COMMON AFFIDAVIT OF DR. D. MUTHUKUMARASAMY

I, Dr. D. Muthukumarasamy, S/o Mr. P.K. Dharmalingam, aged about 84 years, the 2nd Petitioner above-named and the Correspondent of the 1st Petitioner, having office at Kulkapalayam Pirivu, Karumbalayam Village, Achipatti Post, Pollachi - 642002 do hereby solemnly affirm and sincerely state as follows:

1. I am the correspondent and authorised signatory of the 1st Petitioner above-named and am the 2nd Petitioner herein and as such I am well acquainted with the facts of this case. I am authorized and competent to swear this affidavit on behalf of the 1st Applicant. I am also swearing this affidavit on behalf of the other applicants.
2. I submit that this Hon'ble Tribunal had, vide its order dated 09.01.2020 directed the 2nd Respondent to conduct an inspection of the units of the 4th and 5th Respondent and file a status report and the said report was taken up for consideration by the Hon'ble Tribunal on 20.07.2020. The Hon'ble Tribunal had also directed the 2nd Respondent to file a "further compliance" report. The Hon'ble Tribunal vide its order dated 27.10.2020 took on record the 'compliance report' filed by the 2nd Respondent and had also observed that the said compliance report does not mention whether any steps have been taken by the 2nd Respondent to impose the compensation of the units and for recovery of the same. The Hon'ble Tribunal had directed the 2nd Applicant to file a further report since the earlier report did not specify measures to be taken given the non-compliance by the 4th and 5th Respondents. The further report dated 30.11.2020 filed by the 2nd Respondent was taken on record by this Hon'ble Tribunal vide order dated 07.01.2021 wherein the Hon'ble Tribunal had observed that the said further report shows that many of the

For Disha A Life School

Correspondent

recommendations have not been implemented by the erring units and that the report does not cover the actions taken by the 2nd Respondent for non-compliance of the directions issued on the erring units. The Hon'ble Tribunal granted additional time to the 2nd Respondent to file a further action report. I submit that the Petitioners reserve their right to file any further objections/affidavit/additional documents subsequent to filing of the further action report by the 2nd Respondent.

3. I submit that though a copy of the report taken on record on 20.07.2020, was not served on the Applicants, the Applicants had, based on the extract of the report in the Order dated 20.07.2020 prepared and filed their objections, while reserving their rights to file additional objections.
4. I submit that we have now perused the compliance report taken on record vide order dated 27.10.2020 filed by the 3rd Respondent and the further status report dated 30.11.2020 filed by the 2nd Respondent pursuant to the order of the Hon'ble Tribunal dated 09.11.2020 ('collectively referred to as 'Reports') and submit the following:
 - a) The Petitioners submit that from a bare perusal of the Reports, it is evident that the 4th& 5th Respondent have not complied with several recommendations of the 2nd& 3rd Respondents and continue to indulge in acts of polluting its surroundings. I submit that far from the claims and undertaking of the 4th and 5th Respondents, and in flagrant disregard of the directions of this Hon'ble Tribunal and pollution control laws, the pollution caused by 4th and 5th Respondents continues unabated and there has been no respite whatsoever on the pollution caused by the said Respondents.
 - b) I submit that the 4th& 5th Respondents are wantonly refusing to relocate the shot blasting and fettling section (as recommended by the

For Disha A Life School

A. M. Munnar

Correspondent

2nd Respondent) owing to financial expenses and the resultant implication being closure of the factory for a span of 2 years. Further, the 4th Respondent has also refused to comply with stoppage of the shot blasting and fettling operations in the existing location and sub-contracting the same to its sister concern viz., 5th Respondent or any third party vendor, citing the same reason of monetary expense. The 2nd Respondent has recorded that the western side (school facing premises) of the shot blasting and fettling section shed had been entirely covered with sheets to cover the entire vertical face with closing door. It is further submitted that the reasons cited by 4th & 5th Respondents for compliance of the recommendation clearly evidences the non-willingness of the said Respondents to carry out any action or rectify its operations and functioning so as to reduce the pollution caused by it and its impact on the Petitioners and general public staying nearby.

- c) I submit that the erring Respondents have also refused to conduct ambient air quality/ambient noise level/stack monitoring in the units as well as in the school premises on a monthly basis (as recommended by the 2nd Respondent) by merely stating that they have already installed online monitoring systems in their premises. This evidences the erring Respondents continuous negligence and outright dodging of the environmental monitoring, and their averment that they maintain the norms well within the parameters prescribed by 2nd Respondent is imaginary and baseless. In order to substantiate the aforesaid statement and further prove that there has been no improvement in the situation and that the air and water pollution continue unabated, I enclose herewith certain photographs as recent as December 2020 and January 2021 and logbook maintained by the 1st Petitioner on the smoke emissions by the erring Respondents, as **Annexure A (colly.)**.

For Disha A Life School

D. M. Munnur

Correspondent

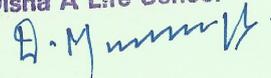

d) I submit that with the 4th& 5th Respondents have also not complied with the recommendation pertaining to the upgradation in the machinery used by 4th& 5th Respondents.

In light of the aforesaid, it is evident that the 4th& 5th Respondents are not willing to carry out any action point to improve the situation at the ground level and to the pollutants emitted by their foundries.

5. I submit that generally, the wind blows from Northeast to Southwest direction between October and March. However, given that Pollachi (where the Petitioners are situated) is located at Palakkad pass, the wind blows directly from East to West between October and March and thus, the Petitioners and in specific the 1st Petitioner, are affected directly.

6. I submit that the 1st Petitioner had caused well-reputed and accredited labs to test the water samples, public pond water and to monitor the ambient air quality in the school premises (in December 2018 and March 2020) and the said reports have been filed with this Hon'ble Tribunal. The aforesaid lab reports prima facie evidence that the indicated levels are beyond the permitted parameters. Further, there has been no improvement in the pollution since then, thus, it is incomprehensible as to how the monitored levels as filed by the Respondents shows within the parameters. It is extremely critical that the 2nd Respondent conducts surprise inspections and tests in the 4th& 5th Respondents' premises as well as the school premises of the 1st Petitioner in order to clearly ascertain the levels of pollution. I submit that the prior intimated inspections allow the erring Respondents to control the operations and functioning of their respective foundries and wantonly underplay the pollution levels caused by it.

For Disha A Life School

Correspondent

7. I submit that the 1st Petitioner and neighbours thereof had also filed complaint letters with the Tamil Nadu Pollution Control Board, Coimbatore, bringing to their notice the high levels of pollutants being emitted by 4th& 5th Respondents and submitted photographs evidencing the huge deposits of black dust particles in and around the premises of the 1st Petitioner and until date, neither has there been any action taken on the same nor has there been any inspection/visit in the premises of the 1st Petitioner. Copies of the complaint letters are enclosed herewith as **Annexure B (colly.)**
8. The Petitioners have therefore filed the present affidavit and the photographs referred to above, in order to place on record documentary proof of continuing pollution by the 4th and 5th Respondents and bring on record the preliminary objections to the Reports. The Petitioners reserve their right to file their remarks on or objections to the further report to be filed by the 2nd Respondent, as and when filed.
9. In light of the foregoing, it is prayed that this Hon'ble Tribunal may be pleased to:
- a) direct the 2nd Respondent to conduct surprise inspections to evaluate the activities of the 4th& 5th Respondents and conduct necessary tests to monitor the pollution levels in and around the premises of the erring Respondents and also direct that a AAQ online monitoring system is installed in the premises of the 1st Petitioner as well that will enable fair comparison of the AAQ levels filed by the 4th& 5th Respondent vis-à-vis the levels recorded in the premises of the 1st Petitioner.
 - b) Direct the 2nd Respondent to visit the premises of the 1st Petitioner to evaluate the impact of the pollution caused by 4th& 5th Respondents.

For Disha A Life School

D. M. ...

Correspondent

- c) Pass the aforesaid directions at the earliest, as the wind direction is likely to change in April and monitoring of the current AAQ levels is extremely critical for fair adjudication of the issue on hand; and
- d) pass any further orders as this Hon'ble Tribunal may deem fit in the facts and circumstances of the case, in the interest of justice.

Sub: **BLACK DUST PARTICLES** deposit from Unicast Alloys Pvt. Ltd. and Hi Tech Die Cast Pvt. Ltd.

Respected Sir,

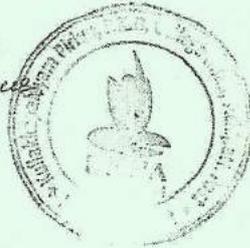

This is to bring to your kind notice that **BLACK DUST PARTICLES** are deposited all over our school campus from the month of November 2020. This is due to the improper maintenance of the companies (Unicast Alloys Pvt. Ltd. & Hi-Tech Die Cast Pvt. Ltd.) adjacent to our school campus.

In spite of maintaining a huge green belt between the companies and school, large amount of **BLACK DUST PARTICLES** are deposited all over the school campus. The photographs of the **BLACK DUST PARTICLES** deposited in our school building are attached herewith.

We would be grateful if you could look into this issue and take necessary action at the earliest.

Thanks, Regards

பொருள் : தொழில்நுட்பவகையில் துருத்தி வளர்வதும்
கருப்பு நிற துருத்திகளால் பாதிப்பு காரணமாக

மதிப்பீடு செய்து உதவுவது,

நான் மேலே குறிப்பிட்ட முகவரில் பல
வகைகளாக வசூதி வகைகளை. எங்கள் ஸ்டீல் அலாய்ஸ்
Unicast alloys மற்றும் Hi-Tech diecast P.L. என்ற
கரு தொழில்நுட்பவகையில் செயல்படும் வகைகளை. துருத்தி
வகை வகை அந்தரித்து கொண்டு வரும் கருப்பு நிற துருத்திகள்
வகை நவம்பர் 2020 முதல் வரும் அளவு கருப்பு
துருத்திகள் வந்த வண்ணம் உள்ளன. துருத்திகள்
உடல் நலத்திற்கு பெரும் பாதிப்பு ஏற்படும் என்ற அச்சம்
ஏற்படுகின்றது. சர்க்காரால் துருத்தி உடல் நலத்திற்கு
ஏற்படுமாறு பண்புடன் கேட்டுக்கொள்கிறேன்.

கருப்பு நிற,

M. M. M.

அன்புநீர் :

S. ராமசுந்தரன்,
மேகாடு, திருமப்பாளையம்,
போளிகுளம்.

பெருநீர் :

மாவுடல் சுந்தரன் சதீஸ் பொலியாளர்,
தமிழ்நாடு மாசுக் கட்டுப்பாட்டு வாரியம்,
கோயம்புத்தூர்.

மதிப்பிற்குரிய ஜயா,

நான் உச்சிக்கும் வீட்டின் அருகில்
இரண்டு இரும்பு உருக்குத் தொழிற்சாலைகள்
செயல்பட்டு கொண்டு இருக்கின்றன. இந்த இரும்பு
உருக்குத் தொழிற்சாலைகளில் இருந்து வெளி உரும்
கரும்பு நிறு சுரிகள் எங்கள் வீட்டின் உள்ள
எல்லா இடங்களிலும் பரிக்ன்றது. இதனால்
எங்கள் குடும்ப உறுப்பினர்களின் உடல்நிலை
பாதிக்கப்படுகின்றது. எனவே இதற்கு கடுக நடவடிக்கை
எடுக்குமாறு தாழ்த்தியுடன் கேட்டுக் கொள்கிறேன்.
தொழிற்சாலைகளின் பெயர் :

1. யூனிகாஸ்ட் அலாய்ஸ்
2. ஹைலக் கைகாஸ்ட்
நெர்,

இப்படிக்கு,

S. ராமசுந்தரன்
