Sir,

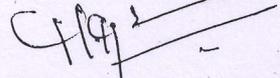

Sub:- Waste dumped on the banks of Konothupuzha - reg.

The Board has conducted inspection along the banks of Konothupuzha and found that waste was seen dumped along road sides in idle places near to the river. Met some Haritha Karma Sena members and they informed that they are removing the solid waste regularly from different sites, but waste is being dumped repeatedly in many places. Hence you are hereby directed to implement the following measures in your jurisdiction.

- Conduct awareness programs in the locality against dumped of waste in public places and road sides.
- Implement door to door collection of solid waste and dispose it as per Solid Waste Management Rules 2016 after collecting user fee.
- Spot fine has to be imposed on persons who dump waste and necessary action has to be taken to curb this illegal dumping.

You are also directed to apply for the authorization for handling Municipal Solid Waste as per Solid Waste Management Rules 2016.

Yours faithfully,
