provisions of EIA Notification dated 14.09.2006, vide its letter dated 24.11.2018, for the area in question before execution of the mining lease deed.

2. That the appellant, by way of aforesaid appeal, has challenged the validity of procedure adopted by the State Level Environmental Impact Assessment Authority, Uttar Pradesh, Lucknow for issuing the prior environmental clearance in favour of the respondent and others before this Hon'ble Tribunal, but the answering respondent is only concerned to apply for obtaining the prior environmental clearance before execution of the mining lease deed and the State Level Environmental Impact Assessment Authority, Lucknow is competent to examine the application of the respondent, and thereafter issue the prior environmental clearance in accordance with the procedure prescribed in the EIA Notification dated 14.09.2006; and such authority is also competent to justify its decision for granting the prior environmental clearance, for the area in question, before this Hon'ble Tribunal.

3. That in the above mentioned appeal, this Hon'ble Tribunal, vide order dated 23.01.2020, was pleased to direct as under:-

4. That in pursuance of the order dated 23.01.2020, passed by this Hon'ble Tribunal, the Advocate of the appellant informed the order dated 23.01.2020, passed by this Hon'ble Tribunal, to the answering respondent.

5. That in compliance of the order dated 23.01.2020, passed by this Hon'ble Tribunal, as informed by the Advocate of the appellant, this reply is being filed before this Hon'ble Tribunal, with the prayer that the financial liability of the respondent may also be determined, in the interest of justice, otherwise the answering respondent will suffer from irreparable loss & injury.

6. That in compliance of the order dated 25.09.2019, passed by this Hon'ble Tribunal, as communicated by the District Officer, Kanpur, vide its order dated 01.10.2019, the answering respondent was prohibited to conduct the mining operations on the area; and in compliance of the order dated 25.09.2019, the mining operation was not started with effect from 01.10.2019. 1,24,952 cubic metres only, till the period of closure of mining operations.

8. That the purpose of answering respondent, for submitting reply before this Hon'ble Tribunal is limited only to the extent that the financial responsibility of the respondent must be decided, and he may be declared to be liable for payment of bid amount per cubic metre, multiplied by the excavated quantity of ordinary sand, during the period in which the respondent was allowed to do the mining operation.

9. That the District Officer, Kanpur Dehat was not competent to grant the mining lease in favour of the answering respondent without prior environment clearance, issued by the Regulatory Authority and the environmental clearance dated 24.11.2018, related to the area in question, is subject matter of this Appeal. Hence this Hon'ble Tribunal also made a clear cut direction to the District Officer, Kanpur Dehat for realizing the amount to the extent only of that quantity of mineral, which was excavated in pursuance of the environmental clearance dated 24.11.2018, in the interest of justice, otherwise may declare the lease agreement null and void, as per directions of Hon'ble Supreme Court in the case of Deepak Kumar.

10. That it is also submitted that the answering respondent has already again applied for the prior environmental clearance before the concerned authority on 24.10.2019, which is still pending for disposal. Hence, it is most respectfully prayed to this Hon'ble Tribunal to kindly direct the SEIAA, U.P., Lucknow for disposal of the same, and this Hon'ble Tribunal may also kindly be pleased to pass an order to prohibit the District Officer, Kanpur Dehat from demanding the installment of such obstructed period, during which no mining
