With reference to above letter no.1 cited, The Honorable National Green tribunal issued orders to the Original Application No.164 of 2017(SZ) filed by Thiru.M.Dhamocharan, Tiruppur directing to rejuvenate the Nallar flowing in Tiruppur and to remove the encroachments on the banks. Followed by this and as per reference cited from 2 the action taken report is submitted as follows.

The Honorable National Green tribunal in its order dated.23.11.2020 has directed to rejuvenate Nallar odai by evacuating the encroachments and take regular maintenance by desilting and constructing side walls which pertains to Bhavanisagar Dam Division, Bhavanisagar. Regarding the encroachments 147 Nos have been identified and notice was served. Since, alternate dwellings was requested by the encroachers, the encroachment list has been forwarded to Tamilnadu Slum Clearance Board in Tiruppur for consideration and allotment of tenements in their ongoing projects. Scrutiny of the list is under progress by the Tamilnadu Slum Clearance Board. At this juncture after alternate dwelling is allotted the encroachment will be evicted.

(PTO)

To desilt and construct the side retaining walls along Nallar Odai, an estimate is prepared for Rs.23.75 Crores with project components such as removing jungles, removal of sediments, strengthening of bunds and construction of retaining walls at vulnerable locations. Here by the estimate is enclosed and submitted for favour of further necessary action please.
