## Urban Development Department / UD-34

The Hon'ble National Green Tribunal (NGT), New Delhi, in its judgment dated 08 September 2022 in Original Application No. 606/2018, directed the Chief Secretary of Maharashtra State to submit a **half-yearly progress report** before the Tribunal regarding the actions being taken in connection with **solid waste management and treatment of used water** in the state. Further, in its order dated 19 March 2025, the Tribunal instructed that information on solid waste management and used water management for all Urban Local Bodies (ULBs) should be submitted in the prescribed formats.

2. In compliance with the said order, information in the prescribed format was sought from all 411 Urban Local Bodies. This information was received with the signatures of the Chief Officers / Additional Commissioners / Deputy Commissioners of the respective ULBs. The data was consolidated at the Directorate level of the Swachh Maharashtra Mission (Urban) and submitted to the Tribunal with the approval of the Hon'ble Chief Secretary.

3. The hearing of the said matter took place on 31 October 2025. During the hearing, the Hon'ble Tribunal observed discrepancies in the waste processing by some ULBs and noted a gap between the daily processing and the waste being dumped at dumping grounds. Accordingly, directions were given to submit clarifications.

4. In this matter, the Hon'ble Tribunal, on 26 November 2025, directed that revised information regarding the gap between waste generation and processing should be filed on affidavit by the competent authority.

5. In compliance with the Tribunal's order, the State Mission Director, Swachh Maharashtra Mission (Urban), submitted revised annexures (Annexure 15 and Annexure 16) along with their letter dated 04 December 2025, requesting approval from the Hon'ble Chief Secretary. The next hearing of the matter before the Hon'ble National Green Tribunal is scheduled for 17 December 2025.

6. In this regard, there should be no objection to granting approval to the revised annexures (Annexure 15 and Annexure 16) submitted by the State Mission Director, Swachh Maharashtra Mission (Urban), and authorizing the State Mission Director to file an affidavit before the Hon'ble National Green Tribunal, New Delhi, on behalf of the Government.
