Original Application No.1229 of 2024

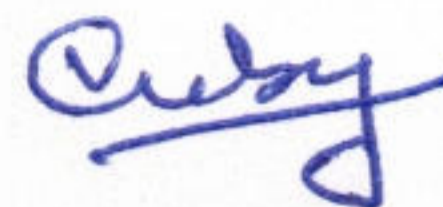

In Re: "News Item titled "Over 1200 sources polluting water bodies in Punjab reveals govt. report" appearing in the Tribune dated 16.09.2024.

Interim reply by way of affidavit of Er. Vicky Bansal, Environmental Engineer, Punjab Pollution Control Board, Regional Office, Barnala on behalf of Punjab Pollution Control Board i.e. respondent no.1 in compliance to order dated 15.10.2024.

I, the above-named deponent, do hereby solemnly affirm and state as under:

Respectfully showeth:

- 1) That the above-mentioned Original Application was registered by the Hon'ble National Green Tribunal in exercise of its suo moto powers on the basis of "News Item titled "Over 1200 sources polluting water bodies in Punjab reveals govt. report" appearing in the Tribune dated 16.09.2024.
- 2) That after consideration of the matter, the Hon'ble Tribunal was pleased to pass an order dated 15.10.2024 thereby impleading the Punjab Pollution Control Board, the Central Pollution Control Board and Ministry of Environment, Forest and Climate Change, Regional Office, Chandigarh as respondents in the case with direction to file their response / reply before the Tribunal.
- 3) That in compliance to the orders dated 15.10.2024 of the Hon'ble Tribunal and in view of the facts and circumstances of the case, the competent

[Handwritten signature]

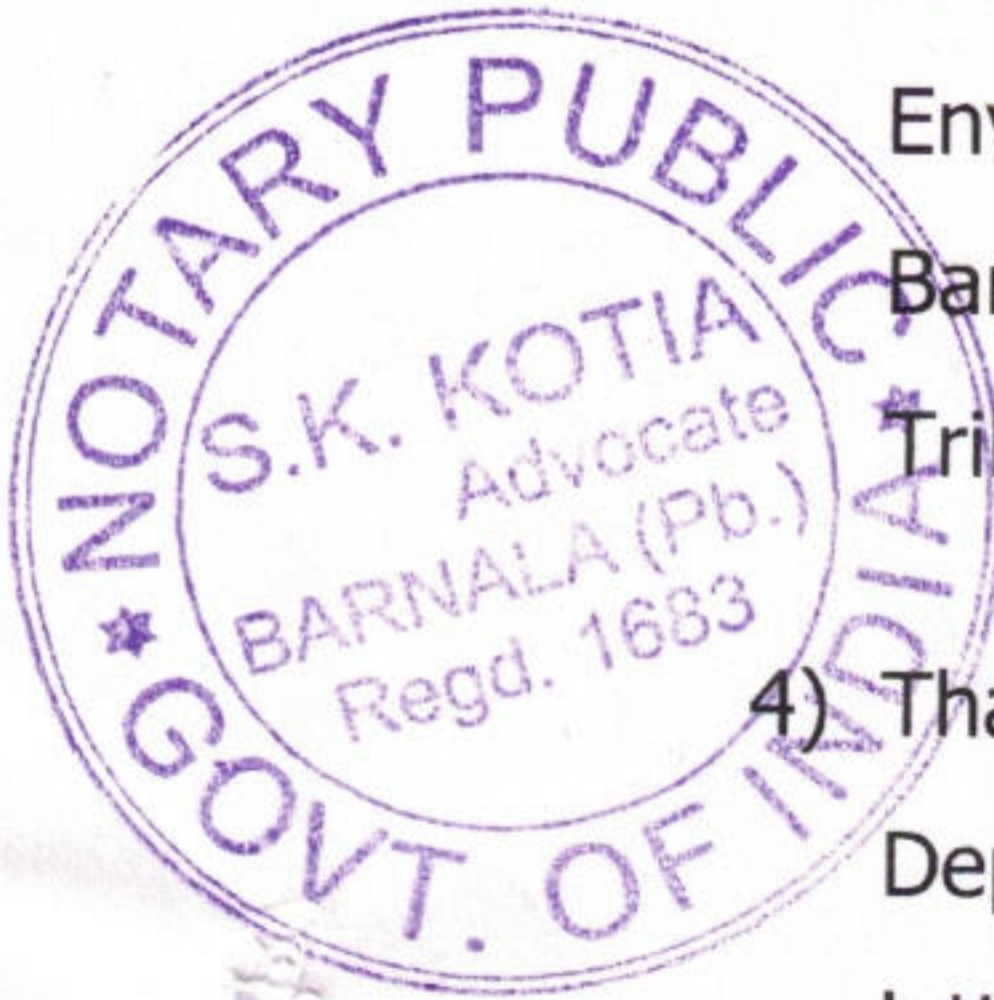

authority of the Board has constituted a committee of the following officers vide office order no. 475 dated 10.12.2024 to gather information and prepare status report in the case.

- a) Environmental Engineer, Regional Office, Amritsar- Nodal Officer
- b) Environmental Engineer, Regional Office, Sangrur- Member
- c) Environmental Engineer, Regional Office, Jalandhar-Member
- d) Environmental Engineer, Regional Office, Patiala-Member
- e) Environmental Engineer, Regional Office, Barnala-member
Convenor

A copy of office order no. 475 dated 10.12.2024 issued by the Punjab Pollution Control Board is enclosed as **Annexure-A**. It is pertinent to mention here that after the issuance of office order no. 475 dated 10.12.2024, the Board has appointed Er. Kuldip Singh, Senior Environmental Engineer to head the committee of the officers and the Environmental Engineer, Punjab Pollution Control Board, Regional Office, Barnala was assigned the duty to file before the Hon'ble National Green Tribunal.

- 4) That keeping in view the facts of the case, the Chief Engineer (Drainage), Department of Water Resources, Punjab, Chandigarh was requested vide letter no. 919 dated 08.01.2025 to nominate nodal officer of the Department to provide the list of 1200 water polluting sources which are discharging into drains / river so that joint visit of these water polluting sources can be done and status report can be filed before the Hon'ble National Green Tribunal. A copy of letter no. 919 dated 08.01.2025 is enclosed as **Annexure-B**.

In reference to letter dated 08.01.2025 of the Punjab Pollution Control Board, the Chief Engineer/ Drainage-cum-Mining and Geology, Water Resources Department, Punjab, Chandigarh vide letter no. 36/2025/D&F dated 21.01.2025 has appointed Sh. Jayant Kaushik, ADE of

any

the Department of Water Resources, Punjab as the Nodal Officer to provide the desired information. A copy of letter dated 21.01.2025 of the Chief Engineer, Drainage, Department of Water Resources, Punjab is enclosed as **Annexure-C**.

5) That the Nodal Officer appointed by the Department of Water Resources has shared the list of water polluting sources with the Environmental Engineer, Punjab Pollution Control Board, Regional Office, Barnala on 24.01.2025.

6) That considering the information supplied by Sh. Jayant Kaushik, ADE, Department of Water Resources, Punjab, the Board has taken up the matter with the officers of the Department of Local Government and the Department of Rural Development and Panchayats and a meeting of the concerned departments including the Regional Offices of the Punjab Pollution Control Board was convened by the Nodal Officer appointed by the Board on 27.01.2025 to take further action in the matter.

7) That online meeting on 27.01.2025 was attended by the Chief Engineer of the Department of Local Government; Superintending Engineer of the Department of Rural Development and Panchayats, Mohali; Assistant Divisional Engineer, Department of Water Resources and all the Environmental Engineers of Regional Offices of the Punjab Pollution Control Board. The Nodal Officer appointed by the Board has interacted with the officers of the above-mentioned departments and desired the relevant information so that status report is filed before the Hon'ble National Green Tribunal. The concerned departments have sought time of one month to verify the polluting sources and to submit the action taken report to the Board. After deliberations, following decisions were taken during the meeting.

a) The Department of Water Resources shall update the status of water polluting sources by 28.01.2025 and

File

shall share the updated list with the Board. The department shall also provide the contact details of all concerned Divisional Engineers for any query.

- b) The Department of Rural Development & Panchayats shall verify the point sources related to it and submit the action taken report of all water polluting sources mentioned in the list provided by the Department of the Water Resources, within one month.
- c) The Department of Local Govt. Punjab shall verify the point sources related to it and submit the action taken report of all water polluting sources mentioned in the list provided by the Department of the Water Resources, within one month.
- d) All the Regional Offices of the Board shall verify the water polluting sources falling under their area of jurisdiction and shall submit action taken report, within one month.

- 8) That the minutes of the meeting held on 27.01.2025 have been conveyed by the Board to the concerned departments vide letter no. 693-96 dated 28.01.2025 for information and compliance. A copy of letter no. 693-96 dated 28.01.2025 alongwith minutes of the meeting held on 27.01.2025 is enclosed as **Annexure-D**.
- 9) That after receiving the information from the concerned departments and Regional Offices, the Nodal Officer appointed by the Board will compile the data for filing of status and action taken report before this Hon'ble Tribunal. In this regard a time period of two month is requested for filing the final status report before this Hon'ble Tribunal.

for

It is, therefore, prayed that a time period of two months may please be granted to the Punjab Pollution Control Board to file the status and action taken report before this Hon'ble Tribunal.

Office Order

The Hon'ble National Green Tribunal has registered Original Application No. 1229 of 2024 in exercise of suo moto powers on the basis of a news item "Over 1200 sources polluting water bodies in Punjab reveals Govt. report" appearing in the Tribune dated 16.09.2024.

2) The news item relates to a government report that identifies over 1,200 sources of pollution affecting water bodies in Punjab. As per the article, the highest number of pollution sources, 390, were found in Amritsar, followed by 159 in Sangrur. The article highlights that the report provides a district-wise breakdown of pollution sources, with other notable figures including 82 in Jalandhar, 66 in Patiala, and 59 in Barnala. As per the report, untreated water from villages, municipal committees, and other organizations is often discharged directly into rivers and drains, leading to significant water pollution. This practice violates both the Water Pollution Act and the Northern India Canals and Drainage Act of 1873. Furthermore, it is asserted that pollution is not just an environmental issue; it poses significant risks to public health, affecting drinking water supplies and increasing the risk of waterborne diseases.

3) After consideration of the matter, the Hon'ble National Green Tribunal vide order dated 15.10.2024 has impleaded the Punjab Pollution Control Board, Central Pollution Control Board and Ministry of Environment, Forest and Climate Change, Government of India with direction to file their response / reply by way of affidavit at least one week before the next date hearing on 04.02.2025.

4) In view of the above facts and circumstances of the case, a committee of following officers is hereby constituted to gather information and prepare status report in the case.

- a) Environmental Engineer, Regional Office, Amritsar -Nodal Officer
- b) Environmental Engineer, Regional Office, Sangrur- Member
- c) Environmental Engineer, Regional Office, Jalandhar - Member
- d) Environmental Engineer, Regional Office, Patiala - Member
- e) Environmental Engineer, Regional Office, Barnala – Member Convenor

of

5) The Environmental Engineer, Regional Office, Amritsar will act as Nodal Officer and Environmental Engineer, Regional Office, Barnala as member convener in the case. The Nodal Officer will file reply before the Hon'ble National Green Tribunal well before the next date of hearing on 04.02.2025 after approval of the competent authority.

Subject: Compliance of Hon'ble NGT order dated 15.10.2024 in the matter of OA No. 1229/2024; News Item titled "Over 1200 sources polluting water bodies in Punjab reveals govt. report" appearing in the Tribune dated 16.09.2024.

It is informed that the Hon'ble National Green Tribunal, New Delhi has registered OA No. 1229 of 2024 in exercise of suo moto powers on the basis of a news item "Over 1200 sources polluting water bodies in Punjab reveals Govt. report" appearing in the Tribune dated 16.09.2024.

The news item relates to a government report that identifies over 1,200 sources of pollution affecting water bodies in Punjab. As per the article, the highest number of pollution sources, 390, were found in Amritsar, followed by 159 in Sangrur, 82 in Jalandhar, 66 in Patiala, and 59 in Barnala. As per the report, untreated water from villages, municipal committees, and other organizations is often discharged directly into rivers and drains, leading to significant water pollution. This practice violates both the Water Pollution Act and the Northern India Canals and Drainage Act of 1873. Furthermore, it is asserted that pollution is not just an environmental issue; it poses significant risks to public health, affecting drinking water supplies and increasing the risk of waterborne diseases.

After consideration of the matter, the Hon'ble National Green Tribunal vide order dated 15.10.2024 has impleaded the Government of Punjab & Government of India with direction to file their response / reply by way of affidavit at least one week before the next date hearing on 04.02.2025.

It is, therefore, requested to nominate one Nodal Officer of your department to provide the list of above mentioned 1200 water polluting sources which are discharging into drains/river so that joint visit of these water polluting sources can be done and status report can be filed before the Hon'ble NGT.

Treat it as most urgent.

Subject: Minutes of the meeting taken by Sh. Kuldeep Singh, Senior Environmental Engineer, Punjab Pollution Control Board, Zonal Office-2, Ludhiana on 27.01.2025 at 3:00 p.m. through Video Conference to ensure the compliance of Hon'ble NGT order dated 15.10.2024 in the matter of OA No. 1229/2024; News Item titled "Over 1200 sources polluting water bodies in Punjab reveals govt. report" appearing in the Tribune dated 16.09.2024.

The following were present in the meeting: -

1. Sh. Kuldeep Singh, SEE, Punjab Pollution Control Board, Zonal Office-II, Ludhiana.
2. Sh. Rajiv Sharma, CE, Department of Local Govt. Punjab, Chandigarh.
3. Sh. Tejinder Singh Multani, SE, Department of Rural Development and Panchayats, Mohali.
4. Sh. Jayant Kaushik, ADE, Department of Water Resources, Punjab, Chandigarh.
5. All the Environmental Engineers, Regional Office's, Punjab Pollution Control Board.

At the outset, Sh. Vicky Bansal, Environmental Engineer, PPCB, RO, Barnala welcomed all the participants. He apprised the members regarding background of the subject cited case pending in the Hon'ble National Green Tribunal, New Delhi. He informed that OA No. 1229 of 2024 is registered suo-moto on the basis of a news item titled "Over 1200 sources polluting water bodies in Punjab reveals Govt. report" appearing in the Tribune dated 16.09.2024.

The news item relates to a government report that identifies over 1,200 sources of pollution affecting water bodies in Punjab. As per the article, the highest number of pollution sources, 390, were found in Amritsar, followed by 159 in Sangrur. The article highlights that the report provides a district-wise breakdown of pollution sources, with other notable figures including 82 in Jalandhar, 66 in Patiala, and 59 in Barnala. As per the report, untreated water from villages, municipal committees, and other organizations is often discharged directly into rivers and drains, leading to significant water pollution. This practice violates both the Water Pollution Act and the Northern India Canals and Drainage Act of 1873. Furthermore, it is asserted that pollution is not just an environmental issue; it poses significant risks to public health, affecting drinking water supplies and increasing the risk of waterborne diseases.

He further informed that the next date of hearing before the Hon'ble NGT is fixed for 04.02.2025.

He apprised that Punjab Pollution Control Board vide letter no. 919 dated 08.01.2025 had requested the Chief Engineer (Drainage), Department of Water Resources, Punjab to nominate one Nodal Officer of his department to provide the list of above mentioned 1200 water polluting sources which are discharging into drains/river so that joint visit of these water polluting sources can be done and status report can be filed before the Hon'ble NGT.

The Department of Water Resources, Punjab vide letter no. 36 dated 21.01.2025 has designated Sh. Jayant Kaushik, ADE (Mobile No. 62397-78760) as nodal officer to provide the desired information. Accordingly, Sh. Jayant Kaushik, ADE vide e-mail dated 24.01.2025 has provided the list of above said water polluting sources, which has been shared through whatsapp with all the members.

Sh. Paramjit Singh Multani, SE, Department of Rural Development and Panchayats told that they have scrutinized the list provided by the Department of Water Resources and according to this list, 619 water polluting sources are related to this department. Further he added

Handwritten signature/initials in blue ink.

-12-

that 181 more point sources are identified by their department, whose sullage water falls directly or indirectly in various rivers of State of Punjab, thus totalling 800 water polluting sources. He apprised that 10 years Action Plan has been prepared for rejuvenation of villages ponds. He further told that around one month is required to verify these 800 point sources by the filed officers and to submit action taken report in the matter.

Sh. Rajiv Kumar, CE, Department of Local Govt. Punjab said that they will identify point sources related to their department and shall take appropriate action in the matter. He further informed that at least one month is required to submit the action taken report in the matter.

The Officers from the Regional Offices of PPCB told that it will take one month time to verify these water polluting sources falling under their area of jurisdiction and to submit action taken report.

Sh. Jayant Kaushik, ADE, Department of Water Resources said that the field officers of his department are updating the status of point sources and will submit the final list by 28.01.2025. He informed that his department is also taking against the violators as per law. He further told that for any query related to any point source, concerned Divisional Engineer of his department can be contacted.

After deliberating the matter in detail, it was decided as under: -

1. The Department of Water Resources shall update the status of water polluting sources by 28.01.2025 and shall share the updated list with the Board. The department shall also provide the contact details of all concerned Divisional Engineers for any query.
2. The Department of Rural Development & Panchayats shall verify the point sources related to it and submit the action taken report of all water polluting sources mentioned in the list provided by the Department of the Water Resources, within one month.
3. The Department of Local Govt. Punjab shall verify the point sources related to it and submit the action taken report of all water polluting sources mentioned in the list provided by the Department of the Water Resources, within one month.
4. All the Regional Offices of the Board shall verify the water polluting sources falling under their area of jurisdiction and shall submit action taken report, within one month.

Meeting ended with vote of thanks
