O. A NO. 649/2022

IN THE MATTER OF:

NARENDER PRATAP SINGH

..... APPLICANT

VERSUS

CENTRAL POLLUTION CONTROL BOARD & ORS

..... RESPONDENTS

**ADDITIONAL AFFIDAVIT ON BEHALF OF RESPONDENT NO. 5 – U. P
ASBESTOS LTD. IN COMPLIANCE OF ORDER DT. 27.04.2023 WITH
SUPPORTING AFFIDAVIT**

MOST RESPECTFULLY SHOWETH:

1. It is most respectfully submitted that the Respondent No. 5/answering Respondent is filing the present Additional Affidavit in light of the liberty granted by this Hon'ble Tribunal vide order dt. 27.04.2023, which reads as follows:

"..7. Respondent No. 5 the project proponent is also directed to file an additional affidavit giving details of the CSR activities already undertaken/to be undertaken and steps taken for ensuring use of PPE by its workers and their regular medical checkup. Additional affidavit by respondent no. 5 be filed within one week by email at judicial-ngt@gov.in preferably in the form of searchable PDF/OCR supported PDF and not in the form of image PDF."

2. It is most humbly submitted that vide the present Affidavit, the answering Respondent seeks to bring on record certain specific details which this

Hon'ble Tribunal has specifically sought in para 7 of the order dt. 27.04.2023.

CSR ACTIVITIES UNDERTAKEN BY THE PROJECT PROPONENT

3. It is most humbly submitted that vide letter dt. 24.04.2023, the Divisional Forest Officer, Gautambudh Nagar Forest Department, Gautambudh Nagar has asked the answering Respondent to participate in the plantation drive to be carried out in the NTPC Dadri Range for the plantation and maintenance of 5000 trees during the years 2023-24 to 2025-26.
4. It is respectfully submitted that the proposal contains detailed break up of tasks required to be undertaken and the costs involved for the said plantation drive. It is submitted that the total costs involved for the said purposes during the years 2023-24 to 2025-26 to be paid by the answering Respondent is Rs. 15,55,000/- and for the present year i.e., 2023-24 is Rs. 8,05,000/- [Rs. 220,000 + Rs. 585,000].

A copy of the letter dt. 24.04.2023 issued by the Divisional Forest Officer, Gautambudh Nagar Forest Department, Gautambudh Nagar is annexed herewith and marked as **Annexure R5/1 [pg. 10 to 16]**.

5. In response to the said letter dt. 24.04.2023, the answering Respondent vide letter dt. 24.04.2023 has made the requisite payment of Rs. 8,05,000/- [Rs. 220,000 + Rs. 585,000] vide cheques dt. 24.04.2023.

A copy of the response dt. 24.04.2023 of the answering Respondent along-with the copies of cheques submitted to the DFO is annexed herewith and marked as **Annexure R5/2 [pg. 17 to 18]**.

6. Therefore, it is most humbly submitted that the answering Respondent has already made a payment of **a)** Rs. 8,05,000/- [Rs. 220,000 + Rs. 585,000] on account of plantation and maintenance of 5000 trees and **b)** an amount of Rs. 7,03,125 as an environmental compensation imposed by UPPCB on 19.01.2023 and paid on 20.01.2023. Therefore, a total amount of Rs. 15,08,125/- has already been paid by the answering Respondents towards compensation, plantation etc.
7. It is further most respectfully submitted that as vide order dt. 27.04.2023, this Hon'ble Tribunal had given certain specific directions to the DFO, Gautambudh Nagar, the answering Respondent vide letter 02.05.2023, has informed the DFO regarding the pendency of the present matter and the specific directions passed on 27.04.2023.

A copy of the letter dt. 02.05.2023 issued by the answering Respondent and received by the DFO, Gautambudh Nagar on 03.05.2023 is annexed herewith and marked as **Annexure R5/3 [pg. 19]**.

8. It is most respectfully submitted that during the second wave of COVID in April 2021, the answering Respondent had assisted in setting up of an oxygen plant inside its premises having capacity to produce 15 to 20 tons

of oxygen every day - upto 500 cylinders on a daily basis. When the entire DELHI-NCR region was in dire need of oxygen cylinders, the oxygen plant set up in the premises of the answering Respondent used to cater to the 70% demand of oxygen in Gautam Budh Nagar.

9. It is most humbly submitted that the said oxygen plant was functional until 2022 till the demand for the same continued. It is pertinent to highlight that even at present, the maintenance of the oxygen plant is being done by the answering Respondent which can be restarted, if required, within 24 hours. A copy of the newspaper articles published online in Navbharat Times (Hindi) and News18 (English) is annexed herewith and marked as **Annexure R5/4 [pg. 20 to 25]**.
10. It is respectfully submitted that the answering Respondent has been regularly providing roofing sheets free of cost in the neighboring areas to the needy people for building their hutments, schools, gaushalas etc.
11. For the CSR activities to be undertaken in future, it is submitted that the answering Respondent has received a proposal from an NGO named as Madhayam Samajik Sanstha for the purpose of plantation work and distribution of blankets to be carried out during winters.
12. It is most humbly submitted that Madhayam Samajik Sanstha is an NGO registered under the relevant provisions of the Income Tax Act and the Foreign Contribution Regulation Act. It is submitted that as per the proposal,

the project is valid for a period of 5 years with a yearly contribution of Rs. 6,00,000/- totaling Rs. 30,00,000/- over a period of 5 years.

13. The answering Respondent has accepted the said proposal and the necessary approvals and payments will be made in due course.

A copy of the project proposal submitted by the Madhayam Samajik Sanstha is annexed herewith and marked as **Annexure R5/5 [pg. 26 to 34]**.

USE OF PPE KITS AND MASKS BY THE EMPLOYEES

14. It is most respectfully submitted that the employees of the answering Respondent have been using PPE kits, masks, safety shoes, helmets etc. It is submitted that all mandatory precautions concerning the health and safety of the employees have been taken and will continue to be taken in future.

Pictures showing the workers using the PPE kits, masks, safety shoes, helmets etc. is annexed herewith and marked as **Annexure R5/6 [pg. 35 to 37]**.

15. It is humbly submitted that the workers of the answering Respondent are using the PPE kits, masks etc. is also evident from the Report dt. 19.01.2023 submitted by the Joint Committee wherein @pg. 70 & 98 the committee has submitted pictures and observed that the answering Respondent has provided PPE kits etc. to its workers.

16. Furthermore, the answering Respondent has also placed orders for purchasing more PPE kits and face masks to be used in the factory by the workers.

A copy of purchase order dt. 18.04.2023 for purchasing PPE kits and purchase order dt. 15.04.2023 for purchasing masks is annexed herewith and marked as **Annexure R5/7 [pg. 38 to 39]**.

MEDICAL CHECK UP OF WORKERS

17. It is most respectfully submitted that the answering Respondent got conducted the medical checkup of its workers on 02.03.2023 with tests such as X-Ray, ECG, LFT, Hematology and Urine wherein the reports for almost all the workers is normal. The next round of medical check up of the workers will be conducted after a period of 6 months.

A summary/chart containing the details of the tests of the workers is annexed herewith and marked as **Annexure R5/8 [pg. 40 to 41]**.

18. Hence, it is prayed that this Hon'ble Tribunal may be pleased to take the present Additional Affidavit on record.

ANNEXURE R5/3

May 2, 2023

To,

The Divisional Forest Officer
Gautam Budh Nagar (U.P)

Dear Sir,

In the hearing dated 27.04.2023 the Green Tribunal Principal Bench passed the following directives :-

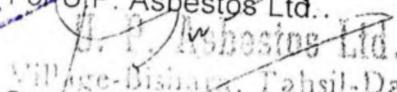

" The Divisional Forest Officer District, Gautam Budh Nagar is directed to undertake visit to the premises of the respondent No.5 and adjoining area and to submit detailed action plan regarding plantation required to be carried out with specific timeline, budgetary allocation, species to be planted for ensuring compliance with EC condition of 33% green cover and taking of remedial measures for remediation of the affected area by way of plantation, cleaning of the drain and reclamation of soil including development of a nursery in the premises or nearby area of the factory."

We request that you may kindly visit our plant and advise us on action to be taken on the point raised by Green Tribunal at your earliest convenience.

Thanking you,

Yours faithfully,

पिता और दोस्त के साथ मिलकर ऑक्सिजन प्लांट बना दिया

नोएडा में 325 से 350 तक ऑक्सिजन सिलिंडर रोजाना सप्लाई कर रहे हैं

ऑक्सिजन फिलहाल नोएडा के 70 फीसद अस्पतालों में आवंटित हो रही

अमेज़न ग्रेट समर सेल- टॉप ब्रांड्स के स्मार्ट टीवी पर 60% तक की छूट पाएं |

राशिद ज़हीर, मेरठ

कोरोना से पूरा देश जूझ रहा है। ऑक्सिजन के लिए मरीज भटक रहे हैं। इसी मंजर को देखते हुए मेरठ के एक युवा उद्यमी ने ऑक्सिजन की कमी को किसी हद तक दूर करने का का बीड़ा उठाया।

मेरठ के बेगम बाग कॉलोनी में रहने वाले यशराज ने अपने पिता और दोस्त के साथ मिलकर ऑक्सिजन प्लांट बना दिया और इसके लिए यशराज ने पुराने स्पेयर पार्ट्स को जमा करके इस प्लांट को बनाने का कारनामा दिखाया, ताकि लोगों की परेशानी को किसी हद तक वह कम कर सकें। फिलहाल वह नोएडा में 325 से 350 सिलिंडर तक

आक्सिजन राजाना बनात ह आर नाएडा व असेंबलिंग म सप्लाई करत हैं।

मेरठ के बेगम बाग निवासी यश राज गुप्ता ने जब मरीजों को अस्पतालों में ऑक्सिजन के लिए दर-दर भटकते देखा तो उन्होंने पुराने स्पेयर पार्ट्स से ऑक्सिजन प्लांट बनाने का बीड़ा उठाया। यश राज गुप्ता बताते हैं कि यह काम उनके अकेले के लिए संभव नहीं था तो उन्होंने अपने पिता जोकि खुद मैकेनिकल इंजीनियर हैं अनुराग गुप्ता और अपने दोस्त इलेक्ट्रिकल इंजीनियर संदीप गर्ग को ऑक्सिजन प्लांट बनाने की योजना के बारे में बताया। इस पर दोनों ने ही यशराज का हौसला बढ़ाया और इस काम को करना शुरू कर दिया। यशराज बताते हैं कि पिता अनुराग और दोस्त के साथ मिलकर उन्होंने बंद हो चुके पुराने गैस प्लांट से पुराने पार्ट्स को इकट्ठा किया। इसके लिए उन्हें छत्तीसगढ़, पुणे, शाजहांपुर समेत कई इलाकों में जाना पड़ा। अन्ततः पार्ट्स को जुटाया और असेंबल करने का काम शुरू किया।

प्लांट के लिए दादरी में ली जमीन

पार्ट्स मिलने के बाद जमीन की समस्या जब खड़ी हुई तो गौतमबुद्ध नगर के दादरी में यशराज के चाचा की सीमेंट की चादर बनाने की फैक्ट्री खाली पड़ी थी, जहां उन्होंने इस प्लांट को लगाने का काम किया और 13 अप्रैल से यहां ऑक्सिजन बनने लगी। अब इस प्लांट में 15 से 20 टन तक ऑक्सिजन रोजाना बनाई जाती है। यह ऑक्सिजन फिलहाल नोएडा के 70 फीसद अस्पतालों में आवंटित हो रही है।

हालांकि, यशराज का मेरठ में भी ऑक्सिजन सप्लाई करने का पूरा प्लान है। इस प्लांट को लगाने वाले यशराज के पिता का कहना है कि फिलहाल 500 सिलिंडर बनाने की इस प्लांट की क्षमता है, लेकिन जैसे ही यह क्षमता बढ़ जाएगी, वह मेरठ और अन्य जगहों पर भी ऑक्सिजन की सप्लाई शुरू कर देंगे। फिलहाल प्लांट में 325 से 350 सिलिंडर तक दैनिक आपूर्ति की जा रही है। गौतमबुद्ध नगर के ज्यादातर अस्पतालों में सप्लाई के साथ इमरजेंसी में अगर किसी मरीज को ऑक्सिजन की जरूरत होती है तो वह सीधे प्लांट से आकर ले सकता है।

अमेज़न ग्रेट समर सेल लाइव है- आज ही बेस्ट डीलस पाएं |

Amid a surge in Covid-19 cases and a subsequent increase in demand for medical oxygen, a group of professionals in Meerut came together to set up a new oxygen gas plant from scrap of non-functional oxygen plants, brought from all over the country. This plant is known as Bharat Ratna Oxygen Gas Plant.

To overcome the shortage of oxygen, this professional team from Meerut traced the closed oxygen plants across the country in the past years, and collected the scrap, and then built up a new oxygen plant from the scrap. After six months of effort, on April 13, the oxygen plant was set up in Gautam Budh Nagar. The plant is now catering to hundreds of needy people by providing them with oxygen cylinders.

Yashraj Gupta, resident of Begambagh in Meerut, started this oxygen plant with the help of his father and a friend. "This work was not possible for me alone. Therefore, I roped in my mechanical engineer father Anurag Gupta and electrical engineer friend Sandeep Garg for setting up this oxygen plant. Both encouraged me and soon the work started for this project," said Yashraj, who considers PM Modi to be the inspiration behind building the oxygen plant.

Around 350 cylinders are being supplied to people daily. Although the plant has a capacity of providing 500 cylinders per day. But for now 325 to 350 cylinders are being supplied daily. In Gautam Budh Nagar, 70 percent oxygen is being supplied from this plant. Meanwhile, the team is thinking of setting up such oxygen plants in other parts of Uttar Pradesh also. team is also asking other youths to join their work with enthusiasm.
