S.W.D.C.No. B3/0344/2021 Date: 25/02/2021

Dear Sir / Madam,

Sub: Requesting Coastal Regulation Zone (CRZ) Clearance for our Construction of Integrated Storm Water Drains (ISWD) in "Kovalam Basin" within GCC Limits, Chennai District towards the Proposed Flood Mitigation Measures to Extended Greater Chennai Corporation (GCC) Area Chennai District in the state of Tamil Nadu – Reg.

In continuation to the subject matter above, it is proposed to construct Integrated Storm Water Drains in extended greater Chennai corporation area. The proposal involves construction of storm water drain having total length of 52.472 km in which 32.828 km falls in CRZ Area. The major part of the proposed storm water drain is based on the existing contour levels and which falls under CRZ area. The project component partly falls under CRZ areas such as CRZ – II. The demarcation of High Tide Line/Low Tide Line and Coastal Regulation Zone has been obtained from Institute of Remote Sensing, Anna University, Chennai – 25 and the copy of the same is attached along with application for your reference.

The proposed project will prevent water stagnation and inundation problems in the Chennai corporation area during the monsoon/cyclones. The proposed project will improve storm water drainage facilities, mitigate flood from low lying and flood prone areas of GCC area. The proposed activity i.e. storm water drains and ancillary structure construction is permitted under CRZ Notification, 2011, vide para 3 (v) (b) of the said notification.

Please find attached herewith our copy application (4 copies) seeking CRZ Clearance with Form 1, EIA along with necessary enclosures for your reference. Kindly accept the above details and request you to do the needful towards issuing Coastal Regulation Zone (CRZ) Clearance for our project at the earliest.
