BEFORE THE NATIONAL GREEN TRIBUNAL
 PRINCIPAL BENCH, NEW DELHI

O.A. NO. 491 OF 2024

IN THE MATTER OF

NEWS ITEM TITLED "GANGA WATER UNSAFE EVEN FOR BATHING SAYS BIHAR GOVT REPORT ON RIVER POLLUTION" APPEARING IN HIDUSTAN TIMES DATED 26.02.2024.

COUNTER AFFIDAVIT ON BEHALF OF RESPONDENT NO. 4 - ADDITIONAL CHIEF SECRETARY, DEPARTMENT OF ENVIRONMENT, FOREST AND CLIMATE CHANGE, BIHAR.

I, S. Chandrasekar, Male, aged about 47, Son of Mr. S. Subramani, Residing at No. 3, Aranya Awas, Saheed Peer Ali Khan Road, Patna, District- Patna, do hereby solemnly affirm and State as follows:-

1. That I am posted as Chief Conservator of Forest-cum-State Nodal Officer, Environment and Climate Change, as such I

S. Chandrasekar
 who is identified by Advocate *A.K. Lal*
 solemnly affirmed and declared contents of
 this affidavit apart from this writing in
 (any) other way etc. 1/53 Sub-4
 Date 28/10/24

am well aware of the facts and circumstances of the present matter. I am competent and duly authorized to swear the present affidavit.

2. That the instant matter has been registered *suo motu* on the basis of the news item titled "Ganga water unsafe even for bathing, says Bihar govt report on river pollution" appearing in 'Hindustan Times' dated 26.02.2024. As per the news item, almost all major rivers passing through Bihar are unsafe even for bathing and this disclosure is on the basis of the annual survey report on health of reservoirs tabled by the Bihar State Pollution Control Board (BSPCB).
3. That in this regard it is stated that the BSPCB is regularly carrying water samples analysis at 34 sites of river Ganga and from the result of such analysis it appears that pH; Dissolved Oxygen Level; Bio-Chemical Oxygen Demand level of the water at the 34 sites are conforming the standards as laid down by MoEF&CC Govt. of India, however the parameters w.r.t to Total Coliform and Fecal Coliform is beyond the standards.

A copy of analysis report for 34 sites is annexed and marked as Annexure-1.

4. That the TC and FC is beyond the prescribed standards as the household sewage generated in concerned urban areas is being discharged into river Ganga without any prior treatment. In this connection STP is being constructed in different cities in State of Bihar and 4 STP in Patna; 1 in Barh; 1 in Munger; 1 in Sonpur; 1 in Sultanganj; 1 in Maner; 1 in Navgachiya; 1 in Chapra; 1 in Danapur and 1 in Phulwari Sharif has already been constructed.
5. That the State of Bihar through Urban Development and Housing Department, Govt. of Bihar and the Bihar Urban Infrastructure Development Corporation (BUIDCO) is constructing STPs in different cities of State of Bihar and upon commissioning of the same the water quality of river Ganga and its tributaries is likely to improve. In the meantime,

bioremediation is being done to treat the untreated waste water.

6. That the answering respondents is filing a short affidavit at this stage and craves leave of this Hon'ble Tribunal to file a more detailed affidavit at a later stage of the proceeding.

7. That I have read the contents of the compliance affidavit and have understood the same and the annexures are true copies of its respective originals.
