening, rehabilitation/renovations of 416 nos structures & outlets and 23 km of slope protection works. The work commenced on 30-06-2022 and has been successfully completed on 18-06-2024. Photograph showcasing the completed work at various locations along the stretches are annexed herewith as **Annexure -G Collectively.**

During execution, no issues related to encroachment were encountered.

(under Lower Damodar Construction Division, District Howrah):

That the Kana Damodar River is taken up for one time clearance of water hyacinth each year before monsoon. Last year it was cleared and the photographs of the said cleared river are enclosed herewith for reference as **Annexure -H Collectively.**

This year the proposal for one time water hyacinth clearance is also under active consideration.

- 6. That in serial number 12 of order dated 30/04/2024 of the Hon'ble N.G.T/E.Z., it has been mentioned that "The Irrigation and Waterways Department, Government of West Bengal, Respondent No.4, has also filed affidavit dated 03.01.2024 stating therein that a scheme has already been taken up for improvement of discharge through Rajapur Khal by re-excavation (length-100.652 kilometers) ...".

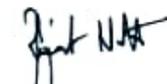

where the re-excavation length has been erroneously mentioned as 100.652 kilometers in the order of the Hon'ble NGT/EZ instead of 10.652 kilometers which may kindly be rectified.

- 7. That, in view of above, the answering respondent herein shall abide by all directions passed by Hon'ble Tribunal in the instant matter.
- 8. It is therefore prayed that the Hon'ble Tribunal may pass necessary order or further orders as it deem fit and proper in the interest of justice.
- 9. The statements made in paragraph 1 to 6 are based on information derived from the record which are usually kept and maintained by the answering respondents in the ordinary course of business and which I believe to be true and rest thereof are my humble submission before this Hon'ble Tribunal.

NOTICE INVITING e-TENDER

e-N.I.T No - WBIW/EE-I/LDCD/e-NIT-1/2025-26

Memo No : 692

Date :03/04/2025

Encrypted electronic bids are hereby invited by the **Executive Engineer-I, Lower Damodar Construction Division, Irrigation & Waterways Directorate** on behalf of the Governor of the State of West Bengal through a single stage two part e-Procurement System; (Part I: Techno-commercial bid and Part II: Financial bid) for the 'LIST OF WORKS' given in the next page from eligible bonafide contractors/agencies/bidders having specified Pre-Qualification (eligibility) credential for execution of works of similar nature and desired financial capabilities. The technical bid in Part-I would require the bidder to qualify for the next phase of financial bid: Part-II, in which L1 bid price would determine the final selection and acceptance of a bidder for award of the Procurement of Goods & Works contract.

Intending contractors/bidders desirous of participating in this e-Tender are required to login to the Government of West Bengal e-Procurement website having URL <https://wbenders.gov.in> and locate the instant tender by typing **WBIW/EE** in the search engine provided therein, or by logging-in using their assigned User ID and password. They may also visit the official website of the Irrigation & W waterways Department, Government of West Bengal www.wbiwd.gov.in to locate the same e-Tender by scrolling the 'e-Procurement' link.

Contractors/bidders willing to take part in the e-Tender are required to obtain a valid Digital Signature-Certificate (DSC) from any of the authorized 'Certifying Authorities' (CA) under Controller of Certifying Authorities (CCA), Department of Electronics & Information Technology (DEIT), Govt. of India. (viz. NIC, n-Code Solution, Safes crypt, e-Mudhra Consumer Services Ltd, TCS, MTNL, IDRBT) or as notified by the CA /Finance Department, GoWB from time to time. DSC is given as a USB e-Token. After obtaining the Class 2 or Class 3 Digital Signature Certificate (DSC) from any of the above CA, they are required to register the fact of possessing the DSC through the registration system available in the above mentioned websites. A list of such licensed CAs' are also available in the CCA website cca.gov.in. The prospective contractors / bidders may contact the Departmental e-Tendering Help desk located at the 7th Floor of Jalasampad Bhavan at Bidhannagar, Sector-II, Kolkata, through e-mails irrigationhelpdesk@gmail.com and dvsc6816@gmail.com or Telephone No. 033-23346098 and the State Level e-Procurement Help Desk located at the Ground Floor of Jalasampad Bhavan through e-mail wbehelppdesk@gmail.com or Ph:(033)-2334 5161 on any working day between 10.30AM-5.30PM for any query on e-Tendering procedure, obtaining DSC and free of cost training on e-Procurement procedure.

Intending contractors/bidders are required to download the e-Tender documents directly from either of the websites stated above. **This is the only mode for submission of a tender.** The interested bidders eligible for the tender are required to submit their bids through the e-Procurement System using their valid DSC e-Token with assigned PIN using login ID and password. Details of e-filing procedure for participating in e-tenders under State Government have also been explained in the 'Bidders' Manual', available in the Departmental website www.wbiwd.gov.in.

Last date & time of submission of bid electronically, is on 21.04.2025 till 12:00 Hours IST.

The applicant bidders/contractors are advised to carefully read all the 'Terms & Conditions' contained in this e-Notice Inviting Tender (e-NIT). He/she should particularly go through the minimum desired Pre-qualification (PQ) works credential & financial eligibility criteria and satisfy himself/herself of all the mandatory eligibility requirements. Bidders desirous of participating in the e-Tender should submit bids only if they fulfill the minimum PQ eligibility criteria and are in possession of all the required PQ Credential documents "in original" as these may be summoned by the Tendering authority for verification purposes.

All information published in the website consisting of e-NIT and other related documents uploaded by the selected bidder, WB Works Contract Form No. 2911(i)/2911(ii), Bill of Quantities (BOQ), EMD exemption order, if any, corrigenda and drawings etc. If any, shall form a part of the Agreement / contract document.
