3. That in reply to the averments made in Para-2 of the Rejoinder it is humbly submitted that it is a fact that as per minutes of the meeting taken on Eco-tourism under chairmanship of Addl. Chief Secretary, Forest & Environment Department, Govt. of Odisha held on 26.06.2016, the ecotourism site at Badmul was developed. The site was selected inside Ecotourism zone as per approved Tiger Conservation Plan (TCP). In order to attract tourists to the eco-tour destination, it was named as 'Satkosia Sands Resorts, Badmul'.

4. That in reply to the averments made in Para-3 of the Rejoinder it is humbly submitted that it is not a fact that pitching of tents in small patch on the river bed was wilfully omitted rather it is to submit that temporary eco friendly portable tents are being erected for 3-4 months of the year *i.e.* from mid November to February on the sand bed of the river on small patch adjoining to river bank.

5. That in reply to the averments made in Para-4 of the Rejoinder it is humbly submitted that Satkosia Gorge was declared as "Ramsar sites" during the year 2021 *i.e.* on 12. 10.2021, but the ecotourism destination developed at Badmul since the year 2016-17 and the

Copy of the Notification of Satkosia Gorge as Ramsar and copy of the online booking ticket for the Satkosia Sand Resort, Badmul during 2016-17 are annexed herewith as Annexures-A/5 & B/5 respectively.

6. That in reply to the averments made in Para-5 of the Rejoinder it is humbly submitted that the National Tiger Conservation Authority (NTCA) of India, a statutory body under Govt. of India has approved the Tiger Conservation Plan Satkosia Tiger Reserve. Basing on the approved TCP, carrying capacity and footfall numbers of tourist in Tiger Reserve, the tourism activity is being carried out.

7. That in reply to the averments made in Para-6 of the Rejoinder it is humbly submitted that it is not a fact that the seasonal portable eco-tents and the dining hall are located inside river rather these are located on the sand bed of the river adjoining to river bank for only 3-4 months. Further it is to submit that the materials used to erect the eco friendly cottages are made up of cotton and flooring is done using mud and cow dung only. The dining hall made up of thatches and bamboo materials with mud flooring. The games played by the tourists are being done in regulated manner and not allowed

8. That in reply to the averments made in Para-7 of the Rejoinder it is humbly submitted that it is not a fact that the peak tourism season of the site is 6-7 months. Infact from mid November to end of January month rush of tourism activities experienced which is peak season of tourists somehow extended up to month of February. During that period staffs are deployed to regulate tourism activities and create awareness among the visitors. Local communities are providing hospitality and creating awareness among the tourists to protect the nature and its surrounding.

9. That the averments made in Para-8 of the Rejoinder are not correct and hereby denied. It is humbly submitted that the nature tourism activities at Satkosia Sands Resort, Badmul is not causing disturbance to the habitat of wildlife such as Pratincoles, Indian Skimmers and Gharials rather awareness is being created among local communities and visitors through ecotourism for conservation of highly endangered species. Further the sandbars where congregation and breeding of Indian Skimmers, Gharials observe are far away from the ecotourism destination and protected from anthropogenic pressure.
