- Sub: -** Protocol for assessing proposals of Development Projects in buffer zone of closed TSDF.
- Ref: -**
1. CPCB Published Criteria for Hazardous Waste Landfills Feb. 2001.
  2. Notification issued by MIDC vide 405 of 2001 dtd. 10.09.2001.
  3. Protocol for assessing proposals of Development Projects in buffer zone of closed TSDF issued by CPCB in Aug. 2021.

Sir,

Central Pollution Control Board (CPCB) has published the Criteria for Hazardous Waste Landfills in India on Feb. 2001, wherein they have briefly given the applicability, location criteria, site selection, planning and design criteria, waste acceptance criteria, landfill liner criteria and cover criteria, construction and operational criteria, inspection-monitoring and record keeping criteria, post closure criteria, financial assurance criteria and contingency plan for emergencies for setting up the Common Hazardous Waste Treatment, Storage and Disposal facility (CHWTSDF).

As per the aforesaid notification, CPCB has clearly given the guidelines for the HW Landfills shall not be located within a certain distance of the lakes, ponds, rivers, wetlands, flood plains, highways, habitation, critical habitat area, water supply wells, Airports, coastal zone, etc. Also, as per the said criteria the Habitation is "at-least 500 m from a notified habitated area". A zone of 500 m around a landfill boundary should be declared a no-development buffer zone after the landfill location is finalized.

Thereafter, Maharashtra Industrial Development Corporation (MIDC) has issued Notification under Section 8 of the Hazardous Waste (Management and Handling) Rules, 1989 and amended thereof, for Survey No. 61 (p) & S. No. 68 to 74 and S. No. 77 and 85 of Chal Village in Tal:- Panvel, Dist:- Raigad for setting up the Common Hazardous Waste Treatment, Storage and Disposal facility (CHWTSDF) vide 10.09.2001.

Now, Central Pollution Control Board (CPCB) has published Protocol for assessing proposals of Development Projects in buffer zone of closed TSDF issued on Aug. 2021.

The copy of Protocol for assessing proposals of Development Projects in buffer zone of closed TSDF issued by CPCB in Aug. 2021 is enclosed herewith for your ready reference and further needful, please.

D.A.:- As above.

**Ref: 1) CPCB Published Criteria for Hazardous Waste Landfill Feb-2001.  
2) Protocol for assessing proposal of Development Projects in buffer zone of Closed TSDF issued in Aug-2021.  
3) CPCB Letter dtd. 07/09/2021.**

Sir,

Central Pollution Control Board (CPCB) has published the Criteria for Hazardous Waste Landfills in India on Feb. 2001, wherein they have briefly given the applicability, location criteria, site selection, planning and design criteria, waste acceptance criteria, landfill liner criteria and cover criteria, construction and operational criteria, inspection-monitoring and record keeping criteria, post closure criteria, financial assurance criteria and contingency plan for emergencies for setting up the **Common Hazardous Waste Treatment, Storage and Disposal facility (CHWTSDF)**.

Now, Central Pollution Control Board (CPCB) has published Protocol for assessing proposals of Development Projects in buffer zone of closed TSDF issued in Aug. 2021. This protocol presented as per Precautionary Principle of Environment Law that advocates safeguards to be adopted in anticipation of damage even in absence of a scientific study.

Copy of Guidelines for Protocol for assessing proposal of Development Projects in buffer zone of Closed TSDF is available on CPCB website at <https://cpcb.nic.in/technical-guidelines/> for your ready refence.

In view of above, all Local Authorities/ Planning Authorities are requested to adhere to the said guidelines for ensuring the protection of Environment and safeguarding the public health while considering the grant of permission to the development projects in the buffer Zone of Closed TSDF.
