State of Haryana and Others

**Affidavit of T.V.S.N. Prasad, IAS, Chief Secretary to Govt.
Haryana, Chandigarh.**

I, the above named deponent solely affirm and declared as under:-

RESPECTFULLY SHOWETH

1. That this Tribunal while hearing the aforesaid application on 07.02.2024 has been pleased to pass the following orders in respect of the deponent:-

"9.we consider it appropriate to seek response from the State of Haryana through Chief Secretary, Government of Haryana who is directed to file an affidavit with respect to the following aspects:-

- (i) Whether Sahibi River was flowing through land owned by private land owners in the years 1957, 1964 and 1977 or whether the land of Sahibi River has been subsequently allotted to the private landowners. The relevant extracts of the Revenue Record from preceding 1957 till date be produced in respect of the entire land now owned by the private land owners in tabulated form with all relevant particulars;

tsam

- (ii) *Whether other Rivers in the State of Haryana exists in the Revenue Record with their own land or any part of River bed is recorded in the name of private land owners;*
- (iii) *Whether Flood Plain Zones of the Rivers in the State of Haryana have been notified;*
- (iv) *What remedial measures are required to be taken for correction of the Revenue Record and notification of Flood Plain Zones; and*
- (v) *Whether the stretches of land through which River Sahibi was flowing earlier and which are now owned by private land owners can be acquired by the State of Haryana for its rejuvenation.*

10. *The Chief Secretary, Government of Haryana is also directed to mention in his affidavit as to whether Drain No.8 was at any point of time known as Sahibi River for generating people's support to its rejuvenation."*

The case is now fixed for hearing on 13.05.2024.

2. That in compliance of the above orders, the Irrigation & Water Resources Department has initiated the matter with Tehsildar Bawal, Dharuhera and Rewari. They have provided the relevant extract of revenue record on dated 01.05.2024, which is annexed as **(Annexure R-1/5 colly)**. On the basis of reports of Tehsildar Bawal, Dharuhera and Rewari, it may be said that in some stretches, the Sahibi River was flowing on the private land and in some stretches, it was flowing on the Govt. land in the years 1957, 1964 and 1977. The reports submitted by the Tehsildar Bawal, Dharuhera and Rewari also affirmed that the land on which river was flowing has not been subsequently allotted to any private land owners.

3. That there exist 8 rivers in the State of Haryana including Sahibi River having vast stretches spanaid over a large area and an enormous exercise will be required to collect/compile/cross-verify the fact that whether these rivers exist in the revenue record with their own land or any part of River bed is recorded in the name of private land owners, for which atleast four

tsam

months time period is required to complete this exercise. Accordingly, the Hon'ble Tribunal is requested to grant a period of atleast four months to submit details in this regard.

4. That Section-45 of the Haryana Canal and Drainage Act, 1974 (**Annexure R-2/5 colly**), explains the flood plain zoning which is reproduced as "Whenever it appears to the State Government that injury to any land or the public health or public convenience has arisen or may arise from the obstruction or any river, stream or drainage-channel, the State Government may, by notification, prohibit within limits to be defined in such notification, the formation of any obstruction, or may, within such limits, order the removal or other modification of such obstruction. On the issue of such notification, so much of the said river, stream or drainage channel as is comprised within such limits shall be held to be a drainage-work as defined in section 2."

In the State of Haryana, the principle being followed by the State Govt. is to include such width of the river in the flood plain zone upto 25 years return period flood spreads. However, where river embankments (Levees) already stands constructed, the 25 years return flood period is contained within the river embankment. Therefore, wherein river embankments already stand constructed, the width of river lying between both the river embankments is being considered as flood plain. Hereinafter, the State of Haryana has been issuing notifications under the said section 45 to notify flood plain zones of the rivers. It is informed that eight gazette notifications of partial stretches of Somb River, Ghaggar River, Pinjora Drain, Dholra Drain, Thaska Drain, Yamuna River and Tangri River (Some area of Tangri River was denotified later on) have already been issued notifying the Flood Plain Zones of the Rivers under Section 45 of the Haryana Canal and Drainage Act, 1974, which is annexed as (**Annexure R-3/5 colly.**). It is pertinent to mention here that this Hon'ble Tribunal has recently passed an order in O.A. No. 200/2014

tram

'M.C. Mehta V/s Union of India & others' directing the State Governments for identifying and demarcation of Flood Plains in the River Ganga/Ganga Basin Region based on one in 25 years cycle of highest flood level (HFL). As the above orders are also applicable and complied with by the Haryana State, hence, it is very respectfully submitted that this issue may please be exempted from the present Original Application and left to the final outcome of the O.A. No. 200/2014.

5. That the deponent has already explained in the Para-4 that there are 8 Rivers flowing in Haryana State and Revenue Record being scattered in various Revenue estates/Districts. The collection/compilation of exact data may take atleast four months. Once the State is armed with the exact data then will be in position to frame a policy detailing the steps/measures required to be taken for correction of Revenue Record and notifying the Flood Plain Zones. However, the Flood Prone Areas of various river/drains have already been taken care by issuing 8 No. gazette notifications as already annexed as **Annexure R-3/5 colly**.
6. That the Irrigation & Water Resources Department, Haryana has undertaken a detailed survey of the stretches of land on which the Sahibi River was flowing earlier and found that the Sahibi River originates from the eastern slopes of the Saiwar Protected Forest hills in Aravali Range near Ajitgarh and Manoharpur of District Sikar of Rajasthan State. It flows for around 303 km (total), out of which 153 km is in Rajasthan, 92 km is in Haryana and 58 km in Delhi. The revenue record of District-Rewari was examined to identify the land of Sahibi River wherein it was found that Sahibi River enters the State of Haryana near village Pawti (Tehsil-Bawal, District-Rewari). It flows for around 4 Km length in Village Pawti and village Panwar of Tehsil Bawal District Rewari. This land is under the ownership of Gram Panchayat of respective villages. Thereafter, it reenters Rajasthan State near village Ahir Baghola. After covering around 34 km length in Rajasthan territory, it again enters Haryana near

hmn

village Jarthal. Around 2.50 Km land of Sahibi River belongs to Private land owner of Villages of Jarthal as per Revenue record. Thereafter, Sahibi River flows for around 6.50 Km length through village Jarthal, Pachgaon, Raliawas, Niganiyawas, Bhatasana, Nikhri, Dungarwas, Rasgan and Khaliyawas before reaching the Masani Barrage near NH-48, Delhi- Jaipur Highway. This land has already been acquired by Irrigation and Water Resources Department for Construction of Masani Barrage. But on the downstream of the Masani Barrage, for about 11.00 Km length, there is no flow of water and the land of Sahibi River creek (downstream of Masani Barrage to the land boundary of District Gurugram) belongs to Private land owner and there is no land, particularly, marked for Sahibi River in Revenue Record. It has also been verified by Naib Tehsildar Dharuhera and Rewari. Due to dis-appearance of Sahibi River downstream of Masani Barrage, the land owners started cultivating the land. Thereafter, it flows from district Gurugram and Jhajjar in a length of approximate 37 Km after which it is known as Aurangpur Link Drain having length of around 6 Km which falls into Outfall Drain No. 8 at RD 17.50 Km. Outfall Drain No. 8 terminates at Dhansa Regulator at RD 42.59 Km which ultimately falls in the Najafgarh Drain (in Delhi territory). The index plan of Sahibi River is attached as **Annexure-R-4/5**. The total approximate stretches of land through which Sahibi river was flowing earlier and owned by private land owners comes out to be about 350 acres and acquiring that land is a herculean task because the private land owners refused verbally to provide the land on Collector rates. Therefore, it is humbly submitted that any decision regarding acquisition of private land of Sahibi River may be taken only after the availability of water is ensured/secured.

7. That the Irrigation & Water Resources Department, Haryana has traced out all record but did not find any such evidence which shows that Drain No. 8 was at any point of time known as Sahibi River. However, keeping

tsm

in view the pious intention of this Hon'ble Tribunal, the Irrigation & Water Resources Department was directed to move a proposal for renaming the Aurangpur Link Drain (Km. 0 to 6.3) and Drain No. 8 (Km. 17.50 to 42.59) (i.e. upto Dhansa Border) as Sahibi River. The proposal was received by the Govt. on dated 02.03.2024 and is in active consideration. The deponent will extend full co-operation to the competent authority in taking the decision at the earliest possible.

8. That the State and Irrigation & Water Resources Department, Haryana in particular, is very sensitive towards the issues of river rejuvenation/river restoration as it leads to numerous advantages such as enhanced biodiversity, improved water quality, flood mitigation, sustainable water supply and preservation of cultural heritage. The State Government is very concerned and is proactively working on the issue of rejuvenating of Sahibi River as the concerned Department has already completed the work for rejuvenation of Sahibi River in August 2023 in some parts i.e. from village Mojabad to village Nurgarh in District Gurugram in the length of 8.220 Km having water carrying capacity of 43.26 Cusecs and an approximate expenditure of Rs. 5.87 crore stands incurred by the State. Further, the work of rejuvenation of Indori River (Tributary of Sahibi River) from village Bas Padamka to village Siwari in District Gurugram having length of 8.220 Km is in progress and is likely to be completed by 30.06.2024. It involves a tentative expenditure of Rs. 22.88 crore.

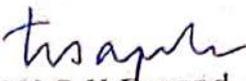

In view of the above submissions, it is very respectfully submitted that the deponent and concerned department, i.e., Irrigation and Water Resources Department, Haryana are making all out efforts to provide the required information to this Hon'ble Bench of NGT but since concerns pointed out by this Hon'ble Bench of NGT could only be answered after collecting the exact data. Therefore, the deponent very respectfully seeks the acceptance of the information as provided in the foregoing paras and

tsan

further request to grant a period of at least four months for providing remaining information.

PART VI
OF CANAL NAVIGATION

39. (1) Any vessel entering or navigating any canal contrary to the rules made in that behalf by the State Government, or so as to cause danger to the canal or the other vessels therein, may be removed or detained, or both removed and detained, by the Divisional Canal Officer, or by any other person duly authorised in this behalf.

Detention of vessels violating rules.

(2) The owner of any vessel causing damage to a canal, or whose vessel has been removed or detained under this section, shall be liable to pay to the State Government such sum as the Divisional Canal Officer, with the approval of the Superintending Canal Officer, determines to be necessary to defray the expenses of repairing such damage or of such removal or detention, as the case may be.

40. Any fine imposed under this Act upon the owner of any vessel, or the servant or agent of such owner or other person in charge of any vessel, for any offence in respect of the navigation of such vessel, may be recovered either in the manner prescribed by the Code of Criminal Procedure or if the Magistrate imposing the fine so directs as though it were a charge on such vessel.

Recovery of fines for offences in navigating canals.

41. If any charge due under the provisions of this Part in respect of any vessel is not paid on demand to the person authorised to collect the same, the Divisional Canal Officer may seize and detain such vessel and the furniture thereof, until the charge so due, together with all expenses and additional charges arising from such seizure and detention, is paid in full.

Power to seize and detain vessel on failure to pay charges.

42. If any charge due under the provisions of this Part in respect of any cargo or goods carried in a Government vessel on a canal, or stored on or in lands or warehouses occupied for the purposes of a canal is not paid on demand to the person authorised to collect the same, the Divisional Canal Officer may seize such cargo or goods and detain them until the charge so due, together with all expenses and additional charges arising from such seizure and detention, is paid in full.

Power to seize cargo or goods, if charges due thereon are not paid.

43. (1) Within a reasonable time after any seizure under section 41 or section 42, the said Canal Officer shall give notice to the owner or person in charge of the property seized that it, or such portion of it as may be necessary, will, on a day to be named in the notice, but not

Procedure for recovery of such charges after seizure.

sooner than fifteen days from the date of the notice, be sold in satisfaction of the claim on account of which such property was seized, unless the claim be discharged before the day so named. If such claim be not so discharged, the said Canal Officer, may, on such day, sell the property seized or such part thereof as may be necessary to yield the amount due, together with the expenses of such seizure and sale :

Provided that no greater part of the furniture of any vessel or of any cargo or goods shall be so sold than shall, as nearly as may be, suffice to cover the amount due in respect of such vessel, cargo or goods.

(2) The residue of such furniture, cargo or goods, and of the proceeds of the sale, shall be made over to the owner or person incharge of the property seized.

Procedure in
respect of
vessels
abandoned and
goods
unclaimed.

44. (1) If any vessel be found abandoned in a canal, or any cargo or goods carried in a Government vessel on a canal, or stored on or in lands or warehouses occupied for the purpose of a canal, be left unclaimed for a period of two months, the Divisional Canal Officer may take possession of the same. The officer so taking possession may publish a notice, in the manner prescribed, that, if such vessel and its contents, or such cargo or goods, are not claimed on or before the day to be named in the notice, not sooner than thirty days from the date of such notice, he will sell the same; and, if such vessel, contents, cargo or goods be not so claimed, he may, at any time after the day named in the notice, proceed to sell the same.

(2) The said vessel and its contents and the said cargo or goods if unsold, or, if a sale has taken place, the proceeds of the sale, after paying all tolls, charges and expenses incurred by the Divisional Canal Officer, on account of the taking possession and sale, shall be made over to the owner of the same, when his ownership is established to the satisfaction of the Divisional Canal Officer.

(3) If the Divisional Canal Officer is doubtful to whom such property or proceeds should be made over, he may direct the property to be sold as aforesaid, and the proceeds to be paid into the district treasury, thereto be held until the right thereto be decided by a Court of competent jurisdiction.

PART VII
OF DRAINAGE

45. Whenever it appears to the State Government that injury to any land or the public health or public convenience has arisen or may arise from the obstruction of any river, stream or drainage-channel, the State Government may, by notification, prohibit within limits to be defined in such notification, the formation of any obstruction, or may, within such limits, order the removal or other modification of such obstruction. On the issue of such notification, so much of the said river, stream or drainage channel as is comprised within such limits shall be held to be a drainage-work as defined in section 2.

Powers to prohibit obstructions or order their removal.

46. (1) The Divisional Canal Officer, or other person authorised by the State Government in that behalf, may after such publication issue an order to the person causing or having control over any such obstruction to remove or modify the same within a time to be fixed in the order.

Power to remove obstructions after prohibition.

(2) If within the time so fixed such person does not comply with the order, the said canal officer may himself remove or modify the obstruction; and if the person to whom the order was issued does not when called upon, pay the expenses involved in such removal or notification, such expenses shall be recoverable from him or his representative in interest as arrears of land revenue.

47. The provisions contained in sections 17 to 25 shall apply *mutatis mutandis* to field drains.

Provisions regarding field drains.

48. Whenever it appears to the State Government that any drainage works are necessary for the improvement of any lands, or for the proper cultivation or irrigation thereof or that protection from floods or other accumulations of water or from erosion by a river is required for any lands, it may cause a scheme for such drainage works to be drawn up and published by the Divisional Canal Officer, together with an estimate of its cost which the State Government proposes to defray, and a schedule of the lands which it is proposed to make chargeable in respect of the scheme.

Preparation of schemes for works of improvement.

Power to persons employed on such schemes.

49. The Divisional Canal Officer may exercise all or any of the powers conferred on the Canal Officers under section 12.

Rate on lands benefited by works.

50. The cost, other than that which is to be defrayed by the State Government, in respect of such scheme, may be charged from the owners of all lands made chargeable under section 48. Such cost either wholly or in part, may be recovered in-kind of land or labour in the manner prescribed.

Recovery of rate.

51. Any sum certified by the Divisional Canal Officer to be due under section 50 and which remain unpaid after the expiry of the period during which it was payable, shall be recoverable from the owner liable for the same as if it were an arrear of land revenue.

Disposal of claims to compensation.

52. Whenever in pursuance of a notification made under section 45, any obstruction is removed or modified or whenever any drainage-work is carried out under section 48, all claims for compensation on account of any loss consequent on the removal or modification of the said obstruction or the construction of such work may be made before the Collector and he shall deal with the same in the manner provided in section 9.

Limitation of such claim.

53. No such claim shall be entertained after the expiry of one year from the occurrence of the loss complained of or unless the Collector is satisfied that the claimant had sufficient cause for not making the claim within such period.

PART VIII OF JURISDICTION

Jurisdiction under this Act of Civil Courts.

54. Except as otherwise provided, all claims against the State Government in respect of anything done under this Act may be tried by the Civil Courts, but no such court shall in any case pass an order as to the supply of canal water to any crop sown or growing at the time of such order.

IRRIGATION DEPARTMENT

The 2nd June, 2011

No. 3725/20W.—Whereas, it appears to the State Government that the injury to following land or the public health or public convenience has arisen or may arise from the obstruction of river, stream *i.e.* Somb River.

Now, therefore, in exercise of powers conferred by Section 45 Haryana Canal and Drainage Act, 1974 (29 of 1974), the Governor of Haryana hereby prohibit the formation of any obstruction of the river, stream by any way within the limits as specified in the schedule given below :—

हरियाणा सरकार

सिंचाई तथा जल संसाधन विभाग

अधिसूचना

दिनांक 19 अप्रैल, 2017

संख्या 3114/II-L.— चूंकि, राज्य सरकार को ऐसा प्रतीत होता है कि टांगरी नदी में बाधा से निम्नलिखित भूमि अथवा लोक स्वास्थ्य अथवा लोक सुविधा को क्षति पहुंची है अथवा पहुंच सकती है।

इसलिए अब, हरियाणा नहर तथा जल विकास अधिनियम, 1974 (1974 का हरियाणा अधिनियम संख्या (29), की धारा 45 द्वारा प्रदत्त शक्तियों को प्रयोग करते हुए, हरियाणा के राज्यपाल, इसके द्वारा नीचे दी गई अनुसूची में यथा विनिर्दिष्ट सीमाओं के भीतर किसी भी तरह से टांगरी नदी में बाधा को बनाने से रोकते हैं—
