Subject: Request for urgent cleaning and restoration of a privately-owned public-use pond lying and situated at Q-476/1, Santoshpur Road, P.S.- Metiabruz, KMC Borough No. XV, Ward No. – 136, Kolkata- 700024.

Respected Sir,

We, the undersigned residents of Ward No. 136 under the jurisdiction of Kolkata Municipal Corporation, would like to draw your kind attention to the extremely unhygienic and neglected condition of the pond located at lying and situated at Q-476/1, Santoshpur Road, P.S.- Metiabruz, KMC Borough No. XV, Ward No. – 136, Kolkata- 700024. Although the pond is

privately owned, it has been traditionally used by the residents for daily purposes, cultural rituals and neighbourhood activities for decades.

For the last several months, the pond has been choked with weeds, garbage, plastic waste and sewage inflow, creating serious health and safety concerns for the surrounding locality as some local hooligans are trying to fill up the pond using garbages through their men and agents. The stagnant and contaminated water has resulted in: -

- i. Spread of foul smell in the locality.
- ii. Rapid mosquito breeding and rise in dengue/malaria cases.
- iii. High risk of water-borne diseases.
- iv. Obstruction of rituals/functions for which public access has always been allowed.

Repeated requests to the caretaker/owners have not yielded any positive results and the condition is deteriorating rapidly. As per Section 63 of the KMC Act detailing the duties relating to public health and sanitation, we humbly request the Concerned persons to undertake immediate measures for cleaning, desilting and scientific waste removal from the pond in the interest of public health and environmental protection. Not only this on several occasions we had informed the officers of the Kolkata Municipal

Corporation regarding through letter dated 06-12-2022 and 28-03-2023 and also through online mode i.e. through kmc whatsapp page being grievance id. no. PGR-2025-09-19-016464 dated 19-09-2025 duly assigned to one Arup Sarkar to take care of the same but till date none of the officers concerned had bear the pain to look after and take care of the above narrated matter due to the reasons best known to them.

We believe the intervention of the Corporation is crucial and justified since this pond serves public utility despite being privately owned and its current state is a direct threat to the health and safety of hundreds of residents.

We therefore request you to kindly initiate the following actions at the earliest: -

1. Inspection of the pond by KMC Health & Sanitation Department.
2. Immediate cleaning, weed removal & sterilisation of water.
3. Preventive measures to stop garbage dumping & mosquito breeding.
4. Placement of signboards prohibiting waste disposal around the pond.

We hope for prompt and effective action in this matter. The residents of our locality shall remain grateful for your intervention to restore hygiene and safeguard public health.

Thanking you,

Yours faithfully,

Rameez Hossain Darsi

Date : 6.12.2022

Dear Madam / Sir,

We, the local and surrounding people of premises no. Q-476/1, Santoshpur Road situated under P.S. - Metiabruz, Borough - XV, Ward No. 136, Kolkata - 700 024 beg to draw your kind attention to the following facts :

1. That one pukur(pond) is situated at premises no. Q-476/1, Santoshpur Road, under P.S. – Metiabruz, Borough – XV, Ward No. 136, Kolkata – 700 024 measuring more or less 8 (eight) Cottah.
2. That from last few months the said pukur(pond) was not cleaned by its owner and some people also throwing garbage in the said pukur(pond) and for the aforesaid reason a bad smell is always coming from the said pukur .
3. It is pertinent to mention here that one water pump of K.M.C was also installed at the said pukur(pond) which is used in rainy season.
4. In this Dengue Situation, there is every chance of breeding of mosquito in the said dirty pukur(pond) and there is also high possibility of spreading of dengue in our locality .

So, we the local and surrounding people are humbly requesting you to kindly take necessary action or actions so that the said pukur(pond) may be cleaned and we live our life in a healthy environment.

Thanking you,

Yours Faithfully,
