**AFFIDAVIT ON BEHALF OF DELHI JAL BOARD (DJB) IN  
COMPLIANCE OF ORDER DATED 28.02.2025**

I, Bhupesh Kumar, S/o Sh. R.P. Bhaskar, aged about 55 Yrs, designated as Chief Engineer (SDW), Delhi Jal Board, at Govt. of N.C.T. of Delhi Jhandewalan, Karol Bagh New Delhi-110005, solemnly affirm and sincerely state as follows:

1. That the applicant in the present matter raised grievance against dumping of sewage carried by unauthorized trucks/vehicles on roads and drains resulting in pollution and damage to environment and septage management in NCT of Delhi by Delhi Jal Board(DJB).
2. That it is humbly submitted that the Water Act, 1974 does not discriminate between pollution from industrial and domestic sources, however, domestic pollution is not regulated in the same manner due to Section 2(K) of the Water Act, 1974. The urban bodies and other public bodies are providing a highly subsidized services to society in order to help the ULBs and establish several STPs. Further, respective ULBs

should be made responsible for compliance, keeping in view the adverse effect of Septage on land, low-lying areas or receiving surface water or groundwater bodies. However, there is a need of establishing good collection system for Septage and for its proper disposal. In furtherance of the directions, DJB being urban local body has taken all possible measures so to cure the issue.

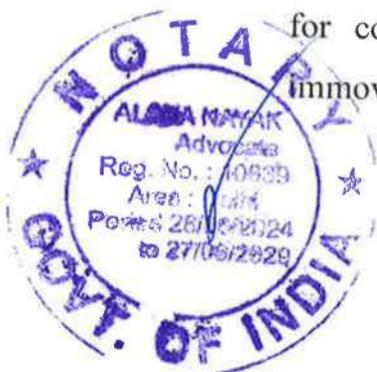

3. That vide order dated 28.02.2025, the Hon'ble Tribunal directed DJB to place on record the relevant information as per the aforementioned order in the form of affidavit.

The True Copy of Order dated 28.02.2025 passed by the Hon'ble Tribunal is annexed herein as **Annexure-A**.

4. That out of 639 total JJ Clusters, the drains of 574 JJ Clusters have already been trapped in nearby DJB sewerage network and sewage/sullage/ Septage/ waste water generated from these 574 JJ Clusters is being treated in different STPs. The details of approximate quantity of sewage/sullage/ Septage/ waste water generated along with performance of connected STPs is mentioned in the **Annexure B**

5. That the status of drains of the remaining 65 nos. JJ Clusters, 1 Cluster do not exist on ground. Further, Out of remaining 64 JJ Clusters 11 JJ Clusters are not feasible and there is no possibility of trapping them. The status of 53 JJ Clusters with timelines of their trapping with DJB sewerage network, STPs along with their capacity and performance is attached as **Annexure C**.

6. That no DJB licensed vehicles with containers are engaged in **JJ Clusters** for collection of septage. DUSIB has also deployed movable and immovable toilets in JJ Clusters for the residents. Furthermore, 154 nos.

of licensed vehicles have been deployed by DJB for septage management in various **Unauthorized Colonies** having no sewerage network. The sewage from the Unauthorized Colonies are then being transported to nearby 85 SPS and 1 STP for further treatment before disposal.

- 7. I state that the contents of the aforesaid report and the documents enclosed alongwith this affidavit are true and correct and duly verified by the undersigned and have been supplied by me to the counsel to be annexed herewith.
- 8. I further state that Delhi Jal Board shall remain duty bound by any direction or order by this Hon'ble Tribunal as and when directed.

**VERIFICATION**

**29 APR 2025**

Verified at New Delhi on this 29 day of April, 2025 that the contents of the above affidavit are true and correct to my knowledge and as derived from the record maintained by Delhi Jal Board and nothing material has been concealed therefrom.

Hence it is required to trap it and take it to the nearest trunk sewer located at a distance of about 0.5 KM on Mathura road. This alignment shall pass through NTPC land. The issue has been taken up with NTPC for according permission to lay the sewer line through their land but no response is yet received. Estimate is under preparation for this alignment in anticipation of the permission. However, the tentative timelines for trapping of this drain into DJB sewer network is 31.12.2026</p>	31.12.2026	Proposed DSTP
