**AFFIDAVIT**

I, Rudresh Murthy M, S/o. Manchaiah, Aged about 57 years, the Senior Environmental Officer and the representative of Karnataka State Pollution Control Board, having its office on the 1<sup>st</sup> to 5<sup>th</sup> Floor, # 49, Church Street, Bangalore – 560001, Karnataka, the Respondent No. 1, do hereby solemnly affirm, and state as follows:

1. I am duly authorised to swear this affidavit on behalf of Respondent No. 1 – Karnataka State Pollution Control Board, and as such am well acquainted with the facts and circumstances of the present case based on official records of the Board.
2. I state that the present appeal has been filed challenging the Closure Directions issued by KSPCB vide Proceeding No. PCB/SEO-Enf-Comp/Closure Order–EPC/2025-26/171 dated 28.08.2025 (communicated by the detailed closure order dated 18.08.2025), under Section 5 of the Environment (Protection) Act, 1986, directing closure of the Appellant's unit.
3. I state that by order dated 26.09.2025 in the present appeal, this Hon'ble Tribunal recorded the Appellant's contention that it manufactures bags of various sizes using non-woven polypropylene fabric of more than 60 GSM, and that it does not manufacture banned single-use plastic carry bags of less than 60 GSM.

  
Senior Environmental Officer  
Karnataka State Pollution Control Board  
Bengaluru.

4. I state that this Hon'ble Tribunal was pleased to grant an interim stay on the impugned closure order, specifically observing that in the event the Appellant was found indulging in the use or manufacture of banned single-use plastic carry bags, the impugned order shall automatically stand revived.
5. I state that in view of the above conditional interim order and in discharge of its statutory functions, the Board caused an inspection of the Appellant's unit to be carried out on 30.01.2026. The said inspection report dated 30.01.2026 has been filed before this Hon'ble Tribunal as Document No. 1 along with a Memo dated 31.01.2026.

**A. Genesis of Closure order**

6. I state that M/s Sree Mallikarjuna Packages is located at Plot No. L-10, Industrial Area, Lokikere Road, Davanagere, was found to have been established and engaged in manufacturing banned single-use plastic (SUP) carry bags (non-woven sack bags) without obtaining prior consent of the Board, though the activity falls under the "Small Green" category.
7. I further state that the Regional Office, Davangere, inspected the unit on 08.04.2025 and observed inter alia that:
  - a. The unit was in operation and engaged in cutting, printing and sealing of non-woven polypropylene single-use carry bags of different sizes.
  - b. One printing machine and two cutting and sealing machines were installed in the unit.
  - c. Non-woven fabric rolls were stored in the premises and in an adjacent godown.
  - d. The unit authorities informed that they were manufacturing about 500 kg of different-sized bags.

  
Senior Environmental Officer  
Karnataka State Pollution Control Board  
Bengaluru.

8. I state that in view of these non-compliances, a Show Cause Notice was issued by RO-Davanagere to the unit on 22.04.2025, and the inspection report was forwarded to the Board Office with a recommendation to issue closure directions under the Water (Prevention and Control of Pollution) Act, 1974.
9. The Board noted that the industry violated the Government of Karnataka Notification No. FEE 17 EPC 2012 dated 11.03.2016, which imposes a ban on plastic carry bags and certain other plastic items, and accordingly placed the matter before the State Level Empowered Committee (SLEC). The SLEC, in its 2nd meeting held on 09.06.2025, approved issuance of closure directions to the said unit without further opportunity of hearing, and, pursuant thereto, the impugned closure order was issued.

**B. Two-fold basis of the Closure Order**

10. I state that the closure direction against the Appellant is founded on two distinct and independent grounds, both borne out from the record:
- a. **Absence of Consent from the Board:** The unit was established and operating without obtaining the prior consent of the Board, in violation of the provisions of the Water (Prevention and Control of Pollution) Act, 1974. This is specifically recorded in the preamble to the closure order, which states that the unit was “established and engaged in manufacturing of banned SUP carry bags (non-woven sack bags) without obtaining prior consent from the Board.”
- b. **Engagement in Manufacture of Banned Non-woven SUP Carry Bags:** The same preamble clarifies that the unit was engaged in manufacturing “banned SUP carry bags (Non oven [non-woven] sack bags)” and that inspection confirmed that the unit was cutting, printing and sealing non-woven polypropylene single-use carry bags of different sizes

 Senior Environmental Officer  
 Karnataka State Pollution Control Board  
 Bengaluru.

**C. Complete Ban in Karnataka under Notification dated 11.03.2016**

11. I state that the Government of Karnataka, Forest, Ecology and Environment Secretariat, has issued a Notification No. FEE 17 EPC 2012, dated 11.03.2016, in exercise of powers under Section 5 of the Environment (Protection) Act, 1986. The Notification records that plastic carry bags and other plastic items used in daily life cause short- and long-term environmental damage and health hazards, and that plastic waste blocks gutters, sewers, and drains and pollutes water bodies in urban areas. A copy of the notification dated 11.03.2016 is enclosed as **Document No.1** for the kind perusal of this Hon'ble Court.

12. I state that the notification, after referring to Article 48-A of the Constitution of India and the environmental problems caused by plastic, imposes a ban on the manufacture, supply, sale and use of a wide range of plastic items in the entire State of Karnataka, including:

- a. Plastic carry bags,
- b. Plastic banners and plastic buntings,
- c. Flex, plastic flags, plastic plates, plastic cups, plastic spoons, cling films and plastic sheets used for spreading on the dining table,
- d. All the above items are made of thermocol, and
- e. Plastic which uses plastic micro-beads.

13. Clause 1 of the Notification unequivocally directs that no person including shopkeeper, vendor, wholesaler, retailer, trader, hawker or salesman shall use plastic carry bags, banners, buntings, flex, flags, plates, cups, spoons, cling films and plastic sheets used for spreading on dining table, "irrespective of thickness", including items made of thermocol and plastic which use plastic micro-beads. It further provides that no industry or person shall manufacture, supply, store, transport, sell and/or distribute such plastic carry bags and other listed items.

*[Handwritten Signature]* 18/3/24  
 Senior Environmental Officer  
 Karnataka State Pollution Control Board  
 Bengaluru.

14. The Notification defines “plastic” in very wide terms, to include, inter alia, non-woven polypropylene and related polymers. The explanatory clause specifically refers to polypropylene (PP), non-woven polypropylene, multi-layered co-extruded polymers and other common plastics such as polyethylene (PE), polyvinyl chloride (PVC), high and low density polyethylene (HDPE and LDPE), polystyrene (PS), poly terephthalate (PT) and poly methyl methacrylate (PMM). Thus, non-woven polypropylene carry bags clearly fall within the ambit of “plastic carry bags” and “plastic” as defined and are fully covered by the State-wide prohibition imposed by the Notification dated 11.03.2016, irrespective of thickness or GSM.
15. The Notification carves out only limited and specific exemptions, for example:
- Plastic carry bags manufactured exclusively for export against confirmed export orders in units located in SEZs and EOUs,
  - Plastic bags forming an integral part of packaging in which goods are sealed before use at manufacturing/processing units,
  - Plastic bags and sheets used in forestry and horticulture nurseries against orders from the Government or concerned firms, and
  - Plastic used for packing milk and milk products (dairy products).
16. None of these exemptions applies to the Appellant’s manufacture of non-woven plastic carry bags for domestic use.

**D. Position under Plastic Waste Management Rules and MoEF & CC Press Release**

17. I state that the Ministry of Environment, Forest and Climate Change (MoEF&CC) has notified the Plastic Waste Management Amendment Rules, 2021 on 12.08.2021. These amendments, inter alia, prohibit identified single-use plastic items with low utility and high littering

  
Senior Environmental Officer  
Karnataka State Pollution Control Board  
Bengaluru.

potential with effect from 01.07.2022, prohibit the manufacture, import, stocking, distribution, sale, and use of plastic carry bags having a thickness less than 120 microns with effect from 31.12.2022, and prohibit non-woven plastic carry bags of less than 60 GSM with effect from 30.09.2021.

18. I state that a Press Release issued by the Press Information Bureau (PIB) of MoEF&CC dated 25.07.2024 summarises the above national regime and further clarifies that, over and above the Plastic Waste Management Rules, 2016 as amended, various States/UTs have issued their own notifications/orders imposing complete or partial bans on plastic carry bags and/or identified single-use plastic items, and an Annexure is provided listing such State-level measures. A copy of the press release is enclosed as **Document No.2.**

19. I state that in the said Annexure, Karnataka is expressly shown as a State with a "Complete ban", with the State Government notification identified as: "Date: 11-03-2016 Notification No.: FEE 17 EPC 2012. The same Annexure further records, under the Karnataka entry, that the State Government has "banned banners, buntings, carry bags (plastic & compostable), cups, cling films, flags, plates, spoons & sheets made of plastic or thermocol", thereby confirming that the ban is not limited to thickness specifications under the central PWM regime but is a complete prohibition in the State.

20. It is therefore submitted that while the Plastic Waste Management Rules, 2016 as amended in 2021 provide a national framework largely focused on handling, management and phased prohibition of certain single-use plastic items and plastic waste, the State of Karnataka has, by a separate and independent exercise of power under Section 5 of the Environment (Protection) Act, 1986, imposed a complete prohibition on manufacture, supply, sale, storage, transport and use of plastic carry bags (including non-woven polypropylene carry bags) in the State, with the public interest

  
Senior Environmental Officer  
Karnataka State Pollution Control Board  
Bengaluru.

in large and Environment protection subject only to narrow exemptions mentioned above.

21. Consequently, even though under the central PWM regime non-woven carry bags above 60 GSM may be permitted in jurisdictions without stricter State-level bans, in Karnataka, such manufacture and use is prohibited by virtue of the State Notification dated 11.03.2016, read with the MoEF&CC Press Release, which recognises Karnataka as a State with a complete ban on plastic carry bags.

22. I state that the Appellant has contended before this Hon'ble Tribunal that it manufactures non-woven polypropylene bags above 60 GSM and therefore does not fall within the category of banned single-use plastic carry bags. This contention, as recorded in the order dated 26.09.2025, appears to rely on the GSM-based thresholds in the PWM Rules and related guidelines. In the State of Karnataka, the following is to be considered:

- a. The State Notification of 11.03.2016 categorically prohibits plastic carry bags and specified plastic items "irrespective of thickness", and expressly covers plastics, including non-woven polypropylene, within the definition of "plastic".
- b. The MoEF&CC Press Release's Annexure identifies Karnataka as having a "Complete ban" on manufacture, import, storage, transport, sale and usage of plastic carry bags in the whole State, pursuant to the same Notification No. FEE 17 EPC 2012 dated 11.03.2016

23. I state that, therefore, irrespective of whether the Appellant's non-woven polypropylene carry bags are above or below 60 GSM, their manufacture and use as carry bags in Karnataka is prohibited by the State Notification, and such products squarely fall within the category of "banned single-use plastic carry bags" for issuance of closure order. It is further submitted that the Appellant has not obtained a valid CFE and CFO to run the unit, and

*[Signature]* 18/3/26  
Senior Environmental Officer  
Karnataka State Pollution Control Board  
Bengaluru.

during the inspection, it was noticed that the unit is run illegally by the Appellant.

24. I state that in light of the above facts and circumstances, it is humbly prayed that this Hon'ble Tribunal may be pleased to dismiss the present appeal and uphold the closure order issued by the Respondent Board in the interest of justice and equity.

**FOREST, ECOLOGY AND ENVIRONMENT SECRETARIAT  
NOTIFICATION**

**No. FEE 17 EPC 2012, Bangalore, Dated: 11.03.2016**

Whereas, plastic carry bags and other plastic items used in daily life cause short term and long term environmental damage and health hazard;

And whereas, Article 48-A of the Constitution of India, inter alia, envisages that the State shall endeavor to protect and improve the environment;

And whereas, it has come to the knowledge of the Government that, the use of plastic carry bags, banners, buntings, flex, plastic flags, plastic plates, plastic cups, plastic spoons, cling films and plastic sheets used for spreading on dining table and items that are made of thermocol are causing serious environmental hazards and affects health of human beings as well as animals;

And whereas, it is observed that the plastic wastes is also causing blockage of gutters, sewers and drains apart from resulting in pollution of water bodies in urban areas;

And whereas, with a view to prevent the recurrence of such problems, the State Government in exercise of the powers conferred under Section 5 of the Environment (Protection) Act, 1986, issues the following directions imposing ban on manufacture, supply, sale and use of plastic carry bags, plastic banners, plastic buntings, flex, plastic flags, plastic plates, plastic cups, plastic spoons, cling films and plastic sheets used for spreading on dining table including the above items made of thermocol and plastic which use plastic micro beads in the state. This notification comes into effect from the date of its publication in the Official Gazette.

**DIRECTION**

1. No person including shopkeeper, vendor, wholesaler, retailer, trader, hawker or salesmen shall use plastic carry bags, plastic banners, plastic buntings, flex, plastic flags, plastic plates, plastic cups, plastic spoons, cling films and plastic sheets used for spreading on dining table irrespective of thickness including the above items made of thermocol and plastic which use plastic micro beads. Further, no industry or person shall manufacture, supply, store, transport, sale and/or distribute plastic carry bags, plastic banners, plastic buntings, flex, plastic flags, plastic plates, plastic cups, plastic spoons, cling films and plastic sheets used for spreading on

dining table irrespective of their thickness including the above items made of thermocol and plastic which use plastic micro beads in the State.

Provided that, the plastic used for the following purposes and circumstances are exempted from this notification;

- a) The plastic carry bags manufactured exclusively for export purpose against any export orders in a plastic industry located in Special Economic Zone (SEZ) and Export Oriented Units (EOU).
  - b) The plastic bags which constitute or form an integral part of packaging in which goods are sealed prior to use at manufacturing/processing units.
  - c) The plastic bags and sheets used in Forestry and Horticulture nurseries against the orders from the Govt Departments or from the firms concerned.
  - d) The plastic used for packing of milk and milk products (dairy products).
2. That the following Officers shall enforce this direction in exercise of power conferred on them by law in their jurisdiction.
- a) The Commissioner, Joint Commissioners, Revenue Officers, all Health Officers and all Engineers of BBMP.
  - b) All Deputy Commissioners of the districts.
  - c) All Commissioners of City Corporations, Chief Officers, Health Officers and all Engineers of Urban Local Bodies.
  - d) All Assistant Environmental Officers, Deputy Environmental Officers, Environmental Officers and Senior Environmental Officers of KSPCB.
  - e) All Assistant Commissioners of Revenue Sub Divisions.
  - f) Tahsildars of all Taluks.
  - g) All officers of Commercial Tax Department.
  - h) All officers of Department of Food and Civil supplies.
  - i) The Controller, Deputy Controller and Regional Officers of Legal Metrology Department.
3. That the following officers shall take cognizance of offences and initiate legal action in case of noncompliance of this direction as per the powers conferred on them under section 19 of the Environment (Protection) Act, 1986 and to file complaint in the jurisdictional court of law on all violators.
- a) Secretary to Government (Ecology & Environment), Forest, Environment and Ecology Department.
  - b) Chairman and Member Secretary, KSPCB.
  - c) Deputy Commissioners of the Districts.
  - d) Assistant Commissioners of Revenue Sub Divisions.
  - e) Regional Officers of KSPCB.

**Explanation 1-** "Plastic" means any of the items mentioned in this direction made out of poly propylene (PP), non-woven poly propylene, multi layered co extruder poly propylene, poly ethylene (PE), poly vinyl chloride (PVC), high and low density poly ethylene (HDPE & LDPE), poly styrene (PS) which is also called thermocol, poly amides (Nylon), poly terephthalate (PT), poly methyl methacrylate (PMM) and plastic micro beads.

**Explanation 2-** The word "carry bag" will have the same meaning that is provided in Rule 3 (b) of the Plastic Waste (Management and Handling) Rules, 2011. In this definition exemption is provided for plastic bag that constitute or form an integral part of packaging in which goods are sealed prior to use.

**Explanation 3-** Karnataka State Pollution Control Board shall be responsible for enforcement regarding the functions specified in clause (a) of Rule 4 of the Plastic Waste (Management and Handling) Rules, 2011 and Urban Local Bodies shall be responsible for enforcement regarding the functions specified in clause (b) of rule 4 of the said Rules;

**Explanation 4-** Officers as mentioned in Government of India's Notification No.S.O.394 (E) dated 16.04.1987 amended from time to time are authorized to file complaints against violation of directions included in this Notification under Section 19 of the Environment (Protection) Act, 1986.

By Order & in the name of the Governor of Karnataka,

**Mahendra Jain**  
Additional Chief Secretary to Government,  
Forest, Ecology and Environment Department

## Compulsory ban on polythene bags

Posted On: 25 JUL 2024 1:34PM by PIB Delhi

The Ministry of Environment, Forest and Climate Change has notified the Plastic Waste Management Amendment Rules, 2021, on 12th August 2021, prohibiting identified single use plastic items, which have low utility and high littering potential, with effect from 1<sup>st</sup> July 2022. The manufacture, import, stocking, distribution, sale and use of plastic carry bags having thickness less than thickness of one hundred and twenty microns is also prohibited with effect from 31<sup>st</sup> December, 2022. Non-woven plastic carry bags of less than 60 gram per sqm (GSM) are also prohibited from 30<sup>th</sup> September 2021. Further, over and above the Plastic Waste Management Rules, 2016, as amended, States/UTs have issued notifications/orders to introduce regulations pertaining to complete or partial ban on plastic carry bags and/or identified single-use plastic items. The details are annexed.

The following steps have been taken to strengthen implementation of Plastic Waste Management Rules, 2016 and to implement ban on identified single use plastic items:

- (i) All thirty-six States/UTs have constituted the Special Task Force under the chairpersonship of the Chief Secretary / Administrator for elimination of identified single use plastic items and effective plastic waste management. A National Level Taskforce has also been constituted by the Ministry for taking coordinated efforts to eliminate identified single use plastic items and effective implementation of Plastic Waste Management Rules, 2016.
- (ii) Directions under Section 5 of the Environment (Protection) Act, 1986 have already been issued to plastic raw material manufacturers for not supplying raw material for manufacture of banned single use plastic items and plastic carry bags having thickness less than thickness of one hundred and twenty microns.
- (iii) For effective monitoring of ban on identified single use plastic items and plastic waste management the following online platforms are in operation (a) National Dashboard on for monitoring of comprehensive action plan implementation, (b) CPCB Monitoring Module for Compliance on Elimination of Single Use Plastic, and (c) CPCB Grievance Redressal App.
- (iv) Pan India enforcement campaigns have been undertaken for implementation of ban on identified single use plastic items since July 2022 by CPCB, SPCBs/PCCs and local authorities. As per available information, during enforcement campaigns, a total of 853832 inspections have been carried out, of which violations were detected in 344689 cases, approximately fine of Rs. 19,05,13,471/- was imposed and 19,49,535 kg. of plastic was seized.
- (v) States and Union Territories have been asked to undertake regular enforcement drives to implement ban on identified single use plastic items and on plastic carry bags having thickness less than one hundred twenty microns covering fruit and vegetable markets, wholesale markets, local

markets, flower vendors, units manufacturing plastic carry bags etc.

(vi) The Departments of Science and Technology and Biotechnology support research projects for alternatives to banned single-use plastic items, as per scheme guidelines. The Ministry of Micro, Small and Medium Enterprises has schemes to provide support to MSME units, which include support to such units which were earlier involved in manufacturing of banned single use plastic items for switching over to alternatives / other products.

#### Annexure

Notification for banning manufacture, use, sale import and handling of Plastic carry bags/items
