Most Respectfully Showeth

1. That this Hon'ble Tribunal vide judgment dated 15.07.2025 at paragraph 40 directed as follows.

40. So far as the portion of the land which is part of Khalpal Reserve Forest over which there is no forest growth, as shown from the Inspection Report, we direct the State Respondents to ensure that plantation is carried out on the said plot with native species of trees and the plot is secured with appropriate markings or barbed wire boundary, as the case Divisional Forest Officer may deem appropriate and plantation be carried out over this plot for its restoration as forest. This exercise shall be carried out

Satyajayalal Saha
Asst. Conservator of Forests

by the State Respondents within three months i.e., by 31.10.2025.

2. That in compliance to order dated 15.07.2025 passed by this Hon'ble Tribunal, the following action carried out.

(i) The survey and demarcation of the area in question have been taken up in the field. Accordingly, the plantation programme is required to be undertaken over an area of 05 hectares in Khalpal Reserve Forest under Dhenkanal Forest Division. As per the calculation, 5,000 numbers of native species saplings are required for the plantation programme. The copy of calculation of total Financial Outlay for the plantation programme is enclosed herewith as ANNEXURE-C/4.

- (ii) Nursery activities for raising 18-month-old indigenous seedlings such as *Arjuna*, *Neem*, *Karanja*, *Tentuli*, *Harida*, *Bahada*, *Anola*, *Ficus*, etc., are currently in progress, and the seedlings are expected to be ready for plantation during the upcoming planting season by June, 2026.
3. That it is humbly submitted that during July, 2025, i.e., after 15.07.2025, it was not feasible to undertake the plantation programme, as the period for preliminary plantation operations had already over. Undertaking plantation activities beyond the appropriate season is likely to result in poor survival and eventual failure. Additionally, some time may be required for the allotment and release of funds for the plantation programme during the year 2025.
4. That in view of the above circumstances, it is humbly requested that the Hon'ble National Green Tribunal may kindly be pleased to grant time graciously to carry out the plantation programme during the next planting season, i.e., in the year 2026.

Satyajayan Saha
Asst. Conservator of Forests
Dhenkanal Division

5. That in the above facts and circumstances unless this Hon'ble Tribunal will kind enough to grant time to comply the order dated 15.07.2025 during the next plantation season i.e., in the year 2026 the Opp.Party No.4 will be seriously prejudiced.

PRAYER

Therefore, the Opp.Party No.4 prays that your Lordships' may graciously be pleased to consider the facts stated in the petition, allow the time petition to comply the order dated 15.07.2025 at paragraph 40 during the next plantation season i.e., in the year 2026;

And for this act of kindness the Opp.Party No.4, as in duty bound, shall ever pray.

Cuttack.
