Dear sir,

My self dewkant kumar from Aurangabad Bihar. In this petition i want to draw attention towards the air pollution being created by katihar railway administration and katihar municipal corporation. Many times complain done by locals to central pollution control board, drm katihar, nagar nigam katihar but all these authorities violationing the principal of solid waste management rules 2016. All the authorities also violationing the principal of right to life with dignity under article 21 of the indian constitution. All are polluter.

Humble request to take suo moto cognizance.
