FURTHER REPORT SUBMITTED BEFORE THE HON'BLE NATIONAL GREEN TRIBUNAL, SOUTHERNZONE AT CHENNAI

1. By the Orders of this Hon'ble Tribunal in O.A. No. 72 of 2020 dated 14-07-2022, the Joint Committee (comprising of District Collector, Rangareddy, a Senior official from Ministry of Environment Forests and Climate Change (MoEF & CC) , Regional Office, Chennai and Senior Officer from Lake Protection Commission) was directed to submit a further report on or before 17-08-2022, after doing the following:

    a. To verify the Satellite Imageries of the relevant area for a period of time including the time at which the master plan was prepared by the Hyderabad Metropolitan Development Authority (HMDA), to ascertain as to whether any evidence to show that the area has been shown and seen as water spread area. The imageries of this area to be captured must be for the period both during the monsoon as well non monsoon season.
    b. To verify the pre-independence revenue records relating to this area to ascertain the classification of land that has been mentioned for these survey numbers at that time and when the changes were effected if it was shown as water body at that time.
    c. To conduct inspection at the location in question, in which the District Collector, Rangareddy shall participate and verify the records and the Satellite images as directed by this Hon'ble Tribunal and if required, to seek assistance of National Remote Sensing Centre, Hyderabad (NRSC,

COLLECTOR
Ranga Reddy Dist.

Hyderabad) for this purpose and to submit a further report along with the Survey of India Topo Sketch mentioned by the District Collector, Rangareddy District in his Reply submitted before this Hon'ble Tribunal on 15-03-2021 with satellite images from the year 1990 onwards with a gap of every 5 years (monsoon and non-monsoon periods) for the purpose of identifying whether the area is a water body or not.

2. In pursuance of the aforementioned Order of this Hon'ble Tribunal, the NRSC, Hyderabad at the request of the District Collector, Hyderabad, furnished the satellite images the said maps in respect of Longitude 17°24'5.54"N and Latitude 78°21'22.85"E, for the period 1990 onwards with a gap of every 5 years (monsoon and non–monsoon periods). (Maps are enclosed herewith)

3. The Joint Committee consisting of District Collector, Rangareddy District along with other Committee Members, as directed by this Hon'ble Tribunal, perused and verified the Satellite images furnished by the NRSC, Hyderabad from 1990 every 5 years monsoon and non-monsoon periods of the area covering Longitude 17°24'5.54"N and Latitude 78°21'22.85"E, which corresponds to Survey No. 271, 272 and 273 of Puppalguda Village, Gandipet Mandal, Rangareddy District. Upon examination of the satellite images made available by the NRSC, Hyderabad, no lake or water body is noticed in the said location under question. The images taken in monsoon & non–monsoon season every Five (5) Years starting from 1990 showing as above enclosed.

4. As regards, verification of the revenue records pertaining to the Pre-Independence period, it is informed that there are no such Pre-Independence recordsavailable in the State of Telangana, but the 'Sethwar' which is considered as the Pre eminent official record for survey and settlement of lands in the State is available. Besides Sethwar, the Pahanis and village maps are the other important records relied upon for all the Revenue purposes.The original Sethwar and subsequent pahanis and the village maps prepared in the year 1942, in respect of the Location in question, shows that the land in survey numbers 272,273 and 274 of the Poppalaguda Village, Serilingampally mandal of Ranga Reddy District are classified as a 'Patta Land', which was under cultivation and assessed as 'Dry Land' for the revenue purpose.

5. The Municipal Administration & Urban Development Dept. (MA&UD) of Government of Andhra Pradesh vide Gazette notification dated 04-02-2010 revised the draft variation of the Master Plan of HMDA for change of land use of the land from partly water body use and partly recreational use to Multipurpose use in respect of the land in Survey No. 271 to 274 of Poppalaguda Village. The said draft variation was implemented vide GO. Ms.No.260 dated 26-10-2019 issued by the Municipal Administration & Urban Development Dept. The said notification and G.O also state that the lands in question are Patta Lands and there are no water bodies existing in the said survey nos. as per Revenue Records.

6. The Joint Committee on 10-08-2022, conducted the physical inspection of the area covering Longitude 17°24'5.54"N and Latitude 78°21'22.85"E, which corresponds to Survey No. 271, 272 and 273 of Puppalguda Village, Gandipet Mandal, Rangareddy District ("said location") with the help of revenue records such as Sethwar, Pahanis, Village map, the satellite images supplied by NRSC pertaining to the area in question and google maps.During physical inspection of the site under question, it is noticed that part of the location falling in Sy. No. 272 is dug up for cellars for construction of the proposed SEZ project for which all construction approvals have been obtained by M/s Phoenix Global Spaces Pvt Ltd. Rest of the land in adjacent survey numbers did not yield any evidence of a water body.

7. It is pertinent to mention that the Superintendent Engineer, Hyderabad Lakes & Water Bodies Management Circle, Telangana, has inspected the site in Sy. Nos 271 to 274 on 30-07-2013 and observed that though Survey of India map shows an indication of existence of water body in the said land without exhibiting the water colour in it, and that the low ground, slushy in condition in the said site might be due to the diversion of the water into the said site from the Bulkapur nala (Disused Canal) whose continuity was disturbed at the time of construction of ORR and service road without connecting the Bulkapur Nala, owing to which water might be stagnating in the said site.

8. The Committee also examined various observations made by the Tribunal in it's order as to :
   a) the variance between the Reply filed by the District Collector, received on 15-03-2021 and the Joint Committee Inspection Report dated 25-03-2022.
   b) the basis of preparation of lake list with lake IDs and the process of notification of the lakes

COLLECTOR
Ranga Reddy Dist.

9. Upon examination of the District Collector's reply dt..submitted to the Hon'ble Tribunal, it is noticed that it was prepared based on the observations in the Inspection Report dated 24-07-2020.It is seen that the para. 1 of the report viz., *"The said Narsingi lake -2 (HMDA Tank ID No. 2939) is situated adjacent (south side) to the Bulkapur nala which is a disused nala and North side to the Osman Sagar lake water pipeline."*and the Location sketch attached to the report together created confusion giving an impression that the lake is actually existing and situated at such location, although the rest of the report and the conclusion is otherwise. When the report is read in entirety, it appears that the sentence should have started with 'THE LOCATION OF' which could have brought clarity to the intent of the sentence. The revised sentence could read as "*THE LOCATION OFthe said Narsingi lake -2 (HMDA Tank ID No. 2939) is situated adjacent (south side) to the Bulkapur nala which is a disused nala and North side to the Osman Sagar lake water pipeline."*The location sketch was also prepared for the same purpose of indicating the alleged location.
10. However, the Inspection Report clearly states that as per the Village Revenue Map, there is no water body existing in the said location and as per Sethwar and Pahanis the said land has been recorded as Patta land for cultivation, and also that as per the physical verification, there exists no water body at the said location. The Joint Committee Inspection Report and the Reply of the District Collector, when read together reconciles and conforms with each other. Therefore, the Joint Committee observes that there is no conflict between the Joint Inspection Report and the Reply of the District Collector, Ranga Reddy. apparently, poor drafting of the 1st para of the report caused all the confusion.

11. The Joint Committee also examined the HMDA Lake list, its source and methodology adopted for preparation and notification of the lake list, and the sequence of procedure of notification of lakes as follows:
    a) the Master Plan Section of HMDA has prepared the list of lakes with the help of GIS maps and Satellite imageries, each one of which were given unique Lake IDs.
    b) The list of 2857 such lakes was placed on the website of HMDA for information of public with a unique Lake IDs. Based on the feedback further refining of the list was to be done.
    c) Consultants M/s Aarvee Associates were engaged to assist the Irrigation and Revenue Departments in demarcation and Fixing of FTL boundaries.

COLLECTOR
Ranga Reddy Dist.

d) FTL survey by the consultants under the guidance of Irrigation and Revenue Departments

e) Preparation of lake maps with FTL boundaries& buffer zones showing Lat-Long co-ordinates and all other lake structures by the consultants

f) Certification of lake FTL maps by the Irrigation Department.

g) Superimposition of the Revenue Survey numbers by the consultants on the FTL maps certified by the Irrigation Department.

h) Preliminary notificationof FTL maps with FTL boundaries & bufferzones, showing Lat-Long co-ordinates and Revenue survey numbersfor general public to offer remarks/comments within a month's time.

i) Verification and confirmation of Revenue survey numbers superimposed on FTL maps by the District Collectors.

j) Fixation of boundary pillars by consultants under the supervision of Irrigation Department and Revenue Department.

k) Issuing of Final notification of lake maps.

l) Taking Protection and preventive measures wherever required.

m) After FTL demarcation the FTL maps are to be super imposed with Revenue Survey numbers for preparation of lake documents and for notification of lakes after through verification of the revenue survey numbers falling in FTL and buffer zones of the lakes. (Ref: HMDA letter Lr. No. 613/LPC Cell/HMDA/2013 dt. 28-01-2014)

12. As can be seen from the above, the very first step in the process is to give a lake ID to the lakes identified from the GIS/ Satellite data. The lake ID is to be corrected based on the feed back received. In the instant case, the lake ID 2939 and the name Narsingi lake-2 was given to a particular location on the GIS map. It's a well-known fact that, in Telangana State lake names end with *Cheruvu/Kunta/Talab* but not an English word like *Lake*, much less *Lake-2*. Further, while naming the unidentified locations, temporary names like Narsingi Lake-1,2,3 etc with lake IDs were given.The location of the said Narsingi lake-2 falls in Poppalaguda village and not in Narsingi, the neighboring village. Further, after the preliminary survey, the consultants have reported back stating that-*"the lake is not recorded in the Revenue Records and also not existing on the field as reported by the Collector"*. This goes to show that the said Narsingi lake-2 with lake ID 2939 is neither existing physically on the field nor in the Irrigation and Revenue Records (i.e., Pahanis) and therefore, it has not even been notified preliminarily.

COLLECTOR
Ranga Reddy Dist.

13. After numerous such cases being noticed the State Government reversing the earlier process followed by HMDA, issued a GO vide GOMs. No. 74 dated 24-04-2021 appointing Additional Collectors of Districts as Nodal Officers to identify lakes based on the Revenue & Irrigation records/ and after field survey, superimpose the same on GIS maps to resolve or reconcile the discrepancies. Such exercise is in progress.

14. In view of the aforementioned, the Joint Committee submit that there is no water body in the said Location of Sy. Nos 272, 273 or 274 of Poppalaguda Village, Gandipet Mandal, R.R Dist, at any relevant point of time, as corroborated by the Satellite images furnished by the NRSC, Hyderabad, Google maps, Irrigation and Revenue Records

FURTHER REPORT OF THE JOINT INSPECTION COMMITTEE SUBMITTED BEFORE THE HON'BLE NATIONAL GREEN TRIBUNAL, SOUTHERN ZONE AT CHENNAI IN OA 72 OF 2020

1. By the Orders of this Hon'ble Tribunal in O.A. No. 72 of 2020 dated 14-07-2022, the Joint Committee (comprising of District Collector, Rangareddy, a Senior official from Ministry of Environment Forests and Climate Change (MoEF & CC) , Regional Office, Chennai and Senior Officer from Lake Protection Committee, HMDA) was directed to submit a further report on or before 17-08-2022, after doing the following:

    a. To verify the Satellite Imageries of the relevant area for a period of time including the time at which the master plan was prepared by the Hyderabad Metropolitan Development Authority (HMDA), to ascertain as to whether any evidence to show that the area has been shown and seen as water spread area. The imageries of this area to be captured must be for the period both during the monsoon as well non monsoon season.

    b. To verify the pre-independence revenue records relating to this area to ascertain the classification of land that has been mentioned for these survey numbers at that time and when the changes were effected if it was shown as water body at that time.

    c. To conduct inspection at the location in question, in which the District Collector, Rangareddy shall participate and verify the records and the Satellite images as directed by this Hon'ble Tribunal and if required, to seek assistance of National Remote Sensing Centre, Hyderabad (NRSC, Hyderabad) for this purpose and to submit a further report along with the Survey of India Topo Sketch mentioned by the District Collector, Rangareddy District in his Reply submitted before this Hon'ble Tribunal on 15-03-2021 with satellite images from the year 1990 onwards with a gap of every 5 years (monsoon and non-monsoon periods) for the purpose of identifying whether the area is a water body or not.

2. In pursuance of the aforementioned Order of this Hon'ble Tribunal, the NRSC, Hyderabad at the request of the District Collector, Hyderabad, furnished the satellite images of the said maps in respect of Longitude 17°24'5.54"N and Latitude 78°21'22.85"E, for the period 1990 onwards with a gap of every 5 years (monsoon and non – monsoon periods). (Maps are enclosed herewith)

3. The Joint Committee consisting of District Collector, Rangareddy District along with other Committee Members, as directed by this Hon'ble Tribunal, perused and verified the Satellite images furnished by the NRSC, Hyderabad from 1990 every 5 years monsoon and non-monsoon periodsof the area covering Longitude 17°24'5.54"N and Latitude 78°21'22.85"E, which corresponds to Survey No. 271, 272 and 273 of Puppalguda Village, Gandipet Mandal, Rangareddy District.Upon examination of the satellite images made available by the NRSC, Hyderabad, no lake or water body is noticed in the said location under question. The images taken in monsoon & non – monsoon season every Five (5) Years starting from 1990 showing as above enclosed.

4. As regards, verification of the revenue records pertaining to the Pre-Independence period, it is informed that there are no such Pre-Independence recordsavailable in the State of Telangana, but the 'Sethwar' which is considered as the prominentofficial record for survey and settlement of lands in the State is available. Besides Sethwar, the Pahanis and village maps are the other important records relied upon for all the Revenue purposes.The original Sethwar and subsequent pahanis and the village maps prepared in the year 1942, in respect of the Location in question, shows that the land in survey numbers 272,273 and 274 of the Poppalaguda Village, Serilingampally mandal of Ranga Reddy District are classified as a 'Patta Land', which was under cultivation and assessed as 'Dry Land' for the revenue purpose.

5. The Municipal Administration & Urban Development Dept. (MA&UD), Government of erstwhile united State of Andhra Pradesh vide Gazette notification dated 04-02-2010 issued draft notificationto designate land use of above survey numbers viz., Survey Nos. 271 to 274 of Puppalaguda Village to multipurpose use. After following due procedure as prescribed under HMDA Act 2008, the said draft variation was confirmed and final orders were issued vide G.O.Ms.No.260 dated 26-10-2019 by Municipal Administration & Urban Development Department, Government of Telangana. The said notification and G.O also states that the lands in question are

Patta Lands and there are no water bodies existing in the said survey numbers as per Revenue Records.

6. The Joint Committee on 10-08-2022, conducted the physical inspection of the area covering Longitude 17°24'5.54"N and Latitude 78°21'22.85"E, which corresponds to Survey No. 271, 272 and 273 of Puppalguda Village, Gandipet Mandal, Rangareddy District ("said location") with the help of revenue records such as Sethwar, Pahanis, Village map, the satellite images supplied by NRSC pertaining to the area in questionand google maps.During physical inspection of the site under question, it is noticed that part of the location falling in Sy. No. 272 is dug up for cellars for construction of the proposed I.T Parks for which all construction approvals have been obtained by M/s Phoenix Global Spaces Pvt Ltd. Rest of the land in adjacent survey numbers did not yield any evidence of a water body.

7. It is pertinent to mention that the Superintendent Engineer, Hyderabad Lakes & Water Bodies Management Circle, Telangana, has inspected the site in Sy. Nos 271 to 274 on 30-07-2013 and observed that though Survey of India map shows an indication of existence of water body in the said land without exhibiting the water colour in it, and that the low ground, slushy in condition in the said site might be due to the diversion of the water into the said site from the Bulkapur nala (Disused Canal) whose continuity was disturbed at the time of construction of ORR and service road without connecting the Bulkapur Nala, owing to which water might be stagnating in the said site.

8. The Committee also examined various observations made by the Hon'ble Tribunal in their order as to :
   a) the variance between the Reply filed by the District Collector, received on 15-03-2021 and the Joint Committee Inspection Report dated 25-03-2022.
   b) the basis of preparation of lake list with lake IDs and the process of notification of the lakes

9. Upon examination of the District Collector's reply dt.15-03-2021 submitted to the Hon'ble Tribunal,it is noticed that it was prepared based on the observations in the Inspection Report dated 24-07-2020.It is seen that the para. 1 of the report viz., *"The said Narsingi lake -2 (HMDA Tank ID No. 2939) is situated adjacent (south side) to the Bulkapur nala which is a disused nala and North side to the Osman Sagar lake water pipeline."*and the Location sketch attached to the report together created confusion giving an impression that the lake is actually existing and situated at such

location, although the rest of the report and the conclusion is otherwise. The revised sentence could read as "*THE LOCATION OFthe said Narsingi lake -2 (HMDA Tank ID No. 2939) is situated adjacent (south side) to the Bulkapur nala which is a disused nala and North side to the Osman Sagar lake water pipeline.*"The location sketch was also prepared for the same purpose of indicating the alleged location.

10. Also, the Location sketch submitted along with report dt.15-03-2021, is giving a wrong impression that the sketch has been prepared after fixing the boundaries and measuring the said Narsingi lake-2. However, it has been brought to the attention of the JIC that the Location sketch was an attempt to Locate the area inspected with reference to Survey of India map by superimposition of Survey of India map on to the village map. The Location sketch was not intended to establish that there is an actual lake or waterbody found at the said Location.

11. However, the Inspection Report clearly states that as per the Village Revenue Map, there is no water body existing in the said location and as per Sethwar and Pahanis the said land has been recorded as Patta land for cultivation, and also that as per the physical verification, there exists no waterbody at the said location. The Joint Committee Inspection Report and the Reply of the District Collector, when read together reconciles and conforms with each other.Therefore, the Joint Committee observes that there is no conflict between the Joint Inspection Report and the Reply of the District Collector, Ranga Reddy.apparently, poor drafting of the 1st para of the report caused all the confusion.

h) Preliminary notificationof FTL maps with FTL boundaries & bufferzones, showing Lat-Long co-ordinates and Revenue survey numbersfor general public to offer remarks/comments within a month's time.

i) Verification and confirmation of Revenue survey numbers superimposed on FTL maps by the District Collectors.

j) Fixation of boundary pillars by consultants under the supervision of Irrigation Department and Revenue Department.

k) Issuing of Final notification of lake maps.

l) Taking Protection and preventive measures wherever required.

m) After FTL demarcation the FTL maps are to be super imposed with Revenue Survey numbers for preparation of lake documents and for notification of lakes after through verification of the revenue survey numbers falling in FTL and buffer zones of the lakes. (Ref: HMDA letter Lr. No. 613/LPC Cell/HMDA/2013 dt.28-01-2014)

13. As can be seen from the above, the very first step in the process is to give a lake ID to the lakes identified from the GIS/ Satellite data. The lake ID is to be corrected based on the feed back received. In the instant case, the lake ID 2939 and the name Narsingi lake-2 was given to a particular location on the GIS map. ABSTRACT

MA & UD DEPARTMENT – HMDA – Protection of Lakes in Hyderabad Metropolitan Development Authority area – Appointing Additional Collectors (Local Body) as Nodal Officers – Orders – Issued.

==========

MUNICIPAL ADMINISTRATION AND URBAN DEVELOPMENT (I_1) DEPARTMENT

G.O.Ms.No.74 **Dated:24.04.2021**
Read the following:

G.O.Ms No.157, MA & UD (I_1) Department, , dt:06.04.2010.

*****

ORDER:

In the G.O. read above orders were issued constituting Lake Protection Committee for preservation and protection of lakes in Hyderabad Metropolitan Development Authority area.

2. Whereas the Government has observed that due to the discrepancies in the certification of FTL maps of lakes/water bodies/tanks by the irrigation department and certification of correctness of survey numbers of corresponding lakes/water bodies/tanks by the revenue department, the issue of final notification by the HMDA is getting delayed.

3. Government accordingly hereby appoint Additional Collectors (Local Bodies) of Hyderabad, Ranga Reddy, Medchal-Malkajgiri, Yadadri-Bhongiri, Medak, Sangareddy and Siddipet Districts as Nodal Officers and entrusts the responsibility of field work of the Lake Protection Committee - showing the lakes to the consultants physically, resolving the discrepancies/errors in FTL maps of irrigation department and revenue statements and cadastral maps of revenue department, coordinating and attending meetings convened by HMDA at all stages till final notification. They must work with the HMDA and appointed consultant on all related works closely to complete the final notification process for all the identified lakes at the earliest.

4. These orders will come into force with immediate effect.

&&&

I invite kind attention to the reference 1st cited wherein the Metropolitan Commissioner, HMDA instructed to submit latest reports from the Irrigation Department for the site under reference in order to examine the above issue.

In view of the above, it is to submit that M/S Demi Realtors represented by Sri.D.S.Karunakar Reddy, Managing Director seeking change of land use from partly water body use and partly recreation (Green buffer zone) use to multipurpose use in Sy.No.271 to 274 of Poppalaguda(V), Rajendranagar(M), R.R.District to an extent of Ac.26-35 Gts vide reference 2nd cited.

The Government in its letter directed the Metropolitan Commissioner, HMDA to obtain latest report from Revenue and Irrigation Departments vide reference 3rd cited vide Annexure - I

In this connection, a letter has been addressed to the Deputy Collector & Tahsildar, Rajendranagar(M) for attending joint inspection on 02.02.2013 vide reference 7th cited vide Annexure - II

The Deputy Executive Engineer has inspected the site on 31.5.2013 along with the concerned A.E. and Mandal surveyor and verified the said site and reported the following observations,

1. There is a Bulakpur nala (disused nala) which is flowing from the western side of the site and passing along the northern boundary of the site.
2. There is a BT road on the southern side of the existing survey numbers with Gandipet water conduit line and Manjeera Water pipe line on either side of it.
3. There is outer ring road and service road on the western side of said survey numbers.
4. The disused nala which is flowing from the west side of the site was disturbed due to the construction of the ORR and service road. A culvert was constructed, but the continuity of the nala is not maintained due to which the water is not flowing into the nala instead, it is flowing into the said site and stagnating in the low lying area of the site.

The Superintending Engineer, has inspected the site in Sy no.s 271 to 274 on 30.7.2013 and issued inspection notes and observed that Survey of India Map shows an indication of existence of water body in the said land without exhibiting the water colour in it. It was further reiterated that the low ground slushy in condition in the said site might be due to the diversion of the water into the said site from the Bulkapur nala (disused canal), whose continuity was disturbed at the time of construction of ORR and service road without connecting the Bulkapur nala, owing to which water is stagnating in the said site.

Further, I am to submit that this office vide reference 6th cited (vide Annexure – III) submitted a detailed report to the District Collector, R.R.District wherein it was stated that the Deputy Executive Engineer, Sub Division No.1 of this division along with Mandal Surveyor of Rajendranagar(M) have inspected the site in Sy.Nos.271 to 274 on 08.05.2008 and reported that as per physical verification at Sy.Nos.271 to 274 of Poppalaguda(V), there are no water bodies existing in the said survey numbers. Further, the Deputy Executive Engineer has reported that along the periphery of north of the said survey numbers Bulkapur nala is passing and at the south of the survey numbers road and pipe line is existing.

Further, It is to submit that, the Joint Collector – I, R.R.District in his letter vide reference 4th cited (vide Annexure – IV) stated that the land in Sy.Nos.271 to 274 total extent Ac.26-35 Gts of Poppalaguda(V), Rajendranagar(M), R.R.District are patta lands and that there are no water bodies existing in the said survey number as per revenue records.

The Special Grade Deputy Collector and Revenue Division Officer, Chevella Division in his letter vide reference 5th cited (vide Annexure – V) stated that the land bearing Sy.Nos.271 to 274 as per pahani of Poppalaguda(V) for the year 2004-05 recorded as patta lands, and that there are no endowment lands. There are no tanks or structures in the above lands and there are no Inam lands.

Based on the strength of the inspection notes of the Superintending Enginee, HL & WBM Circle, Hyderabad, the reports of the Joint Collector , RR District vide reference 4th cited, the report of the Special Deputy Collector & RDO Chevella vide reference 5th cited and in continuation of the report of this office submitted vide reference 6th cited, it is reported that the nala course shall be maintained as green buffer zone and no building activity other than recreation use shall be carried out within 9 m from the defined boundary of the nala duly following the G.O.Ms. no. 168 dt 7.4.2012 scrupulously along the northern periphery of the site and further buffer from the conduit shall be maintained as per G.O.Ms. no. 111 dt 8.3.1996 along the southern periphery of the site. (Sketch vide Annexure – VI)

An undertaking on Rs 100/- non-judicial stamp paper duly specifying the conditions to be followed/accepted by the applicant Sri.D.S.Karunakar Reddy Managing Director to this effect has been obtained from the applicant and a copy of the same is herewith appended vide Annexure – VII).

This is submitted for favour of kind information and for taking further necessary action in the matter

Encl:- 1. Annexures – I to VII

NOTIFICATION OF FULL TANK LEVEL BOUNDARIES AND BUFFER ZONES OF LAKES/WATER BODIES IN HYDERABAD METROPOLITAN REGION

The Hyderabad Metropolitan Development Authority is constituted under the provisions of HMDA Act, 2008 for the purpose of planning, co-ordination, supervising, promoting and securing the planned development of the Hyderabad Metropolitan Region.

The Hyderabad Metropolitan Region has large number of lakes and water bodies which are of critical importance to the Hyderabad Metropolitan Region for many reasons, including some as mentioned below:

- Recharging of ground water to meet various uses.
- To serve as lung spaces for the large urban population.
- For maintaining ecological balance.
- Maintain the unique character of lake eco system of the Region.
- For developing the foreshore areas as recreational zones.

In order to ensure preservation and protection of lakes and water bodies in HMDA area, the Government of Andhra Pradesh constituted a Lake Protection Committee (LPC) vide GOMs.No.157 MA&UD (I_1) Department Dt.06-04-2010.

The functions of the Lake Protection Committee (LPC) include listing of lakes in HMDA area, FTL demarcation, protection of FTL areas from encroachment, taking up wide publicity and awareness campaign for protection of the lakes etc.

Accordingly, the Lake Protection Committee has taken up the identification and listing of lakes/water bodies in the HMDA area, involving the field staff of Revenue Department, Irrigation Department and the local bodies.

JOINT COMMITTEE INSPECTION REPORT SUBMITTED BEFORE THE HON'BLE NATIONAL GREEN TRIBUNAL SOUTHERN ZONE AT CHENNAI

1. It is humbly submitted that Hon'ble National Green Tribunal (NGT), Southern Zone at Chennai in their order O.A.No.72 of 2020 dt. 21-05-2020 was pleased to constitute a Joint Committee comprising of (1) District Collector, Ranga Reddy (2) A senior official from Ministry of Environment Forests and Climate Change (MoEF&CC), Regional office, Chennai (3) Senior Officer from Lake Protection Committee to inspect the area in question i.e., Sy.No.271to274, Puppalguda (V) falling at Longitude 17°24'5.54" N and Latitude 78°21'22.85" E and submit a status as well as action taken report.

2. Further it is submitted that vide the above order the Hon'ble NGT has directed the Committee to ascertain the encroachment made into the Narsingi lake, the lake in question and un-authorised deposit of construction and demolition waste materials in the lake, trace out the persons who are responsible for the same and if there is any encroachment, the steps taken by the authorities to remove the encroachment and illegal constructions if any, made within the buffer zone or FTL of the lake if it is fixed and impose environmental compensation against those persons who are responsible for the same and suggest that remedial measures to restore the lake to its original position.

3. Further, the Hon'ble NGT has directed that the Committee shall go into these aspects and also mention in the report, what are all the schemes launched by the state to protect the lakes and the water bodies in the state and its stage of implementation, including fixation of FTL, buffer zone of the water bodies and the action plan for the removal of encroachments in the water bodies, its stage of implementation.

4. It is humbly submitted that in pursuance of the aforementioned orders passed by the Hon'ble NGT, the Joint Committee comprising of Special Deputy Collector, Land Protection, Collectorate Rangareddy (representing the District Collector,

Rangareddy District), Scientist C, Member, Ministry of Environment Forests, and Climate change (MoEF&CC), Executive Engineer, Lakes Division, Hyderabad Metropolitan Development Authority and Director Planning-I, Hyderabad Metropolitan Development Authority (HMDA), has inspected the area in question which is located at Puppalguda Village, Gandipet Mandal, Ranga Reddy District on 07.10.2020 at 9.00 A.M.

5. The Joint Committee refers to the following information/documents which were made available as per therecords: -

i. Letter of the Executive Engineer, North Tanks Division, addressed to the District Collector, Ranga Reddy District dated 24.05.2008 vide Lr.No.DB/EE/NTD/911, wherein the Executive Engineer stated that he got conducted a physical inspection in the site at Sy.No.271 to 274, Puppalguda (V) on 08.05.2008 and it was reported that there were no water bodies existing in the said survey nos.

ii. The letter of the Joint Collector, Rangareddy (D) Lr.No.E1/2792/2008 dated17.07.2008 Clarifying to the Vice Chairman, HUDA that, upon the enquiry got done through his office, the Sy. Nos. 271 to 274 admeasuring Ac.26-35 Gts. of Puppalguda (V) are Patta Lands and that there are no water bodies existing in the said survey nos. as per the existing revenue records and also recommended for change of land use from recreational zone to multiple use Zone.

iii. The Gazette Extraordinary No.54, MA&UD Dept. (I) dated 04.02.2010, wherein objections were invited from the general public on the revised draft variation to the master plan of the HMDA for change of land use of the land from partly water body use and partly recreational (green buffer zone) use to multipurpose use in Puppalguda Village and also the said aspect of non-existence of water bodies was referred in the said Gazette Notification issued by the Principal Secretary, MA&UD.

iv. Report dated: 06.08.2013 bearing Lr.No.EE/NTD/DB/DEE3/HD/2013/ 1281/1126 submitted by the Executive Engineer, NorthTanks Division to the Metropolitan Commissioner, Hyderabad Metropolitan Development Authority (HMDA), referring to multiple correspondences of various departments and also as per the physical inspections got carried on by his office, it was reported that there were no water bodies existing in Sy.Nos.271 to 274 admeasuring an extent of Ac.26-35 Gts. situated at Puppalguda (V) and that the said lands are Patta lands.

v. The G.O.Ms.No.240 dated 05.09.2019, MA&UD (Plg.III) Dept., the Government of Telangana MA&UD Dept. published in the Extra-ordinary issue of the Telangana Gazette dated 06.09.2019 had notified the lands in Sy.Nos.271, 272, 272/1, 273, 273/1 and 274 admeasuring Ac.26-35 Gts., in Puppalguda (V) to include in adjoining Industrial Area Local Authority for developing IT Parks / SEZs / IT / ITES office spaces as the said lands are adjacent to Gachibowli IALA and Puppalguda IALA (industrial townships).

vi. The G.O.Ms.No.260 dated26.10.2019, MA&UD (Plg.I) Dept., vide which the Government of Telangana, MA&UD Dept. had notified the change of land use of the land in Sy. Nos. 271, 272,272/1,273,273/1 and 274 admeasuring Ac.26-35 Gts. in Puppalguda (V) from partly water body and partly recreational (green buffer zone) to multipurpose use zone pursuant to the remarks of the JointCollector and EE Irrigation as the said survey nos. are Patta Lands and as per Revenue records no water body is existing in the above survey numbers and the said notification was published in the Extra-ordinary issue of the Telangana Gazette dated 27.10.2019.

vii. The Letter of Metropolitan Commissioner, HMDA addressed to the Principal Secretary, MA&UD vide letter dated 06.01.2020 bearing Lr.No.5324/MP1/Plg./H/2008 intimating the publication of a public notice in two daily newspapers as per the provisions of the HMDA Act, 2008 and also communicated compliance of the same.

viii. The village map of Puppalguda village furnished by the Officials of the of O/o District Collector,Ranga Reddy District in which there is no depiction or mention of lake or water body in the area in question.

ix. List of Lakes/ water bodies identified in the HMDA area available in HMDA website wherein Narsingi Lake -2 is listed without survey number details, falling in Narsingi Village of Rajendranagar mandal, Ranga Reddy District, Latitude 17.40058 Longitude 78.35664 is mentioned at Sl.No.248 given a lake ID 2939 with a foot note saying "This lake is not recorded in the Revenue Records and also not existing on the field (as reported by the Collector)".

x. Various notifications issued periodically by Lake Protection Committee HMDA notifying the lakes after survey and fixing of FTL boundaries along with maps showing FTL co-ordinates.

6. The Joint Inspection Committee has gone through all the documents and records. All the records and documents indicates that the lands in Sy.nos.271, 272, 272/1, 273, 273/1 and 274 in Puppalguda (V), Rajendranagar mandal, Ranga Reddy District are private patta lands and that there was no lake or water body existing in the said lands as per Revenue, Irrigation and HMDA, except for the HMDA Master plan.

7. A lake by name Narsingi Lake -2 supposed to be in Narsingi village, Rajendranagar Mandal, Ranga Reddy District is listed in the Lake list prepared by HMDA, ID number 2939, without any survey number details. However, the said Narsingi lake-2 is not figuring in any of the notified lakes lists.

8. Although the HMDA master plan map indicate presence of water in Sy. Nos.271, 272, 273, and 274 of Puppalguda village, no name is indicated for the same.

9. Neither Puppalaguda nor Narsingi village maps or revenue records mention the existence of Narsingi lake-2. Lake Protection Committee and other State Government authorities could not explain as to how the name Narsingi Lake-2 has come up in the Lake List prepared by HMDA or the basis for its inclusion in the list.

10. In this regard the Joint Inspection Committee was informed by the state authorities that, even though the name of Narsingi lake-2 was included in the preliminary list of lakes to be surveyed and fix FTL boundaries, upon physical verification no water body found at the defined site and accordingly the foot note indicating the fact has been given. It was also informed that the list is only preliminary, prepared for the purpose of undertaking survey by the consultant and fix FTL boundaries and only those lakes where survey and fixation of FTL boundaries is complete, have been notified vide different notifications over a period of time, which are posted on-line for all public to see and be aware of.

11. It is submitted that the Joint Committee has inspected the area under question at Longitude 17°24'5.54"N and Latitude 78°21'22.85"E where the alleged dumping of construction waste is taking place. This location corresponded with Survey nos.272, 273 and 274 of Poppalaguda village. Upon physical inspection of the said area there was no lake or water body found in the said area and no dumping of demolition waste. Historically these lands were under paddy cultivation, which might have been stopped due to urbanization of surrounding areas.

12. It is submitted that a canal by name Bulkapur nala is seen flowing from west to east on north side of the site. The nala is found intact without any encroachments or dumping of debris. The Committee felt that the buffer zone along the nala should be demarcated and maintained as per G.O Ms no.168 dt.07-04-2012.

13. Presently the area in question is under development for building construction with cellars dug up for basements of the proposed building.

14. Further, in-terms of the Hon'ble Tribunals directions at para 13 of their orders dt.21-05-2020, it is submitted that the Committee has requested all concerned departments of the state government to provide information about the schemes if any launched by the state of Telangana for the purpose of protecting the water bodies in the state, including removal of encroachment, fixation of FTL and buffer zone, including this lake and making the water bodies free of pollution and encroachment.

15. For the above request of the Joint Inspection Committee, it has been informed that the State Governmentis already seized of the matter as they are dealing with numerous such cases where serious anomalies noticed between physical condition of lands, revenue, irrigation records and HMDA master plan showing water bodies and list of lakes for protection prepared by them previously. It was further informed that the Master Plan 2031 contained lot of factual errors, therefore the State Government is contemplating review of the lakes list by conducting fresh survey and rectify the List of Lakes to be protected and the HMDA master plan accordingly. As soon as the orders are issued the Joint Inspection Committee will be informed and file their response before the Tribunal in-terms of the Hon'ble Tribunal's orders at para 12 of the order dt.21-05-2020.

16. It is informed by the State Authorities that the Government of Telangana in it's G.O Ms. No. 74 dt.24-04-2021, noting that discrepancies exists between various records issued orders appointing Nodal Officers stating that " *due to the discrepancies in the certification of FTL of maps of lakes/waterbodies/ tanks by the Irrigation Department and certification of correctness of survey numbers of corresponding lakes/ water bodies/ tanks by the revenue department the issue of final notification by the HMDA is getting delayed. Government accordingly hereby appoint Additional Collectors (local bodies) of Hyderabad, Rangareddy, Medchal-Malkajgiri, Yadadri- Bhongiri, Medak, Sangareddy and Siddipet districts as Nodal Officers and entrusts the responsibility of field work of the Lake Protection Committee - showing the lakes to the consultants physically, resolving the discrepancies/errors in FTL mapsofIrrigation department and revenue statements and cadastral maps of revenue department, coordinating and attending meetings convened by HMDA at all stages till final notification. They must work with the HMDA and appointed consultant on all related works closely to complete the final notification process for all the identified lakes at the earliest.*"

17. As per the order of the State Government given in the said G.O.Ms.No.74 dt. 24-04-2021, the MC HMDA vide his letter D.O. Lr. No. 1466/HMDA/LPC/2021 dt.30-04-2021 addressed to all District Collectors of Ranga Reddy District requesting him to review the pending cases, issue necessary instructions to the Additional Collectors (local bodies)/Nodal Officer to expedite the pending works, for issue of notifications for all lakes in his district, within HMDA area and intimate the contact details of the Additional Collectors (local bodies)/Nodal Officers for further coordination by HMDA in this regard.

18. It appraised that as on date the work is in progress across the State for resolving the discrepancies/errors in FTL maps of Irrigation department and revenue statements and cadastral maps of revenue department and complete the final notification process for all the identified lakes after proper survey.

19. Therefore, in view of the aforementioned facts/records and physical inspection, the Joint Inspection Committee finds no water body or any activity of dumping of demolition waste in the area in question and that the said area does not appear to have been a waterbody at any point of time earlier. In view of there being no water body and no dumping activity, its corresponding violations not found, hence there are no remedies suggested/implemented in the instant issue.

MUNICIPAL ADMINISTRATION & URBAN DEVELOPMENT DEPARTMENT

(I_1)

REVISED DRAFT VARIATION TO THE MASTER PLAN OF THE HYDERABAD METROPOLITAN DEVELOPMENT AUTHORITY FOR CHANGE OF LAND USE OF THE LAND FROM PARTLY WATER BODY USE AND PARTLY RECREATIONAL (GREEN BUFFER ZONE) USE TO MULTIPURPOSE USE IN POPPALGUDA (V), RAJENDRANAGAR (M), R.R.DISTRICT.

[Memo. No. 14566/I_1/2008, Municipal Administration & urban Development, 1st Febraury, 2010.]

Whereas, the Metropolitan Commissioner, Hyderabad Metropolitan Development Authority has sent proposals to the Government for Change of Land use from Recreational Use and Water body Use to Multipurpose Use Zone in Sy.Nos.271, 272, 272/1, 273, 273/1, 274 of Poppalguda (V), Rajendranagar (M), R.R. District to an extent of Acres 26.35 Gts and requested to consider the same. While sending the proposal he has informed that the above site is covered by the Master Plan of Hyderabad Outer Ring Road Growth Corridor approved by the Government in G.O.Ms. No..470 M.A dt.09. 07.2008.

And whereas, he has further informed that the District Collector, R.R. District in his Letter No. E1/2792/2008, dated.17.07.2008 has reported that the matter has got been enquired through Deputy Collector & Tahsildar, Rajendranagar Mandal, Revenue Divisional Officer, Chevella Division and Executive Engineer, North Tanks Divisions, Hyderabad and the lands in Sy.Nos.271 to 274 are patta lands and there are no water bodies existing in the said Survey Numbers as per Revenue Records.

And whereas, the Government after careful examination of the matter, have proposed to consider the above change of land use by exercising the powers conferred under sub-section (1) of Section 15 of Hyderabad Metropolitan Development Authority Act, 2008 (Act No. 8 Of 2008).

Now, therefore, the following draft variation to the land use envisaged in the notified Master Plan for Hyderabad Outer Ring Road Growth Corridor, which is proposed in exercise of the powers conferred by sub-section (1) of Section 15 of Hyderabad Metropolitan Development Authority Act, 2008 (Act No. 8 Of 2008).

Accordingly a notice is hereby given that the draft variation will be taken into consideration after expiry of fifteen days from the date of publication of the notification in the Andhra Pradesh Gazette and that any objections or suggestions which may be received from any person with respect thereto before expiry of said period will be considered by the Government of Andhra Pradesh. Objections or suggestions should be addressed to the Principal Secretary to

Government, Municipal Administration and Urban Development Department, Secretariat, Andhra Pradesh, Hyderabad -500 022.

DRAFT VARIATION

The site in Sy.Nos.271, 272, 272/1, 273, 273/1, 274 of Poppalguda (V), Rajendranagar (M), R.R. 1. that the applicant shall pay development charges to Hyderabad Metropolitan Development Authority as per rules in force, before issue of final orders.
2. that the applicant shall pay balance processing fee to Hyderabad Metropolitan Development Authority before issue of final orders.
3. that the development charges are not paid within thirty days, the orders of change of land use will be withdrawn without any further notice.
4. that the applicants shall obtain prior permission from Hyderabad Metropolitan Development Authority before undertaking any development in the site under reference.
5. that the owners / applicants shall handover the areas affected under the notified roads to the local bodies at free of cost,
6. that the owners / applicants shall develop the roads free of cost as may be required by the local authority.
7. that the title and land ceiling aspects shall be scrupulously examined by the concerned authorities i.e., Urban Development Authorities / Municipal Corporations / Municipalities before issue of building permission / development permission, and it must be ensured that the best financial interests of the Government are preserved.
8. that the above change of land use is subject to the conditions that may be applicable under the Ceiling Act.
9. that the owners / applicants are solely responsible for any misrepresentation with regard to ownership / title, Land Ceiling Clearances etc and they will be responsible for any damage claimed by any one on account of change of land use proposed.
10. that the change of land use shall not be used as the proof of any title of the land.
11. that the Change of Land Use does not bar any public agency including Hyderabad Metropolitan Development Authority / Local Authority to acquire land for any public purpose as per Law.
12. that Special Development Regulations of ORR Growth Corridor Master Plan shall be applicable and no development permission within 100 feet from water pipe line.

&&&

I invite kind attention to the reference 1st cited wherein the Metropolitan Commissioner, HMDA instructed to submit latest reports from the Irrigation Department for the site under reference in order to examine the above issue.

In view of the above, it is to submit that M/S Demi Realtors represented by Sri.D.S.Karunakar Reddy, Managing Director seeking change of land use from partly water body use and partly recreation (Green buffer zone) use to multipurpose use in Sy.No.271 to 274 of Poppalaguda(V), Rajendranagar(M), R.R.District to an extent of Ac.26-35 Gts vide reference 2nd cited.

The Government in its letter directed the Metropolitan Commissioner, HMDA to obtain latest report from Revenue and Irrigation Departments vide reference 3rd cited vide Annexure - I

In this connection, a letter has been addressed to the Deputy Collector & Tahsildar, Rajendranagar(M) for attending joint inspection on 02.02.2013 vide reference 7th cited vide Annexure - II

The Deputy Executive Engineer has inspected the site on 31.5.2013 along with the concerned A.E. and Mandal surveyor and verified the said site and reported the following observations,

1. There is a Bulakpur nala (disused nala) which is flowing from the western side of the site and passing along the northern boundary of the site.
2. There is a BT road on the southern side of the existing survey numbers with Gandipet water conduit line and Manjeera Water pipe line on either side of it.
3. There is outer ring road and service road on the western side of said survey numbers.
4. The disused nala which is flowing from the west side of the site was disturbed due to the construction of the ORR and service road. A culvert was constructed, but the continuity of the nala is not maintained due to which the water is not flowing into the nala instead, it is flowing into the said site and stagnating in the low lying area of the site.

The Superintending Engineer, has inspected the site in Sy no.s 271 to 274 on 30.7.2013 and issued inspection notes and observed that Survey of India Map shows an indication of existence of water body in the said land without exhibiting the water colour in it. It was further reiterated that the low ground slushy in condition in the said site might be due to the diversion of the water into the said site from the Bulkapur nala (disused canal), whose continuity was disturbed at the time of construction of ORR and service road without connecting the Bulkapur nala, owing to which water is stagnating in the said site.

Further, I am to submit that this office vide reference 6th cited (vide Annexure – III) submitted a detailed report to the District Collector, R.R.District wherein it was stated that the Deputy Executive Engineer, Sub Division No.1 of this division along with Mandal Surveyor of Rajendranagar(M) have inspected the site in Sy.Nos.271 to 274 on 08.05.2008 and reported that as per physical verification at Sy.Nos.271 to 274 of Poppalaguda(V), there are no water bodies existing in the said survey numbers. Further, the Deputy Executive Engineer has reported that along the periphery of north of the said survey numbers Bulkapur nala is passing and at the south of the survey numbers road and pipe line is existing.

Further, It is to submit that, the Joint Collector – I, R.R.District in his letter vide reference 4th cited (vide Annexure – IV) stated that the land in Sy.Nos.271 to 274 total extent Ac.26-35 Gts of Poppalaguda(V), Rajendranagar(M), R.R.District are patta lands and that there are no water bodies existing in the said survey number as per revenue records.

The Special Grade Deputy Collector and Revenue Division Officer, Chevella Division in his letter vide reference 5th cited (vide Annexure – V) stated that the land bearing Sy.Nos.271 to 274 as per pahani of Poppalaguda(V) for the year 2004-05 recorded as patta lands, and that there are no endowment lands. There are no tanks or structures in the above lands and there are no Inam lands.

Based on the strength of the inspection notes of the Superintending Enginee, HL & WBM Circle, Hyderabad, the reports of the Joint Collector , RR District vide reference 4th cited, the report of the Special Deputy Collector & RDO Chevella vide reference 5th cited and in continuation of the report of this office submitted vide reference 6th cited, it is reported that the nala course shall be maintained as green buffer zone and no building activity other than recreation use shall be carried out within 9 m from the defined boundary of the nala duly following the G.O.Ms. no. 168 dt 7.4.2012 scrupulously along the northern periphery of the site and further buffer from the conduit shall be maintained as per G.O.Ms. no. 111 dt 8.3.1996 along the southern periphery of the site. (Sketch vide Annexure – VI)

An underlaking on Rs 100/ non judicial stamp paper duly specifying the conditions to be followed/accepted by the applicant Sri D S Karunakar Reddy Managing Director to this effect has been obtained from the applicant and a copy of the same is herewith appended vide Annexure VII)

This is submitted for favour of kind information and for taking further necessary action in the matter

Encl:- 1 Annexures – I to VII
