Reply by Public Works Department / Water Resources Department

Executive Engineer
Bhavanisagar Dam Division
Bhavanisagar

1. The above case posted for consideration of the report by the Joint Committee constituted by this Tribunal with Observations and recommendations pertaining to the above division for which the reply is submitted as follows:

a) Rejuvenation of Nallaru Odai

- To take steps to rejuvenate the Nallaru Odai by evacuating the encroachments as per Re- survey records of Tamil Nadu Government

Initiatives have been taken to evacuate the encroachments on the Nallaru Odai. List of encroachments was received from Tahsildar of Tiruppur North Taluk vide letter dated 20.04.2018. About 147 Nos of encroachments was identified and listed. Further, notices have been issued to the encroachers through public works department. (Annexure I) Mean time the encroachers requested for alternate place for housing. After considering their representation the encroachment list has been forwarded to the TamilNadu Slum Clearance Board in Tiruppur vide Executive Engineer Bhavanisagar Dam Division Letter dated 01.07.2019 (Annexure II) for consideration to allot alternate tenements in their ongoing projects. At this juncture after getting allotment for alternate dwellings the encroachments will be evicted and cleared.

- To take Regular maintenance of Nallaru Odai by Desilting and renovating the side walls of Odai

To desilt, clean the jungle and construct retaining walls in Nallaru Odai an estimate is prepared at project cost of 23.75 crores. The proposal envisages primarily to remove the jungles and

vegetations removal of sediments, construction of drainage inlets on the banks & construction of retaining walls at vulnerable location.

This estimate of proposed work is being forwarded to the Government of TamilNadu through the Public works department for Administrative sanction which is in process. After getting Administrative sanction from the Government of TamilNadu necessary action may be taken up complete the work within a year.
