**Sub: - Show Cause notice issued under section 25 of the Water (Prevention & Control of Pollution) Act, 1974 and under section 21 of the Air (Prevention & Control of Pollution) Act, 1981 – Regarding.**

Whereas, a matter was taken up for hearing before the Hon'ble NGT, Eastern Zone Bench, Kolkata on 07/07/2023 in O. A. No. 74/2023/EZ in the matter of Gautam Prakash Versus M/s Seventeen Degree Hotel Company Pvt. Ltd. & Anr.

Ltd., has installed four air conditioners in its premises on the side facing the Applicant's house, each of which has a capacity of 8.5 tonnes or more. It is stated that the outdoor units of the said air conditioners are installed on the face of the western wall of the City Centre, each of which is at a distance of just about 10 meters from the Applicant's house. The air conditioners are stated to be operational for most part of the day and continue to operate till late hours in the night, well beyond 10 P.M. and these air conditioners are alleged to make an unbearable high pitched noise, causing inconvenience and jeopardizing the mental and physical health of the residents of the Applicant's house.

Whereas, the Unit was inspected by the Regional Officer, JSPCB Regional Office – Cum – Laboratory, Dhanbad on 26/07/2023 in your presence and it was found that the Unit was operational. Moreover, other observations were also found, the relevant observations of which are as below: -

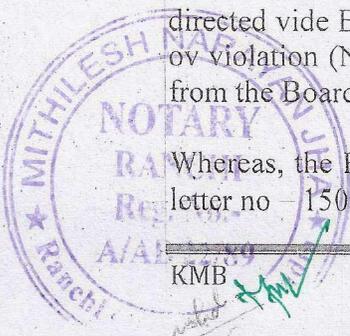

1. *M/s Seventeen Degree Hotel Company Pvt. Ltd. is having a restaurant with seating capacity - 51 seats, One Bar of seating Capacity - 26 and one banquet hall of capacity- 50 Person inside City Center Residential-cum-Commercial complex.*

Municipality Trade License and Food Safety Administration License. As per the Food Safety Administration license, the date of issue of licesence is 29/12/2017. Hence, in light of the above facts, Environmental Compensation may be calculated from the above date.

Whereas, the Interim Environmental Compensation against the Unit was calculated as per the "Report of the CPCB In-house Committee on Methodology for Assessing Environmental Compensation and Action Plan to Utilize the Fund". The details of which is as below: -

**CALCULATION OF ENVIRONMENTAL COMPENSATION OF**  
**M/S SEVENTEEN DEGREES HOTEL COMPANY PVT. LTD.**  
**AT - CITY CENTRE, DIST. - DHNBAD.**

**Nature of violation** – Non compliance of provisions of the Water (Prevention and Control of Pollution) Act, 1974 & the Air (Prevention and Control of Pollution) Act, 1981.

**Basis to levy the Environmental Compensation** – Pollution Index

The environmental compensation is based on the following formula:

$$\underline{EC = PI \times N \times R \times S \times LF}$$

Where,

- EC- Environmental compensation
- PI- Pollution Index of Industrial Sector
- N –Number of days of violation took place
- R – A factor in rupees for EC
- S- Factor of scale of operation
- LF – Location Factor

Now in this case,

PI is to be taken as 30 as the industry belongs to Green category as per CPCB's guidelines.

N is to be taken as 2167 days from 29/12/2017 to 04/12/2023.

R is to be taken as 250 (as per CPCB's guidelines).

S is to be taken 0.5 as the unit belongs to Micro / Small Scale as per Notification No. - S.O. 1702(E). — dated 01/06/2020 of Ministry of Micro, Small and Medium Enterprises (S could be 0.5 for micro or small, 1.0 for medium and 1.5 for large units as per CPCB Guidelines).

LF is to be taken as 1.25 as the population of Dhanbad town is > 1 million. (District Census Handbook, dhanbad of 2011).

Therefore,

$$\begin{aligned} EC \text{ (Per day)} &= PI \times R \times S \times LF \\ &= 30 \times 250 \times 0.5 \times 1.25 \\ &= ₹ 4,687.50/- \end{aligned}$$

As per the report of the CPCB In-house Committee on Methodology for Assessing Environmental Compensation in any case, minimum Environmental Compensation shall be ₹ 5000/day.

Henceforth, the Environmental Compensation for one day comes out to be ₹ 5,000.00/-. So the total Environmental Compensation for 2167 days comes out to be ₹ 1,08,35,000.00/- (i.e. Rupees One Crore Eight Lakhs Thirty Five Thousand Only).

Now, therefore, in view of the above and by exercising the powers conferred under section 25 of the Water (Prevention & Control of Pollution) Act, 1974 and under section 21 of the Air

(Prevention & Control of Pollution) Act, 1981, the competent Authority has been pleased to issue this show cause notice, and it is, hereby directed to be present on 15/12/2023 at 11:30 AM in the office chamber of the Member Secretary either in person or through a authorized representative to explain your part that why the abovementioned Environmental Compensation should not be imposed upon the Unit. In case of failure to attend the same an ex-parte order may be passed or legal action may be initiated.

This issues with the approval of the Competent Authority.
