Action Taken Report in compliance of directions issued by Hon'ble NGT vide order dated 05.02.2024 in the matter of O.A. No. 200/2014 M.C. Mehta Vs. Union of India & Ors.

1. That Hon'ble NGT has directed vide order dated 24.01.2024 to submit the requisite information in tabulated formats in the matter of O.A. No. 200/2014 M.C. Mehta Vs. Union of India & Ors. That in compliance of the order passed by Hon'ble Tribunal, the reports of five districts of State of Uttar Pradesh namely Bijnor, Muzaffarnagar, Meerut, Hapur and Amroha has been placed before Hon'ble NGT.
2. That Hon'ble NGT has examined the status reports filed for above mentioned five districts and issued certain directions vide order dated 05.02.2024. The operative part of the order dated 05.02.2024 is reproduced as follows :
 - viii) *There are 184 Industries discharging effluents into river Ganga through River Kali (East) and Ramganga. Whereas, effluents from other industries goes to River Yamuna through River Hindon via river Malan and Gagan. These identified industries should be imposed with the Consent conditions to adopt ZLD system or maximize recycling/ reuse of treated effluents rather than consenting them to discharge into drains with no burden on them. Actions taken to this effect should be filed before the next hearing by UPPCB.*
3. That it is submitted that in compliance of Hon'ble NGT order dated 05.02.2024, Regional Officer, UPPCB, Muzaffarnagar, has send the report, informing that there are 60 Grossly Polluting Industries (GPI) identified in District Muzaffarnagar.

Out of these 60 GPI units, 16 units are based on ZLD and 8 units use their treated water for irrigation, 35 industrial units have been already issued CTO to discharge treated effluent after maximum reuse and recycle and rest 01 unit has been directed to discharge treated effluent after maximum reuse and recycle. The copy report is enclosed herewith and marked as **Annexure No.- 1**

4. That it is submitted that Regional Officer, UPPCB, Meerut, has send the report informing that there are 54 Grossly Polluting Industries (GPI) identified in District Meerut. Out of these 54 GPI units, 10 units are based on ZLD and 9 units use their treated water for irrigation, 33 industrial units have been already issued CTO to discharge treated effluent after maximum reuse and recycle and rest 2 units have been directed to discharge treated effluent after maximum reuse and recycle. The copy of report is enclosed herewith and marked as **Annexure No.- 2**.
5. That it is submitted that there are 36 Grossly Polluting Industries (GPI) identified in District Hapur. Out of these 36 GPI units, 5 units are based on ZLD and 31 units have been directed to discharge treated effluent after maximum reuse and recycle. The copy of report is enclosed herewith and marked as **Annexure No.- 3**.
6. That it is submitted that Regional Officer, UPPCB, Bijnore has send the report informing that there are 21 Grossly Polluting Industries (GPI) identified in District Bijnore. Out of these 21 GPI units, 07 units are based on ZLD, rest 12 units have been

directed to discharge treated effluent after maximum reuse & recycle and rest 02 units are not operational. The copy of report is enclosed herewith and marked as **Annexure No.- 4.**

7. That it is submitted that Regional Officer, UPPCB, Amroha, has send the report informing that there are 13 Grossly Polluting Industries (GPI) identified in District Amroha. Out of these 13 GPI units, 06 units are based on ZLD and 06 units have been directed to discharge treated effluent after maximum reuse & recycle and 01 unit is not operational. The copy of report is enclosed herewith and marked as **Annexure No.- 5.**
8. That it is submitted that Government of Uttar Pradesh is committed, towards maintaining the water quality of river Ganga and for ensuring compliance of orders passed by Hon'ble Tribunal.

The above compliance report is being placed for consideration of this Hon'ble Tribunal.

Lucknow

Date: 12-4-2024
