O.A NO. 392/2022

IN THE MATTER OF:

PRASOON PANT & ANR. **...APPLICANTS**

VERSUS

UNION OF INDIA & ORS. **...RESPONDENTS**

ADDITIONAL REPLY ON BEHALF OF RESPONDENT NO.9 I.E. GAURSONS PROMOTERS PVT. LTD.

MOST RESPECTFULLY SHOWETH:

1. That the present Original Application has been filed by the Applicants inter-alia alleging illegal abstraction of ground water by the Respondent No.9 herein along with other private builders. That the matter is pending adjudication before this Hon'ble Tribunal and is now listed for hearing on 15.10.2024.

2. That in compliance of the order dated 29.04.2024 passed by this Hon'ble Tribunal, the Respondent No.9 herein had filed its reply to the Original Application filed by the Applicants as well as to the Joint Committee Report dated 07.10.2022. That the said reply was filed by the Respondent No.9 herein on 12.07.2024 (Page 3522-3634 of the court file).

3. That pursuant to the filing of the said reply, the Respondent Uttar Pradesh Pollution Control Board filed a compliance report dated 12.07.2024. The matter was listed for hearing before this Hon'ble Tribunal on 15.07.2024, when in terms of the compliance report dated 12.07.2024 filed by the Respondent Uttar Pradesh Pollution Control Board, the Respondent No.9 herein sought

liberty from this Hon'ble Tribunal to file an additional reply. That therefore, the present additional reply is being filed by the Respondent No.9 herein.

4. That as already stated above, a compliance report dated 12.07.2024 was filed by the Respondent Uttar Pradesh Pollution Control Board. In the said report, the Respondent Uttar Pradesh Pollution Control Board has mentioned as below:

> *"In continuation of above meeting, a meeting of Joint Committee was held on dated 25.06.2024 to determine final compensation against defaulter projects in chairmanship of District Magistrate Gautam Buddha Nagar. In the said meeting, it was unanimously decided that final compensation should be imposed 1% of total project cost as per CPWD guidelines. Minutes of meeting is annexed as Annexure-5.*
>
> *In compliance of Minutes of Meeting issued by District Magistrate, Gautam Buddha Nagar vide letter dated 04.07.2024, GNIDA has imposed final compensation of 1% of project cost against 37 concerned projects out of 41 projects vide letter dated 09.07.2024. Copy of notices are annexed as Annexure-6."*

5. It is imperative to mention herein that, notices dated 09.07.2024 (page 3685-3688 of the court file) were issued by the Greater Noida Industrial Development Authority to the Respondent No.9 herein with respect to its four projects i.e. Gaur City-1, Gaur City-2, Gaur Saundaryam and Gaur City Mall. That vide the said notices, the Greater Noida Industrial Development Authority gave a last opportunity to the Respondent No.9 hereinto provide the details regarding type of water used during construction phase, amount of expenditure incurred on the consumption along with the basis/evidence, within 15 days. That it was also communicated through the said notices that

failure to submit the details would lead to an assumption that only groundwater was used during the construction phase and hence the environment compensation shall be computed as 1% of the project cost i.e. Rs. 122.80 Crores for Gaur City 1, Rs. 473 Crores for Gaur City 2, Rs. 581 Crores for Gaur Saundaryam and Rs. 652 Crores for Gaur City Mall.

6. That the Respondent no.9 herein duly submitted its replies dated 12.07.2024 individually for Gaur City-1, Gaur City-2, Gaur Saundaryam and Gaur City Mall, to the Greater Noida Industrial Development Authority. That vide the said replies submitted by the Respondent No.9 herein individually for the 4 projects, it was specifically submitted that during the construction phase, the project proponent was being regularly supplied water from the STP operated by the Crossing Infrastructure Private Limited, Ghaziabad which was subsequently treated at the Water Treatment Plant (WTP) installed within the project premises and was eventually utilized towards construction requirements. That along with the reply, the Respondent No.9 herein also submitted records evidencing that the project proponent was being regularly supplied water from the STP operated by the Crossing Infrastructure Private Limited, Ghaziabad. Copy of the replies dated 12.07.2024 submitted by the Respondent No.9 herein to the Greater Noida Industrial Development Authority in compliance of the notices dated 09.07.2024 are marked and separately for the four projects i.e. Gaur City-1, Gaur City-2, Gaur Saundaryam and Gaur City Mall as **Annexure-R9/1**, **Annexure-R9/2**, **Annexure-R9/3** and **Annexure-R9/4** respectively.

7. That therefore, it is in the humble submission of the answering Respondent No.9 herein that **the project proponent was being regularly supplied water from the STP operated by the Crossing Infrastructure Private Limited, Ghaziabad which was subsequently treated at the Water Treatment Plant (WTP) installed within the project premises and was eventually utilized towards construction**

requirements. Even at present, the project is having dual plumbing system and STP water further treated at WTP, is being re-cycled for use in flushing and horticulture activities, to save more than about 30% of freshwater requirements. Further, it is submitted that the project proponent has been utilizing the water supplied by the Greater Noida Development Authority (GNIDA) since the year 2014 and with respect to which the project proponent has been making regular payments to GNIDA (Annexure-R/2 of the Reply filed by the Respondent No.9 herein @ page 3556-3558 of the court file).

8. The claim that the wastewater used at the project site (specifically during construction phase) must be sourced from the STPs operated and maintained by the Greater Noida Industrial Development Authority (GNIDA), is unfounded. GNIDA's provision of treated wastewater is merely an option available to developers who lack their own sources of treated wastewater. Given the convenience and economic considerations of the project, the Respondent No.9 herein during construction phase chose to source wastewater treated through the STP installed at neighboring project and further processed via the WTPs as previously mentioned. There were and there are no existing regulations requiring that wastewater must exclusively come from GNIDA's STPs, making such a requirement at this stage neither practical nor justified.

9. It is important to note that a thorough inspection was conducted by officials from the Uttar Pradesh Pollution Control Board (UPPCB), during which they visited the project site. During the visit, the Respondent No.9 herein effectively demonstrated that the wastewater generated and treated by the STPs at the neighboring township developed by Crossings Infrastructure Private Limited, one of the Respondent's group entities, was sourced and further treated through the WTP before being used for construction activities at the project site. All relevant records and details were submitted and verified by the

officials. Following this inspection, the Respondent Uttar Pradesh Pollution Control Board submitted a Supplementary Compliance Report dated 30.06.2023 as per the directions of the Hon'ble National Green Tribunal. This report, along with the final compensation list calculated by the Central Ground Water Board clearly exonerates the Respondent No.9 herein from the alleged violations, as no environmental compensation was assessed against all the four the projects of the answering Respondent No.9 herein (Sr. 21, 22, 23 and 24 @ page 314 of the court file). That therefore the action of the Respondent Uttar Pradesh Pollution Control Board and the Central Ground Water Board in exonerating the Respondent herein from the alleged violations and assessing Environment Compensation as Nil and thereafter the action of the Greater Noida Industrial Development Authority proposing to impose Environment Compensation vide notices dated 09.07.2024 are completely contradictory to each other and are hence bad in law.

10. Hence, in view of the submissions made hereinabove it is in the humble submission of the answering Respondent No.9 herein that the 4 projects namely Gaur City-1, Gaur City-2, Gaur Saundaryam and Gaur Mall are fully compliant. That since water was sourced through the STP installed at neighboring project and further processed via the WTP during the construction phase and thereafter the project proponent has been utilizing the water supplied by the Greater Noida Development Authority (GNIDA) since the year 2014 and no groundwater is being illegally extracted whatsoever, hence no environment compensation is liable to be imposed on the answering Respondent No.9 herein.

In light of the facts and circumstances mentioned herein above, it is prayed that this Hon'ble Tribunal may be graciously pleased to:-

i. Take the present Additional Reply on record;

ii. Pass such other/ further Order(s) as this Hon'ble Tribunal may deem fit and proper in the facts of the present matter in favour of the answering Respondent No.9 herein.

Sub: Clarification/Response to your letter bearing number जल/2024/731 dated 09.07.2024 in connection with the matter of Prasoon Pant & Others versus Union of India and Others having O.A. No- 392 of 2022 filed before the Hon'ble National Green Tribunal, New Delhi

Respected Sir,

We are writing in response to your letter dated 09.07.2024, pertaining to the ongoing proceedings in the matter of Prasoon Pant & Others versus Union of India & Others, O.A. No. 392 of 2022, before the Hon'ble National Green Tribunal, New Delhi concerning the alleged illegal extraction of water by builders operating in Noida.

In compliance with the directions issued by your esteemed office vide your earlier letter dated 05.02.2024, we have, vide our letter dated 27.02.2024, submitted a detailed clarification clearly evidencing our adherence to the regulations governing the usage of waste water treated through the sewage treatment plants (STPs) further treated through water treatment plants (WTPs), for construction activities at our project site, Gaur City, Plot GH-01, Sector-04, Greater Noida West, Gautam Budh Nagar-201318, Uttar Pradesh.

Further, it is pertinent to mention that a thorough inspection was carried out by the officials of the Uttar Pradesh Pollution Control Board (UPPCB) during which the project site was visited by such officials wherein we had sufficiently demonstrated that waste water generated and treated through the STPs installed at the adjacent township developed by Crossings Infrastructure Private Limited, one of our group entities, was sourced and further treated through our WTP before utilizing the same for the construction activities at the project site. In this respect, all the concerned records and details were duly submitted and were verified by such officials. ***Copy of the concerned records is being annexed herewith for your reference evidencing the usage of treated waste water at the project site.***

Pursuant to such inspection a Supplementary Compliance Report was submitted by the Uttar Pradesh Pollution Control Board (UPPCB) as per the directions of the Hon'ble National Green Tribunal, and the list of final compensation as calculated by the UPPCB and submitted vide its letter dated 30.06.2023 bearing reference number 387/NGT-54/2023, which clearly absolves us from the alleged violations as no environment compensation was assessed against the concerned project. ***Copy of the Supplementary Compliance Report along with the assessment of final compensation is being attached herewith for your reference.***

Please note that we had duly clarified and established that only wastewater, collected and treated through STPs, was being used by further treating it in WTP for construction purposes. In support of

GAURS
your own world

our clarification, we have been diligently maintaining the requisite records and the copies of which, as mentioned above, are annexed herewith.

Therefore, it is respectfully submitted that the non-acceptance of our clarification by your esteemed office, based solely on the contention that the wastewater used at our project site was not sourced from the STPs operated and maintained by the Greater Noida Industrial Development Authority (GNIDA), is unjustified as such an arrangement by GNIDA is merely facilitative and is available as an alternative for developers who do not have the sources of treated wastewater and considering the ease of convenience and the economic aspects of the project, we deemed it appropriate to source the waste water which was being generated and treated through the STPs and further treated through the WTPs installed at the adjacent projects as mentioned above. There were no extant regulations mandating that STP water must be sourced exclusively from GNIDA's STPs and therefore enforcing such a requirement at this stage is neither feasible nor reasonable.

It is imperative to note that we along with our group companies collectively constitute a renowned and esteemed real estate conglomerate, widely recognized and respected for our exceptional work and unwavering commitment towards maintaining the highest standards.

We respectfully submit that all our practices have been in strict compliance with the relevant regulations. We have taken due care to ensure that the construction activities are accomplished through the use of treated waste water only.

Discrediting our submissions and clarifications on the sole assertion that the STP water was not sourced from GNIDA would inflict an unjust and severe blow upon us and would constitute a grave miscarriage of justice undermining our hard-earned reputation and subjecting us to unwarranted prejudice and irreparable harm.

Therefore, in view of the aforesaid, we implore your esteemed office to duly reconsider our submissions and to recall the notice issued by your esteemed office.

We remain at your service for any further information or cooperation that may be required.

Regards

Supplementary Compliance Report

In

Original Application No. 392/2022

Prasoon Pant &Anr.

Versus

Union of India &Ors.

Order Date – 15.11.2022

Supplementary Compliance Report In Original Application No. 392/2022 Prasoon Pant & Anr. Versus Union of India & Ors

UPPCB has earlier filed compliance report vide letter dated 15.05.2023 in context of aforesaid case and OA 392/2022 Prasoon Pant & Anr. Versus Union of India & Ors. In continuation to earlier actions, further actions have been undertaken as under:-

1. **Actions taken by UPPCB**

   Out of 63 projects, construction work of 02 projects is closed due to their own reasons since long time. Out of 61 projects, 36 projects have valid CTE/CTO. UPPCB has issued show cause notices under provisions of Water Act and Air Act to the rest 25 defaulting projects at present. Further, prosecution is also proposed against these defaulting units, if they fail to obtain CTO and remained non-compliant.

2. **Actions taken by CGWA**

   CGWA has calculated final compensation as per data provided by UPPCB and Greater Noida Authority pertaining to 41 defaulter projects in compliance of OA no. 392/2022 Prasoon Pant & Anr. Vs Union of India & Ors vide email dated 30.06.2023. UPPCB Noida has sent the proposal of imposition of final compensation as assessed by CGWA to the joint committee vide its letter dated 30.06.2023 for approval of the proposal so that final compensation can be imposed and defaulter units be put to notice regarding it in compliance to Hon'ble NGT order dated 15.11.2022 (Copies attached as **Annexure-1).**

Note * During inspection of joint committee, water meters were not installed on borewells for calculation of total quantum of groundwater abstraction in the projects, due to which it is not possible to calculate the quantum of actual groundwater abstraction. Due to non-availability of data of actual water consumption in the projects, hence fresh water consumption mentioned in the environmental clearance of the projects available on records can be taken as the basis.

* The information regarding the date of installation of borewell in the project is not available and not any evidence has provided by the projects regarding the same. Hence the date of map passed by the Greater Noida Industrial Development Authority can be considered as the basis.

* 06 projects, out of total 41 projects, no information regarding water consumption and borewell installation etc. is available in the records, which are mentioned at serial numbers 6, 7, 28, 29, 35, 39.

Sub: Clarification/Response to your letter bearing number जल/2024/730 dated 09.07.2024 in connection with the matter of Prasoon Pant & Others versus Union of India and Others having O.A. No- 392 of 2022 filed before the Hon'ble National Green Tribunal, New Delhi

Respected Sir,

We are writing in response to your letter dated 09.07.2024, pertaining to the ongoing proceedings in the matter of Prasoon Pant & Others versus Union of India & Others, O.A. No. 392 of 2022, before the Hon'ble National Green Tribunal, New Delhi concerning the alleged illegal extraction of water by builders operating in Noida.

In compliance with the directions issued by your esteemed office vide your earlier letter dated 05.02.2024, we have, vide our letter dated 27.02.2024, submitted a detailed clarification clearly evidencing our adherence to the regulations governing the usage of waste water treated through the sewage treatment plants (STPs) further treated through water treatment plants (WTPs), for construction activities at our project site, Gaur City-2, located in Plot GH-03, Sector 16-C, Greater Noida (W), Uttar Pradesh.

Further, it is pertinent to mention that a thorough inspection was carried out by the officials of the Uttar Pradesh Pollution Control Board (UPPCB) during which the project site was visited by such officials wherein we had sufficiently demonstrated that waste water generated and treated through the STPs installed at the adjacent township developed by Crossings Infrastructure Private Limited, one of our group entities, was sourced and further treated through our WTP before utilizing the same for the construction activities at the project site. In this respect, all the concerned records and details were duly submitted and were verified by such officials. ***Copy of the concerned records is being annexed herewith for your reference evidencing the usage of treated waste water at the project site.***

Pursuant to such inspection a Supplementary Compliance Report was submitted by the Uttar Pradesh Pollution Control Board (UPPCB) as per the directions of the Hon'ble National Green Tribunal, and the list of final compensation as calculated by the UPPCB and submitted vide its letter dated 30.06.2023 bearing reference number 387/NGT-54/2023, which clearly absolves us from the alleged violations as no environment compensation was assessed against the concerned project. ***Copy of the Supplementary Compliance Report along with the assessment of final compensation is being attached herewith for your reference.***

Please note that we had duly clarified and established that only wastewater, collected and treated through STPs, was being used by further treating it in WTP for construction purposes. In support of

GAURS
your own world

our clarification, we have been diligently maintaining the requisite records and the copies of which, as mentioned above, are annexed herewith.

Therefore, it is respectfully submitted that the non-acceptance of our clarification by your esteemed office, based solely on the contention that the wastewater used at our project site was not sourced from the STPs operated and maintained by the Greater Noida Industrial Development Authority (GNIDA), is unjustified as such an arrangement by GNIDA is merely facilitative and is available as an alternative for developers who do not have the sources of treated wastewater and considering the ease of convenience and the economic aspects of the project, we deemed it appropriate to source the waste water which was being generated and treated through the STPs and further treated through the WTPs installed at the adjacent projects as mentioned above. There were no extant regulations mandating that STP water must be sourced exclusively from GNIDA's STPs and therefore enforcing such a requirement at this stage is neither feasible nor reasonable.

It is imperative to note that we along with our group companies collectively constitute a renowned and esteemed real estate conglomerate, widely recognized and respected for our exceptional work and unwavering commitment towards maintaining the highest standards.

We respectfully submit that all our practices have been in strict compliance with the relevant regulations. We have taken due care to ensure that the construction activities are accomplished through the use of treated waste water only.

Discrediting our submissions and clarifications on the sole assertion that the STP water was not sourced from GNIDA would inflict an unjust and severe blow upon us and would constitute a grave miscarriage of justice undermining our hard-earned reputation and subjecting us to unwarranted prejudice and irreparable harm.

Therefore, in view of the aforesaid, we implore your esteemed office to duly reconsider our submissions and to recall the notice issued by your esteemed office.

We remain at your service for any further information or cooperation that may be required.

विषयः मा० राष्ट्रीय हरित अधिकरण, नई दिल्ली में योजित ओ०ए० सं०–392/2022 प्रसून पन्त व अन्य बनाम यूनियन ऑफ इण्डिया व अन्य में पारित आदेश दिनांक 16.11.2022 के अनुपालन के सम्बन्ध में।

संदर्भ :– जल/2024/54, दिनांक–20.01.2024
जल/2024/114, दिनांक–05.02.2024

उपरोक्त संदर्भित पत्र का संदर्भ ग्रहण करने का कष्ट करें, जिसमें अवगत कराया गया था कि कार्यालय अधिशासी अभियन्ता, भूगर्भ जल विभाग, खण्ड–गौतमबुद्ध नगर के कार्यवृत्त पत्रांक–353/भू0ज0वि0 खण्ड–गौतमबुद्धनगर/एनजीटी–ओ0ए0392/2022 दिनांक 16.01.2024 द्वारा ग्रेटर नौएडा विकास प्राधिकरण के लिए निर्देश दिया गया है कि "परियोजनाओं के प्रतिनिधियों से परियोजनाओं द्वारा निर्माण कार्य हेतु प्रयोजित जल का प्रकार एवं खपत की मात्रा एवं अवधि सम्बन्धित जानकारी एवं वांछित आख्या अभिलेख प्राप्त किया जाये, जिससे परियोजना द्वारा निर्माणाधीन चरण तक जल की कुल कितनी मात्रा की खपत की गयी है उसके आधार पर परियोजनाओं के विरूद्ध की Final Compensation की गणना की जा सके।"

उक्त के सम्बन्ध में अवगत कराना है कि आप द्वारा दिनांक 29.02.2024 को पत्र के माध्यम से सूचना उपलब्ध करायी गई है। पत्र के साथ जो साक्ष्य प्रस्तुत किये गये हैं (उसमें जो सीवरेज जल का प्रयोग किया गया है।) यह ग्रेटर नौएडा प्राधिकरण के STP जल से सम्बन्धित नहीं है। अतः मान्य नहीं है।

उक्त के सम्बन्ध में जिलाधिकारी महोदय की अध्यक्षता में गठित संयुक्त समिति की दिनांक 25.06.2024 को हुई बैठक कार्यवृत्त (दिनांक 04.07.2024 को जारी) के अनुसार परियोजना के निर्माण में खपत जल पर होने वाले व्यय की गणना CPWD द्वारा निर्धारित दर (परियोजना की लागत का 1%) के अनुसार परियोजना की लागत अर्थात धनराशि रू0 473.00 करोड (UPPCB द्वारा उपलब्ध कराये गये रिकार्ड के अनुसार) के सापेक्ष 1% धनराशि रू0 4.73 करोड़ पर्यावरणीय क्षतिपूर्ति अधिरोपित किया जाता है। 4.73

अतः उक्त के सम्बन्ध में आपको अन्तिम अवसर देते हुये यह निर्देशित किया जाता है कि निर्माण के दौरान प्रयुक्त जल का प्रकार एवं खपत की मात्रा पर किये गये व्यय की धनराशि का आधार/साक्ष्य सहित 15 दिनों के अन्दर उपलब्ध कराने का कष्ट करें। अन्यथा की स्थिति में यह माना जायेगा कि आप द्वारा निर्माण के दौरान केवल भूजल का ही प्रयोग किया गया है और पर्यावरणीय क्षतिपूर्ति की गणना प्रोजेक्ट कास्ट का 1% अधिरोपित किया गया माना जायेगा, जो कि आपको मान्य होगा, तदोपरान्त इस पर्यावरणीय क्षतिपूर्ति को 15 दिनों के अन्दर NGT के खाते में ONLINE (https://erp.eshiksa.net/DirectFessv3/UPPCB) जमा कराया जाना सुनिश्चित करें।

Supplementary Compliance Report

In

Original Application No. 392/2022

Prasoon Pant &Anr.

Versus

Union of India &Ors.

Order Date – 15.11.2022

Supplementary Compliance Report In Original Application No. 392/2022 Prasoon Pant & Anr. Versus Union of India & Ors

UPPCB has earlier filed compliance report vide letter dated 15.05.2023 in context of aforesaid case and OA 392/2022 Prasoon Pant & Anr. Versus Union of India & Ors. In continuation to earlier actions, further actions have been undertaken as under:-

1. **Actions taken by UPPCB**

   Out of 63 projects, construction work of 02 projects is closed due to their own reasons since long time. Out of 61 projects, 36 projects have valid CTE/CTO. UPPCB has issued show cause notices under provisions of Water Act and Air Act to the rest 25 defaulting projects at present. Further, prosecution is also proposed against these defaulting units, if they fail to obtain CTO and remained non-compliant.

2. **Actions taken by CGWA**

   CGWA has calculated final compensation as per data provided by UPPCB and Greater Noida Authority pertaining to 41 defaulter projects in compliance of OA no. 392/2022 Prasoon Pant & Anr. Vs Union of India & Ors vide email dated 30.06.2023. UPPCB Noida has sent the proposal of imposition of final compensation as assessed by CGWA to the joint committee vide its letter dated 30.06.2023 for approval of the proposal so that final compensation can be imposed and defaulter units be put to notice regarding it in compliance to Hon'ble NGT order dated 15.11.2022 (Copies attached as **Annexure-1).**

									2297651693

Note * During inspection of joint committee, water meters were not installed on borewells for calculation of total quantum of groundwater abstraction in the projects, due to which it is not possible to calculate the quantum of actual groundwater abstraction. Due to non-availability of data of actual water consumption in the projects, hence fresh water consumption mentioned in the environmental clearance of the projects available on records can be taken as the basis.

* The information regarding the date of installation of borewell in the project is not available and not any evidence has provided by the projects regarding the same. Hence the date of map passed by the Greater Noida Industrial Development Authority can be considered as the basis.

* 06 projects, out of total 41 projects, no information regarding water consumption and borewell installation etc. is available in the records, which are mentioned at serial numbers 6, 7, 28, 29, 35, 39.

Sub: Clarification/Response to your letter bearing number जल/2024/729 dated 09.07.2024 in connection with the matter of Prasoon Pant & Others versus Union of India and Others having O.A. No- 392 of 2022 filed before the Hon'ble National Green Tribunal, New Delhi

Respected Sir,

We are writing in response to your letter dated 09.07.2024, pertaining to the ongoing proceedings in the matter of Prasoon Pant & Others versus Union of India & Others, O.A. No. 392 of 2022, before the Hon'ble National Green Tribunal, New Delhi concerning the alleged illegal extraction of water by builders operating in Noida.

In compliance with the directions issued by your esteemed office vide your earlier letter dated 05.02.2024, we have, vide our letter dated 27.02.2024, submitted a detailed clarification clearly evidencing our adherence to the regulations governing the usage of waste water treated through the sewage treatment plants (STPs) further treated through water treatment plants (WTPs), for construction activities at our project site, Gaur Saundaryam at Plot No. GH-05C, Sector-Techzone IV, Greater Noida, Gautam Budh Nagar- 201309, Uttar Pradesh.

Further, it is pertinent to mention that a thorough inspection was carried out by the officials of the Uttar Pradesh Pollution Control Board (UPPCB) during which the project site was visited by such officials wherein we had sufficiently demonstrated that waste water generated and treated through the STPs installed at the adjacent township developed by Crossings Infrastructure Private Limited, one of our group entities, was sourced and further treated through our WTP before utilizing the same for the construction activities at the project site. In this respect, all the concerned records and details were duly submitted and were verified by such officials. ***Copy of the concerned records is being annexed herewith for your reference evidencing the usage of treated waste water at the project site.***

Pursuant to such inspection a Supplementary Compliance Report was submitted by the Uttar Pradesh Pollution Control Board (UPPCB) as per the directions of the Hon'ble National Green Tribunal, and the list of final compensation as calculated by the UPPCB and submitted vide its letter dated 30.06.2023 bearing reference number 387/NGT-54/2023, which clearly absolves us from the alleged violations as no environment compensation was assessed against the concerned project. ***Copy of the Supplementary Compliance Report along with the assessment of final compensation is being attached herewith for your reference.***

Please note that we had duly clarified and established that only wastewater, collected and treated through STPs, was being used by further treating it in WTP for construction purposes. In support of

For Gaursons Realty Pvt. Ltd.

Authorised Signatory

GAURS
your own world

our clarification, we have been diligently maintaining the requisite records and the copies of which, as mentioned above, are annexed herewith.

Therefore, it is respectfully submitted that the non-acceptance of our clarification by your esteemed office, based solely on the contention that the wastewater used at our project site was not sourced from the STPs operated and maintained by the Greater Noida Industrial Development Authority (GNIDA), is unjustified as such an arrangement by GNIDA is merely facilitative and is available as an alternative for developers who do not have the sources of treated wastewater and considering the ease of convenience and the economic aspects of the project, we deemed it appropriate to source the waste water which was being generated and treated through the STPs and further treated through the WTPs installed at the adjacent projects as mentioned above. There were no extant regulations mandating that STP water must be sourced exclusively from GNIDA's STPs and therefore enforcing such a requirement at this stage is neither feasible nor reasonable.

It is imperative to note that we along with our group companies collectively constitute a renowned and esteemed real estate conglomerate, widely recognized and respected for our exceptional work and unwavering commitment towards maintaining the highest standards.

We respectfully submit that all our practices have been in strict compliance with the relevant regulations. We have taken due care to ensure that the construction activities are accomplished through the use of treated waste water only.

Discrediting our submissions and clarifications on the sole assertion that the STP water was not sourced from GNIDA would inflict an unjust and severe blow upon us and would constitute a grave miscarriage of justice undermining our hard-earned reputation and subjecting us to unwarranted prejudice and irreparable harm.

Therefore, in view of the aforesaid, we implore your esteemed office to duly reconsider our submissions and to recall the notice issued by your esteemed office.

We remain at your service for any further information or cooperation that may be required.

Regards

For Gaursons Realty Pvt. Ltd.

For and on behalf of Gaursons Realty Private Limited.

विषय: मा0 राष्ट्रीय हरित अधिकरण, नई दिल्ली में योजित ओ0ए0 सं0-392/2022 प्रसून पन्त व अन्य बनाम यूनियन ऑफ इण्डिया व अन्य में पारित आदेश दिनांक 15.11.2022 के अनुपालन के सम्बन्ध में।

संदर्भ :- जल/2024/55, दिनांक-20.01.2024
जल/2024/115, दिनांक-05.02.2024

उपरोक्त संदर्भित पत्र का संदर्भ ग्रहण करने का कष्ट करें, जिसमे अवगत कराया गया था कि कार्यालय अधिशासी अभियन्ता, भूगर्भ जल विभाग, खण्ड-गौतमबुद्ध नगर के कार्यवृत्त पत्रांक-353/भू0ज0वि0 खण्ड-गौतमबुद्धनगर/एनजीटी-ओ0ए0392/2022 दिनांक 16.01.2024 द्वारा ग्रेटर नौएडा विकास प्राधिकरण के लिए निर्देश दिया गया है कि **"परियोजनाओं के प्रतिनिधियो से परियोजनाओं द्वारा निर्माण कार्य हेतु प्रयोजित जल का प्रकार एवं खपत की मात्रा एवं अवधि सम्बन्धित जानकारी एवं वांछित** आख्या अभिलेख प्राप्त किया जाये, जिससे परियोजना द्वारा निर्माणाधीन चरण तक जल की कुल कितनी मात्रा की खपत की गयी है उसके आधार पर परियोजनाओं के विरूद्ध की Final Compensation की गणना की जा सके।"

उक्त के सम्बन्ध मे अवगत कराना है कि आप द्वारा दिनाक 20.02.2024 को पत्र के माध्यम से सूचना उपलब्ध करायी गई है। पत्र के साथ जो साक्ष्य प्रस्तुत किये गये हैं (उसमें जो सीवरेज जल का प्रयोग किया गया है।) वह ग्रेटर नौएडा प्राधिकरण के STP जल से सम्बन्धित नही है। अतः मान्य नहीं है।

उक्त के सम्बन्ध मे जिलाधिकारी महोदय की अध्यक्षता में गठित सयुक्त समिति की दिनांक 25.06.2024 को हुई बैठक कार्यवृत्त (दिनांक 04.07.2024 को जारी) के अनुसार परियोजना के निर्माण मे खपत जल पर होने वाले व्यय की गणना CPWD द्वारा निर्धारित दर (परियोजना की लागत का 1%) के अनुसार परियोजना की लागत अर्थात धनराशि रू0 581.00 करोड (UPPCB द्वारा उपलब्ध कराये गये रिकार्ड के अनुसार) के सापेक्ष 1% धनराशि रू0 5.81 करोड पर्यावरणीय क्षतिपूर्ति अधिरोपित किया जाता है।

अतः उक्त के सम्बन्ध में आपको अन्तिम अवसर देते हुये यह निर्देशित किया जाता है कि निर्माण के दौरान प्रयुक्त जल का प्रकार एवं खपत की मात्रा पर किये गये व्यय की धनराशि का आधार/साक्ष्य सहित 15 दिनों के अन्दर उपलब्ध कराने का कष्ट करें। अन्यथा की स्थिति में यह माना जायेगा कि आप द्वारा निर्माण के दौरान केवल भूजल का ही प्रयोग किया गया है और पर्यावरणीय क्षतिपूर्ति की गणना प्रोजेक्ट कास्ट का 1% अधिरोपित किया गया माना जायेगा, जो कि आपको मान्य होगा, तदोपरान्त इस पर्यावरणीय क्षतिपूर्ति को 15 दिनों के अन्दर NGT के खाते में ONLINE (https://erp.eshiksa.net/DirectFessv3/UPPCB) जमा कराया जाना सुनिश्चित करें।

Supplementary Compliance Report

In

Original Application No. 392/2022

Prasoon Pant &Anr.

Versus

Union of India &Ors.

Order Date – 15.11.2022

Supplementary Compliance Report In Original Application No. 392/2022 Prasoon Pant & Anr. Versus Union of India & Ors

UPPCB has earlier filed compliance report vide letter dated 15.05.2023 in context of aforesaid case and OA 392/2022 Prasoon Pant & Anr. Versus Union of India & Ors. In continuation to earlier actions, further actions have been undertaken as under:-

1. **Actions taken by UPPCB**

   Out of 63 projects, construction work of 02 projects is closed due to their own reasons since long time. Out of 61 projects, 36 projects have valid CTE/CTO. UPPCB has issued show cause notices under provisions of Water Act and Air Act to the rest 25 defaulting projects at present. Further, prosecution is also proposed against these defaulting units, if they fail to obtain CTO and remained non-compliant.

2. **Actions taken by CGWA**

   CGWA has calculated final compensation as per data provided by UPPCB and Greater Noida Authority pertaining to 41 defaulter projects in compliance of OA no. 392/2022 Prasoon Pant & Anr. Vs Union of India & Ors vide email dated 30.06.2023. UPPCB Noida has sent the proposal of imposition of final compensation as assessed by CGWA to the joint committee vide its letter dated 30.06.2023 for approval of the proposal so that final compensation can be imposed and defaulter units be put to notice regarding it in compliance to Hon'ble NGT order dated 15.11.2022 (Copies attached as **Annexure-1).**

Note * During inspection of joint committee, water meters were not installed on borewells for calculation of total quantum of groundwater abstraction in the projects, due to which it is not possible to calculate the quantum of actual groundwater abstraction. Due to non-availability of data of actual water consumption in the projects, hence fresh water consumption mentioned in the environmental clearance of the projects available on records can be taken as the basis.

* The information regarding the date of installation of borewell in the project is not available and not any evidence has provided by the projects regarding the same. Hence the date of map passed by the Greater Noida Industrial Development Authority can be considered as the basis.

* 06 projects, out of total 41 projects, no information regarding water consumption and borewell installation etc. is available in the records, which are mentioned at serial numbers 6, 7, 28, 29, 35, 39.

Sub: Clarification/Response to your letter bearing number जल/2024/732 dated 09.07.2024 in connection with the matter of Prasoon Pant & Others versus Union of India and Others having O.A. No- 392 of 2022 filed before the Hon'ble National Green Tribunal, New Delhi

Respected Sir,

We are writing in response to your letter dated 09.07.2024, pertaining to the ongoing proceedings in the matter of Prasoon Pant & Others versus Union of India & Others, O.A. No. 392 of 2022, before the Hon'ble National Green Tribunal, New Delhi concerning the alleged illegal extraction of water by builders operating in Noida.

In compliance with the directions issued by your esteemed office vide your earlier letter dated 05.02.2024, we have, vide our letter dated 27.02.2024, submitted a detailed clarification clearly evidencing our adherence to the regulations governing the usage of waste water treated through the sewage treatment plants (STPs) further treated through water treatment plants (WTPs), for construction activities at our project site, Gaur City Mall, Gaur City, Plot GH-01, Sector-04, Greater Noida West, Gautam Budh Nagar-201318, Uttar Pradesh.

Further, it is pertinent to mention that a thorough inspection was carried out by the officials of the Uttar Pradesh Pollution Control Board (UPPCB) during which the project site was visited by such officials wherein we had sufficiently demonstrated that waste water generated and treated through the STPs installed at the adjacent township developed by Crossings Infrastructure Private Limited, one of our group entities, was sourced and further treated through our WTP before utilizing the same for the construction activities at the project site. In this respect, all the concerned records and details were duly submitted and were verified by such officials. ***Copy of the concerned records is being annexed herewith for your reference evidencing the usage of treated waste water at the project site.***

Pursuant to such inspection a Supplementary Compliance Report was submitted by the Uttar Pradesh Pollution Control Board (UPPCB) as per the directions of the Hon'ble National Green Tribunal, and the list of final compensation as calculated by the UPPCB and submitted vide its letter dated 30.06.2023 bearing reference number 387/NGT-54/2023, which clearly absolves us from the alleged violations as no environment compensation was assessed against the concerned project. ***Copy of the Supplementary Compliance Report along with the assessment of final compensation is being attached herewith for your reference.***

Please note that we had duly clarified and established that only wastewater, collected and treated through STPs, was being used by further treating it in WTP for construction purposes. In support of

For Gaursons Hi-tech Infrastructure Pvt. Ltd.

Authorised Signatory

GAURS
your own world

our clarification, we have been diligently maintaining the requisite records and the copies of which, as mentioned above, are annexed herewith.

Therefore, it is respectfully submitted that the non-acceptance of our clarification by your esteemed office, based solely on the contention that the wastewater used at our project site was not sourced from the STPs operated and maintained by the Greater Noida Industrial Development Authority (GNIDA), is unjustified as such an arrangement by GNIDA is merely facilitative and is available as an alternative for developers who do not have the sources of treated wastewater and considering the ease of convenience and the economic aspects of the project, we deemed it appropriate to source the waste water which was being generated and treated through the STPs and further treated through the WTPs installed at the adjacent projects as mentioned above. There were no extant regulations mandating that STP water must be sourced exclusively from GNIDA's STPs and therefore enforcing such a requirement at this stage is neither feasible nor reasonable.

It is imperative to note that we along with our group companies collectively constitute a renowned and esteemed real estate conglomerate, widely recognized and respected for our exceptional work and unwavering commitment towards maintaining the highest standards.

We respectfully submit that all our practices have been in strict compliance with the relevant regulations. We have taken due care to ensure that the construction activities are accomplished through the use of treated waste water only.

Discrediting our submissions and clarifications on the sole assertion that the STP water was not sourced from GNIDA would inflict an unjust and severe blow upon us and would constitute a grave miscarriage of justice undermining our hard-earned reputation and subjecting us to unwarranted prejudice and irreparable harm.

Therefore, in view of the aforesaid, we implore your esteemed office to duly reconsider our submissions and to recall the notice issued by your esteemed office.

We remain at your service for any further information or cooperation that may be required.

Regards

Further, it is pertinent to mention that a thorough inspection was carried out by the officials of the Uttar Pradesh Pollution Control Board (UPPCB) during which the project site was visited by such officials wherein we had sufficiently demonstrated that waste water generated and treated through the STPs installed at the adjacent township developed by Crossings Infrastructure Private Limited, one of our group entities, was sourced and further treated through our WTP before utilizing the same for the construction activities at the project site. In this respect, all the concerned records and details were duly submitted and were verified by such officials. ***Copy of the concerned records is being annexed herewith for your reference evidencing the usage of treated waste water at the project site.***

Pursuant to such inspection a Supplementary Compliance Report was submitted by the Uttar Pradesh Pollution Control Board (UPPCB) as per the directions of the Hon'ble National Green Tribunal, and the list of final compensation as calculated by the UPPCB and submitted vide its letter dated 30.06.2023 bearing reference number 387/NGT-54/2023, which clearly absolves us from the alleged violations as no environment compensation was assessed against the concerned project. ***Copy of the Supplementary Compliance Report along with the assessment of final compensation is being attached herewith for your reference.***

Please note that we had duly clarified and established that only wastewater, collected and treated through STPs, was being used by further treating it in WTP for construction purposes. In support of

GAURS
your own world

our clarification, we have been diligently maintaining the requisite records and the copies of which, as mentioned above, are annexed herewith.

Therefore, it is respectfully submitted that the non-acceptance of our clarification by your esteemed office, based solely on the contention that the wastewater used at our project site was not sourced from the STPs operated and maintained by the Greater Noida Industrial Development Authority (GNIDA), is unjustified as such an arrangement by GNIDA is merely facilitative and is available as an alternative for developers who do not have the sources of treated wastewater and considering the ease of convenience and the economic aspects of the project, we deemed it appropriate to source the waste water which was being generated and treated through the STPs and further treated through the WTPs installed at the adjacent projects as mentioned above. There were no extant regulations mandating that STP water must be sourced exclusively from GNIDA's STPs and therefore enforcing such a requirement at this stage is neither feasible nor reasonable.

It is imperative to note that we along with our group companies collectively constitute a renowned and esteemed real estate conglomerate, widely recognized and respected for our exceptional work and unwavering commitment towards maintaining the highest standards.

We respectfully submit that all our practices have been in strict compliance with the relevant regulations. We have taken due care to ensure that the construction activities are accomplished through the use of treated waste water only.

Discrediting our submissions and clarifications on the sole assertion that the STP water was not sourced from GNIDA would inflict an unjust and severe blow upon us and would constitute a grave miscarriage of justice undermining our hard-earned reputation and subjecting us to unwarranted prejudice and irreparable harm.

Therefore, in view of the aforesaid, we implore your esteemed office to duly reconsider our submissions and to recall the notice issued by your esteemed office.

We remain at your service for any further information or cooperation that may be required.

Regards

For Gaursons Hi-tech Infrastructure Pvt. Ltd.

विषय: मा0 राष्ट्रीय हरित अधिकरण, नई दिल्ली में योजित ओ0ए0 सं0-392/2022 प्रसून पन्त व अन्य बनाम यूनियन ऑफ इण्डिया व अन्य में पारित आदेश दिनांक 15.11.2022 के अनुपालन के सम्बन्ध में।

संदर्भ :- जल/2024/52, दिनांक-20.01.2024
जल/2024/112, दिनांक-05.02.2024

उपरोक्त संदर्भित पत्र का संदर्भ ग्रहण करने का कष्ट करें, जिसमें अवगत कराया गया था कि कार्यालय अधिशासी अभियन्ता, भूगर्भ जल विभाग, खण्ड-गौतमबुद्ध नगर के कार्यवृत्त पत्रांक-353/भू0ज0वि0 खण्ड-गौतमबुद्धनगर/एनजीटी-ओ0ए0392/2022 दिनांक 16.01.2024 द्वारा ग्रेटर नौएडा विकास प्राधिकरण के लिए निर्देश दिया गया है कि **"परियोजनाओं के प्रतिनिधियों से परियोजनाओं द्वारा निर्माण कार्य हेतु प्रयोजित जल का प्रकार एवं खपत की मात्रा एवं अवधि सम्बन्धित जानकारी एवं वांछित आख्या अभिलेख प्राप्त किया जाये, जिससे परियोजना द्वारा निर्माणाधीन चरण तक जल की कुल कितनी मात्रा की खपत की गयी है उसके आधार पर परियोजनाओं के विरूद्ध की Final Compensation की गणना की जा सके।"**

उक्त के सम्बन्ध में अवगत कराना है कि आप द्वारा दिनांक 28.02.2024 को पत्र के माध्यम से सूचना उपलब्ध करायी गई है। पत्र के साथ जो साक्ष्य प्रस्तुत किये गये हैं (उसमें जो सीवरेज जल का प्रयोग किया गया है।) वह ग्रेटर नौएडा प्राधिकरण के STP जल से सम्बन्धित नहीं है। अतः मान्य नहीं है।

उक्त के सम्बन्ध में जिलाधिकारी महोदय की अध्यक्षता में गठित संयुक्त समिति की दिनांक 25.06.2024 को हुई बैठक कार्यवृत्त (दिनांक 04.07.2024 को जारी) के अनुसार परियोजना के निर्माण में खपत जल पर होने वाले व्यय की गणना CPWD द्वारा निर्धारित दर (परियोजना की लागत का 1%) के अनुसार परियोजना की लागत अर्थात धनराशि रू0 652.00 करोड (UPPCB द्वारा उपलब्ध कराये गये रिकार्ड के अनुसार) के सापेक्ष 1% धनराशि रू0 6.52 करोड पर्यावरणीय क्षतिपूर्ति अधिरोपित किया जाता है। 6.52

अतः उक्त के सम्बन्ध में आपको अन्तिम अवसर देते हुये यह निर्देशित किया जाता है कि निर्माण के दौरान प्रयुक्त जल का प्रकार एवं खपत की मात्रा पर किये गये व्यय की धनराशि का आधार/साक्ष्य सहित 15 दिनों के अन्दर उपलब्ध कराने का कष्ट करें। अन्यथा की स्थिति में यह माना जायेगा कि आप द्वारा निर्माण के दौरान केवल भूजल का ही प्रयोग किया गया है और पर्यावरणीय क्षतिपूर्ति की गणना प्रोजेक्ट कास्ट का 1% अधिरोपित किया गया माना जायेगा, जो कि आपको मान्य होगा, तदोपरान्त इस पर्यावरणीय क्षतिपूर्ति को 15 दिनों के अन्दर NGT के खाते में ONLINE (https://erp.eshiksa.net/DirectFessv3/UPPCB) जमा कराया जाना सुनिश्चित करें।

Supplementary Compliance Report

In

Original Application No. 392/2022

Prasoon Pant &Anr.

Versus

Union of India &Ors.

Order Date – 15.11.2022

Supplementary Compliance Report In Original Application No. 392/2022 Prasoon Pant & Anr. Versus Union of India & Ors

UPPCB has earlier filed compliance report vide letter dated 15.05.2023 in context of aforesaid case and OA 392/2022 Prasoon Pant & Anr. Versus Union of India & Ors. In continuation to earlier actions, further actions have been undertaken as under:-

1. **Actions taken by UPPCB**

   Out of 63 projects, construction work of 02 projects is closed due to their own reasons since long time. Out of 61 projects, 36 projects have valid CTE/CTO. UPPCB has issued show cause notices under provisions of Water Act and Air Act to the rest 25 defaulting projects at present. Further, prosecution is also proposed against these defaulting units, if they fail to obtain CTO and remained non-compliant.

2. **Actions taken by CGWA**

   CGWA has calculated final compensation as per data provided by UPPCB and Greater Noida Authority pertaining to 41 defaulter projects in compliance of OA no. 392/2022 Prasoon Pant & Anr. Vs Union of India & Ors vide email dated 30.06.2023. UPPCB Noida has sent the proposal of imposition of final compensation as assessed by CGWA to the joint committee vide its letter dated 30.06.2023 for approval of the proposal so that final compensation can be imposed and defaulter units be put to notice regarding it in compliance to Hon'ble NGT order dated 15.11.2022 (Copies attached as **Annexure-1).**

									2297651693

Note * During inspection of joint committee, water meters were not installed on borewells for calculation of total quantum of groundwater abstraction in the projects, due to which it is not possible to calculate the quantum of actual groundwater abstraction. Due to non-availability of data of actual water consumption in the projects, hence fresh water consumption mentioned in the environmental clearance of the projects available on records can be taken as the basis.

* The information regarding the date of installation of borewell in the project is not available and not any evidence has provided by the projects regarding the same. Hence the date of map passed by the Greater Noida Industrial Development Authority can be considered as the basis.

* 06 projects, out of total 41 projects, no information regarding water consumption and borewell installation etc. is available in the records, which are mentioned at serial numbers 6, 7, 28, 29, 35, 39.
