**ADDITIONAL ACTION TAKEN REPORT ON BEHALF OF DELHI
POLLUTION CONTROL COMMITTEE IN COMPLIANCE OF THE
ORDER DATED 02.12.2019**

1. That this Hon'ble Tribunal took up the above referred matter on 02.12.2019. Delhi Pollution Control Committee filed its Action Taken Report on 22.01.2020.
2. It is submitted that vide above mentioned ATR Hon'ble NGT was informed that the waste water from Trilokpuri-Indira Camp drain is being taken to Kondli STP by deploying of super sucker by DJB as an interim measure till a permanent solution of the problem is achieved.
3. That, to check the compliance of the submissions before the Hon'ble NGT vide above referred Action Taken Report, an inspection was conducted on 10.06.2020 by DPCC officials along with officials from DJB.
4. It is submitted that, during the inspection it was observed that PWD has completed the construction work of the drain. The waste water received in the drain is being taken to the Kondli STP for which Super Sucker has been deployed by DJB. Also, the DJB has also installed pumping station for pumping waste water generated from Indira Camp to sewerage system. At the time of inspection Super Sucker was found operational.

5. The interim measures taken by DJB and PWD found to be satisfactory as no waste water accumulation was observed in the drain at the time of inspection.

The action taken report may kindly be taken on record.
