**Survey Report of the factories located in Dombivali Phase I & II
regarding Illegal Encroachment and Additional Construction.**

Background:

An Original Application bearing number 108 of 2022 was filed by the Applicant Mr. Nandkumar Waman Pawar regarding illegal Encroachment and Additional Construction in the Hon'ble National Green Tribunal, Western Zone on 28th November 2022.

Introduction:

In the said matter The Hon'ble National Green Tribunal has order to conduct the Survey of factories located in Dombivali MIDC regarding illegal Encroachment and Additional Construction in its order Dated 08/08/2024. The said order is at **Annexure I**. In the said order it was mentioned that the Committee which was constituted in the matter no. 134/2021 shall conduct this survey regarding Illegal Encroachment and Additional Construction.

As the subject matter and scope of Committee constituted in OA no. 134 of 2021 and in the present matter are different the request affidavit was filed in the Hon'ble Court of NGT on 03/01/2025 to exempt the committee constituted in O.A. No. 134/2021, chaired by the Director, Industrial Safety and Health, as such actions fall beyond the scope and mandate of the said committee.

Further in the order Dated 03/01/2025 Hon'ble Tribunal has given order to conduct the survey by the Committee constituted in the OA 134 of 2021 regarding Illegal Encroachment and Additional Construction. Copy of order is attached herewith as **Annexure II**. Hon'ble National Green Tribunal in its said order has directed Maharashtra Industrial Development Corporation to extend assistance required for conducting this survey. Also in the said order Hon'ble

Tribunal has ordered that while conducting the survey/study of the site in question, hearing shall be given to the applicants and respondent No.5.

Accordingly Meeting of committee member Constituted under OA 134/2021 was called on 10/01/2025. Minutes of Meeting of the same is at **Annexure III**. In the said meeting it was discussed how to conduct the survey of the factories located in Dombivali Maharashtra Industrial Development Corporation area. Also the format of observation sheet to be used during survey was finalised. In the said meeting it was decided to give hearing to the Applicant and Respondent No.5. Accordingly hearing was given to Applicant and Respondent no.5 i.e. Kalyan Ambernath Manufacturing Association on 14/01/2025. The said hearing was kept on hybrid mode i.e. online as well as physical presence. The Applicant Mr. Nandkumar Waman Pawar remain present physically whereas Respondent no.5 i.e. representative of Kalyan Ambernath Manufacturing Association attended the meeting online. Minutes of meeting is uploaded herewith at **Annexure IV**.

Actual Survey:

Maharashtra Industrial Development Corporation being expert and special Planning authority lead this survey. The officer from Maharashtra Industrial Development Corporation, Directorate of Industrial Safety and Health, Maharashtra Pollution Control Board and Fire Service Department conducted this survey. Seven teams were formed representing one officer from all above mentioned department. In all 733 number of units located in Dombivali MIDC Phase I & II were visited to identify illegal encroachment and additional construction. After the physical verification of industrial unit, observations were noted down by the team in the sheet provided to them. The said observation sheets are signed by the team member i.e. representative from Maharashtra Industrial Development Corporation office, Directorate of Industrial Safety and Health office, Maharashtra Pollution Control Board office, Fire Service

Department. In the remark column of the said sheet nature of illegal encroachment and additional construction is mentioned.

The following officers have been nominated by the concerned department for the said survey work.

**CORAM: HON'BLE MR. JUSTICE DINESH KUMAR SINGH, JUDICIAL MEMBER
HON'BLE DR. VIJAY KULKARNI, EXPERT MEMBER**

Applicant : Mr. Zaman Ali, Advocate

Respondents : Ms. Manasi Joshi, Advocate for R-2/MPCB
Mr. Aniruddha Kulkarni, Advocate for R-4/CPCB
Mr. Saket Mone, Advocate for R-5/PP**ORDER**

1. This matter is not on today's cause-list. On mentioning thereof by learned counsel Mr. Zaman Ali, representing the applicant, it is taken up for consideration. He has pressed this matter to be taken up on urgent basis, which was directed to be kept in abeyance by us vide our order dated 03.04.2024, directing the applicant to approach the Hon'ble Supreme Court and get the stay order vacated/clarified, which order was passed by the Hon'ble Supreme Court in Civil Appeal No. 2045-2046 of 2022 (M/s Vishal Fireworks Vs. District Magistrate, Palghar & Ors.), which had arisen out of the order dated 25.06.2021 passed by this Tribunal in Original Application No.134 of 2021 (though the mention of this O.A. is not in the order of the Hon'ble Supreme Court, but the parties have admitted about this fact).

2. The applicant has, in pursuance of our above mentioned order, sought clarification from the Hon'ble Supreme Court and an order is

passed on 19.07.2024 on I.A. No.126549 of 2024 filed in Civil Appeal No.2045-2046 of 2022 (supra) (copy of which is submitted by the learned counsel for the applicant along with his e-mail dated 07.08.2024 sent to this Tribunal) to the following effect :

"IA No.126549/2024

The interim relief of stay granted by this Court on 1st April, 2022 will continue to operate till the final disposal of the appeals subject to modification that the interim relief will remain confined to the directions issued in paragraph Nos.14 and 15 of the impugned judgment. The other directions issued under the impugned judgment will have to be implemented. In view of this modification, the application is disposed of."

3. It is apparent from the above order that leaving paragraph Nos.14 and 15 of this Tribunal's judgment dated 25.06.2021 passed in Original Application No.134 of 2021, rest of the directions issued in that judgment need to be implemented, which include the following directions :

*"16. We further direct that review be conducted at the highest level in the State to consider remedial steps. Hazardous activities need to be regulated in terms of quantity of material to be used in the process of hazardous activities, number of persons to be allowed to work and safeguards to be followed and monitoring compliance of such safeguards. Apart from the measures suggested by the Committee, there is also need for a study of the potential for accidental, occupational and environmental hazards from such activities in the State. The study may include number of units to be allowed, size of operation of such units, quantity of material to be used, siting criteria for location of the units, arrangement for fire management and health services. **Let such study be conducted by the Director of Industrial Safety in coordination with the State PCB and CPCB within three months and report submitted to the Chief Secretary, Maharashtra for further action. The Committee may take the assistance of any other experts/individual.***

17. The State may also consider the measures suggested in the report of the Committee quoted earlier. The Chief Secretary,

Maharashtra may hold a meeting with all the concerned state holders, as identified by the Committee in the table in the report quoted above, titled 'Remedial Measures to Prevent Accidents', within one month, After necessary deliberations, appropriate remedial measures be identified to avoid recurrence of such incidents in future. The same may be implemented through the District Magistrate or any other appropriate authority as per law, which may be overseen by the Chief Secretary. The State PCB may incorporate appropriate conditions in consents including prohibiting use of banned chemicals, compliance of 1989 and 1996 Rules. Further, mechanism to ensure taking of insurance policies covering risk to life and health of all workers and others likely to be affected by fire or other accidents. Mechanism may provide monitoring of compliance and stopping activities of units not following laid down sops and regulations. Substance of this order and regulatory measures may be published in local area in vernacular language for information of local inhabitants to facilitate information and compliance."

4. The learned counsel for the applicant has, during argument, orally submitted that a fresh Committee needs to be constituted in the case in hand with respect to ascertainment of illegal encroachment and additional construction undertaken by each of the Industries in Dombiwali Industrial Area Phase-I and Phase-II and that this Tribunal was of the view while passing the order dated 03.04.2024 in the present matter that for determination of this, a Committee needs to be constituted.

5. At that stage, it had come to light that the Principal Bench of this Tribunal had already constituted a Committee in O.A. No.134/2021 (supra), wherein proceeding were taken up suo motu, wherein a direction, quoted in paragraph No.16 above, was issued. The said direction relates to the entire State of Maharashtra, but in the case in hand, the applicant has approached us for seeking relief with respect to only industrial units

in Dombiwali Industrial Area Phase-I and Phase-II and not the entire State of Maharashtra. We deem it appropriate that since the Hon'ble Supreme Court has expressed its view that rest of the directions contained in paragraph Nos.16 and 17 of the judgment of this Tribunal, which are cited above, need to be implemented, which means now the study which was to be conducted by the Committee constituted for the purpose in O.A. No.134/2021 comprised members of Maharashtra Pollution Control Board, Central Pollution Control Board, Chief Fire Officer, Maharashtra Industrial Development Corporation (MIDC), Controller of Explosives, Additional/Joint Director of Industrial Safety and Health, Mumbai and it was chaired by the Director of Industrial Safety and Health.

6. We are of the view that the same Committee, which was constituted to conduct study in regard to subjects mentioned in paragraph No.16 of this Tribunal's judgment dated 25.06.2021, cited above, needs to also conduct study with respect to the illegal encroachment and additional construction undertaken by each of the industrial units in Dombiwali Industrial Area Phase-I and Phase-II and submit a report within a period of three months.

7. The said Committee shall be provided a copy of O.A. No.108/2022 along with all relevant documents by the Registry of this Tribunal forthwith.

8. The said Committee shall also give an opportunity of hearing to the applicant as well as respondents.

9. From the side of respondent No.2-MPCB, learned counsel Ms. Manasi Joshi has appeared.

10. From the side of respondent No.4-CPCB, learned counsel Mr. Anirudha Kulkarni has appeared.

11. From the side of respondent No.5-Project Proponent, learned counsel Mr. Saket Mone has appeared.
12. None has appeared from the side of respondent No.1-MIDC and respondent No.3-Directorate of Industrial Safety and Health though it is stated by the learned counsel for the applicant that he had served notice regarding this matter being taken up today by this Tribunal.
13. Put up this matter for next consideration on 03.01.2025.

1. From the side of respondent No.3, learned counsel Ms. Arundhati Bramhe has appeared along with the Joint Director, Industrial Safety and Health, Kalyan, District Thane, who has submitted an affidavit dated 25.12.2024, wherein it is stated that this Tribunal, vide order dated 08.08.2024 passed in the present Original Application, had directed to conduct the study regarding illegal encroachments and additional constructions undertaken by the industrial units in Dombivali Industrial Area Phase 1 and Phase 2 and to submit report within three months. But in view of the order dated 25.06.2021 passed in Original Application No.134 of 2021, the purpose and scope of the Committee was different and that the work of conducting survey concerning the illegal encroachments and additional constructions still falls within the purview of respondent No.1 – MIDC. It is further mentioned that on formal discussions with the officers of the MIDC during meeting dated 12.12.2024, a survey regarding illegal

encroachments and additional constructions has already been undertaken by the MIDC. Hence, it is prayed that the Committee constituted in Original Application No.134 of 2021 may be exempted from the present work.

2. Copy of the aforesaid affidavit of respondent No.3 has not been served on the applicants and all other parties, as stated by their respective counsel. We direct learned counsel for respondent No.3 to provide a copy of the said affidavit to the applicants and all other parties.

3. From the perusal of aforesaid affidavit of respondent No.3, we find that the Joint Director of Industrial Safety and Health, Kalyan, which is a nodal agency of the Joint Committee, is shirking its responsibility by stating that the job in hand falls in the domain of MIDC only. We find that MIDC is also one of the members of the said Committee. Therefore, whatever assistance is needed by the Joint Director, Industrial Safety and Health from the MIDC can be had from MIDC and if any obstruction is created from the side of MIDC, then a specific order will be passed by us. As of now, nothing of that sort has happened. Therefore, we direct respondent No.3 to carry out the study/survey as directed earlier within a period of eight weeks and no further time would be granted therefor, as already, three months' time has been allowed to go waste. We direct that any assistance, which is required from the MIDC, shall be extended to the Joint Director, Industrial Safety and Health.

4. The terms and conditions mentioned in our earlier order shall remain as it is, which we reiterate that while conducting the survey/study of the site in question, hearing shall be given to the applicants and respondent No.5.

मा. राष्ट्रीय हरित न्यायाधिकरण यांनी मूळ याचिका क्रमांक १०८/२०२२ मध्ये दिलेल्या आदेशाप्रमाणे मूळ याचिका क्र. १३४/२०२१ मध्ये संचालक, औद्योगिक सुरक्षा व आरोग्य, महाराष्ट्र राज्य, मुंबई यांचे अव्यक्तेखाली स्थापन झालेल्या समितीमार्फत महाराष्ट्र औद्योगिक विकास महामंडळ, डोंविवली भागातील कारखान्यांमधील बेकायदेशीर अतिक्रमण व अतिरीक्त बांधकाम याविषयी सर्वेक्षण करण्याकरीता दिनांक ०३/०९/२०२५ रोजी मा. राष्ट्रीय हरित न्यायाधिकरण यांनी आदेश दिले आहेत. सदर समितीने याचिकाकर्ता व प्रतिवादी क्र. ५ यांना सुनावणी देण्याबाबत मा. राष्ट्रीय हरित न्यायाधिकरण यांनी दिनांक ०३/०९/२०२५ रोजी आदेश दिले आहेत. दिनांक १४/०९/२०२५ रोजी याचिकाकर्ता व प्रतिवादी यांची सुनावणी घेण्यात आली.

वरील नमूद आदेशाप्रमाणे-

अ. कल्याण अंबरनाथ मॅन्युफॅक्चरिंग असोसिएशन चे अध्यक्ष श्री. राजू बैलूर, प्रतिवादी क्र. ५ यांची सुनावणी घेण्यात आली. त्यांचे म्हणणे खालीलप्रमाणे आहे.

१. मार्जिनल स्पेसमध्ये उत्पादन प्रक्रीया करत नाही.
२. कारखान्यात होणारे अपघात हे मार्जिनल स्पेसमधील अतिक्रमणामुळे होत नाहीत.
३. बेकायदेशीर बांधकाम हे कारखान्याच्या बाहेर आहे.

ब. श्री नंदकुमार वामन पवार, याचिकाकर्ता यांचे म्हणणे खालीलप्रमाणे आहे.

१. अपघात झाल्यास कारखान्यामध्ये बेकायदा अतिक्रमणामुळे अग्निशमन विभागाचे वाहन/रुग्णवाहीका कारखान्यात पोहचू शकत नाहीत, त्यामुळे कारखान्यातील बेकायदा अतिक्रमणाचे सर्वेक्षण करणे आवश्यक आहे.
२. सर्वेक्षण करण्याकरीता ड्रोनचाही वापर करता येऊ शकेल.

(दिपक पोकळे)

संचालक तथा समिती अध्यक्ष
