

Action taken report in respect of 7th Cross, 7th Main, Shakambari Nagar, JP Nagar, 1st Phase, Bangalore in respect of Original Application No. 234/2021.

Ref: Hon'ble NGT Order OA No. 234/2021 dated 23.12.2021.

□□□□

In accordance with the directions issued by Honorable National Green Tribunal, South Zone, Chennai on the matter of OA No. 234/2021, the Action taken details are as under:

Directions/Recommendations issued by Hon'ble Tribunal vide order dated 23.12.2021	Compliance / Status
As per Para(2) OA.No.234/2021 dated:26.11.2021 directed the State Pollution Control Board(SPCB) and Bruhat Bengaluru Mahanagara Palike(BBMP) to look into the matter and take remedial action accordance with law and submit the action taken report within two months before this tribunal	<ul style="list-style-type: none">• As per the Hon'ble NGT direction Board had issued memo to Regional Office, Bengaluru City South to submit action taken report to the Board office on 12.01.2022.• Based on the Board office Memo RO, Bengaluru City South had conducted the inspection along with BBMP Officer on 21.01.2022 and observed the following:<ol style="list-style-type: none">1. The BBMP authorities informed that earlier the water from Navodaya layout was flowing into M/s. Jayanthi Garden Apartments & gets stagnated due to which 7th Cross of 7th main road would be filled with water during heavy rain. In order to overcome this stagnation, the BBMP authorities planned to construct the lead drain to allow the flow of water to get connected to the SWD which is located at 13th Main, Shankambari Nagar, JP Nagar.2. The 7th Main road is a 24ft wide road, where the lead drain is constructed in 0.6m x 0.6m as informed by the BBMP authorities.3. KSPCB recommendation: The said Storm water drain construction activities are not covered by the Board and requested to exempt the Board for further proceedings.

The action taken report as on 27.01.2022 is humbly submitted for placing it before the Hon'ble NGT, South Zone, Chennai for necessary action.
