(ix) In the meantime 05 (Five) months have already been passed; She failed to deposit the same in spite of issuing several reminders, hence the Form-F (intimation to successful bidder) has been cancelled as per provisions under Rule- 27 (6, 7 & 13) of OMMC Rules, 2016 and communicated vide this Office Letter No. 6888 Dated. 07.12.2023. Whereas the Lease Deed Agreement has not been executed in favour of the Siripur Sand Bed, as the same has not been operationalized so far.

It is not true that the illegal sand lifting has been happening in Siripur area, since 2022 and in spite of protest by local villagers the respondent authorities remained inactive. It is submitted here that, the authorities are taking steps against the wrong doers. They are working day and night to check the illegal lifting of the sand from the river. In spite of that some miscreants lifting the sand in the places taking advantage of the loneliness of the places and the ignorance of the people of that area. The Tahasildar, Chikiti by remaining vigilant over the issue conducted

night patrolling and checked the illegal lifting of sand in the area. He has booked cases against the persons involved in illegal lifting of the sand within his area and has taken strong action against them in accordance with law. Thus, it cannot be said that the authorities have remained in action in the matter.

Copy of list of cases detected is annexed here with as Annexure-A/4 .

8. That, in reply to the averments made in Para-5 of the Original Application, it is humbly submitted that, the villagers of Siripur under Nuapada R.I. Circle made a representation to the Collector, Ganjam stating that, they noticed from the advertisement dated 30.6.2022 vide letter No.3161 that the area of the Bahuda river pertaining to K.No.115, Plot Nos. 130/830,134/831, and 192/832 have been leased out for sand quarry. They alleged that in case the lease is granted, the same would cause damage to the river bed, the Gochar land and the village Basti. They prayed to stop the Quarry. Again they along with some social activists made another representation to the Collector, Ganjam alleging that one D.D. Builder company of Andhra Pradesh has been illegally lifting the sand from the river connected to their village. They did not detect lifting of sand by the said builder or any other persons from the area. Patrolling is being carried out regular basis in that area.

9. That, in reply to the averments made in Para-6 of the Original Application, it is not a fact that the state authorities failed to take note of the environment pollution and granted the lease. Whether though Environment Clearance was granted but the source not allowed operating due to litigation raised before the Hon'ble High Court, Orissa

10. That, in reply to the averments made in Para-6(a) of the Original Application, it is humbly submitted that, there is no dispute with regard to the consequences the civilization has to face, if the lifting of sand is allowed frequently without taking note of its adversity. However, the applicant is not the correct person to say the same. It is submitted that the state had declared the area as the sairat source after taking opinion from the experts. Accordingly, earlier the sairat lease was granted in favour of Krupa Sindhu Muduli. On completion of the period of lease, the state government invited tender for the sand quarry. One Swapna Behera was selected for the lease as per advertisement dated 13.4.2021 being the highest bidder. But due to non-compliance of the requirements, the lease is not yet been confirmed. Thus, there is no operation of the sand quarry since the year, 2021. It is also duty of general public to intimate the authorities regarding illegal lifting of sand from the river in their area. In such event the authorities will take immediate

action against the wrong doers. The state machinery is always vigilant over the mater.

The respondents further submit that the power of judicial review will not be permitted to be invoked to protect private interest at the cost of public interest. It is the general phenomena of the unsuccessful people to make mountains out of molehills of some technical/procedural violation or some prejudice to self, and persuade courts to interfere by exercising power of judicial review. In the present case the applicant has not come to the court with clean hands. He was instrumentalized by his associates. There was no objection from the general public with regard to lifting of sand from the area. Accordingly, lease was given from time to time. The state has to collect revenue from different sources for the benefits of its people. Otherwise, the developmental programmes will be stopped. It is also duty of the state to see that his people will not be affected by its activities. Accordingly, before choosing an area for sairat source the state obtains expert opinions to safeguard the environment pollution and the social impact. After that only it publishes the notice for publication. Thus, the state has not committed any wrong by issuing the notice for sand quarry.

that, the allegations are subject to strict proof. No such illegal lifting, stocking and transporting of sand has come to the notice of the respondents and to check / stop the illegal lifting of minor minerals are being ensured by conducting massive enforcement raids by the enforcement squad.

12. That, in reply to the averments made in Para-8 of the Original Application, it is humbly submitted that, Publication of news in the newspapers is not disputed. But it is not a fact that, the authorities had not taken any action in the matter.

13. That, in reply to the averments made in Para-9 of the Original Application, it is humbly submitted that, It is not a fact that, the respondents continued to allow illegal lifting of sand from "Bahuda" river within their knowledge and failed to implement the law in force and they are encouraging illegal sand lifting for personal gain ignoring the interest of the nearby villagers. It is submitted here that there is no violation of any laws and the authorities have been properly implementing the laws, rules and regulations.

14. That, in reply to the averments made in Para-10 of the Original Application, it is humbly submitted that, the applicant is put to strict proof of the allegations made in this para. He has also to prove that

he brought this fact to the notice of the authorities and in spite of that they remained silent.

15. That, in reply to the averments made in Para-11 of the Original Application, it is humbly submitted that, the applicant is no way aggrieved. He has made the application with the evil motive to harass respondents.

16. That, in reply to the averments made in Para-12 of the Original Application, it is humbly submitted that, since there is no cause of action for filing this case the grounds urged in the application are devoid of merit and needs no consideration.

17. That, in reply to the averments made in Para-13 of the Original Application, it is humbly submitted that, it is true that it is bounden duty of the State Authorities to protect the environmental pollution. It is also bounden duty of the authorities to act in accordance with law. They cannot take action against a person without any reason.

18. That, in reply to the averments made in Para-14 of the Original Application, it is humbly submitted that, it is not a fact that, due to lack of control against wrongful activities that has been continuously and consciously carried on by some dishonest businessmen causing serious environmental effect in the river(Bahuda). The authorities will take stringent

action against the wrong doers, as and when the same would come to their notice. They have never allowed any businessmen to lift the sand with their knowledge.

19. That, in reply to the averments made in Para-15 of the Original Application, it is humbly submitted that, the jurisdiction of Revenue Department with regard to management of mines and minerals has been transferred to the Steel and Mines Department vide Notification No.12167/dtd.27-12-2022 of Principal Secretary, Mines Department and Letter No. 883/dtd06-01-2023 ACS to Govt of Odisha, R&DM Department. It is ordered that the operation of Mines and Minerals shall be carried out by the Steel and Mines Department from the date of the notification was given effect. It is ordered that the following operations are also transferred to the Department. To

All Tahasildars of Ganjam District.

Sub: Transfer of Minor Mineral sources to the Steel & Mines Department.

- Ref: 1. Notification No 12167 dated 27.12.2022 of Principal Secretary to Govt. Steel & Mines Depart.
2. Letter No 883 dated 06.1.2023 of ACS to Govt. R&DM Department.

Sir/ Madam,

In inviting a reference to the letter on the subject cited above, I am to say that the Govt. has issued comprehensive guide lines for transfer of Minor Mineral sources to the Steel & Mines Department as per the following priority.

- I. Operational Minor Mineral Sources.
- II. Sources which are not yet put to auction.
- III. Sources which are under process of auction (including sources pending for EC/CTO)

The total sources as per the DSR required to be transferred except pending court cases. Inspite of 6 months time elapsed all sources have not been transferred to DDM/Mining Officer as reported by them.

In view of the above, all Tahasildars are requested to hand over all Minor Mineral sources as per DSR and submit report as per the format enclosed.

This may be treated as **Most Urgent**.

Encl : As above

Yours faithfully,

Addl. District Magistrate,
Ganjam

Sub: Guidelines for smooth transfer of Minor Mineral sources to the administrative control of Steel & Mines Department

Madam/ Sir,

In inviting a reference to the subject mentioned above, I am to say that the Odisha Government Rules of Business has been amended by substituting the word "Sairat" appearing against item No 30 under the "State Subjects" against Branch No 1 "Revenue" with "Sairat except minor minerals as defined under the Mines and Minerals (Development and Regulation) Act, 1957" vide GA & PG Department Notification No.32882 dated 21.11.2022 (Copy enclosed).

2. In the meanwhile, OMMC Rules 2016 have been amended vide Notification No.12167 dated 27.12.2022 by Steel & Mines Department (Copy enclosed) wherein Tahasildar and Collector of the District have been substituted with Mining officer and Dy Director Mines as the Competent Authority & Controlling Authority respectively. However, since filling up the positions will take some time, the aforesaid amended OMMC Rules also provides that in order to ensure smooth transfer of minor mineral sources, the existing arrangement will continue till the new system is put in place.

3. In this connection, a meeting was held on 28.11.2022 under the Chairmanship of Chief Secretary, Odisha wherein the following decisions pertaining to phasing of transfer of sources to Steel and Mines Department were taken:

(a) The presently operational minor minerals source shall be transferred to Steel & Mines Department preferably in Districts where DDM/MO of Steel & Mines Department are in place

(b) The districts where DDM/MO are not in place, sources shall not be transferred at present. The transfer will take place when DDM/MO is posted
