PRINCIPAL BENCH, NEW DELHI**

ORIGINAL APPLICATION NO. 924 of 2019

IN THE MATTER OF:

NEERAJ GOYAL

... APPLICANT

Versus

STATE OF PUNJAB

... RESPONDENT

INDEX

Sr. No.	Particulars	Pages Nos.
1.	Action Taken Report in the matter of Original Application No. 924 of 2019 titled as " <i>Neeraj Goyal vs State of Punjab</i> " on behalf of the State of Punjab through Punjab Pollution Control Board.	1-7
2.	<u>Annexure-1:</u> True copy of status report of 239 industries with regard to PNG status.	8-19
3.	<u>Annexure-1A:</u> True copy of the MOU signed and entered into between PPCB and IIT Delhi to calculate carrying capacity of 9 non-attainment cities including Mandi Gobindgarh in State of Punjab.	20-21
4.	<u>Annexure -2:</u> True Copy of list of 409 industrial units complied with Pollution Control Laws out of 503 industrial units, which were inspected during 01.11.2019 to 20.02.2021.	22-46
5.	<u>Annexure -3:</u> True Copy of list of 94 industrial units to whom Show-Cause Notice were issued and opportunity for hearing was extended and time has been granted	47-54

	for compliance under different Pollution Control Laws.	
6.	<u>Annexure -4:</u> True Copy of list of 24 industrial units upon whom Environmental Compensation was imposed and recovered during the period from 01.11.2019 to 20.02.2021.	55-56
7.	<u>Annexure -4A:</u> True Copy of list of 17 industrial units upon whom Bank Guarantee was imposed.	57
8.	<u>Annexure 5:</u> True Copy of list of 9 industrial units upon whom directions for closure under section 31-A of the Air (Prevention & Control of Pollution) Act, 1981.	58
9.	<u>Annexure 6:</u> True Copy of office order dated 21.08.2020 issued by PPCB regarding revised guidelines for obtaining one-time authorization from PPCB under Rule 13 of the Hazardous and Others Wastes (Management and Transboundary) Rules 2016.	59-67

PLACE: NEW DELHI

O.A. No. 924 of 2019 NEERAJ GOYAL V/S STATE OF PUNJAB

Action taken report of Punjab Pollution Control Board

1. The Hon'ble National Green Tribunal (NGT) has taken cognizance of a complaint made by Sh. Neeraj Goyal regarding air pollution caused by burning of plastic, rubber and insulated copper coils attached with the scrap at Mandi Gobindgarh, District Fatehgarh Sahib, Punjab" and the application was treated as O.A. no. 924/2019. A committee was constituted by the Hon'ble Tribunal vide order dated 1/11/2019, comprising of Officials from Central Pollution Control Board (CPCB), Punjab Pollution Control Board (PPCB) and Municipal Council, Mandi Gobindgarh to look into the matter, take appropriate action in accordance with law and furnish a factual and action taken report in the matter.
2. In compliance to the orders passed by the Hon'ble Tribunal, the PPCB being nodal agency submitted 1st, 2nd, 3rd, 4th & 5th Interim report (s) on 14/03/2020, 14/5/2020, 14/7/2020, 26/9/2020 and 1/1/2021 respectively before the Hon'ble Tribunal.
3. The Hon'ble Tribunal, while considering the reports filed on behalf of the Joint Committee, was pleased to pass an order dated 1/10/2020 and the relevant part of the order is reproduced herein below:

“Serious steps are required to be taken for upholding the rule of law and protection of environment and public health. Let further meaningful action be taken and a compliance report filed before the next date. In the context of directions to shift rolling mills from coal to PNG, we direct the State PCB to

ensure that if, such shifting does not take place, the non-compliant units be closed till compliance. This should apply not only to rolling mills but also to other similarly placed industries operating on coal. Wherever there is noncompliance, the State PCB may take coercive measures, including closure, recovery of compensations and initiating prosecution, following due process of law.

Further, Punjab State PCB may complete the study on assessment of carrying capacity of the region as per the schedule and prepare an action plan for improvement of environment. There has to be proper management of hazardous waste generated by the industries, providing raw material in the form of scrap, for further processing. The entire mechanism should have proper manifest system. As per information provided by CPCB in OA No. 1038/2018, News item published in "The Asian Age" Authored by Sanjay Kaw Titled "CPCB to rank industrial units on pollution levels", order dated 10.07.2019, the Comprehensive Environmental Pollution Index (CEPI) with respect to air is 23.7 at Gobindgarh which does not appear to be correct in view of pollution level, as shown by the report. CPCB may re-verify this index considering entire industrial development in the region and rectify its index.

Import of hazardous waste needs to be strictly regulated as per laws, to avoid import of such waste illegally.

Illegal dismantling units may be closed and only authorized and complying units be allowed to operate.

Non-recyclable waste be disposed properly.

Ground water extraction may be regulated in accordance with order passed by this Tribunal on 20.07.2020 in OA No. 176/2015 Shailesh Singh v. Hotel Holiday Regency, Moradabad & Ors. “

4. That in compliance to the orders dated 1/10/2020 of the Hon'ble Tribunal, PPCB has carried out inspections and has taken action to control air pollution in the area of Mandi Gobindgarh for the period from 21/12/2020 to 22/2/2021 in accordance with the mandate of the directions of the Hon'ble Tribunal. The actions taken by the Board are summarized herein below:

a) CONVERSION OF INDUSTRIES FROM COAL TO PNG

239 number of industries operating in Mandi Gobindgarh area are using coal as fuel in their furnaces. Presently, 34 number of industries have successfully converted their re-heating furnace from coal to PNG and in addition to this 123 number of more industries have made agreement with PNG provider and are in the process of shifting from coal to PNG. The status report of all the industries with regard to PNG status is attached herewith as **Annexure 1**.

It is relevant to mention here that the Board has issued show cause notices for cancellation of consent under the Air (Prevention & Control of Pollution) Act, 1981 to all the industries, who have failed to shift their units from coal to PNG upto 31/12/2020.

It is further relevant to mention here that the Board had issued notice to issue directions u/s 31-A of the Air (Prevention and Control of Pollution) Act, 1981 to 31 number of units who have failed to obtain valid consent of the Board and have also not converted their units from coal to PNG.

It is pertinent to mention here that Punjab Pollution Control Board is sincerely making continuous and earnest efforts to shift the industries to PNG. Various meetings have been taken with All India Steel Re-Roller

Association (AISRA) and AISRA has requested the Board to extend the timeline upto 30/6/2021 as shifting of industries from coal to PNG involves high financial cost of Rs. 25-30 lacs per unit and it also take about 3 months' time to switch to PNG by making necessary modifications in the existing industries.

To facilitate AISRA, a meeting was arranged by the Board on 10/2/2021 with the members of All India Steel Re-Rolling Association (AISRA) and representatives of M/s IRM Energy Pvt. Ltd. to resolve some issues regarding the clauses of the agreement made between industries and the gas provider agency. During the meeting, the issues regarding the clauses of the agreement and gas price mechanism were got resolved.

b) THE STUDY ON ASSESSMENT OF CARRYING CAPACITY

IIT, Delhi through its Centre of the Consultant In-charge (CO-CI) has been engaged by the Board to calculate carrying capacity of all the nine non-attainment cities in the State of Punjab including Mandi Gobindgarh (copy of MOU signed is enclosed as **Annexure-1-A**). The data required for calculating carrying capacity of Mandi Gobindgarh has already been provided to the expert members and the Board is continuously requesting IIT, Delhi to submit source apportionment study and calculate carrying capacity of all the nine non-attainment cities. IIT, Delhi has requested the Board that the study will further take 3-4 months' time and report shall be submitted on or before **30/6/2021**. After the receipt of the report of the said study from IIT, Delhi, an action plan will be prepared based on the recommendations of the report for the improvement of environment in all the non-attainment cities of the State of Punjab including Mandi Gobindgarh.

c) IMPORT OF HAZARDOUS WASTE

Import of hazardous waste is regulated as per law and a mechanism is already in place to grant authorization for import of Other waste (scrap) after duly scrutinizing the documents and the inspection of the site in question at the level of Regional Offices of the Board. Non-recyclable hazardous waste is being scientifically disposed off at a designated place namely TSDF, Nimbua, Dera Bassi, District SAS Nagar, Punjab. The APCD dust of Induction furnace units is being recycled by M/s Madhav Alloys Recycling unit at Amloh, Distt. Fatehgarh Sahib for the recovery of zinc and the residue is used for landfilling purpose.

d) NON-RECYCLABLE WASTE

Non-recyclable waste is also being managed as per Hazardous and Other Wastes (Management and Transboundary Movement) Rules, 2016 and is being scientifically disposed of at TSDF, Dera Bassi, SAS Nagar, Punjab as already explained in sub para (c) above.

e) INSPECTION OF UNITS

503 number of units were inspected by PPCB for the period from 1/11/2019 to 20/2/2021, out of which 409 units were found in compliance of various Pollution Control Laws i.e. the Water (Prevention & Control of Pollution) Act, 1974, the Air (Prevention & Control of Pollution) Act, 1981 and the Hazardous and Other Wastes Management Rules, 2016. The list of 409 units is enclosed as **Annexure-2**.

Show cause notices with opportunity of hearing were issued to remaining 94 no. of units. The list of 94 units is enclosed as **Annexure-3**.

Action was taken against the units found with major violations and Environmental compensation amounting to Rs. 29,16,250/- was imposed upon 24 units, out of which Rs. 25,11,250/- was recovered by the Board. The list of 24 units upon which EC was imposed/recovered

for the period from 1/11/2019 to 20/2/2021 is enclosed herewith as **Annexure-4.**

Bank guarantee amounting to Rs. 1.15 crores was also imposed on 17 units. The list of 17 units upon which bank guarantee was imposed is enclosed as **Annexure-4-A.**

Further, Directions for closure u/s 31-A of the Air (Prevention & Control of Pollution) Act, 1981 were also issued to 9 number of units and a list of the same is attached as **Annexure-5.**

f) BURNING OF SCRAP

In order to contain the cause of air pollution arising from the burning of scrap, the Board vide Office Order no. 475 dated 21/8/2020 has cancelled all the one time authorizations granted before 31/1/2019 for import of iron and steel scrap and amended the procedure for obtaining one-time authorization under rule-13 to import other wastes as listed in Part-D of Schedule-III of the Hazardous and Other Wastes (Management, Handling and Transboundary Movement) Rules, 2016, on behalf of actual users. Copy of Office Order is enclosed as **Annexure-6.**

As of now, no burning activity of scrap is carried out in the area of Mandi Gobindgarh as verified during various inspections carried out by the Board officers in the odd hours. No complaint is being received in the office of the Board at Mandi Gobindgarh with regard to burning activity.

g) GENERATION OF ROAD DUST

Apart from the industrial pollution, the cause of generation of road dust due to heavy vehicular movement was also considered and in order to control the same, interlocking tiles have been provided on the entry / exit points of the industries / vehicular movement area and entry, exit points of weigh bridges as per directions issued by Punjab Pollution Control Board. Municipal Council, Mandi Gobindgarh has also been directed to

repair the major and slip roads, so as to minimize the cause of dust emissions.

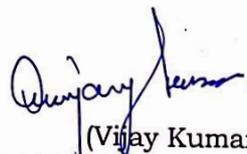

h) EXTRACTION OF GROUND WATER

In order to regulate the extraction of ground water, the Board is imposing a condition in consent letters issued to the industries with the advisory to obtain necessary clearance for abstraction of ground water from the Punjab Water Regulation and Development Authority (PWRDA).

Prayer:

Action taken report is being submitted in compliance to orders dated 1/10/2020 of this Hon'ble Tribunal. It is pertinent to mention here that CPCB vide its email dated 15/07/2020 had sent a list of only 32 no. of industries in which major violation were observed during the joint inspection carried out in Mandi Gobindgarh and the Board has already taken action against these units as per the provisions of the pollution control Laws/ Rules. Now, a new list of 154 industries has been shared by Central Pollution Control Board on the basis of visits to various industries in Mandi Gobindgarh and forwarded to the Punjab Pollution Control Board through e-mail dated 26.2.2021 only. The said report is being examined by PPCB for taking action as per the observations / recommendations mentioned therein and it will take some time to file a conclusive action taken report in this regard.

It is, therefore, prayed 3 months time may kindly be given to the PPCB to submit conclusive action taken report before the Hon'ble Tribunal.

(Vijay Kumar)
Environmental Engineer, PPCB,
Regional Office, Fatehgarh Sahib

STANDARD TERMS AND CONDITIONS OF CONTRACT FOR CONSULTANCY

Title of the Consultancy Job :

Particulate matter carrying capacity of 9 non-attainment cities in Punjab

Name & Address of the Client :

Punjab Pollution Control Board, Vatavaran Bhawan, Nabha Road, Patiala

Name and Dept./Centre of the Consultant Incharge :

Sri Harsha Kota (CI), Department of Civil Engineering, A.K.Nema (Co-CI), Department of Civil

Engineering, Mukesh Khare (Co-CI), Department of Civil Engineering, IIT Delhi

The Institute through the CI/Co-CI will plan the Project in consultation with the Client. These terms and conditions govern projects for the development of products, processes, field studies, model studies, calculations, economic and technical consulting and other forms of project of specific interest to the client. The conditions are binding unless otherwise agreed upon in a separate signed document.

- 1. DECLARATION:** All work undertaken by the Consultant Incharge (CI)/Co-Consultant Incharge (Co-CI) at IIT Delhi as part of the project will be in good faith and based on material/data/other relevant information given by the client requesting for the work.
- 2. RESPONSIBILITY/LIABILITY :** The Institute through CI/Co-CI undertakes to carry out the project as conscientiously as conditions allow, but accepts no economic responsibility whatsoever, should the work not lead to expected results. IIT Delhi shall not be held liable for any loss, damage, delay or failure of performance, resulting directly or indirectly from any cause, which is beyond its reasonable control (Force Majeure). The liability of IIT Delhi shall be limited to the funds received for the project.
- 3. DISCRETION :** The Institute through CI/Co-CI undertakes to handle with discretion reports, results, the identity of the Client and all material specifically treated/marked confidential which the client places at the disposal of the CI/Co-CI in connection with the project at IIT Delhi, subject to Right to Information rules/regulations.
- 4. SUB-CONTRACTING :** The Institute reserves the right to allow any work in connection with the project, experimental or otherwise, to be carried out by a third party as per Institute norms and procedures, provided this does not result in the danger of information of a confidential nature coming into the hands of unauthorized persons.
- 5. RESULT OF THE PROJECT:** The results of all work done at the Institute by the CI/Co-CI in connection with the project, incorporated in written reports shall remain the property of the Client. Results arrived at with little or no involvement on the part of the Client are available free of charge for the Client's own use. However, the CI/Co-CI/Institute reserves the right to use such results in connection with activities outside the scope of the project. If the Client consists of several individuals, all questions of Client, rights between the Clients must be settled between such individuals, and are of no concern to the CI/Co-CI/Institute. Unless otherwise agreed, all reports are to be sent to the Client. The CI/Co-CI/Institute has the right to retain a copy.

Name & Signature of Client

Member Secretary
Punjab Pollution Control Board

6. **INTELLECTUAL PROPERTY RIGHTS** : All rights pertaining to any intellectual property generated/ created/ invented in the due course of the project, will be the joint property of IIT Delhi and the Client. Terms and conditions regarding transferring/assigning/selling these rights to the Client shall be governed by a separate written agreement if required.
7. **PUBLISHING THE RESULTS/OUTCOME OF THE CONSULTANCY** : The results/outcome of the consultancy shall not be exploited by the Client organization for its business interests by using IIT Delhi's name/logo through press advertisement/publicity material or in any other manner. Manuscripts of academic papers, brochures, advertisements or other form of published material which refer to or quote the proprietary results of the project shall be vetted by both parties before publication.
8. **COMMUNICATION OF RESULTS TO A THIRD PARTY** : The CI/Co-CI may not, without the written agreement of the Client, communicate the results of the project to a third party. The Client shall arrange the necessary written agreement of all parties on the Client's side who may have publication rights with respect to the project.
9. **PROJECTS FOR OTHER CLIENTS** : The Institute may undertake other projects in the same field provided – to the best of its knowledge and belief – there exists no danger of information of a confidential nature coming into hands of a third party.
10. **APPARATUS** : Instruments and/or equipment obtained in connection with the project and charged to the client remain the property of IIT Delhi, unless otherwise it is specifically agreed to by the Institute.
11. **TERMINATION OF THE PROJECT** : The Client has a right to terminate the project at any time, but shall be liable for all reasonable expenses incurred in connection with halting work already in progress according to the agreed work programme. The decision of IIT Delhi shall be final as far as reasonableness of the expenses is concerned. The Institute has also the right to terminate the project at any time except where otherwise agreed upon. The Client in this case will not be liable for any expenses incurred after the termination.
12. **PAYMENT** : The payment of consultation charges to IIT Delhi are to be made as per the agreement i.e *40% of the total amount (40 Lakh) will be given* for the project to be initialized in IIT Delhi, *40% of the total amount will be transferred after submission of interim report and final 20% of the total amount will be transferred after submission of final report* of all the Nine Non-Attainment Cities. The applicable taxes as prescribed by the Government of India or the Government of Delhi (or any other statutory body) from time to time will be paid extra.
13. **DISPUTES** : In the event of any dispute or difference between the parties hereto, such dispute or differences shall be resolved amicably by mutual consultation. If such resolution is not possible, then the unresolved dispute or difference shall be referred to a sole arbitrator to be nominated by the Director of the Institute for a reasoned Award. The seat of arbitration shall be within the campus of IIT Delhi and the language of arbitration shall be English. The Award of the arbitrator shall be binding on the parties to the dispute.
14. **DISCLAIMER** : The report on the consultancy project is the technical opinion of the CI/Co-CI based on his/their expertise in the particular area of research and in no way reflects the view(s) of IIT Delhi. IIT Delhi is not responsible for the accuracy or completeness of the report and the role of the Institute is limited to providing administrative support to the project.
15. **Goods and Services Tax** : As per GST Act 2017, the Goods and Services Tax will be levied on total consultancy charges and this amount is to be borne by the Client (The applicable GST is @ 18% w.e.f. 01.07.2017).

Dated: 21-8-20

OFFICE ORDER

Annexure - 6

The Government of India, Ministry of Environment and Forests (MoEF & CC) vide notification dated 04.04.2016 notified the Hazardous and Other Wastes (Management and Transboundary Movement) Rules, 2016. Under the provisions laid down under Rule 13, the importer, who is a trader, importing other wastes listed in Part-D of Schedule -III, on behalf of actual user(s), shall have to obtain onetime authorization from the State Pollution Control Board.

Considering the frequent complaints received due to establishment of godowns for storage of scrap in residential areas, adopting procedures being followed by MoEF&CC while granting such authorizations for import and in line with the State Govt. policies of ease of doing business, the Board in its 184th meeting held on 22.07.2020 has decided to revise the procedure and documentations for obtaining one-time authorization from the Board under Rule 13 by a trader, who intend to import other wastes listed in Part-D of Schedule -III, on behalf of actual user(s) as under:

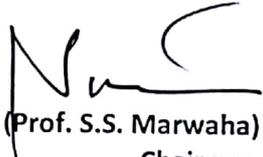

1. One-time authorization shall be granted for a specified quantity of waste (e.g. 500 MT) and not in terms of per month (e.g. 500 TPM). As & when this specified quantity of waste is imported then the onetime authorization shall come to an end.
2. The validity for this onetime authorization shall be for a period of 18 months or till the specified quantity of waste for which authorization granted is imported, whichever is earlier.
3. All one time authorizations earlier granted before 31.01.2019 shall deemed to have been cancelled. Authorization granted after 31.01.2019 shall be considered as expired after the completion of 18 months from the date of issue of such authorization. A public notice in this regard shall be given in the leading newspapers and the Customs Authorities shall also be apprised accordingly.
4. In case of failure to comply with the conditions of the authorization, the Board may suspend or cancel such authorization after affording an opportunity of hearing to the holder of the authorization and after recording the reasons thereof.
5. To avoid the multiple fee structure, revised processing fee suitable to the new procedure shall be as under:
 - a) Rs. 50 per Metric Ton (MT) with minimum fee of Rs. 2500/-.
 - b) Payable to concerned Environment Engineer of the Regional Office in whose jurisdiction, the godown is located.
 - c) In case of resubmission of application on account of refusal / cancellation / change of actual user, the trader has to deposit fresh processing fee.
 - d) In case of returning of application due to incompletions, no additional fee will be charged.

6. The trader shall have to obtain suitability certificate of the area for allowing the establishment of their godown (s) for storing scrap / waste from the following concerned authorities:
 - a) Concerned Municipal Authority: In case the godown is located within the Municipal Limits.
 - b) Concerned District Town Planner: In case the godown is located outside the Municipal Limits.
7. The revised documentation for obtaining onetime authorization by the trader on the behalf of actual user(s) as required under Part-D of Schedule-III of Hazardous and other waste (Management and Transboundary) Rules, 2016 is placed as per **Annexure-A**.
8. The format for issuance of one-time authorization is placed as **Annexure-B**.

Further, in order to facilitate the traders, concerned Environmental Engineer of the Regional Office shall be the competent officer to grant / cancel this one-time authorization for import under Hazardous and other Waste (Management & Transboundary Movement) Rules, 2016.

This order issues in the supersession of all the earlier office orders issued in the matter of grant of one-time authorization.

This order will come into force with immediate effect.

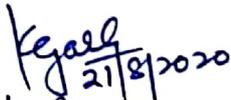

(Prof. S.S. Marwaha)
Chairman
