SYNOPSIS

Applicant have filed the present Application, *inter alia*, challenging the impugned Notice/Order dated 7th August 2025 passed and/or issued by the Office of the District Magistrate, Birbhum, thereby directed the Applicant to discontinue the operation of their stone crushing unit and further imposed a penalty of Rs. 1,50,000/-, in spite of the fact that the applicant have never operated their unit illegally or in contravention of law. On the contrary, the Applicant have always carried on their business strictly under valid consents and permissions duly granted by the competent authorities. The Impugned Order has been passed with manifest mala fides and for extraneous considerations, without any cogent basis or justification. Such an Order not only violates the principles of natural justice but also amounts to abuse of administrative power. The Impugned Order has been passed in a wholly arbitrary and high-handed manner, without affording any opportunity of hearing to the Applicant which is in complete violation of the principles of natural justice. While violating the principles of natural justice, the concerned authorities have impinged upon Applicant' Fundamental Right enshrined under Article 19(1)(g) of the Constitution of India as it has snatched its right to carry on its business. Further, the Office of the District Magistrate does not have and cannot have any authority to impose or direct payment of any fine upon the Applicant. The power to levy or enforce such monetary penalties under the *Water (Prevention & Control of Pollution) Act, 1974* and the *Air (Prevention & Control of Pollution) Act, 1981* was expressly withdrawn from the Office of the District Magistrate pursuant to the Order dated 30th January 2023 issued by the West Bengal Pollution Control Board. Consequently, any direction for payment of fine issued by the District Magistrate is *void ab initio* and liable to be quashed and the impugned order dated 7th August 2025 passed by the Office of the District Magistrate, Birbhum is liable to be set aside.

Hence the present application.

LIST OF DATES AND EVENTS

DATE	EVENTS
31.03.2009	The applicant was granted Consent to Establish by the West Bengal Pollution Control Board.
28.11. 2016	Notice dated 28 th November 2016 issued by the Office of the Additional District Magistrate and District Land & Land Reforms Officer, Birbhum, to the applicant thereby directing them to deposit a fine of Rs.1,50,000.
2017	Applicant filed an Application, bearing M.A. No. 118/2017/EZ (" said MA "), in O.A. No. 44/2015/EZ, seeking appropriate reliefs before this Hon'ble Tribunal for modification of the Order dated 15 th November 2016 passed in Original Application.
11.10.2017	By an Order dated 11 th October 2017, the MA as filed by the applicant along with the Original Application No. 44/2015/EZ were disposed of, by directing the Office of the District Magistrate to consider the representation of the Applicant for issuance or renewal of the Consent to Operate.
12.11.2020	Consent to Operate was issued by the West Bengal Pollution Control Board in favour of the Applicant No. 8, validating the legality of the business of the Applicant.
22.02.2021	The Applicant deposited and / or paid an amount of Rs. 13750/- to the West Bengal Pollution Control Board for renewal and / or extension of the Consent to Operate with effect from March 2020 till February 2025.
30.01.2023	Order passed by the West Bengal Pollution Control Board thereby the authority earlier delegated to the Office of the District Magistrate for grant and / or renewal of Consent to Operate stood expressly withdrawn, thereby centralizing the power back with the West Bengal Pollution Control Board.

26.05.2023	By a letter dated 26 th May 2023, the Association of Mine Owners was apprised of an Order dated 30 th January 2023 passed by the West Bengal Pollution Control Board.
30.05.2023	From 30 th May 2023, the West Bengal Pollution Control Board became the sole and competent authority obliged to issue and / or renews the Consent to Operate in favour of the Applicant.
23.08.2025	Applicant submitted an application for issuance / renewal of the Consent to Operate and the same was duly uploaded on the official website of the West Bengal Pollution Control Board.
07.08.2025	Notice/Order of the Office of the District Magistrate, Birbhum, thereby directed the Applicant to discontinue the operation of their stone crushing unit and further imposed a penalty of Rs. 1,50,000/-

.....RESPONDENTS

**APPLICATION UNDER SECTION 18(1) READ WITH SECTION 14 AND
15 AND UNDER SECTION 18(2) OF THE NATIONAL GREEN
TRIBUNAL ACT, 2010**

To

The Hon'ble Chairperson and his Companion Members of the Hon'ble
National Green Tribunal, Eastern Zone Bench, Kolkata

The humble application on behalf
of the applicant abovenamed
most respectfully

SHEWETH:

1. The present Application is being filed under Sections 18(1) and
18(2), read with Sections 14 and 15 of the National Green Tribunal
Act, 2010 ("**NGT Act**"), against the Order dated 07.08.2025 passed
by Respondent No.5 i.e. District Magistrate, Birbhum, West Bengal,

whereby Respondent No.5 has, *inter alia*, directed the Applicant to not to continue the operations in respect of Applicant' business of stone crushing and has also imposed a penalty of Rs. 1,50,000/- upon it ("**Impugned Order**"). The Impugned Order has been passed in a wholly arbitrary and high-handed manner, without affording any opportunity of hearing to the Applicant which is in complete violation of the principles of natural justice. While violating the principles of natural justice, the Respondent No.5 has impinged upon Applicant' Fundamental Right enshrined under Article 19(1)(g) of the Constitution of India as it has snatched its right to carry on its business. A bare perusal of the aforesaid Impugned Order makes it evident that the same is *ex facie* bogus since it *inter alia* wrongly puts Applicant under Category-I as it is a matter of fact and record that Applicant would not fall under Category -I.

2. PARTIES:

- a. The Applicant is a Proprietorship Firm, engaged in the business of stone crushing operation at Mouza Nischintapur, Village Patharchal, Post Office Harinsingha, Police Station Md. Bazar, District Birbhum, Pin 731 132. The applicant is represented by its proprietor, namely Debajyoti Ghosh.
- b. Respondent No.1 is State of West Bengal, through the Chief Secretary, Government of West Bengal.
- c. Respondent No.2 is Central Pollution Control Board, through its Member Secretary.
- d. Respondent No.3 is Department of Environment, Government of West Bengal, through its Additional Chief Secretary.
- e. Respondent No.4 is West Bengal Pollution Control Board, service through its Member Secretary.
- f. Respondent No.5 is the District Magistrate, Birbhum, West Bengal.

- g. Respondent No.6 is Block Development Officer, Md. Bazar Development Block, Birbhum.

3. BRIEF FACTS:

The brief facts leading to the filing of the captioned Application are as hereunder:

- a. The Applicant are carrying on business under the name and style of M/s Gitanjali Enterprise, and are engaged in the activity of stone crushing from their unit situated at Mouza Nischintapur, Village Patharchal, Post Office Harinsingha, Police Station Md. Bazar, District Birbhum. The Applicant have been continuously engaged in the said business for the past thirty years and have at all times duly complied with and adhered to the rules, regulations, and statutory requirements governing such business activities. Copy of the Registration Certificate necessary for conducting business of stone crushing, which is valid till 2026, is annexed hereto as **ANNEXURE A.**
- b. Furthermore, the Applicant has been depositing necessary and appropriate tax and the same have been collected by the local Gram Panchayat from time to time. In this regard, a Copy of one of such receipt issued by the local Gram Panchayat is annexed hereto as **ANNEXURE B.**
- c. The business of the Applicant has at all material times, been conducted in a fair, transparent, and *bona fide* manner, strictly in compliance with the laws for the time being in force. It is respectfully submitted that no competent authority has

ever raised any dispute, objection or adverse remark with respect to either the establishment or the continuation of the Applicant' business. On the contrary, the Applicant have consistently ensured lawful operation of their business by securing and maintaining, from time to time, all requisite permissions, licenses, approvals, and sanctions from the appropriate statutory and regulatory authorities. The Applicant was granted Consent to Establish by the West Bengal Pollution Control Board way back in the year 2007 and time to time issued certificate of Consent to Operate. In this regard, a copy of the Consent to Establish dated 31st March, 2009 is annexed hereto as **ANNEXURE C**.

- d. Previously, the Applicant was required to submit applications for grant and / or renewal of permission to operate and / or continue their business before the Office of the District Magistrate, Birbhum i.e. Respondent No.5 herein. The said Office of the District Magistrate functioned as the delegated authority of the West Bengal Pollution Control Board i.e. Respondent No.4 herein, in terms of and under the provisions of the *Water (Prevention and Control of Pollution) Act, 1974* and the *Air (Prevention and Control of Pollution) Act, 1981*. In discharge of such delegated authority, the District Magistrate was duly empowered to issue the requisite certificates and / or consents from time to time. The Applicant, in faithful adherence to the said statutory scheme, regularly deposited the prescribed fees and charges with the Office of the District Magistrate, Birbhum, towards issuance and / or renewal of the requisite Consent to Operate. This consistent compliance on the part of the Applicant further demonstrates their *bona*

vide intent and continued adherence to statutory and regulatory obligations governing their business.

- e. In or about November 2016, the Applicant were taken by surprise upon receipt of a Notice dated 28th November 2016 issued by the Office of the Additional District Magistrate and District Land & Land Reforms Officer, Birbhum. The said Notice placed its reliance on an Order dated 15th November 2016 passed by this Hon'ble Tribunal in Original Application bearing No. 44/2015/EZ, enclosed therein.
- f. Pursuant thereto, the Applicant were directed to deposit a fine of Rs. 1,50,000/-. It is respectfully submitted that the aforesaid demand was raised without affording the Applicant any prior opportunity of hearing, and merely on the basis of reliance placed upon the said order, notwithstanding the fact that the Applicant were not party to the proceedings in O.A. No. 44/2015/EZ.
- g. The Applicant was unaware of the proceedings bearing Original Application No. 44/2015/EZ or of any proceedings pending before this Hon'ble Tribunal in relation thereto. A bare perusal of the Order dated 15th November 2016 clearly reveals that the Applicant were neither parties to the said proceedings nor bound by the directions issued therein. Upon receipt of the said notice and the consequential demand purportedly raised on the strength of the said order, the Applicant promptly challenged the same and *inter alia* contended that they do not fall within the ambit or scope of the said Order, nor could any liability or fine be lawfully

imposed upon them pursuant thereto. In furtherance of their *bona fide* and diligent conduct, the Applicant accordingly preferred an Application, bearing M.A. No. 118/2017/EZ ("said MA"), in O.A. No. 44/2015/EZ, seeking appropriate reliefs before this Hon'ble Tribunal. The applicant craves leave from this Hon'ble Tribunal to produce and rely on the said Miscellaneous Application at the time of hearing, if necessary.

- h. In the said MA, the Applicant had prayed for modification of the Order dated 15th November 2016, insofar as the Applicant were concerned. The Applicant further prayed for a declaration that the Order for payment of fine is not applicable on the Applicant for the reason mentioned therein.
- i. A bare perusal of the said MA would further bring out that the Applicant had specifically brought to the notice of this Hon'ble Tribunal that the concerned authorities had duly accepted the requisite statutory fees from the Applicant towards renewal of the Consent to Operate. However, despite receipt and retention of such payments, the authorities failed and neglected to issue the renewal in favour of the Applicant. The said omission, being arbitrary and contrary to the settled principles of fairness and administrative propriety, was raised in the said MA.
- j. Pursuant thereto, *vide* an Order dated 11th October 2017, the said MA along with the Original Application No. 44/2015/EZ were disposed of, by directing the Office of the District Magistrate to consider the representation of the Applicant for issuance or renewal of the Consent to Operate. A copy of the said Order dated 11th October 2017 is annexed hereto as

ANNEXURE D.

- k. Thereafter, as required by the provisions of the Water (Prevention & Control of Pollution) Act, 1974 and Air (Prevention & Control of Pollution) Act, 1981, a Consent to Operate was issued by the West Bengal Pollution Control Board on 12th November, 2020 in favour of the Applicant, validating the legality of the business of the Applicant. A copy of the Certificate and/or Consent to Operate dated 12th November, 2020 is annexed hereto as **ANNEXURE E**.
- l. A bare perusal of the aforesaid Consent to Operate makes it clear that the West Bengal Pollution Control Board itself duly recognized and acknowledged the legality, validity, and *bona fide* operation of the Applicant's business. It is therefore evident that at no point of time was there any violation, irregularity, or infraction of the statutory provisions attributable to the Applicant in the course of their business activities. The said Consent to Operate, having been validly issued, remained operative for the period commencing from March 2020 and continued until February 2025, thereby fortifying the Applicant's compliance with all regulatory requirements during the relevant period.
- m. In the meantime, a state of uncertainty arose with respect to the competent authority, insofar as it was unclear whether Respondent No.2 or Respondent No.5 was vested with jurisdiction to issue or renew the Consent to Operate. In view thereof, due to lack of clarity as to the appropriate body empowered to process such applications, the Applicant was effectively left remediless, having nowhere to approach for renewal of the Consent to Operate during the said period.

- n. Subsequently, by a letter dated 26th May 2023, the Association of Mine Owners was apprised of an Order dated 30th January 2023 passed by the West Bengal Pollution Control Board. A perusal of the said Order revealed that the authority earlier delegated to the Office of the District Magistrate for grant and / or renewal of Consent to Operate stood expressly withdrawn, thereby centralizing the power back with the West Bengal Pollution Control Board. This development clearly substantiates that the earlier impasse was due to inter-departmental uncertainty and not on account of any lapse, omission, or default on the part of the Applicant. A copy of the said order along with the covering letter is annexed hereto as **ANNEXURE F**.
- o. A perusal of the aforesaid Order would reveal that earlier, the office of the District Magistrate was the delegated authority of the West Bengal Pollution Control Board, having the authority to exercise all powers of the West Bengal Pollution Control Board. However, by the aforesaid Order, the West Bengal Pollution Control Board mandated that Consent to Establish and Consent to Operate of stone crushers shall thereafter be exclusively dealt by the West Bengal Pollution Control Board.
- p. Accordingly, with effect from 30th May, 2023, the West Bengal Pollution Control Board became the sole and competent authority obliged to issue and/or renews the Consent to Operate in favour of the Applicant. It is respectfully submitted that the Applicant had already complied with and duly discharged all statutory formalities, requirements, and obligations necessary for such renewal. No further act or duty remained to be performed on the part of the Applicant in relation thereto. In fact, the West Bengal Pollution Control

Board, having accepted the renewal application along with the requisite statutory fees, was enjoined to process the same and, in the meantime, expressly advised and / or permitted the Applicant to continue their business operations. The conduct of the Board in accepting the application and fees gives rise to a legitimate expectation in favour of the Applicant that the renewal would be granted in due course, and accordingly, no prejudice ought to be caused to them on account of administrative delay or omission.

- q. On 12th May 2024, the *Hindu* published a news article “*Birbhum – a proposed coal mine in West Bengal and the related health hazards*” concerning the West Bengal Government’s proposed 35,000 crore Deocha Pachami Coal Block Mining Project at Mohammad Bazar, Birbhum District, West Bengal (“**said Article**”). It is *inter alia* stated in the said Article that the Project has been facing protests relating to land acquisition and that the Government intends to commence mining operations at the Deocha Pachami Coal Block, as it is the largest coal block in the country, with estimated reserves of approximately 1,198 million tonnes of coal and 1,400 million cubic metres of basalt, spread over an area of 12.31 sq. km. (approximately 3,400 acres). The said Article further notes that the Project area comprises around twelve villages, with a population exceeding 21,000, including members of Scheduled Castes and Scheduled Tribes.
- r. In view of the aforesaid, the Hon’ble NGT, New Delhi Bench, registered a *suo motu* case on the basis of the said Article bearing Original Application No.722/2024/PB.

- s. Thereafter, the aforesaid Original Application was transferred by the New Delhi Bench of this Hon'ble Tribunal *vide* its Order dated 03.07.2024 to the Eastern Bench of the Tribunal and the case was renumbered as Original Application No.154/2024/EZ.
- t. On 11th September 2024, this Hon'ble Tribunal constituted a Fact-Finding Committee comprising the following members: (i) Senior Scientist, West Bengal Pollution Control Board; (ii) District Magistrate, Birbhum, or his representative not below the rank of Additional District Magistrate; and (iii) District Mining Officer, Birbhum, or his representative of senior rank. The Committee was directed by this Hon'ble Tribunal to inspect the site in question and submit a comprehensive fact-finding report in relation to the allegations raised in the Original Application.
- u. In view of the imminent threat of discontinuation of the Applicant' business despite no default on their part, the Applicant by abundant caution, submitted an application for issuance / renewal of the Consent to Operate on 23rd August, 2025. The said application was duly uploaded on the official website of the West Bengal Pollution Control Board, and all prescribed procedures and formalities in connection therewith were scrupulously complied with by the Applicant. A copy of the application, which is available on the portal of the West Bengal Pollution Control Board is annexed hereto as **ANNEXURE G.**
- v. In view of the appropriate documents being submitted by the Applicant, and in view of the fact that the amounts were

accepted by the West Bengal Pollution Control Board for renewal of the Consent to Operate, the authorities were duty bound and/or obliged to formally renew the Consent to Operate or issue a fresh Consent to Operate in terms of the Applicant' fresh application dated 23rd August, 2025.

w. However, during the pendency of such application for renewal, *Vide* the Impugned Order, the Office of the District Magistrate, Birbhum directed the Applicant to discontinue the operation of their stone crushing unit and further imposed a penalty of Rs. 1,50,000/-. A copy of the said Order dated 7th August 2025 issued by the Office of the District Magistrate is annexed hereto as **ANNEXURE H**.

x. Hence, the captioned Application.

4. **GROUND:**

Being aggrieved, the Applicant has filed the present Application *inter alia* on the following grounds, which are in alternative and without prejudice to each other:

A. The Impugned Order has been passed in a wholly arbitrary and high-handed manner, without affording any opportunity of hearing to the Applicant which is in complete violation of the principles of natural justice.

B. While violating the principles of natural justice, the Respondent No.5 has impinged upon Applicant' Fundamental Right enshrined under Article 19(1)(g) of the Constitution of India as it has snatched its right to carry on its business.

- C. A bare perusal of the aforesaid Impugned Order makes it evident that the same is *ex facie* bogus since it *inter alia* wrongly puts Applicant under Category-I as it is a matter of fact and record that Applicant would not fall under Category - I.
- D. The veracity of the Applicant' lawful operations and possession of requisite consents will be evident from the copies of the Consent to Operate issued by the Respondent No.5 and West Bengal Pollution Control Board from time to time, which demonstrates continuous compliance with statutory and regulatory requirements. The Impugned Order therefore suffers from a material error of fact and is liable to be set aside.
- E. It appears that an impermissible practice has developed on the part of the Respondent Nos. 4 and 2, whereby issuance or renewal of the Consent to Operate is wrongly withheld, whilst simultaneously issuing directions for the closure of stone crushing units. Such a course of action is arbitrary, procedurally irregular and contrary to the principles of natural justice, as it places the Applicant in an untenable position despite their bona fide compliance with statutory requirements.
- F. It is of utmost importance to note that the Respondent No.5 did not possess any authority or jurisdiction to issue the Impugned Order for closure of the Applicant' unit, as *vide* Order dated 30th January 2023 issued by the Respondent No.4, all powers and functions previously delegated to the Respondent No. 5 (Office of the District Magistrate) under the

Water (Prevention & Control of Pollution) Act, 1974 and the *Air (Prevention & Control of Pollution) Act, 1981*, were expressly withdrawn. Consequently, the Impugned Order suffers from a fundamental legal infirmity and is therefore null and *void ab initio*. The Applicant respectfully submits that any action taken pursuant to the Impugned Order is consequently without legal effect and liable to be set aside to prevent manifest injustice.

- G. It is respectfully submitted that the Impugned Order fails to cite or refer to any specific statutory provision or legal authority under which the directions for payment of fine and closure of the Applicant' units were purportedly issued. The absence of any such legal foundation renders the Impugned Order manifestly arbitrary, procedurally unsustainable and therefore liable to be set aside.
- H. It is further submitted that the Office of the District Magistrate neither possesses nor can exercise any authority to direct the Applicant to discontinue operations in their stone crushing units, as the statutory powers previously delegated to the District Magistrate in this regard have, by Order of the West Bengal Pollution Control Board dated 30th January 2023, been expressly withdrawn. Any such purported direction is, therefore, wholly without jurisdiction and unenforceable in law.
- I. Similarly, the Office of the District Magistrate does not have and cannot have any authority to impose or direct payment of any fine upon the Applicant. The power to levy or enforce such monetary penalties under the *Water (Prevention & Control of*

Pollution) Act, 1974 and the Air (Prevention & Control of Pollution) Act, 1981 was expressly withdrawn from the Office of the District Magistrate pursuant to the Order dated 30th January 2023 issued by the West Bengal Pollution Control Board. Consequently, any direction for payment of fine issued by the District Magistrate is *void ab initio* and liable to be quashed.

- J. The Respondent Authorities are estopped from denying the rights of the Applicant by reason of their own conduct, inasmuch as they have on one hand accepted consideration towards renewal of the Consent to Operate, while on the other hand, unjustifiably withheld such renewal. This amounts to approbation and reprobation, which is impermissible in law. The Impugned Order being vitiated by such arbitrary and contradictory conduct is therefore liable to be quashed and set aside.
- K. The Applicant have at all times complied with and adhered to all statutory norms, environmental safeguards and regulatory requirements prescribed under law. In such circumstances, the directions contained in the Impugned Order are wholly unjust, arbitrary, and without jurisdiction, as no violation is attributable to the Applicant.
- L. The Applicant has never operated their unit illegally or in contravention of law. On the contrary, the Applicant has always carried on their business strictly under valid consents and permissions duly granted by the competent authorities. The Impugned Order has been passed with manifest *mala fides* and for extraneous considerations, without any cogent

basis or justification. Such an Order not only violates the principles of natural justice but also amounts to abuse of administrative power.

- M. The Office of the District Magistrate seems to have exercised powers under Section 33A of the Water (Prevention & Control of Pollution) Act, 1974 and Section 31A of the Air (Prevention & Control of Pollution) Act, 1981, which cannot be exercised at all by the said authority. Only the West Bengal Pollution Control Board has the authority to exercise such powers. Thus, the Impugned Order deserves to be set aside.
- N. The Respondent No.4 i.e. West Bengal Pollution Control Board has failed to discharge its statutory duty to issue or renew the requisite Consent to Operate in favour of the Applicant. Despite having received and appropriated the prescribed statutory fees and charges from the Applicant, the said Respondent has arbitrarily withheld such Consent to Operate. This conduct is not only manifestly unjust and arbitrary but also equivalent to abdication of its statutory obligations. The said Respondent, being a public authority, is bound by the principles of fairness, reasonableness, and transparency under Article 14 of the Constitution of India, and its failure to act accordingly renders the Impugned Order unsustainable in law.
- O. It is pertinent to note that there has never been any allegation, much less any finding, that the Applicant have violated the permissible pollution norms, exceeded statutory parameters, or otherwise acted in breach of environmental regulations. In the absence of any contravention or violation, there is no

jurisdiction vested in the Respondents to direct closure of the units or to impose any fine or penalty. Any such action without demonstrable misconduct on the part of the Applicant is *ex facie* arbitrary, illegal, and violative of the settled law that "*where there is no fault, there can be no penalty*".

- P. The Applicant has been subjected to penal consequences despite there being no fault or default on their part. The Respondent Authorities, having themselves failed to issue or renew the Consent to Operate in a timely and lawful manner cannot now take advantage of their own wrong and proceed to penalize the Applicant. Such conduct squarely falls within the doctrine that no man can take advantage of his own wrong which is a settled law by the Hon'ble Supreme Court of India.
- Q. The conduct and/or steps taken by the Respondent Authorities amount to infringement of the rights of the Applicant as guaranteed under Articles 14, 19 and 21 of the Constitution of India.
- R. There are numerous stone crushing units operating in the same vicinity. The rights of all such units have been infringed and/or violated by the actions of the Respondent Authorities. A substantial question relating to the environment has arisen, i.e., as to whether the Respondent Authorities can withhold permission and/or Consent to Operate, despite there being no violation of any environmental norms and despite accepting the renewal fees.
- S. The Respondent Authorities, especially the West Bengal Pollution Control Board, are required to be directed to issue or

renew the Consent to Operate in favour of the Applicant, with effect from March 2025 till such time as this Hon'ble Tribunal shall deem fit and proper. Till such time such certificate and/or consent is issued, no coercive step can be taken by the Respondent Authorities.

- T. There has been a clear abdication of duties by the West Bengal Pollution Control Board, and failure of discharging the duties under the Water (Prevention & Control of Pollution) Act, 1974 and Air (Prevention & Control of Pollution) Act, 1981.
5. The Applicant has not preferred any other application on the self-same cause of action before any other Court.
 6. The Impugned Order was passed on 7th August 2025 and hence the cause of action for filing the present Application arose on 7th August 2025. Thus, the instant application is being filed within the period of limitation as prescribed under Section 14 of the National Green Tribunal Act, 2010.
 7. This Hon'ble Tribunal also has the power and jurisdiction to receive, try and determine the instant application, as the same falls within the subject matter prescribed under the said Act.
 8. There is no other alternative or efficacious remedy available to the Applicant and the reliefs, as prayed for herein, if granted, shall do complete justice to the Applicant.
 9. The records of the present case are lying at the offices of the Respondent Authorities situated within this Hon'ble Tribunal's

jurisdiction. Hence, this Hon'ble Tribunal has the territorial jurisdiction to receive, try and determine the instant Application.

10. There is extreme urgency in the matter as by the Impugned Order dated 7th August 2025, the Office of the District Magistrate has directed the Applicant to discontinue operation in the units, failing which it has been threatened that legal action shall be taken against the Applicant. Thus, in the event immediate Interim Orders are not passed, the Respondent Authorities shall take coercive measures against the Applicant, and in such an event, the Applicant shall suffer irreparable loss, injury and prejudice.
11. The Impugned Order by which the Applicant have been directed to apply for necessary consents / permission is completely misplaced, as the Applicant have already applied for renewal and / or issuance of Consent to Operate, and the same is pending at the Office of the West Bengal Pollution Control Board.
12. The balance of convenience and/or inconvenience is entirely in favour of the Applicant herein as no prejudice whatsoever would be caused to the Respondents if reliefs prayed for herein are granted, whereas grave prejudice and irreparable loss would be caused to the Applicant on account of huge losses if reliefs prayed for herein are not so granted.
13. The instant application is being made *bona fide* and in the interests of justice.

LIMITATION

The Applicant declares that as per the National Green Tribunal Act, 2010, the captioned Application is well within the prescribed period of limitation. The cause of action arose upon receipt of the Notice / Order dated 7th August 2025, hence the captioned Application.

PRAYERS

In view of the aforesaid facts, circumstances and grounds, it is humbly prayed that this Hon'ble Tribunal be pleased to:

- (a) Set aside the Order dated 7th August 2025 passed by the Office of the District Magistrate, Birbhum;
- (b) Direct the West Bengal Pollution Control Board to issue and/or renew the Consent to Operate in favour of the Applicant on the basis of the application dated 23rd August, 2025;
- (c) Direct the Office of the District Magistrate, Birbhum to forthwith withdraw and/or rescind and/or forbear from giving effect and/or any further effect to the Order dated 7th August 2025;
- (d) Restrain the Respondent Authorities from taking any coercive measures against the Applicant in any manner whatsoever; and
- (e) Pass further and/or other order(s) and/or direction(s) as this Hon'ble Tribunal may deem fit and proper.

INTERIM RELIEFS

In view of the aforesaid facts, circumstances and grounds, it is humbly prayed that pending disposal of the instant Application, this Hon'ble Tribunal be pleased to:

- (a) Restrain the Respondent Authorities from giving any effect and/or any further effect to the Order dated 7th August 2025;
- (b) Restrain the Respondent Authorities from taking any coercive measures against the Applicant in any manner whatsoever, including any step for recovery of an amount of Rs. 1,50,000/- either on the basis of the Impugned Order dated 7th August 2025 or otherwise;
- (c) Grant *ex parte ad interim / interim* reliefs in terms of the aforesaid prayers (a) and (b); and
- (d) Pass further and/or other order(s) and/or direction(s) as this Hon'ble Tribunal may deem fit and proper.

CORAM:

Hon'ble Mr. Justice S.P.Wangdi, Judicial Member
Hon'ble Prof. (Dr.) P. C. Mishra, Expert Member

PRESENT:

Applicant	: Ms. Leena Mukherjee, Advocate
Respondent No.1	: Mr. Sibojyoti Chakraborti, Advocate
Respondent No. 2 & 3	: Mr. Rajib Ray, Advocate
Respondent No. 4	: Mr. Binod Kumar Gupta, Advocate Ms. Aishwarya Rajyashree, advocate
Respondent No. 5	: Mr. Surendra Kumar, Advocate
Applicants in MAs	: Mr. Ambar Majumdar, Advocate ✓ Mr. Biswajib Ghose, Advocate ✓ Mr. Avirup Chatterjee, Advocate ✓

Date & Remarks	Orders of the Tribunal
<p>Item No. 2 11th October, 2017.</p>	<p>These MAs arising out of OA 44/2015/EZ are taken up together for disposal since similar questions are involved.</p> <p>As already observed in our order dated 27.7.2017 it had been made abundantly clear after a detail hearing that the only question that remained to be decided in these matters was as to whether the applicants would be held liable to pay penalty in terms of our order passed in OA 41/2015/EZ and that as it was an admitted position that the applicants had been operating their stone crusher units without consents to operate even before they were granted such consent, there could be no doubt that they were liable to pay penalty of Rs. 1.5 lakh as they fell under category I, i.e., those who did not have any consent to operate at any point of time at all.</p> <p>Today, Mr. Amber Mukherjee, Id. advocate for the applicants in the MAs submits that he would not press the MAs and would comply with the findings of the Tribunal but only prays that the District Magistrate be directed to consider their cases based on the documents, which had been sought for under the RTI</p>

Act, 2005, with regard to which reply dated 21.8.2017 had been sent to the applicants by the Dy. Magistrate & Dy. Collector and SPIO, Sadar, Suri, Birbhum district.

Notwithstanding the established fact that the applicants are liable to pay the penalty, we direct the District Magistrate, Birbhum to consider the pleas expressed by the applicants in these MAs before finally directing them to pay the penalty as per our directions. This shall be done within a month from hence.

The letter produced before us by Mr. Majumdar be taken on record and marked with letter A for identification.

For the reasons stated above, in our opinion, nothing further would remain for our determination in these cases and accordingly the MAs stand disposed of.

O.A. 44/2015/EZ :

For the same reasons alluded to above, the OA also stands disposed of.

No order as to costs.

WEST BENGAL POLLUTION CONTROL BOARD

'Paribesh Bhawan'
Bldg. No. - 10A, Block - LA, Sector-III
Salt Lake City, Kolkata-700 098

Consent Letter Number : 2387/15

Memo Number :

Date : 12.11.20

Consent to Operate

under

Section 25 & 26 of the Water (Prevention and Control of Pollution) Act, 1974 and
Section 21 of the Air (Prevention and Control of Pollution) Act, 1981

The West Bengal Pollution Control Board (hereinafter referred to as State Board) under the provisions of Section 25 & 26 of the Water (Prevention and Control of Pollution) Act, 1974, as amended and Section 21 of the Air (Prevention and Control of Pollution) Act, 1981, as amended and Rules and Orders made thereunder, hereby grants its consent to :

M/s. GITANJALI ENTERPRICE

Prop. - Debbyoli Ghosh (Address of Regd. office/Head/Office/City Office)

(hereinafter referred to as Applicant) for its unit located at Vill- Patharchal, P.O.-Harinsingha, P.S.- Md. Bazar, Birbhum, 731132

Mouza - Nischintapur, J.L. No - 37, Plot no - 42, 127

(Detailed address of the manufacturing unit)

for a period from March '2020 to Feb' 2025

to operate the industrial unit and to discharge liquid effluent and to emit gaseous effluent from the premises/land of the industrial unit, in accordance with the conditions as mentioned in the Annexure to this consent letter provided on any day at any instance the quantity and quality of liquid discharge and gaseous emission shall not exceed the permissible limit as specified in the Table I & II of this consent letter and in the Environmental (Protection) Act, 1986.

Breach of the conditions and / or failure to comply with the directions as set out in the Annexure shall render the applicant liable for prosecution under the provisions of the Water (Prevention and Control of Pollution) Act, 1974 and Air (Prevention and Control of Pollution) Act, 1981.

The State Board reserve the right to revoke, withdraw or make any reasonable variation / change / alter the conditions of this consent letter giving one month's notice to the applicant.

(Signature)
12/11/20

For and on behalf of the State Board

(Member Secretary/Chief Engr./ Sr. Env. Engr. / Env. Engr. / Asst. Env. Engr.)

ANNEXURE

Consent to M/s. Gitanjali Enterprise, Prop. - Debyoti Ghosh,
 for its unit at Vill- Patharchal, P.O.- Harinsingha, Mouza - Nischintapur,
J.L. No. - 37 Plot No. - 42, 127

Conditions :

01. This Consent is valid for the manufacture of :-

Sl. No.	Name of major products and by-products	Quantity manufactured per month
01	Stone chips	40,000 cft.
02		
03		
04		
05		
06		
07		
08		
09		
10		
11		
12		

02. The *Applicant* shall remain responsible for quantity and quality of liquid effluent and air emissions.

03. Daily discharge of industrial liquid effluent shall not exceed 0.5 KL.

04. Daily discharge of domestic liquid effluent shall not exceed 0.3 KL.

05. Daily discharge of mixed (industrial & domestic) liquid effluent shall not exceed Soakpit KL.

06. The *Applicant* shall discharge liquid effluent to (place of discharge) through nos. outlets / outfalls.

07. To bring into any altered or new outlet/outfall or to change the place of discharge, the *Applicant* shall have to inform the Board and obtain prior permission of the Board in this effect.

08. The *Applicant* shall provide comprehensive facility for treatment of industrial liquid waste and domestic liquid waste (sewage, sullage and liquid effluent generated from canteen), and operate and maintain the same continuously so that the quality of final effluent conforms to the *Standard* as given in Table-I in page 03.

(Member Secretary/Chief Engr./Sr. Env. Engr./Env. Engr./Asst. Env. Engr.)

Continued.....

Consent to ⁽⁴⁾ M/s. Gitanjali Enterprise, Prop.- Debyoti Ghosh
 for its unit at Vill.- Patharchal, P.O.- Harinsingha,
Mouza- Nischintapur, J.L.No.- 37, Plot No.- 42,127.

11. The Applicant shall install suitable device for measuring the volume of water consumed for different purposes as mentioned above giving correct result to the satisfaction of the State Board.
12. All the stacks connected to various sources of emissions must be designated by numbers such as S-1, S-2, S-3, etc., and this must be painted/displayed to facilitate identification.
13. The Applicant shall install comprehensive control system consisting of pollution control equipment as is warranted with reference to generation of air emissions and operate and maintain the same continuously so as to achieve the level of pollutants of the Standard as given in Table-II below :

Table-II

Stack No.	Stack height from G.L., (in mts.)	Stack attached to (sources and control system. if any):	Volume Nm ³ /hr.	Velocity of gas emission m/sec	Concentrations of parameters not to exceed					Frequency of emission sampling
					SPM (mg/Nm ³)	CO (%v/v)				
S-1										
S-2										
S-3										
S-4										
S-5										
S-6										
S-7										
S-8										
S-9										
S-10										

(Member Secretary/Chief Engr. / Env. Engr. / Env. Engr. / Asst. Env. Engr.)

(5)

Consent to M/s. Gitanjali Enterprise, Prop.- Debjoyti Ghosh
 for its unit at Mill - Patharchal, P.O. - Harinsingha, Mouza - Nischinta
 J.L. - 37 Plot no. - 42, 127

14. The Applicant shall provide ports in the stack(s) and other necessary permanent facilities such as ladder, platform, etc. for monitoring/sampling the air emissions and the same shall be made available for inspection and use by the State Board's staff as well as State Board's authorised agencies.
15. The Applicant shall observe the following fuel consumption pattern :-

Sl. No	Type of fuel	Quantity consumed per day	Fuel burning operation where the fuel is used
01			
02			
03			
04			
05			

16. The Applicant shall maintain the generation and treatment/disposal of non-hazardous solid waste as specified below :-

Type of waste	Quantity	Treatment	Disposal
Stone Dust	6000 cft.	W.	To be disposed as environmentally in safe manner.

17. The Applicant shall take adequate measures for control of noise levels from its own sources within the premises within the limit given below :-

Time	Limit in dB(A) L_{eq}
Day Time (06 a.m. to 09 p.m.)	65
Night Time (09 p.m. to 06 a.m.)	55

18. The Applicant shall at all times maintain good house-keeping, proper working order, and operate efficiently for control of pollution from all sources so as not to cause nuisance to surrounding areas/inhabitants and to achieve compliance with the terms and conditions of the consent.
19. The Applicant shall bring about at least 33% of the available open land under the green coverage / plantation.
20. The Applicant shall provide for an alternate electric power source sufficient to operate all pollution control facilities installed by the Applicant to maintain compliance with the terms and conditions of the consent. In absence of such an alternate electric power source, the Applicant shall stop, reduce or otherwise control production to abide by the terms and conditions of the Consent regarding pollution level.
21. The Applicant shall install a separate energy meter showing the consumption of energy for operation of pollution control devices.
22. The Applicant shall ensure that fugitive emissions from the activity are controlled so as to maintain clean and safe environment in and around the factory premises.
23. The Applicant shall provide drainage system for conveying industrial and domestic liquid waste. Storm-water drain shall be kept separate from the drainage system meant for industrial and domestic liquid waste.

(Member Secretary/Chief Engr./Sr. Env. Engr. / Env. Engr. / Asst. Env. Engr.)

Consent to M/s. Gitanjali Enterprise, Prop. - Debyoti Ghosh
 for its unit at Vill. - Patharchal, P.O. - Harinsingha, Mouza - Nischintaf
 J.L. No. - 37 Plot - 42, 127

24. The Applicant shall maintain a separate register showing consumption of chemicals used in pollution control systems.
25. The Applicant shall get the samples of hazardous wastes/leachates analysed at least once in from the laboratory recognised of the West Bengal Pollution Control Board and ensure that they conform to the limits stipulated. Test reports shall be sent to the Board.
26. The Applicant shall provide adequate and safe facility for collection of air, waste water and solid waste samples by the State Board's staff as well as State Board's authorised agencies.
27. The Applicant shall submit to the State Board by the 30th September of every year the Environmental Statement Report for the financial year ending 31st March of the current year in the prescribed form (Form -V) as required under the provisions of rule 14 of the Environment (Protection) [Second Amendment] rules, 1992.
28. The Applicant shall allow the Officers of the State Board to enter into the applicant's premises at any reasonable time to inspect the pollution control systems as well as monitoring and measuring devices in connection with prevention & control of pollution.
29. The Applicant shall maintain an Inspection Book in the factory premises which shall be made available to Officers & employees of the State Board for inspection, review and to write down any direction or observation as is deemed necessary during the inspection from time to time.
30. The Application shall furnish to the State Board all information in respect of quality, quantity, rate of discharge, place of discharge of liquid effluent and air emissions.
31. The Applicant shall maintain adequate number of qualified and trained personnel among his staff for proper maintenance and operation of the effluent treatment and / or emission control devices and for overall environment management of the industry.
32. The Applicant shall have to make registration for the use of groundwater if any, with Central Ground Water Authority.
33. The Applicant shall intimate to the State Board immediately of any occurrence or apprehension of occurrence of discharge of any poisonous, noxious or pollutants in excess of quality as well as quality as mentioned earlier to any receiving water body/receiving system or to atmosphere owing to accident or other unforeseen incident/event including natural disaster. The Applicant Shall (i) take all steps adequate to prevent such accident discharge/release of poisonous, noxious or pollutants and to limit their consequences to persons and the environment, (ii) provide to the persons working on the site with the information, training and equipment including antidotes necessary to ensure their safety and mitigate the accidental release of poisonous noxious or pollutants to the environment.
34. The Applicant shall make an application to the State Board in the prescribed form for renewal of the consent at least 60 (sixty) days before the date of expiry of this Consent.
35. The Applicant shall not make any alternation/modification/expansion in the existing manufacturing process and equipment as well as the pollution control system without prior approval of the Board.
36. The Applicant shall comply with the conditions as laid down in the Manufacture, Storage and Import of hazardous Chemicals, 1989 and Hazardous Wastes (Management & Handling) Rules, 1989.

(Member Secretary/Chief Engr./ Sr Env. Engr./ Env. Engr./ Asst. Env. Engr.)

(Stone Crusher)

Annexure to NOC Sl. No... N062075

Special Conditions issued to M/s Gitanjali Enterprise, Harisingha, Md. Bazar, Birbhum

A) Emission:

- 1) Diesel Engine - Nil
- 2) Adequate measures must be taken to control process emission.

B) Effluent :-

- 1) Process--Nil.
- 2) Domestic- to be discharged through septic tank to Panchayet drain/ Soak pit within the industry.

C) Solid Waste:- Stone dust to be used for land filling.**D) General:-**

- 1) Noise Control- Ambient noise level not to exceed the permissible limit
- 2) Dust containment cum suppression system for the equipment to be installed & operated.
- 3) Metalled road to be constructed within the premises.
- 4) Regular cleaning and wetting of the ground within the premises.
- 5) Mask and personnel protective device to be provided to all workers.
- 6) Rotary screen to be properly covered on upper side and dust collection arrangements from the dumping places of sized stone also to be made.
- 7) Wind breaking walls to be constructed and the crusher & screen plant to be housed in a shed.
- 8) Land conversion certificate must be obtained from the competent authority.
- 9) The suspended particulate matter measured between 3-10 metre from any process equipment of a stone crushing unit shall not exceed 600 microgram/m³
- 10) Good house-keeping to be maintained.
- 11) Tree planting -along the periphery of the industry.
- 12) This NOC is valid upto **31.01.2014**. for setting up the unit.

Paribesh Bhawan,
Bldg. No. 10 A, Block-LA, Sector-III, Salt Lake City, Bidhan Nagar,
Kolkata - 700 106, INDIA
Website : www.wbpcb.gov.in, e-mail : wbpcbnet@wbpcb.gov.in

Memo No. 02/4A-10/2012

Dated : 30.01.2023

ORDER

WHEREAS the West Bengal Pollution Control Board, Department of Environment, Government of West Bengal is concerned about various complaints against the illegal mining of minor minerals such as river sand, black stone, China Clay etc., having mining lease area less than 5 hectare which are operating without proper statutory licenses and without adopting proper pollution control systems and measures and thereby creating environmental hazards and various other environmental problem.

AND WHEREAS the West Bengal Pollution Control Board (hereinafter will be referred to as the State Board) is executing the provisions of the Water (Prevention and Control of Pollution) Act, 1974, the Air (Prevention and Control of Pollution) Act, 1981, and the Environment (Protection) Act, 1986 and Rules framed thereunder for Prevention and Control of Pollution within the territorial jurisdiction of West Bengal.

AND WHEREAS the State Board by the order bearing No.3895/43L/WPB/2003 dated 09/12/2010 declared the Block Development Officer, Sub-Divisional Officer of all the Districts, West Bengal as Ex-Officio Environment Officers of the State Board. They were delegated powers to inspect and monitoring of the stone queries and stone crushing units and also to issue 'Consent to Establish' (NOC) and 'Consent to Operate' maintaining the norms and procedure as mentioned therein.

AND WHEREAS in the said Order of the State Board, the District Magistrates were declared as "Ex-Officio Senior Environmental Officer" of the State Board and powers were also delegated to the District Magistrates of all the Districts of West Bengal to issue regulatory order against the stone queries and stone crushing units in the form of closure, disconnection of, electricity, water line and also to exercise such powers as conferred under the Water (Prevention and Control of Pollution) Act, 1974, the Air (Prevention and Control of Pollution) Act, 1981 and Environment (protection) Act, 1986 and Rules framed thereunder, for the purpose of abatement of pollution from the Stone quarries and stone crushing units.

AND WHEREAS the Ministry of Environment and Forest & Climatic Change, Govt. of India issued Notifications dated 15-01-2016 and 20-01-2016 in order to streamline process of issuance of Environmental Clearance (EC) for mining minerals units, as mentioned therein.

AND WHEREAS the District Level Environment Impact Assessment Authority (DEIAA) and District Expert Approval Committee (DEAC) have been constituted by the West Bengal Government in all the Districts towards issuance of EC for such units dealing with mining of minor

minerals such as river sand, black stone, China Clay etc.

AND WHEREAS the State Board by the order bearing No.67/3751/WPB/2017 dated 24/01/2017 declared the Sub-Divisional Officers of all the District of West Bengal as Ex-Officio Environmental Officers of the State Board. They were delegated powers to inspect and monitoring of the units dealing with the mining of minor minerals, such as river sand, black stone, China Clay etc., having mining lease less than 5 hectare and also to issue 'Consent to Establish' (NOC) and 'Consent to Operate' maintaining the norms and procedure as mentioned therein.

AND WHEREAS in the said Order of the State Board, the District Magistrates were declared as "Ex-Officio Senior Environmental Officer" of the State Board and powers were also delegated to the District Magistrates of all the Districts of West Bengal to issue regulatory order against the units dealing with the minor minerals in the form of closure, disconnection of, electricity, water line and also to exercise such powers as conferred under the Water (Prevention and Control of Pollution) Act, 1974, the Air (Prevention and Control of Pollution) Act, 1981 and Environment (protection) Act, 1986 and Rules framed thereunder for the purpose of abatement of pollution from the activities of mining of minor minerals units.

AND WHEREAS all these orders issued by the State Board with the condition "Rights is also reserved to the West Bengal Pollution Control Board for withdrawal of such delegation of powers at any point of time for public interest".

AND WHEREAS the Hon'ble National Green Tribunal, Principal Bench, in Original Application No. 479 of 2016, vide its order on 19/07/2017 directed that the Stone Crusher units to obtain the Environmental Clearance (EC) from the competent authority.

AND WHEREAS office Memorandum dated 12/12/2018 of the Ministry of Environment and Forest & Climate Change, Government of India in connection with Order dated 4th September, 2018 & 13th September, 2018 passed by the Hon'ble National Green Tribunal, New Delhi in O.A.No.173 of 2018 & O.A.No.186 of 2016 in the matters titles "Sundarsan Das Vs State of West Bengal & Ors" & "Satendra Pandey Vs Ministry of Environment Forest & Climate Change & Anr.", directed that for areas 0 to 5 Hectres EC application of minor minerals to be evaluated by State Level Expert Appraisal Committee (SEAC) for recommendation of EC by State Environment Impact Assessment Authority (SEIAA) instead of DEAC / DEIAA.

AND WHEREAS the Department of Environment, GoWB has published the Gazette Notification on 08/06/2022 under West Bengal Right to Public Service Act 2013 (vide no 1770-EN/A-02/2013 (Pt. I) dated 05/10/2021) for the various services of the State Board.

AND WHEREAS in the said notification, the power to issue 'Consent to Establish' (NOC) and 'Consent to Operate' of all EC attracting units are delegated to the State Board.

AND WHEREAS the State Board, in compliance of the Ease of Doing Business Initiatives of Govt of West Bengal has introduced Online Consent Management Monitoring System (OCMMS) developed by NIC since 01/02/2020 for receiving & processing of Consent

Applications.

HENCE, after careful consideration of the above mentioned orders, Notification and National Green Tribunal Orders, West Bengal Pollution Control Board, in consultation with the Department of Environment, Government of West Bengal has decided to withdraw the delegation of Power given to District Magistrate, Sub-Divisional Officers & Block Development Officers vide no. 3895/43L/WPB/2003 dated 09/12/2010 and 67/375L/WPB/2017 dated 24/01/2017.

NOW THEREFORE to ensure uniformity in consent application, processing through OCMMS and in supersession of all previous orders in this regard, the State Board hereby orders that henceforth Consent to Establish (NOC) and Consent to Operate applications of stone crushers and units dealing with mining of all minor minerals such as river sand, black stone, China Clay etc., attracting Environmental Clearance (EC) provisions shall be dealt by the State Board.

This order will take immediate effect.

Kalyan Rudra
Chairman

..... Durgapur Reg. office
..... Durgapur - J.G.

Sir,

1. I/We hereby apply in the application form for both Consent to Operate (Fresh/Renewal) (i) under sub-section (2) of Section 25 and Section 26 of Water (Prevention and Control of Pollution) Act, 1974 to make discharge from land/premises and (ii) under sub-section (2) of Section 21 of the Air (Prevention and Control of Pollution) Act, 1981 to make emission from a proposed industrial plant owned by DEBJYOTI GHOSH for a period upto 28/02/2025
2. The Annexure, Appendices, other particulars and plans are attached .
3. I/We further declare that the information furnished in the application form, Annexure/Appendices and plans is correct the best of my/our knowledge.
4. I/We hereby submit that in case of a change either or a point or the quantity of discharge or the quantity of emission, a fresh application for consent shall be made and until such consent is granted, no change shall be made.
5. I/We hereby agree to submit to the board, application for renewal of consent two months in advance of the date of expiry of the consented period, if to be continued there after.
6. I/We undertake to furnish any other information within seven days of its being called for by the State Board.
7. I/We enclose herewith Challan of Rs. deposited in Branch on in favour of West Bengal Pollution Control Board being the 'Consent to Operate application fee'.

 c) Others(Night watchman etc.) : 2
 (ii) a) No. of working hour per day : 8
 b) No. of working day per year : 220,No
06. Population residing in the Quarters / Colony, if applicable : NA
07. Gross capital investment on land, building, plant & machinery Lakhs.23
 excluding capital investment on pollution control system the unit till the date if application

(To be supported an undertaking affidavit, annual report or certificate from a Chartered Accountant).

08. Give the list of raw materials (including fuel) with consumption per month

(if the space provided below is for inadequate, please attach :
 separate sheet giving information using the same format).

Sl. No.	Name of Raw Materials(including fuel)	Quantity per Month
	STONE BOLDER/CHELY	7000 Metric Tonnes/Month

09. List of products and by-products manufactured :
(If the space provided below is for inadequate, please attach separate sheet giving information using the same format).

Name	Production Capacity (Per Month)	Average Production (Per Month)
STONE CHIPS 5/8"	2000 Metric Tonnes/Month	2000 Metric Tonnes/Month
STONE CHIPS 3/4"	1540 Metric Tonnes/Month	1540 Metric Tonnes/Month
STONE CHIPS 1/2"	960 Metric Tonnes/Month	960 Metric Tonnes/Month
STONE CHIPS 1/4"	500 Metric Tonnes/Month	500 Metric Tonnes/Month

PART - B : INFORMATION REQUIRED IN CONNECTION WITH PERVENTION AND CONTROL OF WATER POLLUTION

10. Water consumption for different uses

Type of Use	Sources of supply (Strike out which If/are not appliccable)	Quantlty (M3/day)
-------------	---	-------------------

11. Information regarding liquid waste discharged.
Do not give information on storm water discharged.

Sources (Place of generation)	Quantlty(M3/day)	Place of discharge)
-------------------------------	------------------	---------------------

(If the space provided above inadequate, please attach separate sheet giving information the same format).
(Note: Please attach a diagram showing liquid waste flow from its place of generation upto the of final discharge.)

12. Whether facillties available for liquid waste treatment : Yes/No
if yes.

- (a) Quantity of Liquid waste reted :
 - (b) Describe the facility along with a diagram :
- (Please attach separate sheet)

13. Attach latest 'analysis report' of the Board or Board's recogised laboratory showing quality of liquid waste discharge (before and after treatment) :

- 14. Whether water meter at water intake points installed : No,
- 15. Whether energy meter of E. T. P. installed :
- 16. Whether waste water flow measuring device installed : No

PART - C : INFORMATION REQUIRED IN CONNECTION WITH PERVENTION AND CONTROL OF Air POLLUTION

17. Details of source of emission--

(A) (From manufacturing process) :.....

Name the unit operation causing emission of pollutants

(Please attach additional sheet if required) :

Type	Details/Capacity/Unit/NA
------	--------------------------

(B) (From Furnaces, Heaters, Kiln etc.)

Type of Furnace/Heaters/Kiln	No. of Units	Capacity of each unit	Fuel used (nature & quantity) in individual Furnace
------------------------------	--------------	-----------------------	---

(C) (From Boilers)

Number of boilers	Capacity of each boiler	Fuel used (nature & quantity) in individual boilers
-------------------	-------------------------	---

D. (From Diesel Generator Sets)

No. of DG sets	Capacity of each DG sets	Height of the stack above DG sets	Height of the DG room
----------------	--------------------------	-----------------------------------	-----------------------

E. (Noise pollution control measures)

Acoustic enclosure/acoustic treatment of DG room	Exhaust mufflet
--	-----------------

17. Emission Details.

Emission Type	Stack Attach ed To	Height of the Stack	Stack Diame ter	Fuel Consu mption	Quanti ty	Gas Quanti ty(m ³ /hr)	Fuel	SMF	Plant Capaci ty	Consp- Unit	Stack Draft Type	Remar ks	Polluti on Contro l Equip ments
---------------	--------------------	---------------------	-----------------	-------------------	-----------	-----------------------------------	------	-----	-----------------	-------------	------------------	----------	---------------------------------

If the space provided above is inadequate, please attach separate sheet giving information using the same format (Attach latest 'analysis report' of the Board's recognised laboratory)

PART - D : OTHER INFORMATION

19. Give details regarding solid waste

Type of Waste	Description of waste (Slump/Paste/Dust, etc.)	Quantity per month	unit	Method of disposal
---------------	---	--------------------	------	--------------------

20. Attach a separate sheet (not applicable to small scale unit) :
 Providing a brief write-up and schematic flow sheet
 of the manufacturing process clearly showing sources
 of generation of solid (hazardous and, non-hazardous)
 liquid and gaseous wastes
21. Attach layout plan showing the different outlets for liquid :
 waste discharge
22. Other relevant information, if any :
 (Please attach separate sheet if required)
- Seal Signature of Applicant. *Debasmita Ghosh*

Check-list of accompaniments: [Please put tick mark (-) as applicable]

- The THIRD PART of the challan (in original) as proof of deposition of consent application fee
- Undertaking/Affidavit/Andull Report/certificate from a Chartered Accountant (Item No.07)
- Additional sheet against Item No.08
- Additional sheet against Item No.09
- Additional sheet against Item No.11 (b)
- Additional sheet against Item No.13
- Additional sheet against Item No.17 (A)
- Additional sheet against Item No.18
- Additional sheet against Item No.20
- Additional sheet against Item No.21
- Additional sheet against Item No.22

Notes : => All enclosures, documents and analysis reports of Board's recognised laboratories must be signed/counted-signed by the applicant with official seal.

=> All subsequent connection in the application form and enclosures should be signed by the applicant or any person authorised by the applicant.

=> The form is to be filled preferably in by type written or legible hand writing

Memo No. M&M/4142(47)/DL&LRO(B)/2025

Date: 07.08.2025

To,
 Name of Stone Crushing Unit : Gitanjali Enterprise
 Name of Proprietor/Owner : Debojyoti Ghosh
 Address : Harinsinga, PS-Md.Bazar, Dist.-Birbhum
 Mouza where crushing unit is located : Harinsinga-38
 P.S. & District : Md. Bazar, Birbhum.

Sub: Operation of Stone Crushing Unit without obtaining requisite Consent to Establish/Consent to Operate from the WBPCB and imposition of Environment Compensation in terms of the solemn order dated 21.03.2025 passed by the Hon'ble NGT, Eastern Zone Bench in O.A. No. 154/2024/EZ..

Whereas, in terms of the solemn order dated 21.03.2025 by the Hon'ble National Green Tribunal, Eastern Zone Bench passed in O.A. No. 154/2024/EZ (Earlier O.A. No.722/2024/PB) in the matter of Re: News item titled "Birbhum- a proposed Coal mine in West Bengal and the related health hazards" appearing in "The Hindu" dated 12.05.2024 as regards determination of Environmental Compensation against the Stone Crushing Units operating illegally in contravention of law, Notice being Memo No. M&M/1630/DL&LRO(B) dated 04.04.2025 was issued to the 229 number of stone crushing units under PS- Md. Bazar asking them to submit copies of all permissions/consents/licenses/relevant documents related to their stone crushing units in the office of the BL&LRO, Md. Bazar within two weeks from the date of receipt of the said notice;

And whereas, in terms of the said direction vide the Notice dated 04.04.2025, the appearing stone crushing units have submitted certain documents as available to them, in connection with their respective crushing units;

And whereas, after scrutiny of the said documents, as submitted by the appearing stone crushing units before the BL&LRO, Md. Bazar Block, it appears that your stone crushing unit is being operated/run by you without valid subsisting Consent/Permission/Clearance from the appropriate authority from the period from 01-Mar-25 till date;

And whereas, in earlier occasion, the Hon'ble National Green Tribunal, Eastern Zone vide Order dated 15.11.2016 passed in O.A. No. 41/2015/EZ read with the Order dated 11.10.2017 passed in O.A. No. 44/2015/EZ in the matter of Joydeep Mukherjee Vs. WBPCB & Os., categorized the stone crushing units into two as follows:

Category-I : Those units which did not have any consent at any point of time but running illegally;

Category-II : Those units which possessed consents to operate the validity of which expired and were not renewed but continuing to be operating illegally.

The Hon'ble National Green Tribunal vide the aforesaid order, was pleased to impose a fine of Rs. 1.5 Lakhs for Category-I and Rs. 1.00 Lakh for the Category-II, which was to be submitted with the WBPCB.

And whereas, while adopting the aforesaid method and manner of imposition of such penalty, it appears that your stone crushing falls within the Category- II and therefore, you are liable to pay a fine of Rs. 1,00,000 (Rs. One Lakh only).

You are therefore directed to:

1. Not to resume/continue operation in your stone crushing unit until you obtain the requisite license/consent/permission from the competent authority;
2. Pay the aforesaid fine of Rs. 1,00,000 (Rs. One Lakh only) with the regional office of the WBPCB within one month from the date of receipt of this order and to obtain requisite consents/permission thereof in respect of your crushing unit following the relevant procedure.

In the event of failure of the aforesaid directions, legal action shall be taken against your crushing unit strictly in accordance with the law.

It is clarified that payment of the aforesaid fine shall not *ipso facto* create any right or equity in favour of you to grant/issue requisite consent/permission by the competent authority, for which you have to follow the relevant procedure to apply and such application shall be dealt with by the competent authority in accordance with law.

District Magistrate
Birbhum.
