**Additional Short reply by way of affidavit
of Kanwar Deep Singh, IFS, Divisional
Forest Officer, Sahibzada Ajit Singh
Nagar, Punjab, on behalf of respondent
no. 4 and 5.**

I, the above named deponent, do hereby solemnly affirm and state as under:-

That the deponent is working as Divisional Forest Officer, Sahibzada Ajit Singh Nagar, Department of Forests

Divisional Forest Officer
S.A.S. Nagar

21 JUL 2025

and Wildlife Preservation, Punjab and the deponent is well conversant with the facts of the case and authorized to swear in and file the present Affidavit on behalf of Respondent No. 4 and 5.

RESPECTFULLY SHOWETH:

1. That, the present petition is pending for consideration before this Hon'ble Tribunal.
2. That it is submitted that the Deponent is working as Divisional Forest Officer, SAS Nagar.
3. That in this present petition, O.A No. 739 of 2023, it is submitted that the land on which trees were standing is a non forest area, outside the jurisdiction of Forest Department. The Forest Department does not have jurisdiction on the subject land since it is a non-forest land. That when the land owning/managing agency applies for assessment of trees, the same is carried by Forest department as per stipulated rules and the Timber value is fixed in accordance with departmental guidelines. **(Annexure -R-1)**

Divisional Forest Officer
S.A.C. Nagar

4. That as per letter in Annexure-R-1 the trees were only assessed in accordance with departmental rules. Assessment value of the tree has been decided as per Proceedings of the Meeting under the Chairmanship of Hon'ble Forest Minister, dated 01.07.2009 (**attached Annexure R2**) and vide Principal Chief Conservator of Forests (HoFF) letter No. 6599 dated 02-08-2013 (**attached Annexure R3**). No permission was granted for felling and it was clearly mentioned in the letter that **"This may not be treated as special permission/NOC to cut/fell the trees. As per rules, you may seek permission of the competent authority of your department to get the trees cut/fell"**
5. That as far as the Environmental Compensation is concerned, its provisions are under the ambit of Environmental Protection Act, 1986. The implementing agency/authority in this State is the Department of Environment/Punjab State Pollution Control Board.

Divisional Forest Officer
S.A.C. Nagar

Since, the area where the trees have been felled is not a forest area and the Environment Compensation is not in the ambit of forest laws implemented by Department of Forest and Wildlife Preservation, the concerned Department/Agency may be directed to take necessary steps in this issue.

6. That in compliance of M.A No. 48/2023 in O.A. No. 200/2023 and O.A No. 378/2022 "The Tree Preservation Policy for Non forest Government and Public Lands-2024" has already been notified by the Department of Forest and Wildlife Preservation.
7. That as far as the Tree Policy is concerned the provision of Compensatory Plantation is provided to Compensate the trees loss, with provision of five times plantation against the trees felled.
8. That in compliance of M.A No. 38/2024 in O.A. No. 257/2023 the Forest Department is already in the process of formulating a new "Trees Act" and the same is under consideration of State Government.

Divisional Forest Officer
S.A.C. Nagar

Therefore, it is humbly submitted that the respondent department holds this court in the highest regard and has duly complied with all the directions of the Hon'ble NGT. Accordingly, it is requested that the present OA No. 739/2023 may kindly be dismissed in the interest of justice.

The issue of revision of royalty rates was discussed in the light of the report submitted by a committee constituted by the Government under the Chairmanship of Sh. M.P. Rai, IFS, APCCF to study and recommend the royalty rates in Punjab. The overall royalty rates recommended by the committee were found to be 5 to 7 times the current royalty rates.

The Hon'ble Minister and PCCF inquired about the amount of revenue received by the Department before the setting up of PSFDC in 1983. PCCF informed that the amount of revenue during the year 1982-83 was Rs. 6.05 crores. It was observed that given the increase in market price of timber, the amount of revenue of the Department, which is mainly from the royalty received against the trees transferred to the corporation, should have increased to the range of Rs. 60-70

The recommendations of the Disinvestments Commission, National Forest Commission and the Government Working Committee regarding functioning of PSUs were deliberated upon and it was observed that the Corporation should have been closed and the felling should have been done by the Department.

MD PSFDC stated that he cannot take any stand in regard to royalty rates to be fixed by the Government except to go by the resolution passed by the Board of Directors in its meeting dated 28th May 2009. The resolution passed by Board of Directors was deliberated upon and it was observed that the criterion of fixing the royalty rates in the state of Haryana is perhaps not based upon any scientific study as has been done by the state of Punjab. Once again MD PSFDC was asked to give any suggestion regarding discounting to the royalty rates recommended by the Committee constituted by the Government to which there was no clear cut commitment from the Corporation through its MD. Thus there was no alternative left with the Government except to take the following decisions:-

1. The rate of royalty to be charged from the PSFDC for the years 2007-08, 2008-09 and till the application of new policy will be the royalty rates as applicable in Haryana for these years. From today, it would be @80% of the net value of various types of trees in their classification as recommended by the Committee headed by Mr. M.P. Rai, IFS.
2. The practice of getting the trees cut through engagement of labour by the PSFDC shall stop forthwith in respect of green trees. This decision will apply immediately after the sunset of 1st July 2009.
3. The remaining standing green trees transferred to the PSFDC would be sold by inviting tenders on 'as is where is' basis. Similarly all green trees transferred to the Corporation in future will also be sold on 'as is where is' basis by inviting tenders.
4. In case of dead, dry & fallen trees, the same procedure, as mentioned above will be followed, but the felling of lots currently under progress as on 1st July 2009 may be completed. Disposal of any new dead, dry and fallen trees lots would be by inviting tenders in the same way as per the procedure given above for green trees.
5. The issue of reserve price was discussed in the meeting. Though the committee has recommended net values as the royalty rates, but in view of increase in the prices of wood in the market it was decided to keep gross values as reserve price which are given below: -

General Manager (I), PSFDC would review the reserve price and make the necessary revision as it may deem fit in the best interest of the State.

9. As a safeguard against any possible illicit felling by the contractor, videography will be done at the site of felling for which MD PSFDC has been authorized to devise the modalities.

10. The terms and conditions of the tender document shall be finalized by the MD PSFDC in consultation with the PCCF, Punjab.

The MD PSFDC is authorized to sanction the contract alongwith the right to cancel any or all of the bids without assigning any reason. For this purpose he may take help of any of the officer not below the rank of Divisional Manager.

12. PSFDC will manage its establishment / overhead cost as well as meet the expenditure to be incurred in diversifying the activities as enshrined in the Article of Association of the Corporation out of 20% retainership of the net value and the difference in the sale amount and net value of the trees.

13. Any Central/State Government Agency/ Corporation/ Board/ Authority may be offered the lots, with the permission of the Government, at or above the reserve price rates without participating in the tendering process. This should be resorted to (in rarest of rare cases) to take care of urgency in providing public services/ utilities by organizations like NHAI, PIDB etc.
