

**BEFORE THE HON'BLE NATIONAL GREEN TRIBUNAL
474**

O.A. No. 317 OF 2023

In the matter of:

Kapil Dev & Anr

.....Applicant

V/S

State of Punjab & Ors.

.....Respondent

**Reply/Action taken Report in the form of affidavit by
Jitendra Jorwal IAS, Deputy Commissioner,
Ludhiana**

It is most respectfully showeth:

1. That, the matter as contained in O.A. No. 317 of 2023 titled as Kapil Dev & Anr. V/S State of Punjab is listed before this Hon'ble Tribunal on 09.12.2024.
2. That, the undersigned is posted as District Magistrate, Ludhiana and is thus filing the reply as directed by this Hon'ble Tribunal.

3. That the Hon'ble NGT has in the last orders issued in OA 317 of 2023 held that:

475

"4. Learned Counsel appearing for Respondents No. 2 and 4 seeks time to file response to the objection within four weeks.

5. It will be open to all other respondents to file the response to the objection, if any, within the same period by way of affidavit.

6. Since the conflicting material has come on record, therefore, we deem it proper to appoint Mr. Bhanwar Pal Singh Jadon, Advocate as the Court Commissioner, who will visit the site, ascertain the correct position and will submit a report atleast one week before the next date of hearing by e-mail at judicial-ngt@gov.in preferably in the form of searchable PDF/OCR Support PDF and not in the form of Image PDF. A sum of Rs. 25,000/- plus actual expenses of visit and stay of the Court Commissioner will be borne by Respondent - PPCB.

7. Let a copy of this order be forwarded to Mr. Bhanwar Pal Singh Jadon, Advocate, the Court Commissioner by e-mail for compliance.

8. List on 09.12.2024."

4. That, with regard to the objections filed by the applicant, it is respectfully submitted:

1. That in compliance to the orders of Hon'ble National Green Tribunal, New Delhi that the Compiled report has been received from Environmental Engineer, Punjab Pollution

control board, Ludhiana vide letter no. 1900 dated 04-12-2024
476
in the performa desired by Hon'ble NGT vide order dated
14.08.2024 is enclosed herewith as **Annexure-A**.

2. The undersigned has followed the instruction passed earlier by Hon'ble National Green Tribunal. That in the view of the compliance of factual report is submitted made herein above, with request to Original Application No 317 of 2023 may be disposed-off with appropriate orders. Any instructions passed by the Hon'ble Tribunal shall be complied in letter and spirit.

It is, therefore, prayed that the Original Application No 317 of 2023 may kindly be disposed off with appropriate orders.

Sr. No	Particular s	Objection by applicant	Reply to be submit by concerned department
1	Near Village Gill on both sides of Road	The Joint Committee has submitted false report as no work has been started at the impugned location and garbage in huge quantity is laying at the location. Further, garbage is found to be buried at site too. Eight photographs clicked on 25- 06-2024 & 28-07-2024 depicting the wrong information submitted by the	It is incorrect to say that false report was submitted by the Department, because the work was started on the site on 03.05.2024 and was stopped by the residents of village Gill. The same was reported vide BDPO Ludhiana-1 Office letter no. 1239 dated 03.07.2024. It is further submitted that as per revenue record this land is entered as Gair Mumkin pond and the Hon'ble Court Commissioner NGT New Delhi while on visit at the site on 08-10-2024 had verbally directed for

		<p>DC, Ludhiana are produced herewith as Annexure PO-11.</p> <p style="text-align: center;">477</p>	<p>constructing pond at the above said site as it is reserved for pond as per revenue record. But it is humbly submitted that according to Gram Panchayat there is no need to construct a new pond at the above site as there is no disposal of Sullage water in this land. Apart from this it is also requested that 1 Bigha, 16 Biswa, 18 Biswasian land out of the above said land has been acquired by GLADA for the construction of Missing Link/2/part C Malerkotla road to Sidhwan Canal Bypass. Now the Panchayat has decided to engage a person to collect the garbage from the near by houses in Ricksha and would dump the same at the near by dumping site of MC Ludhiana.</p> <p>Reply by DDPO, Ludhiana</p>
2	Block-C, Model Town Extension	<p>The Joint committee is trying again and again to mislead the Hon'ble Tribunal to save MCL by submitting false statement whereas now the garbage is being dumped in large quantity at the Site and even the garbage collectors</p>	<p>The site was a temporary garbage collection point. Now the site is closed permanently, The daily segregated collected waste shifted to Dugri Compactor Site, its fully operational. MC Ludhiana has deployed Corporation Police officials for enforcement and ensuring no waste pickers from informal sector drops</p>

	<p>have 478 started dumping the garbage on road sides outside the impugned location. The entire still contains huge quantity of unsegregated garbage being dumped over it regularly and incident of burning of garbage are very common at this place and now the garbage in huge quantity including demolition waste has spread in around 4 acres of land out of which around ONE Acre land is greenbelt. The petitioner has visited the location many times and even updated the Deputy Commissioner as well as Municipal Commissioner of Ludhiana but both remained silent on the issue. Six Photographs clicked on 12-07-2024 depicting garbage dumped at this Point are produced herewith.</p>	<p>waste at this site now.</p> <p>Reply by MC, Ludhiana</p>

		produced herewith as Annexure PO-13.	
8	On Main G.T. Road opp. Wholesale vegetable market	The Joint Committee has submitted false report as Garbage is still being dumped daily at this location which is now has further spread in around MORE THAN ONE ACRE of land. Two Photographs clicked on 24-07-2024 are produced herewith as Annexure PO-14.	At this site civil work is completed. The Machinery also installed. But due to electrical Transformer issue it is not operational yet. In the meanwhile daily cleaning of this secondary point is being done. Reply by MC, Ludhiana
9	Suffian Chowk (Mistakenly mentioned as Suffian Chowk but the second photograph of Annexure-3 of Original Application pertains to Saidan Chowk and garbage being dumped daily here	The location has been cleaned and garbage is being dumped here.	The site was a temporary garbage collection point. Now the site is closed, and the daily collected waste designated for this Site has been shifted to nearby Cheema Chowk Compactor Site and now its fully operational. Reply by MC, Ludhiana

10	Near Budha Nallah, Bajwa Nagar	The 482 Joint Committee has submitted false report as Garbage is still being dumped daily at this location. Two Photographs clicked on 22-05-2024 & 30-06-2024 respectively are produced herewith as Annexure PO-15.	Bajwa Nagar Portable Compactor site is operational, and we ensure segregation at source and segregated waste transported to dumpsite. Reply by MC, Ludhiana
11	On 200' bypass near railway lines	The Joint Committee has submitted wrong reply as the garbage is dumped regularly at this location. Four Photographs clicked 6 not 251 on 19-08-2024 are produced herewith as Annexure PO16.	The site has been cleared again. Garbage is dumped by unknown persons from adjoining nagars and village areas regularly in private plots adjoining 200 ft road which comes on road by wind. Reply by GLADA, Ludhiana
12	Shaheed Bhagat Singh Nagar, Pakhowal Road, Ludhiana	The garbage is being dumped at this location and put on fire on routine basis AND PUT ON FIRE. Two Photographs clicked on 05- 08- 2024 depicting dumping of Garbage and Smoke coming from burning of garbage are produced herewith as Annexure PO17.	It is submitted that the Secondary Collection Point in Shaheed Bhagat Singh Nagar Scheme of Ludhiana Improvement I rust has been closed permanently and the collection of site has been shifted to Portable Compactor Point at Lodhi club road, Ludhiana. But during night time, the informal waste collectors and residents dump waste at SBS nagar old site. But Now the above said site has been cleared from all types of garbage and other waste.

		483	(Photos attached) Reply by Ludhiana Improvement Trust.
13	Near Lakkar Wala Pul (Old Kacheri area)	One of the worst locations of Ludhiana as despite installation of Static Compactor, the garbage is being dumped in open land adjoining to the Static Compactor. Four Photographs clicked 12-07-2024 are produce herewith as Annexure PO-18.	The site is temporary garbage collection point. Now the site is closed permanently, and the daily collected waste designated for this Site has been shifted to Near Pavilion Mall Compactor Site and now its fully operational. Reply by MC, Ludhiana
14	Inner Roads at Bahadur K Road	The Static Compactors have not been installed and garbage can be seen dumped in huge quantity within the Mandi premises as well as at inner roads from Bahadur Ke Road. Further, the garbage is dumped at open plot as detailed at point No. 8 above.	At this site civil work is completed. The Machinery also installed. But due to electrical Transformer issue it is not operational yet. Letter issued to PSPSCL for the same. The Portable Compactor Transfer Station shall be operationalized by 31.12.2024. In the meanwhile daily cleaning of secondary points is being done. Reply by MC, Ludhiana
15	Churpur Road	The GLADA & MCL have deliberately not highlighted that there are large number of colonies which have developed along	During the visit of Hon'ble Court Commissioner dated 09.10.2024 and 10.10.2024, the applicant admitted in front of Hon'ble Court Commissioner that he is satisfied with the current

		<p>Churpur Read ⁴⁸⁴ in active connivance with corrupt officials of GLADA & MCL. However, despite the facts, GLADA as well as MCL, both have kept silent and even the Joint Committee has failed to visit the location and relied upon the reply given by DDPO, Ludhiana. There is no Static Compactor installed near this locality and Garbage can be easily seen dumped in open plots in the locality majorly coming under GLADA. It is pertinent to humbly submit here that GLADA has not procured any vehicles to lift and shift domestic garbage from residential localities coming under it.</p>	<p>progress of concerned departments.</p>
16	<p>Garbage dumped on Bank of Budha Nallah near Bachan Singh Marg</p>	<p>The construction demolition was removed by the department but the heaps of demolition waste as well as garbage is again being dumped here regularly.</p>	<p>The said sites and road does not belong/constructed by GLADA and is owned by Punjab Mandi Board/ PWD, Punjab and the berm area of Buddha Nallah by Irrigation Department, Punjab. It was mentioned that this solid waste is coming from various</p>

485

Nagars/Colonies in and outside Municipal Corporation limit. There are some colonies adjoining Bachan Singh Marg, which are approved by GLADA. It is here forth mentioned that waste water and solid waste management in these colonies is to be maintained by the colonizer/Resident Welfare Association and are liable to follow/obey PPCB Environmental Laws/Rules. The coloniser is required to submit NOC and Consent to Operate from PPCB for waste management before the approval from Competent Authority, GLADA Ludhiana. PPCB regularly monitor these colonies regarding solid and water waste management and if any violation is found, prosecution proceedings is initiated against the coloniser. In many cases during past, PPCB has imposed penalties/recommendation for cancellation of license of the coloniser/colony. So, at the above said point, necessary action is to be taken by Punjab Mandi Board/PWD and Irrigation Department and PPCB.

The reply is submitted as per discussion with

		486	Competent Authority, Chief Administrator, GLADA.
17	At Leisure Valley Block C, BRS Nagar, Ldh	The Organic & other Waste is still being put on fire at this location. One Photograph clicked on 13-08-2024 is produced herewith as Annexure PO-19.	During the visit of Hon'ble Court Commissioner dated 09.10.2024 and 10.10.2024, the applicant admitted in front of Hon'ble Court Commissioner that he is satisfied with the current progress of concerned departments.
18	In and outside two nearby Parks of Block G, near City Centre, SBS Nagar, Ludhiana	Organic Waste is still being put on fire outside this Park i.e. along roadside of site of City Centre.	It is submitted that No such incident has come to our notice. But still judging the seriousness of the issue strict warning and instructions has been issued to the nearby Houses along parks located in G-Block, Shaheed Bhagat Singh nagar, Ludhiana to not burn any organic waste under any circumstances. Reply by Ludhiana Improvement Trust.
19	AT Civil Surgeon Office, Civil Lines Ludhiana	No objection	Department of Solid waste Management staff made visit on 30.04.2024 and guided about management of Bulk Organic waste by the three compost pits method and also about rain water harvesting method. As per instruction given by the Solid Waste Management Staff 200 Sq feet raw space required for making 3 compost pits which is available in the Civil

		487	<p>Surgeon Office Campus area, hence a request letter for Fund making of three compost pits and Rain Water Harvesting system was given to The Director of Health & Family Welfare.</p> <p>Reply by Civil Surgeon, Ludhiana.</p>
20	Model Town near Barista Chowk	No further incident of fire to organic waste	<p>MCL has been conducting awareness drives in this area to aware the citizens and also doing the regular monitoring to ensure the prevention to fire incident.</p> <p>Reply by MC, Ludhiana</p>
21	Near MGM School, dugri	The Sweepers of contractor engaged by MCL are still burning the garbage at site. Two Photograph clicked on 04-08- 2024 is produced herewith as Annexure PO-20	<p>MCL has been conducting awareness drives in this area to aware the citizens and doing the regular monitoring to ensure the prevention to fire incident. MCL instructed to all employee for ensure no burning of waste.</p> <p>Reply by MC, Ludhiana</p>
22	Fire to organic waste in Park Opp. Jain Mandir, 200' Road	GLADA has not provided any provision to decompose the organic waste in scientific manner. The incident of burning of organic waste can only be stopped when the waste is handled	<p>The points mentioned in the case 317 of 2023 were clear and no solid waste was found on those 04 sites. The applicant (Kapil Dev), took the Hon'ble Court Commissioner and the team to another point adjoining 200' road near Phullanwal Chowk. As per the layout plan of Urban Estate Dugri</p>

		properly from time to time. 488	<p>and 200' wide road, this site is reserved for Public Building. At this site solid waste/garbage was present. It is specifically mentioned here that the GLADA Urban Estates Dugri Phase- I, II and III which falls along the 200' wide road has been handed over to Municipal Corporation, Ludhiana, So, the solid waste management in these areas/UE's is managed by Municipal Corporation Ludhiana. The village Phullanwal and its surrounding private colonies/nagars are throwing their garbage at odd hours at this site reserved for Public Building. Thus, it is mentioned that the solid waste found on this reserved site is not from GLADA's Urban Estates and 200' wide road and is dumped by unknown persons illegally. It is mentioned here that GLADA will construct boundary wall around this reserve site for Public Building to curb this illegal dumping of solid waste.</p> <p>Reply by GLADA.</p>
23	DC Office, Ludhiana	The Applicant No. 1 himself informed the District Magistrate regarding the incidents of burning	It is submitted that the waste collected by the agency for maintenance is primarily dry waste (paper and leaves). No incidents of

		<p>of Organic Waste within DC Office premises on 15-03-2023 & news pertaining to same was published by One leading newspaper Dainik Savera on 16-03-2023 but in the report, the Joint committee has submitted that no incident of putting organic waste has been notice in DAC Complex. One Photograph & news published by Dainik Savera depicting burning of Organic Waste at DAC has been produced herewith as Annexure PO8 by the Petitioners</p>	<p>incineration of organic waste have been reported in the DAC complex. After the garbage is lifted by the DAC complex with the support of the Municipal Corporation, it will be disposed of in a scientific manner. Furthermore, the guidelines issued by the honorable NGT are being adhered to, and the actions taken in this regard are attached along with photographs.</p> <p>Reply by Office of Deputy Commissioner, Ludhiana (Nazar Brach)</p>

Dated 4/12/2024

To

The Deputy Commissioner,
Ludhiana.

Sub: Reply in the matter of OA no. 317 of 2023 of National Green Tribunal (NGT).

Ref: Your office letter no. 28573 dated 03.12.2024.

In reference to subject cited matter, it is intimated that the reply of said case was filed before the Hon'ble NGT, which was considered by the court. The applicant filed certain objections to the reply submitted by the Joint Committee. The Hon'ble NGT vide its order dated 29.08.2024 appointed Court Commissioner to visit the 27 sites, to ascertain the correct position and to submit report atleast 1 week before the next date of hearing.

Accordingly, the Court Commissioner, applicant along with Joint Committee visited all the 27 sites on 09.10.2024 and 10.10.2024. In response to the objections raised by applicant, all stake holder departments submitted their individual reply which has been compiled by Punjab Pollution Control Board. The compiled reply has been placed on record and attached here with as **Annexure-I** for further information and necessary action, please.

Garbage is dumped by unknown persons from adjoining nagars and village areas regularly in private plots adjoining 200 ft road which comes on road by wind. Reply by GLADA, Ludhiana
12	Shaheed Bhagat Singh Nagar, Pakhowal Road, Ludhiana	The garbage is being dumped at this location and put on fire on routine basis AND PUT ON FIRE. Two Photographs clicked on 05-08-2024 depicting dumping of Garbage and Smoke coming from burning of garbage are produced herewith as Annexure PO17.	It is submitted that the Secondary Collection Point in Shaheed Bhagat Singh Nagar Scheme of Ludhiana Improvement Trust has been closed permanently and the collection of site has been shifted to Portable Compactor Point at Lodhi club road, Ludhiana. But during night time, the informal waste collectors and residents dump waste at SBS nagar old site. But Now the above said site has been cleared from all types of garbage and other waste. (Photos attached) Reply by Ludhiana Improvement Trust.
13	Near Lakkar Wala Pul (Old Kacheri area)	One of the worst locations of Ludhiana as despite installation of Static Compactor, the garbage is being dumped in open land adjoining to the Static Compactor. Four Photographs clicked 12-07-2024 are produce herewith as Annexure PO-18.	The site is temporary garbage collection point. Now the site is closed permanently, and the daily collected waste designated for this Site has been shifted to Near Pavilion Mall Compactor Site and now its fully operational. Reply by MC, Ludhiana

14	Inner Roads at Bahadur K Road	<p style="text-align: center;">500</p> <p>The Static Compactors have not been installed and garbage can be seen dumped in huge quantity within the Mandi premises as well as at inner roads from Bahadur Ke Road. Further, the garbage is dumped at open plot as detailed at point No. 8 above.</p>	<p>At this site civil work is completed. The Machinery also installed. But due to electrical Transformer issue it is not operational yet. Letter issued to PSPSCL for the same. The Portable Compactor Transfer Station shall be operationalized by 31.12.2024. In the meanwhile daily cleaning of secondary points is being done.</p> <p style="text-align: right;">Reply by MC, Ludhiana</p>
15	Churpur Road	<p>The GLADA & MCL have deliberately not highlighted that there are large number of colonies which have developed along Churpur Road in active connivance with corrupt officials of GLADA & MCL. However, despite the facts, GLADA as well as MCL, both have kept silent and even the Joint Committee has failed to visit the location and relied upon the reply given by DDPO, Ludhiana. There is no Static Compactor installed near this locality and Garbage can be easily seen dumped in open plots in the locality majorly coming under GLADA. It is pertinent to humbly submit here that GLADA has not procured any</p>	<p>During the visit of Hon'ble Court Commissioner dated 09.10.2024 and 10.10.2024, the applicant admitted in front of Hon'ble Court Commissioner that he is satisfied with the current progress of concerned departments.</p>

		vehicles to lift and shift domestic garbage from residential localities coming under it.	
16	Garbage dumped on Bank of Budha Nallah near Bachan Singh Marg	The construction demolition was removed by the department but the heaps of demolition waste as well as garbage is again being dumped here regularly.	The said sites and road does not belong/constructed by GLADA and is owned by Punjab Mandi Board/ PWD, Punjab and the berm area of Buddha Nallah by Irrigation Department, Punjab. It was mentioned that this solid waste is coming from various Nagars/Colonies in and outside Municipal Corporation limit. There are some colonies adjoining Bachan Singh Marg, which are approved by GLADA. It is here forth mentioned that waste water and solid waste management in these colonies is to be maintained by the colonizer/Resident Welfare Association and are liable to follow/obey PPCB Environmental Laws/Rules. The coloniser is required to submit NOC and Consent to Operate from PPCB for waste management before the approval from Competent Authority, GLADA Ludhiana. PPCB regularly monitor these colonies regarding solid and water waste management and if any violation is found, prosecution proceedings is initiated against the coloniser. In many cases during past, PPCB has imposed penalties/recommendation

			<p>for cancellation of license of the coloniser/colony. So, at the above said point, necessary action is to be taken by Punjab Mandi Board/PWD and Irrigation Department and PPCB.</p> <p>The reply is submitted as per discussion with Competent Authority, Chief Administrator, GLADA.</p>
17	At Leisure Valley Block C, BRS Nagar, Ldh	The Organic & other Waste is still being put on fire at this location. One Photograph clicked on 13-08-2024 is produced herewith as Annexure PO-19.	During the visit of Hon'ble Court Commissioner dated 09.10.2024 and 10.10.2024, the applicant admitted in front of Hon'ble Court Commissioner that he is satisfied with the current progress of concerned departments.
18	In and outside two nearby Parks of Block G, near City Centre, SBS Nagar, Ludhiana	Organic Waste is still being put on fire outside this Park i.e. along roadside of site of City Centre.	<p>It is submitted that No such incident has come to our notice. But still judging the seriousness of the issue strict warning and instructions has been issued to the nearby Houses along parks located in G-Block, Shaheed Bhagat Singh nagar, Ludhiana to not burn any organic waste under any circumstances.</p> <p>Reply by Ludhiana Improvement Trust.</p>
19	AT Civil Surgeon Office, Civil Lines Ludhiana	No objection	Department of Solid waste Management staff made visit on 30.04.2024 and guided about management of Bulk Organic waste by the three compost pits method and also about rain water harvesting method. As per

			<p>instruction given by the Solid Waste Management Staff 200 Sq feet raw space required for making 3 compost pits which is available in the Civil Surgeon Office Campus area, hence a request letter for Fund making of three compost pits and Rain Water Harvesting system was given to The Director of Health & Family Welfare.</p> <p>Reply by Civil Surgeon, Ludhiana.</p>
20	Model Town near Barista Chowk	No further incident of fire to organic waste	<p>MCL has been conducting awareness drives in this area to aware the citizens and also doing the regular monitoring to ensure the prevention to fire incident.</p> <p>Reply by MC, Ludhiana</p>
21	Near MGM School, dugri	The Sweepers of contractor engaged by MCL are still burning the garbage at site. Two Photograph clicked on 04-08-2024 is produced herewith as Annexure PO-20	<p>MCL has been conducting awareness drives in this area to aware the citizens and doing the regular monitoring to ensure the prevention to fire incident.</p> <p>MCL instructed to all employee to ensure no burning of waste.</p> <p>Reply by MC, Ludhiana</p>
22	Fire to organic waste in Park Opp. Jain Mandir, 200' Road	GLADA has not provided any provision to decompose the organic waste in scientific manner. The incident of burning of organic waste can only be stopped when the waste is handled	<p>The points mentioned in the case 317 of 2023 were clear and no solid waste was found on those 04 sites. The applicant (Kapil Dev), took the Hon'ble Court Commissioner and the team to another point adjoining 200' road near Phullanwal</p>

		properly from time to time.	<p>Chowk. As per the layout plan of Urban Estate Dugri and 200' wide road, this site is reserved for Public Building. At this site solid waste/garbage was present. It is specifically mentioned here that the GLADA Urban Estates Dugri Phase- I, II and III which falls along the 200' wide road has been handed over to Municipal Corporation, Ludhiana, So, the solid waste management in these areas/UE's is managed by Municipal Corporation Ludhiana. The village Phullanwal and its surrounding private colonies/nagars are throwing their garbage at odd hours at this site reserved for Public Building. Thus, it is mentioned that the solid waste found on this reserved site is not from GLADA's Urban Estates and 200' wide road and is dumped by unknown persons illegally. It is mentioned here that GLADA will construct boundary wall around this reserve site for Public Building to curb this illegal dumping of solid waste.</p> <p>Reply by GLADA.</p>
23	DC Office, Ludhiana	The Applicant No. 1 himself informed the District Magistrate regarding the incidents of burning of Organic Waste within DC Office premises on	It is submitted that the waste collected by the agency for maintenance is primarily dry waste (paper and leaves). No incidents of incineration of organic waste have been reported in the

		15-03-2023 & news pertaining to same was published by One leading newspaper Dainik Savera on 16-03-2023 but in the report, the Joint committee has submitted that no incident of putting organic waste has been notice in DAC Complex. One Photograph & news published by Dainik Savera depicting burning of Organic Waste at DAC has been produced herewith as Annexure POS by the Petitioners	DAC complex. After the garbage is lifted by the DAC complex with the support of the Municipal Corporation, it will be disposed of in a scientific manner. Furthermore, the guidelines issued by the honorable NGT are being adhered to, and the actions taken in this regard are attached along with photographs. Reply by Office of Deputy Commissioner, Ludhiana (Nazar Brach)
24	Chowk Saidan, on Banks of Budha Nallah at Gaushal a Road, outside Shops near Budha Nallah at Bajwa Nagar, Old G.T. Road, on banks of Sidhwan Canal at Gill	The situation at Bajwa Nagar, GT Road is still the same. Further, the Garbage dump from Sidhwan Canal has been shifted and the Garbage is now being dumped in huge quantity at Plot Model Town Extension Road mentioned at Point No. 2 resulting into miserable & unhygienic condition for nearby locality.	Sidhwan canal point is permanently closed. Garbage is shifted to Pratap Chowk and Dugri Portable compactor sites. Both compactor sites are fully operational. Reply by MC, Ludhiana

25	Non utilization of resources	The E-Rickshaws have been engaged for collection of garbage but status of complete fleet is not known.	The Door-to-door collection is being done by Informal waste collectors.MC Ludhiana deployed 350 E-rickshaw for door-to-door collection. In entire city more than 5000 beats ,93 % Door to Door Collection is done by E-rickshaw and other means.The 32 Portable Compactor Transfer Stations are being established throughout the city out of which 27 are already operational. Once all the Transfer Stations will be operational, the waste from whole city shall be transported to these transfer stations and further from these Transfer Stations to Jamalpur Processing Site. The Integrated Solid Waste Management facility for processing of MSW shall be established at Jamalpur for which the Technical Feasibility Report has been prepared and sent to Head Office for approval.

		dumping of Garbage and Smoke coming from burning of garbage are produced herewith as Annexure PO-17 as produced above.	burn the collected waste under any circumstances. Reply by Improvement Trust, Ludhiana.
27	Giaspur a and old primary dump site at Harnbra n Road.	The action of Municipal Corporation is only in papers for bioremediation of legacy waste. No DPR for legacy waste is found to be uploaded on MCL website or published in public domain till date. Around 1200 MT of waste is produced every day and MCL has planned to bio-remediate only 200 MT of garbage daily which means, around 1000 MT of fresh garbage will add to Tajpur Road Primary dump and the old Hambran Road primary dump seems to be not in picture till date. The leaching through garbage dump is causing severe damage to ground water table and unhygienic conditions for surrounding areas due to flies and mosquitos breeding at this location.	At this site civil work is completed. The Machinery will be installed soon and the compactors site operationalized within 2 months. Municipal Corporation Ludhiana floated the tender of Bio remediation of 2.19 Lac for jainpur Dumpsite. Technical Bid Opened Date:- 05-09-2024 Financial Bid Opened:- 12-09-2024 LOA issued to M/s Alliance Waste Management Limited on Dated 15-10-2024. Reply by MC, Ludhiana
