**Filed by Adv. Atif Suhrawardy
On behalf of Central Pollution Control Board**

**Place: Delhi
Dated: 18.02.2025**

Final Report of the Joint Committee and Action Taken Report (ATR) in the matter of OA No. 1132 of 2024; Deepak Versus State of Haryana, in compliance to the Order of Hon'ble National Green Tribunal (Principal Bench) dated 18/11/2024.

1.0. Background and the Orders of Hon'ble NGT (PB):

The matter pertains to a letter petition filed on 30/01/2024 by Shri Deepak Son of Shri Chanderbhan, resident of Village Dadlana, District Panipat, State of Haryana, complaining about illegal and unauthorized operation of Ready-Mix Concrete Plants in violation of environmental laws causing air and water pollution. The letter petition has been registered as Original Application (OA) no. 1132 of 2024 by the Hon'ble National Green Tribunal (PB).

It is alleged in the letter petition that for the civil work of Indian Oil Corporation Ltd. (IOCL), Panipat Refinery at KP-25 Project area, several construction companies have set up Ready Mix Concrete (RMC) plants on agriculture land of farmers by taking land on rent and about 50 such plants have been set up. These plants are extracting groundwater illegally without permission of competent authority and operation of these plants is also emitting huge quantity of dust causing air pollution in the area which is causing health hazards to local people.

The Hon'ble NGT vide its Order dated 18/11/2024 (**Annexure-1**) directed that:

Para 03: *In our view, allegations made in the complaint do give rise prima facie to substantial question relating to environment arising out of implementation of enactments mentioned in Schedule I of NGT Act, 2010 but before taking any further action in the matter we find it appropriate to get the facts verified and for this purpose, we constitute a Joint Committee comprising District Magistrate, Panipat; Haryana State Pollution Control Board; and, Central Pollution Control Board.*

Para 04: *Central Pollution Control Board shall be the Nodal Authority for co-ordination and compliance of this order.*

Para 05: *Above Committee shall collect relevant information and submit report within one month.*

2.0. Action taken to comply with the directions of Hon'ble NGT:

2.1. Constitution of the Joint Committee:

In compliance to the directions of the Hon'ble NGT, a Joint Committee comprising of following members, was constituted:

- i. Shri Virender Kumar, Tehsildar, Panipat (Member nominated by Deputy Commissioner, Panipat)
- ii. Er. Kuldeep Singh, AEE, Regional Office, HSPCB, Panipat (Member nominated by Member Secretary, Haryana State Pollution Control Board)

- iii. Dr. Narender Sharma, Scientist 'F', CPCB Regional Directorate, Chandigarh (Member and Nodal Officer, nominated by Member Secretary, CPCB)

2.2. Site Visit and Collection of relevant information:

1st Site Visit: The first site visit of the Joint Committee was conducted on 04/12/2024: (i) to verify the facts mentioned in the letter petition and (ii) to collect the relevant information for compiling the factual report as directed by the Hon'ble NGT.

The applicant in Original Application no. 1132 of 2024, Shri Deepak along with other officials of Haryana State Pollution Control Board (HSPCB) and District Administration also participated in the Joint Inspection, to assist the Joint Committee. The attendance sheet is attached as **Annexure-2**. The relevant information was also sought from IOCL, Panipat Refinery, Revenue Department, HSPCB and various RMC plants visited by the Joint Committee.

The following preliminary findings/observations were made by the Joint Committee during 1st site inspection:

- i. The IOCL, Panipat Refinery has signed agreement with around 40 contractors for various projects and these contractors are sourcing Ready Mix Concrete from various RMC plants.
- ii. The Joint Committee identified 23 RMC plants located in the area under reference.
- iii. As per data shared by HSPCB, out of these 23 RMC plants, only 02 plants have obtained Consent to Operate (CTO) from HSPCB and remaining 21 RMC have been established without obtaining Consent to Establish (CTE) and operating without obtaining Consent to Operate (CTO) from HSPCB. As per the classification of Industrial sectors by CPCB in 2016 and 2025, RMC plants are classified under "Green Category" and required to obtain prior CTE and CTO from the concerned SPCB/PCC.
- iv. Due to imposition of GRAP IV, all the RMC plants were found closed at the time of inspection.

The following additional information was also sought by the Joint Committee during the

1st Site Visit: i) The ownership of land of these RMC plants, and ii) The IOCL's contractors' agreements signed with the RMC plants for supplying of Ready-Mix Concrete to IOCL projects, to determine the total number of such RMC plants that existed in the

recent past.

2nd Site Visit: The 2nd site visit of the Joint Committee was conducted on 07/02/2025. Some of the RMC Plants in the area under reference were found to be under the jurisdiction of HSPCB Regional Office, Karnal and therefore Shri Shailendra Arora, Regional Officer, HSPCB, Karnal was also associated in the site visit. The attendance sheet is attached as **Annexure-3**.

3.0. Findings of the Joint Committee:

Initial findings of the Joint Committee made during 1st site inspection on 04/12/2024 and the examination of subsequent information provided by HSPCB suggested that the allegations made in the letter petition regarding illegal and unauthorized operation of Ready-Mix Concrete Plants in violation of environmental laws causing air and water pollution appeared to be correct. Accordingly, a Status cum Progress report was submitted by the Joint Committee, while requesting grant of 06 weeks' extension time for filing the final report (**Annexure-4**). The request for grant of 06 weeks' time for filing the report was accepted by the Hon'ble NGT vide Order dated 19/12/2024 (**Annexure-5**). The further findings of the Joint Committee based on 2nd site inspection carried out on 07/02/2025 and examination of additional information received through HSPCB are as follows:

1. *During the first site visit on 04/12/2024, the Joint Committee identified 23 Ready Mix Concrete (RMC) plants in the area. Out of these, 17 RMC plants fall under the jurisdiction of the HSPCB Regional Office, Panipat, while the remaining 06 are under the jurisdiction of the HSPCB Regional Office Karnal.*
2. *Out of the 17 RMC plants in the Panipat region, 16 RMC Plants have been set up without obtaining Consent to Establish (CTE) and are operating without obtaining Consent to Operate (CTO) from HSPCB. The list of RMC Plants located in Panipat region alongwith status of Consent to Operate, is given in **Table 1**.*

Table 1: List of RMC Plants identified by the Joint Committee in Panipat region.

S.No.	Name & Address of RMC Plant	Consent Status	Jurisdiction
1	VRC Construction Company, Ready Mix Concrete Plant, Village Dadlana, Panipat	CTO obtained with validity upto 31.12.2026	Panipat
2	Alpha Logistic, Ready Mix Concrete Plant, Village Baholi/Bal Jattan, Panipat	Not Obtained	Panipat
3	Ashwani Kumar, Ready Mix Concrete Plant, Village Dadlana, Panipat	Not Obtained	Panipat

4	Aviraj Industries, Ready Mix Concrete Plant, Village Razapur, Panipat	Not Obtained	Panipat
5	Sandhu & Co., Ready Mix Concrete Plant, Village Singhpura-Sithana, Panipat	Not Obtained	Panipat
6	Mannat RMC India Pvt Ltd (Formely Konark Enterprises (Part-I)), Ready Mix Concrete Plant, Village Baholi/Bal Jattan, Panipat	Not Obtained	Panipat
7	Mohan Garh Engineering & Construction, Ready Mix Concrete Plant, Village Baholi/Bal Jattan, Panipat	Not Obtained	Panipat
8	Nav Rattan Construction Co., Ready Mix Concrete Plant, Village Dadlana, Panipat	Not Obtained	Panipat
9	Newtech (Part-I), Ready Mix Concrete Plant, Village Dadlana, Panipat	Not Obtained	Panipat
10	Newtech (Part-II), Ready Mix Concrete Plant, Village Dadlana, Panipat	Not Obtained	Panipat
11	RSB Project Pvt. Ltd., Ready Mix Concrete Plant, Village Singhpura-Sithana, Panipat	Not Obtained	Panipat
12	SKF Enterprises, Ready Mix Concrete Plant, Village Singhpura-Sithana, Panipat	Not Obtained	Panipat
13	VRC Construction Company (Part-2), Ready Mix Concrete Plant, Village Baholi/Bal Jattan, Panipat	Not Obtained	Panipat
14	Tanwar Projects Pvt. Ltd., Ready Mix Concrete Plant, Village Singhpura, Near Panipat Refinery, Panipat	Not Obtained	Panipat
15	Cheema and Company, Ready Mix Concrete Plant, Village Singhpura, Panipat	Not Obtained	Panipat
16	Mehak Kaliraman Coop L and C Society, Ready Mix Plant Village Sithana, Panipat	Not Obtained	Panipat
17	Nonika Enterprises, Ready Mix Plant, Village Sithana, Panipat	Not Obtained	Panipat

3. *Out of 06 RMC Plants* located in Karnal region, *05 RMC plants have been established without obtaining Consent to Establish (CTE) and operating without obtaining Consent to Operate (CTO) from HSPCB*. The list of RMC Plants located in the Karnal Region alongwith status of Consent to Operate from HSPCB, is given in **Table 2**.

Table 2: List of RMC Plants identified by the Joint Committee in Karnal region.

S.No.	Name & Address of RMC Plant	Consent Status	Jurisdiction
1	Konark Enterprises (Part-2), Ready Mix Concrete Plant, Village Moonak, Karnal	Not Obtained	Karnal
2	Bansal Infratech Synergies (RMC Plant), Village Kutana, Kohand to Moonak Road, Karnal	Not Obtained	Karnal
3	Deepak Builders and Engineers India Pvt. Ltd. (RMC Plant), Village Kutana, Tehsil Ballah Assandh, Karnal	Not Obtained	Karnal
4	RSB Projects Private Limited, RMC Plant Village Kohand to Assandh Road, Village Kutana, Karnal	Not Obtained	Karnal
5	JPS Earth Movers Pvt. Ltd., Near Moonak Head, Village Moonak, Karnal	Not Obtained	Karnal
6	Sandhu Construction Company, VPO Munak, Karnal	CTO obtained with Validity upto 31.12.2027	Karnal

4. Out of 21 RMC plants (16 in the Panipat region and 5 in the Karnal region) that were found to be established and operational without consent from HSPCB, 18 RMC Plants *have been set up on agricultural land without obtaining the required Change of Land Use (CLU) certificate. Only 03 Plants have obtained CLU from town & country planning department name of these RMC plants are* i) VRC Construction Company, Village Dadlana, Panipat ii) RSB Project Pvt. Ltd, Village Singhpura-Sithana, Panipat iii) NewTech Construction Co., Village Dadlana, Panipat
5. None *of the 21 RMC plants (16 in the Panipat region and 5 in the Karnal region)*, which were established and operating without consent from HSPCB, *have obtained permission for groundwater abstraction.*
6. The Joint Committee also carried out inspection of 02 RMC Plants on 07/02/2025 namely which have obtained consent to operate from HSPCB namely i) VRC Construction Company, Ready Mix Concrete Plant, Village Dadlana, Panipat (Panipat Region) and ii) Sandhu Construction Company, VPO Munak, Karnal (Karnal Region) to verify the environmental compliance particularly with reference to dust control measures. The photographs taken by the Joint Committee during inspection are attached as **Annexure-6** and the compliance status, as observed by the Joint Committee, is as follows:

i) VRC Construction Company, Ready Mix Concrete Plant, Village Dadlana, Panipat (Panipat Region):

- The Unit was not in operation at the time of inspection.
- It was observed that Unit has not implemented adequate dust suppression measures such as dust sprinkling system within the premises of the plant, adequate green belt and wind-breaking wall to prevent dust emissions from leaving the premises, as per conditions of Consent to Operate.
- The Unit has made provision to by-pass STP and discharge untreated sewage into the nearby drain. As per conditions of Consent to Operate (CTO) granted to the unit by HSPCB, unit is required to reuse the treated water.

ii) Sandhu Construction Company, VPO Munak, Karnal (Karnal Region):

- It was observed that Unit has not implemented adequate dust suppression measures such as dust sprinkling system within the premises of the plant, adequate green belt and wind-breaking wall to prevent dust emissions from leaving the premises, as per conditions of Consent to Operate.
- The Unit is directly exposed to the nearby agriculture field as there is no boundary wall on three sides of the Unit.
- The unit has not implemented sufficient measures for dust suppression within the premises.

7. The allegations of the applicant regarding i) Illegal and unauthorized operation of Ready Mix Concrete Plants in violation of environmental laws, ii) several construction companies have set up ready mix concrete plants on agriculture land of farmers by taking land on rent, iii) These plants are extracting groundwater illegally without permission of competent authority and iv) operation of these plants is also emitting huge quantity of dust causing air pollution in the area, were found to be correct by the Joint Committee.

8. The information regarding IOCL contractors' agreements with RMC plants for supplying ready-mix concrete (RMC) to IOCL projects, requested by the Joint Committee through HSPCB, RO, Panipat, to determine the total number of such RMC plants that existed in the recent past, has not yet been provided. The applicant alleged that around 50 such plants have been established in the area. During the site inspection, the Joint Committee identified 23 such plants in the area. However, the possibility of more such plants existing in the past cannot be ruled out.

4.0. Action Taken Report (ATR):

4.1. Action Taken by Haryana State Pollution Control Board (HSPCB):

The following actions have been taken by HSPCB:

Panipat Region:

- i. The Closure order have been issued to 13 RMC Plant which were identified by the Joint Committee established and operating without obtaining consent from the HSPCB. 03 RMC Plants were closed by HSPCB on 17.03.2023 and presently these RMC Plants are is in abandoned state
- ii. The recommendations have been sent by HSPCB Regional Office, Panipat for the approval of Competent Authority, for imposition of Environmental Compensation on 14 RMC Plants.
- iii. The recommendation for imposing Environmental Compensation on M/s VRC Construction Company, Ready Mix Concrete Plant, Village Dadlana, Panipat, which has obtained CTO but found to be violating the conditions of CTO and guidelines has been sent by HSPCB Regional Office, Panipat for the approval of Competent Authority.

Karnal Region:

- i. Out of 06 RMC Plants located in Karnal region, 05 RMC plants which were found to be established without obtaining Consent to Establish (CTE) and operating without obtaining Consent to Operate (CTO) from HSPCB, have been closed.
- ii. The recommendation for imposing Environmental Compensation on M/s Sandhu Construction Company, VPO Munak, Karnal, which has obtained CTO but found to be violating the conditions of CTO and guidelines, has been sent by HSPCB Regional Office, Panipat for the approval of Competent Authority.

The Unit-wise actions taken by Haryana State Pollution Control Board, for the violation observed by the Joint Committee, are summarized in **Table 3**.

Table 3: Unit-wise actions taken by Haryana State Pollution Control Board (HSPCB), for the violations observed by the Joint Committee.

S.No.	Name & Address of RMC Plant	Consent Status	Action taken	Remarks
Panipat Region				
1	VRC Construction Company, Ready Mix Concrete Plant, Village Dadlana, Panipat	CTO obtained upto 31.12.2026	Recommendation for Imposition of Environment Compensation of Rs 3,25,000/- for non-compliances found during Inspection, has been sent to Competent Authority for approval .	Annexure 7
2	Alpha Logistic, Ready Mix Concrete Plant, Village Baholi/Bal Jattan, Panipat	Not Obtained	Plant has been Closed by Board on 25.12.2024. Recommendation for Imposition of Environment Compensation of Rs 3,45,000/- has been sent to Competent Authority for approval.	Annexure 8 and 9
3	Ashwani Kumar, Ready Mix Concrete Plant, Village Dadlana, Panipat	Not Obtained	Plant has been Closed by Board on 25.12.2024. Recommendation for Imposition of Environment Compensation of Rs 16,50,000/- has been sent to Competent Authority for approval.	Annexure 10 and 11
4	Aviraj Industries, Ready Mix Concrete Plant, Village Razapur, Panipat	Not Obtained	Plant has been Closed by Board on 25.12.2024. Recommendation for Imposition of Environment Compensation of Rs 11,50,000/- has been sent to Competent Authority for approval.	Annexure 12 and 13
5	Sandhu & Co., Ready Mix Concrete Plant, Village Singhapura-Sithana, Panipat	Not Obtained	Plant has been Closed by Board on 25.12.2024. Recommendation for Imposition of Environment Compensation of Rs 16,50,000/- has been sent to Competent Authority for approval.	Annexure 14 and 15
6	Mannat RMC India Pvt Ltd (Formely Konark Enterprises (Part-I)), Ready Mix Concrete Plant, Village Baholi/Bal Jattan, Panipat	Not Obtained	Plant has been Closed by Board on 25.12.2024. Recommendation for Imposition of Environment Compensation of Rs 8,10,000/- has been sent to Competent Authority for approval.	Annexure 16 and 17
7	Mohan Garh Engineering & Construction, Ready Mix Concrete Plant, Village Baholi/Bal Jattan, Panipat	Not Obtained	Plant has been Closed by Board on 25.12.2024. Recommendation for Imposition of Environment Compensation of Rs 5,75,000/- has been sent to	Annexure 18 and 19

			Competent Authority for approval.	
8	Nav Rattan Construction Co., Ready Mix Concrete Plant, Village Dadlana, Panipat	Not Obtained	Plant has been Closed by Board on 25.12.2024. Recommendation for Imposition of Environment Compensation of Rs 1,80,000/- has been sent to Competent Authority for approval.	Annexure 20 and 21
9	Newtech (Part-I), Ready Mix Concrete Plant, Village Dadlana, Panipat	Not Obtained	Plant has been Closed by Board on 25.12.2024. Recommendation for Imposition of Environment Compensation of Rs 16,50,000/- has been sent to Competent Authority for approval.	Annexure 22 and 23
10	Newtech (Part-II), Ready Mix Concrete Plant, Village Dadlana, Panipat	Not Obtained	Plant was closed by Board on 17.03.2023. Presently RMC Plant is in abandoned state	Annexure 24
11	RSB Project Pvt. Ltd., Ready Mix Concrete Plant, Village Singhpura-Sithana, Panipat	Not Obtained	Plant has been Closed by Board on 25.12.2024. Recommendation for Imposition of Environment Compensation of Rs 19,65,000/- has been sent to Competent Authority for approval.	Annexure 25 and 26
12	SKF Enterprises, Ready Mix Concrete Plant, Village Singhpura-Sithana, Panipat	Not Obtained	Plant has been Closed by Board on 25.12.2024. Recommendation for Imposition of Environment Compensation of Rs 3,10,000/- has been sent to Competent Authority for approval.	Annexure 27 and 28
13	VRC Construction Company (Part-2), Ready Mix Concrete Plant, Village Baholi/Bal Jattan, Panipat	Not Obtained	Plant has been Closed by Board on 25.12.2024. Recommendation for Imposition of Environment Compensation of Rs 16,50,000/- has been sent to Competent Authority for approval.	Annexure 29 and 30
14	Tanwar Projects Pvt. Ltd., Ready Mix Concrete Plant, Village Singhpura, Near Panipat Refinery, Panipat	Not Obtained	Plant was closed by Board on 17.03.2023. Presently RMC Plant is in abandoned state	Annexure 31
15	Cheema and Company, Ready Mix Concrete Plant, Village Singhpura, Panipat	Not Obtained	Plant was closed by Board on 17.03.2023. Presently RMC Plant is in abandoned state	Annexure 32

16	Mehak Kaliraman Coop L and C Society, Ready Mix Plant Village Sithana, Panipat	Not Obtained	Plant has been Closed by Board on 25.12.2024. Recommendation for Imposition of Environment Compensation of Rs 1,25,000/- has been sent to Competent Authority for approval.	Annexure 33 and 34
17	Nonika Enterprises, Ready Mix Plant, Village Sithana, Panipat	Not Obtained	Plant has been Closed by Board on 25.12.2024. Recommendation for Imposition of Environment Compensation of Rs 16,50,000/- has been sent to Competent Authority for approval.	Annexure 35 and 36
Karnal Region				
18	Konark Enterprises (Part-2), Ready Mix Concrete Plant, Village Moonak, Karnal	Not Obtained	Plant has been Closed by Board on 11.12.2024. Environment Compensation of Rs 10,00,000/- has been imposed on the unit.	Annexure 37 and 38
19	Bansal Infratech Synergies (RMC Plant), Village Kutana, Kohand to Moonak Road, Karnal	Not Obtained	Plant has been Closed by Board on 22.11.2024. Environment Compensation of Rs 10,00,000/- has been imposed on the unit.	Annexure 39 and 40
20	Deepak Builders and Engineers India Pvt. Ltd. (RMC Plant), Village Kutana, Tehsil Ballah Assandh, Karnal	Not Obtained	Plant has been Closed by Board on 21.11.2024. Environment Compensation of Rs 10,00,000/- has been imposed on the unit..	Annexure 41 and 42
21	RSB Projects Private Limited, RMC Plant Village Kohand to Assandh Road, Village Kutana, Karnal	Not Obtained	Plant has been Closed by Board on 21.11.2024. Environment Compensation of Rs 10,00,000/- has been imposed on the unit..	Annexure 43 and 44
22	JPS Earth Movers Pvt. Ltd., Near Moonak Head, Village Moonak, Karnal	Not Obtained	Plant has been Closed by Board on 05.12.2024. Environment Compensation of Rs 10,00,000/- has been imposed on the unit..	Annexure 45 and 46
23	Sandhu Construction Company, VPO Munak, Karnal	CTO obtained upto 31.12.2027	Show Cause Notice has been issued to the unit for non-compliance observed during Joint Inspection.	Annexure 47

4.2. Action Taken by Central Pollution Control Board (CPCB):

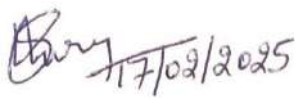

Central Pollution Control Board (CPCB), Regional Directorate, Chandigarh has communicated vide letter No: CM-13011/308/2024/RD-CHD/SPL-1 dated 16/02/2025 (**Annexure-48**) to HSPCB for ensuring compliance of the following:

- i. HSPCB shall ensure compliance of its Orders issued to the RMC Plants.
- ii. HSPCB shall ensure that the RMS Plants closed by the Board operate only after obtaining Consent to Establish/Consent to Operate and also after complying with prescribed norms and guidelines.

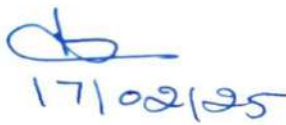

- iii. HSPCB shall ensure regular monitoring of the compliance of the conditions of Consent to Establish (CTE)/Consent to Operate (CTO) granted to RMC Plants.
- iv. The action taken report on the above points shall be provided by HSPCB, to CPCB from time to time.

It is respectfully submitted that this Final Report and the Action Taken Report (ATR) of the Joint Committee may kindly be considered and taken on record by the Hon'ble NGT.

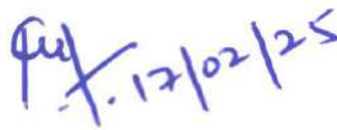

The Joint Committee shall abide by further directions of Hon'ble NGT in this matter.

ORDER

1. Deepak son of Chanderbhan, resident of Village Dadlana, District Panipat, State of Haryana, has sent a letter petition dated 30.01.2024 complaining about illegal and unauthorized operation of Ready Mix Concrete Plants in violation of environmental laws causing air and water pollution and this letter petition has been registered as Original Application under Sections 14 and 15 of National Green Tribunal Act, 2010 (hereinafter referred to as '**NGT Act, 2010**') for exercising *suo-moto* jurisdiction in view of law laid down by Supreme Court in ***Municipal Corporation of Greater Mumbai Versus Ankita Sinha and Others, (2022) 13 SCC 401.***

2. Complainant has said that for the civil work of Indian Oil Corporation Ltd. Panipat Refinery at KP-25 Project area, several construction companies have set up ready mix concrete plants on agriculture land of farmers by taking land on rent and about 50 such plants have been set up. These plants are extracting groundwater illegally

without permission of competent authority and operation of these plants is also emitting huge quantity of dust causing air pollution in the area which is causing health hazards to local people.

3. In our view, allegations made in the complaint do give rise *prima-facie* to substantial question relating to environment arising out of implementation of enactments mentioned in Schedule I of NGT Act, 2010 but before taking any further action in the matter we find it appropriate to get the facts verified and for this purpose, we constitute a Joint Committee comprising District Magistrate, Panipat; Haryana State Pollution Control Board; and, Central Pollution Control Board.

4. Central Pollution Control Board shall be the Nodal Authority for co-ordination and compliance of this order.

5. Above Committee shall collect relevant information and submit a factual report within one month.

6. List for further hearing on 20.12.2024.

Status cum Progress Report of the Joint Committee in the matter of OA No. 1132 of 2024; Deepak Versus State of Haryana, in compliance to the Orders of Hon'ble National Green Tribunal dated 18/11/2024.

1.0. Background and the Orders of Hon'ble NGT:

The matter pertains to a letter petition filed on 30/01/2024 by Shri Deepak son of Shri Chanderbhan, resident of Village Dadlana, District Panipat, State of Haryana, complaining about illegal and unauthorized operation of Ready Mix Concrete Plants in violation of environmental laws causing air and water pollution and this letter petition has been registered as Original Application by Hon'ble National Green Tribunal

It is alleged in the letter petition that for the civil work of Indian Oil Corporation Ltd., Panipat Refinery at KP-25 Project area, several construction companies have set up ready mix concrete plants on agriculture land of farmers by taking land on rent and about 50 such plants have been set up. These plants are extracting groundwater illegally without permission of competent authority and operation of these plants is also emitting huge quantity of dust causing air pollution in the area which is causing health hazards to local people.

It was observed and directed by Hon'ble NGT in its Order dated November 18, 2024 (Annexure-1) that:

Para 03: In our view, allegations made in the complaint do give rise prima facie to substantial question relating to environment arising out of implementation of enactments mentioned in Schedule I of NGT Act, 2010 but before taking any further action in the matter we find it appropriate to get the facts verified and for this purpose, we constitute a Joint Committee comprising District Magistrate, Panipat; Haryana State Pollution Control Board; and, Central Pollution Control Board.

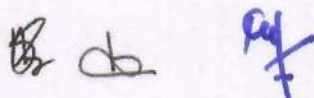

Para 04: Central Pollution Control Board shall be the Nodal Authority for co-ordination and compliance of this order.

Para 05: Above Committee shall collect relevant information and submit report within one month.

2.0. Action taken to comply with the directions of Hon'ble NGT:

2.1. Constitution of the Joint Committee:

In compliance to the directions of the Hon'ble NGT, a joint committee comprising of the following members, was constituted:

- i. Shri Virender Kumar, Tehsildar, Panipat (Member nominated by Deputy Commissioner, Panipat)
- ii. Er. Kuldeep Singh, AEE, Regional Office, HSPCB, Panipat (Member nominated by Member Secretary, Haryana State Pollution Control Board)
- iii. Dr. Narender Sharma, Scientist 'F', CPCB Regional Directorate, Chandigarh (Member and Nodal Officer, nominated by Member Secretary, CPCB)

2.2. Site Visit and Collection of relevant information:

The Joint Committee conducted a site visit on 04/12/2024 to: (i) verify the facts mentioned in the letter petition and (ii) collect relevant information for compiling the factual report as directed by the Hon'ble National Green Tribunal.

The applicant in Original Application 1132 of 2024, Shri Deepak along with other officials of HSPCB and District Administration also participated in the Joint Inspection, to assist the Joint Committee. The attendance sheet is attached as **Annexure-2**. The relevant information was also sought from IOCL, Panipat Refinery, Revenue Department, HSPCB and various RMC plants visited by the Joint Committee.

2.3. Findings/Observations made by the Joint Committee during site inspection:

- i. The IOCL, Panipat Refinery has signed agreement with around 40 contractors for various projects and these contractors are sourcing Ready Mix Concrete from various RMC plants (**Annexure-3**)
- ii. The joint committee identified 23 RMC plants located in the area under reference.
- iii. As per data shared by HSPCB, out of these 23 RMC plants, only 02 plants have obtained Consent to Operate (CTO) from HSPCB and remaining 21 RMC have been established with obtaining Consent to Establish (CTE) form HSPCB and have been operating without Consent to Operate (CTO) from HSPCB.
- iv. Due to imposition of GRAP IV, all the RMC plant were found to be closed at the time of inspection.
- v. As per information provided by HSPCB member, the following action has been taken by HSPCB against 21 illegally operating RMC Plants (**Annexure-4**):
 - 07 RMC have been closed by HSPCB.
 - Recommendation has been sent for closure of 14 RMC Plants, to Competent Authority of HSPCB.

3.0. Submission of the Joint Committee:

The Joint Committee humbly submits that:

1. Initial findings made by the Joint Committee during their inspection, along with subsequent information provided by the Haryana State Pollution Control Board suggest that the allegation made in the letter petition regarding illegal and unauthorized operation of Ready Mix Concrete Plants in violation of environmental laws causing air and water pollution appears to be correct.
2. The information asked by the Joint Committee are yet to be provided by the relevant agencies, specifically: i) The Revenue Department regarding the ownership of land of these RMC plants, and ii) Indian Oil Company Limited, via HSPCB, regarding the contractors' agreements with the RMC plants for supplying RMC to IOCL projects, to determine the total number of such RMC plants that existed in the recent past.
3. After receiving the requested details from the concerned departments, a revisit to the site may be necessary for the Joint Committee to verify the compliance of environmental norms, permission for abstraction of ground water in order to submit a comprehensive factual report, as directed by the Hon'ble NGT.

Therefore, it is respectfully submitted that this "Status cum Progress Report" of the Joint Committee may kindly be considered and taken on record by the Hon'ble NGT, and that the Joint Committee's request for 6-weeks extension to submit a comprehensive factual report covering all the issues may kindly be considered by the Hon'ble NGT.

The Joint Committee shall abide by further directions of Hon'ble NGT in this matter.

No. HSPCB/PH/02/25/2558

Dated 08/02/2025

To

The Chairman,
Haryana State Pollution Control Board,
Panipat

Kind Attn: SEE, SWM Cell (HQ)

Subject:

Recommendation for Levying Environmental Compensation on M/s VRC Construction Company, Ready Mix Concrete Plant, Village Sarohilal Jattan, Panipat.

1	Name & address of the unit	M/s VRC Construction Company, Ready Mix Concrete Plant, Village Sarohilal Jattan, Panipat.
2	Name and designation of the officer(s) inspected the unit	Sh. Kuldeep Singh, AET
3	Product(s) and bio-products	Ready Mix Concrete.
4	Manufacturing process	Mixing of Cement, Sand and Aggregates.
5	Status of C11	Unit was previously closed by the Board. Hence, speed directly for C10.
6	Status of C10	C10 closed upto 31/12/2024
7	Date of inspection of the unit	04/12/2024
8	Date of commencing	NA
9	Detail of violation observed during inspection	1. Unit has not provided STP for treatment of domestic effluent and waste water is being discharged into drain without treatment. 2. Not obtained permission from Haryana for ground water extraction. 3. Not complied with guidelines issued for RMC Plants by HSPCB vide order no. HSPCB/02/12/267-278 dated 24.12.2015.
10	Category of the unit	1. Green 2. Small
11	Complaint/Docket case, if any	Matter pending before Haryana NGT in OA No.1132 of 2024 filed by Jagdeep Vs State of Haryana.
12	Detail of sampling and analysis of effluent/air emission exceeding the norms	NA
13	Reasons for non collection of samples, if not collected	No source of Air Emission and effluent generation.
14	Detail of Show Cause Notice for closure and date issued with date	SCN issued vide order No.2199 dated 08.12.2024 for Environment Compensation and for closure order.
15	Copy of Show Cause Notice, if any received	Unit reply received dated 27/12/2024
16	No. and date of closure order issued by the Head Office	NA
17	Compliance of closure order (if applicable)	NA
18	Present status of compliance made by the unit, if any after issue of show cause notice.	Unit has installed STP plant.
19	Cases for levying environmental compensation	1). Intentional discharge of effluent and/or emitters to the environment including bypassing via infiltration control devices on land, water and air, which causes damage to the environment.
20	Date of last inspection and levying i.e. prior present inspection (Water and/or Air and/or other pollution)	07/02/2025
21	Justification of imposing environmental compensation for last five year.	NA

34

20. Final requested recommendations in respect of EC and documents attached to be written. The unit is a HVC Plant covered under green category, was inspected on 24.12.2024 by Joint Committee in compliance of Section 10(1) of the Act. The unit is located at DA No.1132 of 2024, Durgam Cheruvu area, Hyderabad. The unit has not provided STP for treatment of effluents generated from colony and waste water is being discharged into drain without treatment. Thereafter, a show cause notice was issued to the unit vide this office letter No.2198 dated 26.12.2024 for Environmental Compensation.

63

The unit in its reply dated 27/12/2024 and 09/02/2025 that: "NGT Joint Committee hasn visited in our unit on 04/12/2024 in DA No.1132 of 2024. During inspection our labour colony waste water was found discharged in drain. Earlier our labour colony was located at another location in camp area and domestic waste water was discharged into septic tank and was shifted to this new location in Dec-2024. In compliance of observations raised by the joint committee we had installed the STP plant and submitted the photographs of the same on 27/12/2024. Now we have complied with the observations and installed STP plant and operating it regularly." The site was again inspected on 07/02/2025 by team of MRCB & GRCI and found that unit has installed STP plant but plant was not in operation at the time of inspection. Therefore, it is recommended that the environmental compensation may be imposed on the unit from 04/12/2024 (Date of inspection) to 07/02/2025 (Date of second inspection).

21. NP Pollution Index (Ref: 82, Change 14) and Order No)	33
22. No. of days of violation	04/12/2024 (Date of inspection) to 07/02/2025 (Date of second inspection) 18.93 Days
23. K-Factor in Hupson	250
24. S - Factor for scale of operation (0.5 for Small, 1.0 for Medium and 1.5 for large units)	
25. L-Factor for location (as per census)	1
26. EC = P x R x H x S x L F	31 x 25 x 250 x 0.5 x 1 = 3,12,500. (Rs.3,12,500/- per day) as minimum CC of Rs 3,000/- per day. Hence, 60 x 3,000 = 1,75,000/-
27. Total Amount demanded.	3,12,500/-

- 1/4 Copy of inspection report and attendance sheet dated 04/12/2024
- 1/4 Copy of inspection report and attendance sheet dated 07/02/2025
- 1/4 Copy of Show Cause Notice dated 06/12/2024
- 1/4 Copy of unit reply dated 27/12/2024 & 09/02/2025

CLOSURE DIRECTIONS

64

WHEREAS, the matter of air quality in Panipat is being monitored and heard by the Hon'ble Supreme Court in WRIT PETITION(S)(CIVIL) NO(S). 13029/1985

WHEREAS, The Commission for Air Quality Management in NCR and adjoining areas, vide Direction No. III dated 17th September, 2024, issued statutory direction for implementation of the revised schedule of the Graded Response Action Plan (GRAP), which is also available on the CAQM website (caqm.nctia.in);

WHEREAS, The Sub-Committee for issuing actions under the GRAP has invoked Stage IV of the GRAP i.e., 'Severe+' category (Delhi AQI = 450) on 17/11/2024 which remain in effect upto 05/12/2024 and same is again invoked w.e.f. 16/12/2024 in the National Capital Region (NCR) and all the construction activities including linear public projects are completely banned under GRAP Stage-IV;

WHEREAS, the unit M/s Alpha Logistic, Ready Mix Concrete Plant, Village Baholi/Rai Jattar, Panpat, is engaged in the process of manufacturing of Concrete using Cement, Aggregate and Sand.

WHEREAS, the above said unit was inspected by this office on 05.12.2024 for implementation of the directions issued by commission under GRAP and found the following violations made by the above said unit:-

1. Unit has not obtained prior CTE/CTD from the Board.
2. Not complied with guidelines issued for RMC Plants by HSPCB vide letter no. HSPCB/2013/267-278 dated 24.12.2013.

WHEREAS, the show cause notice for closure and imposition of environmental compensation was issued to the unit vide this office letter No.HSPCB/PR/2024/2193 dated 06/12/2024. Unit has not submitted any reply of show cause notice and no compliance had been made by the unit.

WHEREAS, the above said violations made on the part of the said unit are not only violating the provisions of Water Act, 1974 and Air Act, 1981 but also creating an emergent situation by contributing pollution in the environment causing further deterioration of the air quality up to Severe+ Category which is creating difficulty in breathing of the peoples residing in the nearby locations. Hence closure action against the above said activity is the need of hour in large public interest.

WHEREAS, there is apprehension of operation of the unit during odd hours in violation of CAQM directions issued under GRAP Stage-IV.

WHEREAS, power was delegated to Regional Officers by Board in its 187th meeting vide agenda item no. 187.12 (5) held on 17.02.2020 and orders were issued vide order no. HSPCB/PLG/2020/1045-67 dated 19.03.2020 in partial modifications of the office order vmt. no. HSPCB/2005/1745-2733 dated 23.08.2005 of the board vide order dated 19.10.2020, it has been ordered to delegate the power to the Regional Officers of the Board in addition to power already delegated vide order dated 23.08.2005 for issuance of closure directions against the industrial sectors/units, found operating in violation of directions of the EPCA and as directed by Hon'ble Apex Court and Hon'ble NGT.

WHEREAS, it is pertinent to mention here that EPCA has been dissolved and Commission for Air Quality Management in NCR and adjoining areas (CAQM) had been constituted vide MoU&CC notification dated 05.11.2020 for Air Quality Managers in National Capital Region and Adjoining Areas for better co-ordination, research, identification and solution of problems surrounding the air quality index and for matters connected therewith or incidental thereto.

36

THEREFORE, in view the above mentioned facts and in exercise of the power conferred under sections 13-A of the Water (Prevention & Control of Pollution) Act, 1974 and section 21-A of the Air (Prevention & Control of Pollution) Act, 1986, it is hereby ordered to close down the operation of unit M/s Alpha Logistics Ready Mix Concrete Plant, Village Baholi/Bal jattan, Panipat by sealing its plant and machinery & DG set along-with directions to stop the electricity supply of the above said unit with immediate effect.

No. HSPCB/PN/2024/ 2 / 12

Date: 06-02-2025

To

The Chairman,
Haryana State Pollution Control Board,
Panipat.

Ref. Atr: SCE, 2896, Cst. (HQ)

Subject: Recommendation for Laying Environmental Compensation on M/s Alpha Logistics, Ready Mix Concrete Plant, Village Behalihal Jattan, Panipat.

1	Name & address of the unit	M/s Alpha Logistics, Ready Mix Concrete Plant, Village Behalihal Jattan, Panipat.
2	Name and designation of the official inspected the unit	Dr. Nandeev Singh, ACE
3	Production/semi-products	Ready Mix Concrete.
4	Manufacturing process	Mixing of Cement, Sand and Aggregate.
5	Status of CTC	Not obtained
6	Status of CTO	Not obtained
7	Date of inspection of the unit	05/12/2024
8	Date of commissioning	NA
9	Detail of violation observed during inspection	1. Unit has not obtained prior CTC/CTO from the Board. 2. Not obtained permission from HWRA for ground water extraction. 3. Not complied with guidelines issued for RMC Plants by HSPCB vide letter no. HSPCB/2013/267-279 dated 24.12.2013.
10	Category of the unit	1. Green 2. Small
11	Complaint/Quart case, if any.	Matter pending before honorable NGT in DA No.1132 of 2024 filed on Doopak Vta State of Haryana.
12	Detail of sampling and analysis of effluent/air emission exceeding the norms.	NA
13	Reasons for not collection of samples, if not collected	No source of Air Emission and effluent generation.
14	Detail of Show Cause Notice for closure and EC issued with date.	SCN issued vide letter No.2102 dated 06/12/2024 for Environmental Compensation and for closure action.
15	Reply of Show Cause Notice, if any received.	Reply received dated 27/01/2025
16	No. and date of closure order issued by the Head Office.	Tree Office Order No.3321-2334 dated 20/12/2024.
17	Compliance of closure order applicable.	Compliance has been sent to Head Office vide letter No.2406 dated 03.12.2024 through E-mail and E-Office.
18	Present status of compliance made by the unit, if any after issue of show cause notice.	No compliance made by unit.
19	Cases for laying environmental compensation:-	1. Unit has not obtained prior CTC/CTO from the Board. 2. Not obtained permission from HWRA for ground water extraction. 3. Not complied with guidelines issued for RMC Plants by HSPCB vide letter no. HSPCB/2013/267-279 dated 24.12.2013.
20	Date of last inspection and sampling i.e. prior present inspection (vide order No. and/or other pollution).	NA
21	Justification of imposing environmental compensation for last five year.	NA

38

25. Final reserved recommendations in respect of EC and documents attached to be verified.

The said unit is a RMC Plant covered under green category, was established on 08/12/2024 in compliance of Hon'ble NGT Orders dated 11/32 of 2024. During inspection it was found that the unit has not submitted CTR/CTD from the Board. Therefore, a show cause notice was issued to the unit vide the office letter No.2/2024 dated 12/12/2024 for permanent completion and for closure action which are attached to the unit.

The unit applied on 25/12/2024 in compliance of closure order issued by the office Order No.2331-2334 dated 23/12/2024 and compliance has been sent to Head Office vide letter No.2406 dated 30/12/2024.

The unit in its reply dated 27/12/2025 has submitted the documents of its commissioning. As per the reply submitted by the unit, has made lease agreement of land on 28/09/2024 and notified that RMC Plant at site on 29/09/2024. Unit started operation on 18/10/2024 after commissioning.

Therefore, it is recommended that the environmental compliance may be imposed on the unit from 18/10/2024 (Date of Commissioning) to 25/12/2024 (Date of compliance of closure order) for operating without CTR/CTD from the Board.

67

23.	R-Factor Index (Red-80, Orange-50, 30 and Green-30)	
24.	R-No of level of violation	18/10/2024 (Date of Commissioning) to 25/12/2024 (Date of compliance) = (08/12/2024) i.e. 69 Days
25.	R-Factor in Slippage	200
26.	S - Factor for scale of operation 10:0.6 (For Small for large or small, 1.0 for Medium and 1.8 for large unit)	
27.	L-Factor for location (as per default)	1
28.	ECN = $R \times R \times S \times L$	$33 \times 88 \times 200 \times 0.6 = 2,68,800$ (Rs. 2,68,800/- per day) as compliance minimum ECN of Rs. 5,00,000/- per day hence, ECN = 5000 = 3,48,000/-
29.	Total Amount calculated	3,48,000/-

9.	Detail of violation observed during inspection:	1. Unit has not obtained prior CTE/CTO from the Board. 2. Not obtained permission from HWRA for ground water extraction. 3. Not complied with guidelines issued for RMC Plants by HSPCB vide letter no. HSPCB/2013/267-278 dated 24.12.2013.
10.	Category of the unit	i. Green ii. Small
11.	Complaint/Court case, if any.	Matter pending before Hon'ble NGT in OA No.1132 of 2024 titled as Deepak V/s State of Haryana.
12.	Detail of sampling and analysis of effluent/air emission exceeding the norms.	NA
13.	Reasons for not collection of samples, if not collected.	No source of Air Emission and effluent generation.
14.	Detail of Show Cause Notice for closure and EC issued with date.	SCN issued vide letter No.2180 dated 06.12.2024 for Environment Compensation and for closure action.
15.	Reply of Show Cause Notice, if any received	Received on dated 14/01/2025.
16.	No. and date of closure order issued by the Head Office.	This Office Endst.No.2335-2338 dated 23/12/2024.
17.	Compliance of closure order if applicable.	Compliance has been sent to Head Office vide letter No.2415 dated 30.12.2024 through E-mail and E-Office.
18.	Present status of compliance made by the unit, if any after issue of show cause notice.	No compliance made by unit
19.	Cases for levying environmental compensation: -	1. Unit has not obtained prior CTE/CTO from the Board. 2. Not obtained permission from HWRA for ground water extraction. 3. Not complied with guidelines issued for RMC Plants by HSPCB vide letter no. HSPCB/2013/267-278 dated 24.12.2013.
20.	Date of last inspection and sampling i.e. prior present inspection (Water	NA

	and/or Air and/or other pollution.	
21.	Justification of imposing environmental compensation for Last five year.	NA
22.	Final reasoned recommendations in respect of EC and documents attached to be verified.	<p>The said unit is a RMC Plant covered under green category, was inspected on 04.12.2024 in compliance of Hon'ble NGT Orders dated 18/11/2024 in OA No.1132 of 2024. During inspection it was found that unit has not obtained CTE/CTO from the Board. Thereafter, a show cause notice was issued to the unit vide this office letter No.2180 dated 06.12.2024 for Environment Compensation and for closure action which was physically delivered to the unit.</p> <p>Unit was sealed on 25/12/2024 in compliance of closure order issued by this office Endst. No.2335-2338 dated 23/12/2024 and compliance has been sent to Head Office vide letter No.2415 dated 30.12.2024 through E-mail and E-Office.</p> <p>The unit in its reply dated 14/01/2025 has submitted the documents of its commissioning which are as follows:-</p> <ol style="list-style-type: none"> 1. Copy of rent agreement dated 15/06/2024 for the period 01.03.2024 to 28.02.2026. 2. Copy of purchase bill of RMC Plant as Tax invoice dated 30.04.2024. 3. Copy of date of calibration of Batching Plant-09/05/2024 4. Copy of supply order for concrete dated 15/05/2024, 28/06/2024 and 22/07/2024. <p>As per the purchase order of RMC Plant and calibration of the same was done on 09.05.2024 before starting operation of RMC Plant. Therefore, date of start of operation of RMC plant may be taken from 09/05/2024 to date of sealing of plant done by HSPCB on 25.12.2024.</p> <p>Therefore, it is recommended that the environmental compensation may be imposed on the unit from 09/05/2024 to 25/12/2024 (Date of compliance of closure order) for operating without CTE/CTO from the Board.</p>
23.	PI-Pollution Index (Red: 80, Orange:50 and Green:30)	30
24.	N-No of days of violation	09.05.2024 (Date of commissioning of Plant) to 25.12.2024 (Date of sealing of Plant) = 230 days.
25.	R-Factor in Rupees	250
26.	S - Factor for scale of operation (0.5 for micro or small, 1.0 for Medium and 1.5 for large unit)	0.5 (For Small)
27.	LF-Location Factor (as per census)	1
28.	EC=PI x N x R x S x LF	30 x 230 x 250 x 0.5 x 1 = 8,62,500/- (Rs.3,750/- per day) so considering minimum EC of Rs.5,000/- per day. Hence, 230 x 5000 = 11,50,000/-
29.	Total Amount calculated	11,50,000/-

CLOSURE DIRECTIONS

WHEREAS, the matter of air quality of Delhi-NCR is being monitored and heard by the ,
Hon'ble Supreme Court in WRIT PETITION(S)(CIVIL) NO(S). 13029/1985

WHEREAS, The Commission for Air Quality Management in NCR and adjoining areas, vide Direction No. 83 dated 17th September, 2024, issued statutory direction for implementation of the revised schedule of the Graded Response Action Plan (GRAP), which is also available on the CAQM website (caqm.nic.in);

WHEREAS, The Sub-Committee for invoking actions under the GRAP has invoked Stage IV of the GRAP i.e., 'Severe+' category (DELHI AQI > 450) on 17/11/2024 which remain in effect upto 05/12/2024 and same is again invoked w.e.f. 16/12/2024 in the National Capital Region (NCR) and all the construction activities including linear public projects are completely banned under GRAP Stage-IV;

WHEREAS, the unit M/s KEC Sandhu & Co., Ready Mix Concrete Plant, Village Singhpura-Sithana, Panipat, is engaged in the process of manufacturing of Concrete using Cement, Aggregate and Sand.

WHEREAS, the above said unit was inspected by this office on 04.12.2024 for implementation of the directions issued by commission under GRAP and found the following violations made by the above said unit:-

1. Unit has not obtained prior CTE/CTO from the Board.
2. Not complied with guidelines issued for RMC Plants by HSPCB vide letter no. HSPCB/2013/267-278 dated 24.12.2013.

WHEREAS, the show cause notice for closure and imposition of environmental compensation was issued to the unit vide this office letter No.HSPCB/PR/2024/2174 dated 06/12/2024. Unit has submitted the reply of show cause notice on dated 12/12/2024 which was not satisfactory as no compliance has been made by the unit till date.

WHEREAS, the above said violations made on the part of the said unit are not only violating the provisions of Water Act, 1974 and Air Act, 1981 but also creating an emergent situation by contributing pollution in the environment causing further deterioration of the air quality up to Severe+ Category which is creating difficulties in breathing of the peoples residing in the nearby locations. Hence closure action against the above said activity is the need of hour in large public interest.

WHEREAS, there is apprehension of operation of the unit during odd hours in violation of CAQM directions issued under GRAP Stage-IV.

WHEREAS, power were delegated to Regional Officers by board in its 187th meeting vide agenda item no. 187.12 (S) held on 17.02.2020 and orders were issued vide endst no. HSPCB/PLG/2020/1045-67 dated 19.03.2020 in partial modifications of the office order endst. no. HSPCB/2005/2745-2753 dated 23.08.2005 of the board vide order dated 19.30.2020, it has been ordered to delegate the power to the Regional Officers of the Board in addition to power already delegated vide order dated 23.08.2005 for issuance of closure directions against the industrial sectors/units, found operating in violation of directions of the EPCA and as directed by Hon'ble Apex Court and Hon'ble NGT.

WHEREAS, it is pertinent to mention here that EPCA has been dissolved and Commission for Air Quality Management in NCR and adjoining areas (CAQM) had been constituted vide MoEF&CC notification dated 05.11.2020 for Air Quality Management in National Capital Region and Adjoining Areas for better co-ordination, research, identification and resolution of problems surrounding the air quality index and for matters connected therewith or incidental thereto.

Kind Attn: SEC, SMM Cell (HQ)

Subject: Recommendation for Levying Environmental Compensation on M/s Sanjhu & Co., Ready Mix Concrete Plant, Village Singhpura-Sithana, Panipat.

1	Name & address of the unit	M/s Sanjhu & Co., Ready Mix Concrete Plant, Village Singhpura-Sithana, Panipat
2	Name and designation of the officer(s) inspected the unit	Sh. Kuldip Singh, AEO
3	Product(s) and by-products	Ready Mix Concrete
4	Manufacturing process	Mixing of Cement, Sand and Aggregates
5	Status of CTE	Not obtained
6	Status of CTO	Not obtained
7	Date of inspection of the unit	04/12/2024
8	Date of commissioning	NA
9	Detail of violation observed during inspection	1. Unit has not obtained prior CTE/CTO from the Board. 2. Not obtained permission from HARA for ground water extraction. 3. Not complied with guidelines issued for RMC Plants by HSPCB vide letter no. HSPCB/G213/087-278 dated 24.12.2019.
10	Category of the unit	1. Green 2. Small
11	Complaint/Court case, if any	Matter pending before Hon'ble NGT in OA No. 1152 of 2024 filed on Deewan M/s State of Haryana
12	Detail of sampling and analysis of effluent/air emission exceeding the norms	NA
13	Reasons for not collection of samples, if not collected	No source of Air Emission and effluent generation
14	Date of Show Cause Notice for closure and EC issued with date	SCN issued vide letter No.2174 dated 08.12.2024 for Environment Compensation and for closure order.
15	Reply of Show Cause Notice, if any received	Unit reply received dated 12/12/2024.
16	No. and date of closure order issued by the Head Office	The Order Under No.2172-2375 dated 03/12/2024
17	Compliance of closure order if applicable	Compliance has been sent to Head Office vide letter No.0405 dated 20.12.2024 through E-mail and E-Office.
18	Present status of compliance made by the unit, if any after issue of show cause notice	No compliance made by unit
19	Cause for levying environmental compensation	1. Unit has not obtained prior CTE/CTO from the Board. 2. Not obtained permission from HARA for ground water extraction. 3. Not complied with guidelines issued for RMC Plants by HSPCB vide letter no. HSPCB/G213/087-278 dated 24.12.2019.
20	Date of last inspection and sampling to prior prevent violation (Water and/or Air under other pollution)	NA
21	Justification of imposing environmental compensation for last two year	NA

79

20. First measured recommendations in respect of EC and documents attached to be verified.	<p>The said unit is a 090 Plant covered under green category, was awarded on 04/12/2024 in compliance of Hq/36 NDT Orders dated 10/12/2024 (No 1132 of 2024). During inspection it was found that the unit was not awarded CTE/CTO from the Board. Thereafter, a show-cause notice was issued to the unit vide this office letter No.2/174 dated 12/20/2024 for Employment Compensation and for closure action which was physically served to the unit.</p> <p>Unit was asked on 20/12/2024 in compliance of show-cause order issued by this office Order, No.2372-2375 dated 23/12/2024 and compliance has been sent to Head Office vide letter No.2403 dated 30.12.2024 through E-mail and E-Office. The unit in its reply dated 10/12/2024 has not submitted any proof of date of commencing.</p> <p>Therefore, it is recommended that the 96%th employment compensation may be withheld on the unit from 20/12/2024 (date of compliance filed in NDT) to 29/12/2024 (date of compliance of show-cause order for stopping without CTE/CTO from the Board).</p>
21. If Available (Rate of 80, Orange 30 and Green 20)	30
22. No. of days of working	3501/2024 (Date of compliance filed in NDT) to 35/12/2024 (Date of compliance of show-cause order) i.e. 336 Days.
23. K-Factor in Rupees	250
24. K-Factor for scale of operation (0.5 to 1 for Road and 1.5 for large unit)	0.5 (for Road)
25. Location Factor (as per census)	1
26. EC = (K) x (R) x (S) x (L)	$(80) \times (30) \times (250) \times (0.5) \times (1) = 12,37,500/-$ (Rs. 12,37,500/- per day) to consider maximum EC of Rs. 5,00,000/- per day. Hence, $336 \times 5000 = 16,50,000/-$
27. Total Amount calculated	16,50,000/-

Copy of inspection dated 04/12/2024

18	Present status of compliance made by the unit, if any after issue of show cause notice.	No compliance made by unit.
19	Cause for levying environmental compensation -	1). Operating without obtaining prior consent to operate under the Water Prevention and Control of Pollution Act, 1974 under Air (Prevention and Control of Pollution) Act, 1986
20	Date of last inspection and sampling or (or) present inspection (Water and/or Air and/or other pollution)	NA
21	Justification of imposing environmental compensation for 1st/2nd/3rd year	NA

<p>20. Final reasoned recommendations in respect of TC and documents attached to be written.</p>	<p>The said unit is a BWC Plant covered under green category, was licensed on 05.12.2024 in compliance of letter NO: 0265 dated 05.12.2024 in No.1122 of 2024. During inspection I was found that the unit is not in compliance of CTG/CTO from the Board. Therefore, a show cause notice is issued to the unit vide this office order No.2187 dated 05.12.2024 for Environmental Consent Compensation and for closure action which is to be filed to the unit.</p> <p>The unit is in compliance of closure order issued by this office Order No.2229-2542 dated 23/12/2024 and compliance has been sent to Head Office vide letter No.2426 dated 20.12.2024. The unit in its reply dated 10/02/2025 has submitted that the name of plant is M/s Mahesh H&C India Private Limited H&C of Kuruk Enterprises which was wrongly listed by person available at the time of inspection. The plant was purchased from Anash Gangi Enterprises India Pvt. Ltd. A-32, Sector-05, Noida, Gurgaon Road, Noida, Uttar Pradesh on 17/02/2024. The term agreement is yet to be executed and plant has not started operation.</p> <p>The reply submitted by the unit is not satisfactory as unit has not obtained prior CTG/CTO from the Board.</p> <p>Therefore, it is recommended that the environmental compensation may be imposed on the unit from 17/02/2024 (Date of purchase of plant) to 25/12/2024 (Date of compliance of closure order) for operating without CTG/CTO from the Board.</p>
<p>21. W Factor in case of Plant 80, Charge 80/30 and Green 300.</p>	
<p>22. No. of days of violation</p>	<p>17/02/2024 (Date of purchase of plant to 25/12/2024 (Date of compliance of closure order) i.e. 162 Days</p>
<p>23. W Factor in Region</p>	<p>250</p>
<p>24. S - Factor for scale of operation (2.5 for micro or small, 1.0 for Medium and 1.5 for large unit)</p>	<p>0.5 (For Small)</p>
<p>25. LF Location Factor (as per annexure)</p>	<p>1</p>
<p>26. CC-Factor = N x R x S x LF</p>	<p>30 x 180 x 250 x 0.5 x 1 = 1125000 (Rs 2,750/- per day) as compliance of the S factor will be 300. Hence, 180 x 2500 = 450,000/-</p>
<p>27. Total Amount calculated</p>	<p>8,42,000/-</p>

Validity of inspection dated 04/12/2024

CLOSURE DIRECTIONS

WHEREAS, the matter of air quality of Delhi-NCR is being monitored and heard by the .
Hon'ble Supreme Court in WRIT PETITION(S)(CIVIL) NO(S). 13029/1985

WHEREAS, The Commission for Air Quality Management in NCR and adjoining areas, vide Direction No. 83 dated 17th September, 2024, issued statutory direction for implementation of the revised schedule of the Graded Response Action Plan (GRAP), which is also available on the CAQM website (caqm.nic.in);

WHEREAS, The Sub-Committee for invoking actions under the GRAP has invoked Stage IV of the GRAP i.e., 'Severe+' category (DELHI AQI > 450) on 17/11/2024 which remain in effect upto 05/12/2024 and same is again invoked w.e.f. 16/12/2024 in the National Capital Region (NCR) and all the construction activities including linear public projects are completely banned under GRAP Stage-IV;

WHEREAS, the unit M/s Mohan Garh Engineering & Construction, Ready Mix Concrete Plant, Village Baholi/Bal Jattan, Panipat, is engaged in the process of manufacturing of Concrete using Cement, Aggregate and Sand.

WHEREAS, the above said unit was inspected by this office on 04.12.2024 for implementation of the directions issued by commission under GRAP and found the following violations made by the above said unit:-

1. Unit has not obtained prior CTE/CTO from the Board.
2. Not complied with guidelines issued for RMC Plants by HSPCB vide letter no. HSPCB/2013/267-278 dated 24.12.2013.

WHEREAS, the show cause notice for closure and imposition of environmental compensation was issued to the unit vide this office letter No.HSPCB/PR/2024/2196 dated 06/12/2024. Unit has not submitted any reply of show cause notice and no compliance has been made by the unit.

WHEREAS, the above said violations made on the part of the said unit are not only violating the provisions of Water Act, 1974 and Air Act, 1981 but also creating an emergent situation by contributing pollution in the environment causing further deterioration of the air quality up to Severe+ Category which is creating difficulties in breathing of the peoples residing in the nearby locations. Hence closure action against the above said activity is the need of hour in large public interest.

WHEREAS, there is apprehension of operation of the unit during odd hours in violation of CAQM directions issued under GRAP Stage-IV.

WHEREAS, power were delegated to Regional Officers by board in its 187th meeting vide agenda item no. 187.12 (S) held on 17.02.2020 and orders were issued vide endst no. HSPCB/PLG/2020/1045-67 dated 19.03.2020 in partial modifications of the office order endst. no. HSPCB/2005/2745-2753 dated 23.08.2005 of the board vide order dated 19.30.2020, it has been ordered to delegate the power to the Regional Officers of the Board in addition to power already delegated vide order dated 23.08.2005 for issuance of closure directions against the industrial sectors/units, found operating in violation of directions of the EPCA and as directed by Hon'ble Apex Court and Hon'ble NGT.

WHEREAS, it is pertinent to mention here that EPCA has been dissolved and Commission for Air Quality Management in NCR and adjoining areas (CAQM) had been constituted vide MoEF&CC notification dated 05.11.2020 for Air Quality Management in National Capital Region and Adjoining Areas for better co-ordination, research, identification and resolution

Jaisri

of problems surrounding the air quality index and for matters connected therewith or incidental thereto.

THEREFORE, in view the above mentioned facts and in exercise of the power conferred under sections 33-A of the Water (Prevention & Control of Pollution) Act, 1974 and section 31-A of the Air (Prevention & Control of Pollution) Act, 1981, it is hereby ordered to close down the operation of unit M/s Mohan Garh Engineering & Construction, Ready Mix Concrete Plant, Village Baholi/Bal Jattan, Panipat by sealing its plant and machinery & DG set along-with directions to stop the electricity supply of the above said unit, with immediate effect.

CLOSURE ORDER

Whereas, M/s New Tech (Unit II), VPO-Dadlana, refinery Road, Panipat has established a Ready mix cement concrete irrespective of investment cost at VPO-Dadlana, refinery Road, Panipat which is polluting in nature;

Whereas, the above said unit was visited by the field officer of the Board on 12-Jan-2023 and reported the following violations made by the unit under Water (Prevention & Control of Pollution) Act, 1974 / Air (Prevention & Control of Pollution) Act, 1981:-

1. The unit was visited by concerned field officer with CM Flying Squad Team Karnal and during the inspection found unit has not obtained CTE/ CTO from the Board.
2. Unit has not obtained HOWM authorization under HOWM Rules 2016.
3. Unit has not provided Display Board on Main Gate as per provisions of HOWM Rules 2016.
4. Unit has not provided storage facility for Hazardous Waste as per HOWM Rules 2016.
5. Unit has not made agreement with authorized recycler for disposal of used oil.

Whereas, show Cause Notice for closure was issued to the above said unit by Regional Officer Panipat vide his letter HSPCB/PAN/2023/INS/32906081SCNCC001 dated 18/01/2023 but the unit has not submitted the reply;

Whereas, Regional Officer, Panipat vide his recommendation letter number HSPCB/PAN/2023/RO/INS/32906081CONCR001 dated 06-Feb-2023 has recommended for taking closure action against the unit under section 31A of Air (Prevention & Control of Pollution) Act, 1981 and 33-A of Water (Prevention & Control of Pollution) Act, 1974, which has been examined and it has been found that the unit has violated the provisions of Air (Prevention & Control of Pollution) Act, 1981, and Water (Prevention & Control of Pollution) Act, 1974, as mentioned above;

Therefore, keeping in view of the above said facts and in exercise of the powers conferred under section 33-A of Water (Prevention & Control of Pollution) Act, 1974, and 31-A of Air (Prevention & Control of Pollution) Act, 1981, it is hereby ordered to close down the operation of the above said unit, M/s New Tech (Unit II) VPO-Dadlana, refinery Road, Panipat by sealing its plant / machinery and DG sets(if any) alongwith disconnection of the electric supply and/or water supply of the above said unit, with immediate effect.

In addition to above it is also intimated that non compliance to directions issued under section 31-A of Air (Prevention & Control of Pollution) Act, 1981 and 33-A of Water (Prevention & Control of Pollution) Act, 1974, is an offence.

CLOSURE DIRECTIONS

WHEREAS, the matter of air quality of Delhi-NCR is being monitored and heard by the , **Hon'ble Supreme Court in WRIT PETITION(S)(CIVIL) NO(S). 13029/1985**

WHEREAS, The Commission for Air Quality Management in NCR and adjoining areas, vide Direction No. 83 dated 17th September, 2024, issued statutory direction for implementation of the revised schedule of the Graded Response Action Plan (GRAP), which is also available on the CAQM website (caqm.nic.in);

WHEREAS, The Sub-Committee for invoking actions under the GRAP has invoked Stage IV of the GRAP i.e., 'Severe+' category (DELHI AQI > 450) on 17/11/2024 which remain in effect upto 05/12/2024 and same is again invoked w.e.f. 16/12/2024 in the National Capital Region (NCR) and all the construction activities including linear public projects are completely banned under GRAP Stage-IV;

WHEREAS, the unit M/s RSB Project Pvt. Ltd., Ready Mix Concrete Plant, Village Singhpura-Sithana, Panipat, is engaged in the process of manufacturing of Concrete using Cement, Aggregate and Sand.

WHEREAS, the above said unit was inspected by this office on 04.12.2024 for implementation of the directions issued by commission under GRAP and found the following violations made by the above said unit:-

1. Unit has not obtained prior CTE/CTO from the Board.
2. Not complied with guidelines issued for RMC Plants by HSPCB vide letter no. HSPCB/2013/267-278 dated 24.12.2013.

WHEREAS, the show cause notice for closure and imposition of environmental compensation was issued to the unit vide this office letter No.HSPCB/PR/2024/2177 dated 06/12/2024. Unit has submitted the reply of show cause notice on dated 11/12/2024 which was not satisfactory as no compliance has been made by the unit till date.

WHEREAS, the above said violations made on the part of the said unit are not only violating the provisions of Water Act, 1974 and Air Act, 1981 but also creating an emergent situation by contributing pollution in the environment causing further deterioration of the air quality up to Severe+ Category which is creating difficulties in breathing of the peoples residing in the nearby locations. Hence closure action against the above said activity is the need of hour in large public interest.

WHEREAS, there is apprehension of operation of the unit during odd hours in violation of CAQM directions issued under GRAP Stage-IV.

WHEREAS, power were delegated to Regional Officers by board in its 187th meeting vide agenda item no. 187.12 (S) held on 17.02.2020 and orders were issued vide endst no. HSPCB/PLG/2020/1045-67 dated 19.03.2020 in partial modifications of the office order endst. no. HSPCB/2005/2745-2753 dated 23.08.2005 of the board vide order dated 19.30.2020, it has been ordered to delegate the power to the Regional Officers of the Board in addition to power already delegated vide order dated 23.08.2005 for issuance of closure directions against the industrial sectors/units, found operating in violation of directions of the EPCA and as directed by Hon'ble Apex Court and Hon'ble NGT.

WHEREAS, it is pertinent to mention here that EPCA has been dissolved and Commission for Air Quality Management in NCR and adjoining areas (CAQM) had been constituted vide MoEF&CC notification dated 05.11.2020 for Air Quality Management in National Capital Region and Adjoining Areas for better co-ordination, research, identification and resolution of problems surrounding the air quality index and for matters connected therewith or incidental thereto.

100
THEREFORE, in view the above mentioned facts and in exercise of the power conferred under sections 33-A of the Water (Prevention & Control of Pollution) Act, 1974 and section 31-A of the Air (Prevention & Control of Pollution) Act, 1981, it is hereby ordered to close down the operation of unit M/s RSB Project Pvt. Ltd., Ready Mix Concrete Plant, Village Singhpura-Sithana, Panipat by sealing its plant and machinery & DG set along-with directions to stop the electricity supply of the above said unit, with immediate effect.

Re: Road A/Ss. SEE, SWM, COLIBRI

Subject: Recommendation for Levying Environmental Compensation on M/s RMC Project Pvt. Ltd., Ready Mix Concrete Plant, Village Sughara-Sikhana, Panipat.

1.	Name & address of the unit	M/s. RMC Project Pvt. Ltd., Ready Mix Concrete Plant, Village Sughara-Sikhana, Panipat.
2.	Name and designation of the collector inspected the unit	Mr. Kishore Singh, A.I.
3.	Product(s) and Interproducts	Ready Mix Concrete
4.	Manufacturing process	Mixing of Cement, Sand and Aggregate
5.	Status of CTE	Not Obtained
6.	Status of CIP	Not Obtained
7.	Date of inspection of the unit	04-12-2024
8.	Date of completion	N/A
9.	Detail of violation observed during inspection	1. Unit has no operational permit (E-CO) from the Board. 2. No operational permission from HWRDA for ground water extraction. 3. Not complied with guidelines issued for RMC Plants by HSPCB vide No.HSPC/B/2013/287-378 dated 24.12.2013.
10.	Category of the unit	A. Green B. Small Scale
11.	Compliance - Consent (Case, if any)	Master pending before Hon'ble NGT in O.A. No.1172 of 2024 filed on 04/08/24 > 3 years of H/W/2013.
12.	Detail of sampling and analysis of effluent or emission including frequency	N/A
13.	Reasons for not collection of samples, if not collected	No source of air emission and effluent generation
14.	Detail of Show Cause Notice for EC issued with date	MCN issued vide letter No.2177 dated 06/12/2024 for Environmental Compensation and for closure order.
15.	Reply of Show Cause Notice, if any received	Reply received dated 23/01/2025
16.	No. and date of closure order issued by the Board	This office vide No.2176-2178 dated 23.02.2024.
17.	Compliance of closure order if applicable	Compliance has been sent to this Office vide letter No.2401 dated 30.12.2024 through E-mail and L/Officer
18.	Present status of compliance made by the unit, if any after issue of show cause notice	No compliance made by the unit
19.	Cases for levying environmental compensation:-	(i) Operating without obtaining prior consent to operate under the Water (Prevention and Control of Pollution) Act, 1974 and/or Air (Prevention and Control of Pollution) Act, 1986.
20.	Date of last inspection and sampling, or prior present inspection (Water and/or Air and/or other polluter)	N/A
21.	Justification of imposing environmental compensation for last five year	N/A
22.	Final regional recommendations in respect of EC and documents attached to be verified	The said unit is a RMC plant covered under green category, was inspected on 04-12-2024 re compliance of Hon'ble NGT Order dated 18.11.2024 in O.A. No.1172 of 2024. During inspection it was found

73

102

the said fee not obtained C.C.T.C) from the Board. Thereafter, a show cause notice was issued to the said vide this office letter No.2177 dated 20.12.2024 for Environmental Compensation and for closure order. It was physically delivered to the said. Item was stated on 29.12.2024 as compliance of closure order issued by this office letter No.2177 dated 25.12.2024 and compliance has been sent vide office letter No.2430 dated 30.12.2024 through E-mail and by office.

The said fee is receipt dated 25.01.2025 has submitted the documents of the environment. As per the reply submitted by the said has state how agreement of land on 24.11.2023 and dated the RMC Plan is vide on 28.11.2023. Thereafter, an application for the Change of Land Use (C.L.U) was submitted to the concerned authority on 09.01.2024. Due to unforeseen delays in the C.L.U approval process, the establishment of the plant at the designated location was delayed, impacting the timeline for its setup. The plant was successfully erected at the location P.O. vide on 10.04.2024 and utilization of the plant was done on 21.04.2024.

Therefore, it is recommended that the environmental compensation may be imposed on the said from 28.11.2023 (Date of RMC plan shifting) to 29.12.2024 (Date of compliance of closure order) for operating without C.T.F. C.T.U) from the Board.

21. P. - Pollution Index (BRI - RI Change - 30 and (Index - 30)	30
22. S. - Area of affected industries	24.11.2023 (Date of RMC plan shifting) to 29.12.2024 (Date of compliance of closure order) i.e. 361 Days
23. R. - Factor of Impact	200
24. S. - Charge for work off - operation (0.5 for major or small, 1.0 for medium and 1.5 for large unit)	0.5 (for major)
25. L. - Location Factor (air, soil, water)	1
26. F. - $P \times S \times R \times L \times S \times L$	$30 \times 361 \times 200 \times 0.5 \times 1 = 11,130,000$ (Rs.11,130/- per day) on considering maximum LC of Rs.3,000/- per day (Area - 300 x 3000 = 900,000)
28. Total Amount calculated	11,05,000/-

Endst. No. HSPCB/PNP/2024/ 2343 - 2346

A copy of this Direction/Order is forwarded to the following for information:

1. The Chairman, Haryana State Pollution Control Board, Panchkula
2. The Deputy Commissioner, Panipat.
3. The Superintending Engineer, UHBVN, Panipat to stop the electricity supply of said unit.
4. M/s VRC Construction Company (Part-2), Ready Mix Concrete Plant, Village Baholi/Bal Jattan, Panipat.

Regional officer
Panipat Region

22. Fire risk: Fire risk assessment recommendations in respect of EC and Occupancy should to be verified.	The said unit is a HSG Plant covered under green category, was inspected on 09/12/2024 in compliance of Hon'ble NGT Order dated 01/11/2024 in Case No. 11 of 2024. During inspection it was found that unit has not obtained CTO from the Board. Thereafter, a show cause notice was issued to the unit vide file office letter No 2184 dated 06/12/2024 for Environmental Compensation and for default upon which was complied by the unit.
23. (A) Pollution cases (filed) (B). Change to (C) and (D) (E)	Unit was visited on 25/12/2024 in compliance of closure order issued by the office (Case No. 2343/2024) dated 23/12/2024 and compliance has been sent to Head Office vide letter No 2412 dated 30/12/2024 through E-mail and C-Office. The unit is in reply dated 27/12/2024 has not submitted any proof of date of commissioning. Therefore, it is recommended that the environmental compensation may be engaged as the unit from 30/01/2024 (Date of compliance filed in NGT) to 25/12/2024 (Date of compliance of closure order) for operating without CTO/CTO from the Board.
24. No. of days of violation	30/01/2024 (Date of complaint filed in NGT) to 25/12/2024 (Date of compliance of closure order) i.e. 330 Days
25. R-Factor in Rupees	250
26. S - Factor for scale of operation (0.5 for Small to 1.0 for Medium and 1.5 for large unit)	1
27. Location Factor (as per annex)	1
28. (C) x N x R x S x L	30 x 330 x 250 x 0.5 x 1 = 12,37,500/- (Rs. 12,37,500/- per day) no considering maximum EC of Rs. 5,500/- per day. Hence, 330 x 3650 = 16,30,000/-
29. Total Amount calculated	16,30,000/-

1/3 Copy of inspection dated 09/12/2024
 Copy of Show Cause Notice dated 06/12/2024
 Copy of Closure order and Rf Compliance
 Copy of complaint dated 30/01/2024 filed before NGT

CLOSURE DIRECTIVE

WHEREAS, the matter of air quality of Delhi-NCR has been monitored and heard by the Hon'ble Supreme Court in Writ Petition(S)(CIVIL) NO(S). 13029/1988

WHEREAS, The Commission for Air Quality Management in NCR and adjoining areas, vide Direction No. 03 dated 17th September, 2024, issued statutory directions for implementation of the revised schedule of the Graded Response Action Plan (GRAP), which is also available on the CAQM website (caqm.nctc.in);

WHEREAS, The Sub-Committee for invoking actions under the GRAP has invoked Stage IV of the GRAP i.e. 'Severe' category (DILHI AQI > 450) on 17/11/2024 which remain in effect upto 05/12/2024 and same is again invoked w.e.f. 16/12/2024 in the National Capital Region (NCR) and all the construction activities including linear public projects are completely banned under GRAP Stage-IV;

WHEREAS, the unit M/s Mehak Kaliraman Coop L and C Society, Ready Mix Plant Village Sohana, Panipat, is engaged in the process of manufacturing of Concrete using Cement, Aggregate and Sand.

WHEREAS, the above said unit was inspected by this office on 04.12.2024 for implementation of the directions issued by commission under GRAP and found the following violations made by the above said unit:-

1. Unit has not obtained prior CTK/CTO from the Board.
2. Not complied with guidelines issued for RMC Plants by HSPCB vide letter no. HSPCB/2013/267-278 dated 24.12.2013.

WHEREAS, the show cause notice for closure and imposition of environmental compensation was issued to the unit vide this office letter No.HSPCB/PH/2024/2220 dated 11/12/2024, Unit has not submitted any reply of show cause notice and no compliance has been made by the unit.

WHEREAS, the above said violations made on the part of the said unit are not only violating the provisions of Water Act, 1974 and Air Act, 1981 but also creating an emergent situation by contributing pollution in the environment causing further deterioration of the air quality up to Severe+ Category which is creating difficulties in breathing of the peoples residing in the nearby locations. Hence Closure action against the above said activity is the need of hour in large public interest.

WHEREAS, there is apprehension of operation of the unit during odd hours in violation of CAQM directions issued under GRAP Stage-IV.

WHEREAS, power were delegated to Regional Officers by board in its 187th meeting vide agenda item no. 107.12 (5) held on 17.02.2020 and orders were issued vide unit no. HSPCB/PLG/2020/1045-67 dated 19.03.2020 in partial modification of the office order unit. no. HSPCB/2005/2745-2753 dated 23.08.2005 of the board vide order dated 19.03.2020, it has been ordered to delegate the power to the Regional Officers of the Board in addition to power already delegated vide order dated 23.08.2005 for issuance of closure directions against the industrial sectors/units, found operating in violation of directions of the EPCA and as directed by Hon'ble Apex Court and Hon'ble NCT.

WHEREAS, it is pertinent to mention here that EPCA has been dissolved and Commission for Air Quality Management in NCR and adjoining areas (CAQM) had been constituted vide MoEF&CC notification dated 05.11.2020 for Air Quality Management in National Capital Region and Adjoining Areas for better co-ordination, research, identification and mitigation of problems surrounding the air quality index and for matters connected therewith or incidental thereto.

19	Cases for levying environmental compensation:-	1. Unit has not obtained prior CTC/CTO from the Board. 2. Not complied with guidelines issued for RMC Plants by HSPCB vide letter no. HSPCB/2013/267-278 dated 24.12.2013
20	Date of last inspection and sampling is done present inspection (order under Air and/or other pollution)	NA
21	Justification of imposing environmental compensation for last five year	NA

22. Fine/Reasoned recommendations in respect of G.C. and amounts attached to be levied	<p>The said unit is a HVC Plant covered under green category, was reported on 12/12/2024 in compliance of HVC/60 NOT Orders dated 28/11/2024. On 12/12/2024, during inspection it was found that unit is not in compliance of CTO from the Board. Thereafter, a show cause notice was issued to the unit vide the office order No.2201 dated 13/12/2024 for Environment Compensation and for closure action which was already directed to the unit.</p> <p>Unit is in compliance of closure order issued for the office Order No.2565/3568 dated 28/12/2024 and compliance has been sent to Head Office vide letter No.3400 dated 30/12/2024 through C- mail and C-Office. The unit has not submitted any copy of data. Therefore, it is recommended that the 98000 environmental compensation may be imposed on the unit from 30/12/2024 (Date of compliance filed in NOT) to 25/12/2024 (Date of compliance of closure order) for operating without CTO/CTO from the Board.</p>
23. FI- Pollution Index (Feed: 80, Charge: 30 and Green: 30)	30
24. N- No of days of violation	30/12/2024 (Date of compliance filed in NOT) to 25/12/2024 (Date of compliance of closure order) i.e. 300 Days
25. R- Factor in H/Spouse	250
26. S - Factor for scale of operation (0.5 for small or unit, 1.0 for Medium and 1.5 for large unit)	0.5 (For Small)
27. LF- Location Factor (as per zone)	1
28. $CC = H \times N \times R \times S \times LF$	$30 \times 300 \times 250 \times 0.5 \times 1 = 11,25,000/-$ (Rs. 11,25,000/- per day) as considering maximum G.C. of Rs. 5,000/- per day. Hence, $333 \times 3000 = 11,50,000/-$
29. Total Amount calculated	11,50,000/-

CLOSURE DIRECTIONS

The Commission for Air Quality Management in NCR and adjoining areas, vide Direction No. 83 dated 17th September, 2024, issued statutory direction for implementation of the revised schedule of the Graded Response Action Plan (GRAP), which is also available on the CAQM website (caqm.nic.in), as and when orders under GRAP are invoked.

The Sub-Committee for invoking actions under the GRAP in its earlier meetings held, had invoked actions under Stage-I, Stage II and Stage-III of the GRAP on 14th October, 2024, 21st October, 2024 and 14th November, 2024.

The Sub-Committee in its urgent meeting held on 17th November, 2024 further reviewed the air quality scenario in the region as well as the forecasts for meteorological conditions and air quality index of Delhi made available by IMD/IITM.

The Sub-committee observed that the AQI of Delhi was recorded at 44 I (Severe) at 4:00 P.M on 17.11.2024 (today) and has been gradually increasing further and has already reached Severe+ category, as the AQI clocked 447, 452 and 457 at 5:00 PM, 6:00 PM and 7:00 P.M respectively. Further, the average AQI for Delhi is expected to remain in this adverse range owing to heavy fog, variable winds, highly unfavorable meteorological and climatic conditions. Forecasts from IMD/IITM also indicate a likelihood of the AQI of Delhi to particularly remain in higher end of "SEVERE"/"SEVERE+" category in the coming days, owing to unfavorable climatic conditions.

Keeping in view the prevailing trend of air quality, in an effort to prevent further deterioration of the air quality, the sub-committee decided that All actions as envisaged under Stage IV of the GRAP i.e., 'Severe+' category (DELHI AQI > 450) be implemented in right earnest by all the agencies concerned in the NCR, with immediate effect, in addition to the stage I, II and III actions already in force.

Therefore, in an effort to prevent further deterioration of the air quality, the Sub Committee decided that ALL actions as envisaged under Stage IV of the GRAP -'severe+' Air Quality (DELHI AQI>450) be implemented in right earnest by all the agencies concerned in the NCR, in addition to the Stage-I, II and III actions already in force, from 8:00 A.M. of 18.11.2024 in the National Capital Region (NCR).

Whereas the unit **M/s Konark Enterprises (Part-2) Village Moonak, Karnal** was engaged in the process of Ready Mix Concrete (RMC), which is covered under Green category as per policy order dated 04.12.2020 of the Board regarding categorization of industries and required prior Consent to Establish and Consent to Operate under Water Act, 1974 and Air Act 1981.

Whereas, the above said unit was inspected by **Sh Rohtash JEE** on **09.12.2024** during the patrolling of the area for implementation of the directions issued by commission under GRAP and he reported the following violations made by the above said unit: -

1. **CTE /CTO from HSPCB have not obtained.**
2. **RECD based DG set not provided at 160KVA both DG sets are connected.**
3. **Large quantity of uncovered Construction material is lying at site & Dust Emission from RMC Plant.**

4. Sprinklers not provided.
5. Metalled/Pucca road not provided for vehicles.

Whereas the above said violations made on the part of the said unit are not only violating the provisions of Water Act 1974 and Air Act 1981 but also creating an emergent situation by contributing pollution in the environment causing further deterioration of the air quality up to Severe+ Category which is creating difficulties in breathing of the peoples residing in the nearby locations. Hence closure action against the above said activity is the need of hour in large public interest.

Whereas power were delegated to Regional Officers by board in its 187th meeting vide agenda item no. 187.12 (S) held on 17.02.2020 and orders were issued vide endst no. HSPCB/PLG/2020/1045-67 dated 19.03.2020 in partial modifications of the office order endst no. HSPCB/2005/2745-2753 dated 23.08.2005 of the board. Vide order dated 19.30.2020, it has been ordered to delegate the power to the Regional Officers of the Board in addition to power already delegated vide order dated 23.08.2005 for issuance of closure directions against the industrial sectors/units, found operating in violation of directions of the EPCA and as directed by Hon'ble Apex Court and Hon'ble NGT.

It is also pertinent to mention here that EPCA has been dissolved and Commission for Air Quality Management in NCR and adjoining areas (CAQM) had been constituted vide MoEF&CC notification dated 05.11.2020 for Air Quality Management in National Capital Region and Adjoining Areas for better co-ordination, research, identification and resolution of problems surrounding the air quality index and for matters connected therewith or incidental thereto.

THEREFORE, in view the above mentioned facts and in compliance of the Directions of the CAQM issued under Section 12 of the CAQM Act 2021, the undersigned hereby issue the direction/order to close down the operation of the above said RMC as M/s Konark Enterprises (Part-2) Village Moonak, Karnal by sealing its plant and machinery & DG set, if any, along-with directions to stop the electricity supply of the above said unit, with immediate effect.

The actions and proceedings under the relevant sections and provisions of the Water (Prevention & Control of Pollution) Act, 1974 and the Air (Prevention & Control of Pollution) Act, 1981 would be carried out separately without prejudice to this direction/order against the said project/activity/industry also.

**Regional officer
Karnal Region**

Endst. No. HSPCB/KAR/2024/5503-10

Dated: 09 / 12 / 2024

A copy of this Direction/Order is forwarded to the following for information and necessary action:

1. The Hon'ble Chairman, Haryana State Pollution Control Board, Panchkula with respect to the discussion held in the Review Meeting for GRAP held under his able Chairmanship on 19/11/2024.
2. The Deputy Commissioner, Karnal with a request to appoint a Duty Magistrate along with necessary police protection for the compliance of the said Direction/Order.
3. The Superintendent of Police, Karnal with a humble request to direct concerned DSP and SHO to ensure that the said project/activity/industry doesn't operate till these orders are suspended/revoked by the competent authority.

4. The Sr. E.E., Air Cell, Haryana State Pollution Control Board, Panchkula the same order/direction is issued with respect to the discussion held in the Review Meeting for GRAP held under the able Chairmanship of Hon'ble Chairman, HSPCB on 19/11/2024 and the verbal directions/communications as passed/issued by your good-self in the said meeting.
5. The S.D.M, Karnal with a request to issue necessary direction/order against the said project/activity/industry under **Section 152 BNSS| Bharatiya Nagarik Suraksha Sanhita (BNSS)** as the same is a source of public nuisance also. Further, he is requested to appoint a Duty Magistrate along with necessary police protection for the compliance of the said Direction/Order.
6. The Superintending Engineer, UHBVN, Karnal to stop the electricity supply of said unit.
7. Mr. Rohtash, JEE, Karnal. He is requested to ensure compliance of the closure order immediately. The JEE shall also initiate legal action and propose environment compensation as applicable, as per the environment compensation policy of the Haryana State Pollution Control Board and CAQM.
8. **M/s Konark Enterprises (Part-2) Village Moonak, Karnal (Mob No. 7876008000)**

ENVIRONMENTAL COMPENSATION ORDER

Sub. - Environmental Compensation order against - M/s Konark Enterprises (Part-2) Village Moonak, Karnal or non compliance of CAQM order No.1200 17/27/GRAP/2021/CAQM 1092 Dated 14.11.2024 (GRAP Stage I & II directions) Issued by Commission for Air Quality Management in NCR and adjoining areas.

Whereas, Ministry of Environment, Forest and Climate Change Government of India, in exercise of the powers conferred under Section 3 of the Commission for Air Quality Management in National Capital Region and Adjoining Areas Act 2021 (hereinafter referred as Act), has constituted the Commission;

Whereas, the Commission for Air Quality Management, (hereinafter referred as CAQM) from time to time, has issued directions in respect of measures to abate air pollution in the National Capital Region including directions for strict compliance of air pollution control laws in force;

Whereas, the Commission for Air Quality Management in National Capital Region and Adjoining Areas Act, 2021 empowers the Commission to take all such measures and issue directions as it deems necessary or expedient for the purpose of protecting and improving the quality of the air in the National Capital Region and Adjoining Areas;

Whereas, CAQM has invoked the various restrictions as defined by Stage-I of GRAP vide order dated 14.10.2024. which includes

1. Ensure proper implementation of Directions/ Rules/Guidelines on dust mitigation measures in Construction and Demolition (C&D) activities and sound environmental management of C86D waste.
2. Ensure strict compliance of Direction Nos. 11-18 dated 11.06.2021 and do not permit C86D activities in respect of such projects with plot size equal to or more than 500 scam which are not registered on the 'web portal' of the respective state / GNCTD and /or which do not fulfil the other requirements as per above noted statutory directions, for remote monitoring of dust mitigation measures.
3. Ensure regular lifting of Municipal Solid Waste (M SW), Construction 86 Demolition (C86D) waste, and Hazardous wastes from dedicated dump sites and ensure that no waste is dumped illegally in open land areas.
4. Carry out periodic mechanized sweeping and water sprinkling on roads and ensure scientific disposal of the dust collected in designated sites/landfills.
5. Ensure that C&D materials 86 waste are properly stored/ contained, duly covered in the premises. Ensure transportation of Cli&D materials and C&D waste only through covered vehicles.
6. Strictly enforce the statutory directions and yardsticks for use of anti-smog guns at C&[] sites, in proportion to the total area of construction for the project.

7. Intensify use of anti-smog guns, water sprinkling and dust suppression measures in road construction / widening/ repair projects and maintenance activities.
8. Stringently enforce prohibition on open burning of biomass and municipal solid waste. Impose maximum EC upon violations in accordance with Hon'ble NGT's orders dated 04.12.2014 and 28.04.2015 in OA 21/2014.
9. Strict vigil to ensure that there are no burning incidents in the landfill sites / dumpsites.
10. Deploy traffic police for smooth traffic flow at all identified corridors with heavy traffic and congestion prone intersections.
11. Strict vigilance and enforcement of PUC norms for vehicles.
12. No tolerance for visible emissions - Stop visibly polluting vehicles by impounding and / or levying maximum penalty.
13. Strictly enforce the Hon'ble Supreme Court order on diversion of non-destined truck traffic for Delhi, through Eastern and Western Peripheral Expressways.
14. Strictly enforce NGT / Hon'ble SC's order on overaged diesel / petrol vehicles and as per extant statutes.
15. Ensure strict penal/ legal action against non-compliant and illegal industrial units.
16. Stringently enforce all pollution control regulations in Industries, brick kilns and hot mix plants etc. - strict compliance of the prescribed standards of emissions.
17. Ensure that only approved fuels are used by the industries in NCR including in brick kilns and hot mix plants and enforce closure in case of violations, if any.
18. Stringently enforce emission norms in thermal power plants and strict actions be taken against non-compliance.
19. Strictly enforce Hon'ble Courts/Tribunal orders regarding ban on fire crackers.
20. Ensure regular lifting and proper disposal of industrial waste from industrial and non-development areas.
21. DISCOMs to minimise power supply interruptions in NCR.
22. Ensure that diesel generator sets are not used as regular source of power supply.
23. Strictly enforce the extant ban on coal / firewood as fuel in Tandoors in Hotels, Restaurants and open eateries.
24. Ensure hotels, restaurants and open eateries use only electricity /gas based / clean fuel-based appliances.
25. Information dissemination including through social media and bulk SMS etc. Mobile Apps to be used to inform people about the pollution levels, contact details of control room, enable them to report polluting activities / sources to the concerned authorities and inform them about actions that would be taken by Government.

26. Ensure quick actions for redressal of complaints on 311 APP, Green Delhi App, SAMEER App and other such social media platforms to curb polluting activities.
27. Encourage offices to start unified commute for employees to reduce traffic on road.

Whereas, CAQM has invoked the various restrictions as defined by Stage-II of GRAP vide order dated 21.10.2024. which includes

1. Carry out mechanical/ vacuum sweeping and water sprinkling of the identified roads on a daily basis.
2. Ensure water sprinkling along with use of dust suppressants (at least every alternate day, during non-peak hours) on roads to arrest road dust especially at hotspots, heavy traffic corridors, vulnerable areas and proper disposal of dust collected in designated sites/landfills.
3. Intensify inspections for strict enforcement of dust control measures at C86D sites.
4. Ensure focussed and targeted action for abatement of air pollution in all identified hotspots in NCR. Intensify remedial measures for the predominant sector(s) contributing to adverse air quality in each of such hotspots.
5. Ensure uninterrupted power supply to discourage use of alternate power Generating sets/ equipment (DG sets etc.).
6. Strictly implement the Schedule for regulated operations of DG sets across all sectors in the NCR including Industrial, Commercial, Residential etc. in accordance with Direction No. 76 dated 29.09.2023.
7. Synchronize traffic movements and deploy adequate personnel at intersections / traffic congestion points for smooth flow of traffic.
8. Alert in newspapers / TV / radio to advise people about air pollution levels and Do's and Don'ts for minimizing polluting activities.
9. Enhance vehicle parking fees to discourage private transport.
10. Augment CNG/ electric bus and metro services by inducting additional fleet and increasing the frequency of service.
11. Resident Welfare Associations to necessarily provide electric heaters to security staff to avoid open Bio-Mass/ MSW burning during winters.

Whereas, AQI of Delhi since morning of 09.12.2024 is hovering in "Very Poor" Category, AQI of Delhi has been recorded as 203 (Very Poor) at 02:20 PM.

Whereas your unit **M/s Konark Enterprises (Part-2) Village Moonak, Karnal** is a **RMC plant** and was inspected by Sh. Rohtash Dahiya, JEE/Field Officer, HSPCB, Karnal Region on **09/12/2024** and during inspection/visit, your project found non complaint in following aspects:-

1. CTE /CTO from HSPCB have not obtained.
2. RECD based DG set not provided at 160KVA both DG sets are connected.
3. Large quantity of uncovered Construction material is lying at site & Dust Emission from RMC Plant.
4. Sprinklers not provided.
5. Metalled/Pucca road not provided for vehicles.

Whereas by doing so, your unit is emitting air emission pollutants into the atmosphere in violation of the above said act/Rules & directions and endangering the life of public at large.

Whereas, you are liable to pay the environmental compensation in terms of the direction of the HSPCB issued vide letter No. HSPCB/PLG/2021/2351-79 dated 22.12.2021 as assessed by the Board as per methodology defined as under:-

Environmental Compensation to be levied on all violations of Graded Response Action Plan (GRAP) in NCR.		
Activity	State of Air Quality	Environmental Compensation (Rs.)
Industrial Emissions	Severe +/Emergency	Rs. 1.0 Crore
	Severe	Rs. 50 Lakh
	Very Poor	Rs. 25 Lakh
	Moderate to Poor	Rs. 10 Lakh
Vapour Recovery System (VRS) at Outlets of Oil Companies		
i. Not Installed	Target Date	Rs. 1.0 Crore
ii. Non-Functional	Very poor to Severe+	Rs. 50 Lakh
	Moderate to Poor	Rs. 25 Lakh
Construction sites (Offending plot more than 20,000 Sq.m.)	Severe +/Emergency	Rs. 1.0 Crore
	Severe	Rs. 50 Lakh
	Very Poor	Rs. 25 Lakh
	Moderate to Poor	Rs. 10 Lakh
Solid Waste/garbage dumping in Industrial Estates	Very poor to Severe +	Rs. 25.0 Lakh
	Moderate to Poor	Rs. 10 Lakh
Failure to water sprinkling on unpaved roads		
a) Hot-spots	Very poor to Severe +	Rs. 25.0 Lakh
b) Other than Hot-spots	Very poor to Severe +	Rs. 10.0 Lakh

In view of above mentioned directions and violations at your project and in view of invocation of GRAP directions of stage III for banning, restricting and regulating various activities to mitigate the present severe environmental conditions and protect the life and health of the citizens, it is hereby ordered with the directions to the unit **M/s Konark Enterprises (Part-2) Village Moonak, Karnal** to deposit **Environment Compensation amount of Rs. 10,00,000/- (Ten Lakh only)** with the Haryana State Pollution Control Board as Environment Compensation on account of the damage caused by the unit to the environment.

CLOSURE DIRECTIONS

The Commission for Air Quality Management in NCR and adjoining areas, vide Direction No. 83 dated 17th September, 2024, issued statutory direction for implementation of the revised schedule of the Graded Response Action Plan (GRAP), which is also available on the CAQM website (caqm.in), as and when orders under GRAP are invoked.

The Sub-Committee for invoking actions under the GRAP in its earlier meetings held, had invoked actions under Stage-I, Stage-II and Stage-III of the GRAP on 14th October, 2024, 21st October, 2024 and 14th November, 2024.

The Sub-Committee in its recent meeting held on 17th November, 2024 further reviewed the air quality scenario in the region as well as the forecasts for meteorological conditions and air quality index of Delhi made available by IMD/IITM.

The Sub-committee observed that the AQI of Delhi was recorded at 441 (Severe) at 4:00 P.M on 17.11.2024 [today] and has been gradually increasing further and has already reached Severe+ category, as the AQI clocked 447, 452 and 457 at 5:00 PM, 6:00 PM and 7:00 P.M respectively. Further, the average AQI for Delhi is expected to remain in this adverse range owing to heavy fog, variable winds, highly unfavorable meteorological and climatic conditions. Forecasts from IMD/IITM also indicate a likelihood of the AQI of Delhi to particularly remain in higher end of "SEVERE"/"SEVERE+" category in the coming days, owing to unfavorable climatic conditions.

Keeping in view the prevailing trend of air quality, in an effort to prevent further deterioration of the air quality, the sub-committee decided that ALL actions as envisaged under Stage IV of the GRAP i.e. 'Severe+' category [DELHI AQI > 450] be implemented in right earnest by all the agencies concerned in the NCR, with immediate effect, in addition to the stage I, II and III actions already in force.

Therefore, in an effort to prevent further deterioration of the air quality, the Sub-Committee decided that ALL actions as envisaged under Stage IV of the GRAP - 'severe+' Air Quality [DELHI AQI>450] be implemented in right earnest by all the agencies concerned in the NCR, in addition to the Stage-I, II and III actions already in force, from 8:00 A.M. of 18.11.2024 in the National Capital Region (NCR).

Whereas the unit M/s Bansal Infratech Synergies, (RMC Plant), Village Bastana, Kohand to Moonak Road, Karnal (Lat. -29.2949 N; Long- 76.5234 E) was engaged in the process of Ready Mix Concrete (RMC), which is covered under Green category as per policy order dated 04.12.2020 of the Board regarding categorization of industries and required prior Consent to Establish and Consent to Operate under Water Act, 1974 and Air Act 1981.

Whereas, the above said unit was inspected by Sh Rohitash JEE on 21.11.2024 during the patrolling of the area for implementation of the directions issued by commission under GRAP and he reported the following violations made by the above said unit: -

1. CTE /CTO from HSPCB have not obtained.
2. RMC Plant was not operational during inspection.
3. RECD based DG set not provided at 250 KVA and 125 KV. In 300 sets are connected.

4. APCD not provided.
5. Large quantity of unsorted waste material is lying at site.
6. Sprinklers not provided.
7. Metalled / Pucca Road not provided for passage of vehicle and thus creating huge dust and emission and air pollution.

Whereas the above said violations made on the part of the said unit are not only violating the provisions of Water Act 1974 and Air Act 1981 but also creating an emergent situation by contributing pollution in the environment causing further deterioration of the air quality up to Severe+ Category which is creating difficulties in breathing of the peoples residing in the nearby locations. Hence closure action against the above said activity is the need of hour in large public interest.

Whereas power were delegated to Regional Officers by board in its 187th meeting vide agenda item no. 187.12 (S) held on 17.02.2020 and orders were issued vide order no. HSPCB/PLG/2020/1045-67 dated 19.03.2020 in partial modifications of the office order order no. HSPCB/2005/2745-2753 dated 23.09.2005 of the board. Vide order dated 19.30.2020, it has been ordered to delegate the power to the Regional Officers of the Board in addition to power already delegated vide order dated 23.09.2005 for issuance of closure directions against the industrial sectors/units, found operating in violation of directions of the EPCA and as directed by Hon'ble Apex Court and Hon'ble NGT.

It is also pertinent to mention here that EPCA has been dissolved and Commission for Air Quality Management in NCR and adjoining areas (CAQM) had been constituted vide MoEF&CC notification dated 05.11.2020 for Air Quality Management in National Capital Region and Adjoining Areas for better co-ordination, research, identification and resolution of problems surrounding the air quality index and for matters connected therewith or incidental thereto.

THEREFORE, in view the above mentioned facts and in compliance of the Directions of the CAQM issued under Section 12 of the CAQM Act 2021, the undersigned hereby issue the direction/order to close down the operation of the above said RMC as M/s Bansal Infratech Synergies, (RMC Plant), Village Katana, Kohand to Moonak Road, Karnal (Lat. -29.2949 N; Long. -76.5234 E) by sealing its plant and machinery & DG set, if any, along-with directions to stop the electricity supply of the above said unit, with immediate effect.

The actions and proceedings under the relevant sections and provisions of the Water (Prevention & Control of Pollution) Act, 1974 and the Air (Prevention & Control of Pollution) Act, 1981 would be carried out separately without prejudice to this direction/order against the said project/activity/industry also.

Regional officer
Karnal Region

Enclst. No. HSPCB/KAR/2024/5169-76

Dated: 21 / 11 / 2024

A copy of this Direction/Order is forwarded to the following for information and necessary action:

1. The Hon'ble Chairman, Haryana State Pollution Control Board, Panchkula with respect to the discussion held in the Review Meeting for GRAF held under his able Chairmanship on 19/11/2024.
2. The Deputy Commissioner, Karnal with a request to appoint a Duty Magistrate along with necessary police protection for the compliance of the said Direction/Order.

- 132
3. The Superintendent of Police, Karnal with a humble request to direct concerned DSP and SJO to ensure that the said project/activity/industry doesn't operate till these orders are suspended/revoked by the competent authority.
 4. The Sr. E.E, Air Cell, Haryana State Pollution Control Board, Panchkula the same order/direction is issued with reference to discussion held in the Review Meeting for GRAP held under the able Chairmanship of Hon'ble Chairman, HSPCB on 19/11/2024 and the verbal directions/communications as passed/issued by your good-self in the said meeting.
 5. The S.D.M, Karnal with a request to issue necessary direction/order against the said project/activity/industry under Section 152 BNSS [Bharatiya Nagarik Suraksha Sanhita (BNSS)] as the same is a source of public nuisance also. Further, he is requested to appoint a Duty Magistrate along with necessary police protection for the compliance of the said Direction/Order.
 6. The Superintending Engineer, UHBVN, Karnal to stop the electricity supply of said unit.
 7. Mr. Raktash, JEE, Karnal. He is requested to ensure compliance of the closure order immediately. The JEE shall also initiate legal action and propose environment compensation as applicable, as per the environment compensation policy of the Haryana State Pollution Control Board and CAQM.
 8. M/s Bansal Infratech Synergia, (RMC Plant), Village Katana, Kithana to Morniak Road, Karnal (Lat. -29.2949 N; Long. - 76.5234 E)

ENVIRONMENTAL COMPENSATION ORDER

Sub. - Environmental Compensation order against - M/s Bansal Infratech Synergies, (RMC Plant), Village Kutana, Kohand to Moonak Road, Karnal (Lat. -29.2949 N; Long.- 76.5234 E) or non compliance of CAQM order No.1200 17/27/GRAP/2021/CAQM 1092 Dated 14.11.2024 (GRAP Stage III directions) issued by Commission for Air Quality Management in NCR and adjoining areas.

Whereas, Ministry of Environment, Forest and Climate Change Government of India, in exercise of the powers conferred under Section 3 of the Commission for Air Quality Management in National Capital Region and Adjoining Areas Act 2021 (hereinafter referred as Act), has constituted the Commission;

Whereas, the Commission for Air Quality Management, (hereinafter referred as CAQM) from time to time, has issued directions in respect of measures to abate air pollution in the National Capital Region including directions for strict compliance of air pollution control laws in force;

Whereas, the Commission for Air Quality Management in National Capital Region and Adjoining Areas Act, 2021 empowers the Commission to take all such measures and issue directions as it deems necessary or expedient for the purpose of protecting and improving the quality of the air in the National Capital Region and Adjoining Areas;

Whereas, CAQM has invoked the various restrictions as defined by Stage-I of GRAP vide order dated 14.10.2024.

Whereas, CAQM has invoked the various restrictions as defined by Stage-II of GRAP vide order dated 21.10.2024.

Whereas, CAQM has invoked the various restrictions as defined by Stage-III of GRAP vide order dated 14.11.2024, which includes:-

1. Further intensify the frequency of mechanized sweeping of roads.
2. Ensure daily water sprinkling along with dust suppressants, before peak traffic hours, on roads and right of ways including hotspots, heavy traffic corridors and ensure proper disposal of the collected dust in designated sites/ landfills.
3. Further intensify public transport services. Introduce differential rates to encourage off peak travel.
4. (i) Enforce strict ban on the following categories of dust generating/ air pollution causing C&D activities in the entire NCR:
 - Earthwork for excavation and filling including boring & drilling works.
 - Piling works.
 - All demolition works.
 - Laying of sewer line, water line, drainage and electric cabling etc. by open trench system.
 - Brick / masonry works.
 - Operation of RMC batching plant.
 - Major welding and gas-cutting operations. Minor welding activities for MEP (Mechanical, Electrical and Plumbing) works to be, however, permitted.
 - Painting, polishing and varnishing works etc.
 - Cement, Plaster / other coatings, except for minor indoor repairs/ maintenance.
 - Cutting / grinding and fixing of tiles, stones and other flooring materials, except for minor indoor repairs/ maintenance.
 - Water Proofing work (Excluding Chemical water proofing).

- Road construction activities and major repairs.
- Transfer, loading / unloading of dust generating materials like cement, fly-ash, bricks, sand, murram, pebbles, crushed stone etc. anywhere within / outside the project sites.
- Movement of vehicles carrying construction materials on unpaved roads.
- Any transportation of demolition waste.

Note: All construction related activities, other than those listed under 4(i) above, which are relatively less polluting / less dust generating shall be permitted to be continued in the NCR, subject to strict compliance of the C&D Waste Management Rules, dust prevention/ control norms including compliance with the directions of the Commission issued from time to time.

(ii) All C&D related activities, including those under 4(i) above, shall be continued to be permitted only for the following categories of projects, however subject to strict compliance of the C&D Waste Management Rules, dust prevention/ control norms including compliance with the directions of the Commission issued from time to time:

- Projects for Railway services and stations
 - Projects for Metro Rail Services and stations
 - Airports and Inter State Bus Terminals
 - National security/ defence related activities/ projects of national importance;
 - Hospitals/ health care facilities
 - Linear public projects such as highways, roads, flyovers, over bridges, power transmission/ distribution, pipelines, telecommunication services (Only for non-open trench works) etc.
 - Sanitation projects like sewage treatment plants and water supply projects etc.
 - Ancillary activities, specific to and supplementing the above project categories.
- Close down operations of stone crushers in the entire NCR.
 - Close down all mining and associated activities in the entire NCR.
 - NCR State Govts. / GNCTD to impose strict restrictions on plying of BS III petrol and US IV diesel LMVs (4 wheelers) in Delhi and in the districts of Gurugram, Faridabad, Ghaziabad and Gautam Budh Nagar.
 - GNCTD to impose strict restrictions on plying Delhi - registered Diesel operated Medium Goods Vehicles (MGVs), of RS-III standards or below, in Delhi, except those carrying essential commodities / providing essential services.
 - GNCTD to not permit BS-III and below diesel operated LCVs (goods carriers) registered outside Delhi, to enter Delhi, except those carrying essential commodities / providing essential services.
 - Do not permit Inter-State buses from NCR states other than EVs/CNG/BS-VI diesel, to enter Delhi (excluding buses /Tempo travelers operated with All India Tourist Permit).
 - State Govts. in the NCR and the GNCTD may take a decision on discontinuing physical classes in schools for children up to Class V and conducting classes in an online mode.

Further, citizens may be urged to adhere to the citizen charter and assist in effective implementation of the GRAP measures aimed towards sustaining and improving the Air Quality in the Region, in addition to the citizen charter of Stage-I& Stage-II, as under:-

- Walk or use cycles for small distances.
- Choose a cleaner commute. Share a ride to work or use public transport.
- People, whose positions allow working from home, may work from home.
- Do not use coal and wood for heating purpose.
- Individual house owners may also provide electric heaters to security / other staff employed by them to avoid open burning of bio-mass/wood / MSW
- Combine errands and reduce trips.

Whereas, CAQM has invoked the various restrictions as defined by Stage-IV of GRAP

vide order dated 17.11.2024, which includes:-

- 135
1. Stop entry of truck traffic into Delhi (except for trucks carrying essential commodities/ providing essential services). A11 LNG/ CNG / Electric/ BS-VI Diesel trucks) shall, however, be permitted to enter Delhi.
 2. Do not permit LCVs registered outside Delhi, other than EVs / CNG / BS-VI diesel, to enter Delhi, except those carrying essential commodities / providing essential services.
 3. Enforce strict ban on plying of Delhi - registered BS-IV and below diesel operated Medium Goods Vehicles (MGVs) and Heavy Goods Vehicles (HGVs) in Delhi, except those carrying essential commodities / providing essential services.
 4. Ban C&D activities, as in the GRAP Stage-III, also for linear public projects such as highways, roads, flyovers, overbridges, power transmission, pipelines, telecommunication etc.
 5. NCR State Govts. and GNC'I'D may take a decision on discontinuing physical classes even for classes VI - IX, class XI and conduct lessons in an online mode
 6. NCR State Governments / CNCTD to take a decision on allowing public, municipal and private offices to work on 50% strength and the rest to work from home.
 7. Central Government may take appropriate decision on permitting work from home for employees in central government offices.
 8. State Governments may consider additional emergency measures like closure of colleges/ educational institutions and closure of non-emergency commercial activities, permitting running of vehicles on odd-even basis of registration numbers etc.

Further, citizens may be urged to adhere to the citizen charter and assist in effective implementation of the GRAP measures aimed towards sustaining and improving the Air Quality in the Region, in addition to the citizen charter of tage-1, Stage-II and Stage-III, as under:-

- Children, elderly and those with respiratory, cardiovascular, cerebrovascular or other chronic diseases to avoid outdoor activities and stay indoors, as much as possible.

Whereas, AQI of Delhi since morning of 17.11.2024 is hovering in "SEVERE" Category. At around 4:00 P.M of 14.11.2024, AQI of Delhi has been recorded as 424 (Severe Category).

Whereas your unit **M/s Bansal Infratech Synergies, (RMC Plant), Village Kutana, Kohand to Moonak Road, Karnal (Lat. -29.2949 N; Long.- 76.5234 E)** is a RMC plant and was inspected by Sh. Rohtash Dahiya, JEE/Field Officer, HSPCB, Karnal Region on 21/11/2024 and during inspection/visit, your project found non complaint in following aspects:-

1. CTE /CTO from HSPCB have not obtained.
2. RECD based DG set not provided at 250 KVA and 125 KVA both DG sets are connected.
3. APCD not provided.
4. Large quantity of uncovered Construction material is lying at site.
5. Sprinklers not provided.
6. Metalled / Pucca Road not provided at passage of vehicle and thus creating huge dust and emission and air pollution

Whereas by doing so, your unit is emitting air emission pollutants into the atmosphere in violation of the above said act/Rules & directions and endangering the life of public at large.

Whereas, you are liable to pay the environmental compensation in terms of the direction of the HSPCB issued vide letter No. HSPCB/PLG/2021/2351-79 dated 22.12.2021 as assessed by the Board as per methodology defined as under:-

Environmental Compensation to be levied on all violations of Graded Response Action Plan (GRAP) in NCR.		
	State of Air Quality	Environmental Compensation (Rs.)
Activity		

Industrial Emissions	Severe +/Emergency	Rs. 1.0 Crore
	Severe	Rs. 50 Lakh
	Very Poor	Rs. 25 Lakh
	Moderate to Poor	Rs. 10 Lakh
Vapour Recovery System (VRS) at Outlets of Oil Companies		
i. Not Installed	Target Date	Rs. 1.0 Crore
ii. Non-Functional	Very poor to Severe+	Rs. 50 Lakh
	Moderate to Poor	Rs. 25 Lakh
Construction sites (Offending plot more than 20,000 Sq.m.)	Severe +/Emergency	Rs. 1.0 Crore
	Severe	Rs. 50 Lakh
	Very Poor	Rs. 25 Lakh
	Moderate to Poor	Rs. 10 Lakh
Solid Waste/garbage dumping in Industrial Estates	Very poor to Severe +	Rs. 25.0 Lakh
	Moderate to Poor	Rs. 10 Lakh
Failure to water sprinkling on unpaved roads		
a) Hot-spots	Very poor to Severe +	Rs. 25.0 Lakh
b) Other than Hot-spots	Very poor to Severe +	Rs. 10.0 Lakh

In view of above mentioned directions and violations at your project and in view of invocation of GRAP directions of stage III for banning, restricting and regulating various activities to mitigate the present severe environmental conditions and protect the life and health of the citizens, it is hereby ordered with the directions to the unit **M/s Bansal Infratech Synergies, (RMC Plant), Village Kutana, Kohand to Moonak Road, Karnal (Lat. -29.2949 N; Long.- 76.5234 E)** to deposit **Environment Compensation amount of Rs. 10,00,000/- (Ten Lakh only)** with the Haryana State Pollution Control Board as Environment Compensation on account of the damage caused by the unit to the environment.

CLOSURE DIRECTIONS

The Commission for Air Quality Management (CAQM) and adjoining areas, vide Direction No. 83 dated 17th September, 2024, issued statutory direction for implementation of the revised schedule of the Graded Response Action Plan (GRAP), which is also available on the CAQM website (caqm.nic.in), as and when orders under GRAP are invoked.

The Sub-Committee for invoking actions under the GRAP in its earlier meetings held, to invoke actions under Stage-I, Stage II and Stage-III of the GRAP on 14th October, 2024, 21st October, 2024 and 14th November, 2024.

The Sub-Committee in its urgent meeting held on 17th November, 2024 further reviewed the air quality scenario in the region as well as the forecasts for meteorological conditions and air quality index of Delhi made available by IMD/IITM.

The Sub-committee observed that the AQI of Delhi was recorded at 441 (Severe) at 4:00 P.M on 17.11.2024 (today) and has been gradually increasing further and has already reached Severe+ category, as the AQI clocked 447, 452 and 457 at 5:00 PM, 6:00 PM and 7:00 P.M respectively. Further, the average AQI for Delhi is expected to remain in this adverse range owing to heavy fog, variable winds, highly unfavorable meteorological and climatic conditions. Forecasts from IMD/IITM also indicate a likelihood of the AQI of Delhi to particularly remain in higher end of "SEVERE"/"SEVERE+" category in the coming days, owing to unfavorable climatic conditions.

Keeping in view the prevailing trend of air quality, in an effort to prevent further deterioration of the air quality, the sub-committee decided that all actions as envisaged under Stage IV of the GRAP i.e., "Severe+" category (DELHI AQI > 450) be implemented in right earnest by all the agencies concerned in the NCR, with immediate effect, in addition to the stage I, II and III actions already in force.

Therefore, in an effort to prevent further deterioration of the air quality, the Sub Committee decided that ALL actions as envisaged under Stage IV of the GRAP 'severe+' Air Quality (DELHI AQI>450) be implemented in right earnest by all the agencies concerned in the NCR, in addition to the Stage-I, II and III actions already in force, from 8:00 A.M. of 18.11.2024 in the National Capital Region (NCR).

Whereas the unit M/s Deepak Builders and Engineers India Pvt. Ltd. (RMC Plant), Village Kutana, Tehsil Ballaha Assandh, Karnal was engaged in the process of Ready mix cement concrete which is covered under Green category as per policy order dated 04.12.2020 of the Board regarding categorization of industries and required prior Consent to Establish and Consent to Operate under Water Act, 1974 and Air Act 1981.

Whereas, the above said unit was inspected by Sh. Rohitash Dahiya, JEE on 17.11.2024 during the patrolling of the area for implementation of the directions issued by commission under GRAP and he reported the following violations made by the above said unit:-

1. CTE /CTO from HSPCB have not obtained.
2. RECD based DG set not provided on 125 KVA.
3. Adequate APCM not provided.
4. RMC Plant found not in-operation during inspection.

Whereas, AQI of Karnal on dated 17/11/2024 was under Poor category and the above said violations made on the part of unit were not only violating the provisions of Air Act 1981 but also creating an emergent situation by contributing pollution in the environment causing further deterioration of the air quality.

Whereas the above said violations made on the part of the said unit are not only violating the provisions of Water Act 1974 and Air Act 1981 but also creating an emergent situation by contributing pollution in the environment causing further deterioration of the air quality up to Severe+ Category which is creating difficulties in breathing of the peoples residing in the nearby locations. Hence closure of the said unit the above said activity is the need of hour in large public interest.

Whereas power was delegated to Regional Officers by board in its 187th meeting vide agenda item no. 187.12 (5) held on 17.08.2020 and orders were issued vide endst no. HSPCB/PLG/2020/1045-67 dated 19.03.2020 in partial modifications of the office order endst no. HSPCB/2005/2745-2753 dated 23.08.2005 of the board. Vide order dated 19.30.2020, it has been ordered to delegate the power to the Regional Officers of the Board in addition to power already delegated vide order dated 23.08.2005 for issuance of closure directions against the industrial sectors/units, found operating in violation of directions of the EPCA and as directed by Hon'ble Apex Court and Hon'ble NGT.

It is also pertinent to mention here that EPCA has been dissolved and Commission for Air Quality Management in NCR and adjoining areas (CAQM) had been constituted vide MoEF&CC notification dated 05.11.2020 for Air Quality Management in National Capital Region and Adjoining Areas for better co-ordination, research, identification and resolution of problems surrounding the air quality index and air matters connected therewith or incidental thereto.

Therefore, in view the above mentioned facts and in exercise of the powers conferred under section 33-A of the Water (Prevention & Control of Pollution) Act, 1974 and under section 31-A of the Air (Prevention & Control of Pollution) Act, 1981 and delegated by board in its 187th meeting vide agenda item no. 187.12 (5), directions are hereby issued to close down the operation of the above said illegal unit M/s Deepak Builders and Engineers India Pvt. Ltd. (RMC Plant), Village Kutana, Tehsil Ballaha Assandh, Karnal by sealing its plant and machinery & DG set along-with directions to stop the electricity supply of the above said unit, with immediate effect.

In addition to above, it is also intimated that non-compliance with the directions issued under section 33-A of the Water (Prevention & Control of Pollution) Act, 1974 and under section 31-A of the Air (Prevention & Control of Pollution) Act, 1981 is an offence under the provision of 33-A of the Water (Prevention & Control of Pollution) Act, 1974 and under section 31-A of the Air (Prevention & Control of Pollution) Act, 1981.

Regional officer
Karnal Region

Endst. No. HSPCB/KAR/2024/5075-79

Dated: 20 / 11 / 2024

A copy of the above is forwarded to the following for information and necessary action:-

1. The Chairman, Haryana State Pollution Control Board, Panchkula.
2. The Deputy Commissioner, Karnal.
3. The Superintendent Engineer, UMEVN, Karnal to stop the electricity supply of said unit.
4. Sh. Raktash Dohiya, JEE, Karnal. He is asked to ensure compliance of the closure order immediately. The JEE shall also initiate legal action and propose environment compensation, as applicable, as per policy of the Board.
5. M/s Deepak Builders and Engineers India Pvt. Ltd. (RMC Plant), Village Kutana, Tehsil Ballaha Assandh, Karnal.

ENVIRONMENTAL COMPENSATION ORDER

Sub. - Environmental Compensation order against - M/s Deepak Builders and Engineers India Pvt. Ltd. (RMC Plant), Village Kamana, Tehsil Ballaha Assandh, Karnal or non compliance of CAQM order No.1280 17/27/GRAP/2021/CAQM 1092 Dated 14.11.2024 (GRAP Stage III directions) issued by Commission for Air Quality Management in NCR and adjoining areas.

Whereas, Ministry of Environment, Forest and Climate Change Government of India, in exercise of the powers conferred under Section 3 of the Commission for Air Quality Management in National Capital Region and Adjoining Areas Act 2021 (hereinafter referred as Act), has constituted the Commission;

Whereas, the Commission for Air Quality Management, (hereinafter referred as CAQM) from time to time, has issued directions in respect of measures to abate air pollution in the National Capital Region including directions for strict compliance of air pollution control laws in force;

Whereas, the Commission for Air Quality Management in National Capital Region and Adjoining Areas Act, 2021 empowers the Commission to take all such measures and issue directions as it deems necessary or expedient for the purpose of protecting and improving the quality of the air in the National Capital Region and Adjoining Areas;

Whereas, CAQM has invoked the various restrictions as defined by Stage-I of GRAP vide order dated 14.10.2024.

Whereas, CAQM has invoked the various restrictions as defined by Stage-II of GRAP vide order dated 21.10.2024.

Whereas, CAQM has invoked the various restrictions as defined by Stage-III of GRAP vide order dated 14.11.2024, which includes:-

1. Further intensify the frequency of mechanized sweeping of roads.
2. Ensure daily water sprinkling along with dust suppressants, before peak traffic hours, on roads and right of ways including busstops, heavy traffic corridors and ensure proper disposal of the collected dust in designated sites/ landfills.
3. Further intensify public transport services, introduce differential rates to encourage off peak travel.
4. (i) Enforce strict ban on the following categories of dust generating/ air pollution causing C&D activities in the entire NCR:
 - Earthwork for excavation and filling including boring & drilling works.
 - Filling works.
 - All demolition works.
 - Laying of sewer line, water line, drainage and electric cabling etc. by open trench system.
 - Brick / masonry works.
 - Operation of RMC batching plant.
 - Major welding and gas-cutting operations. Minor welding activities for MEP (Mechanical, Electrical and Plumbing) works to be, however, permitted.
 - Painting, polishing and varnishing works etc.
 - Cement, Plaster / other coatings, except for minor indoor repairs/maintenance.
 - Cutting / grinding and fixing of tiles, stones and other flooring materials, except for minor indoor repairs/ maintenance.
 - Water Proofing work (Excluding Chemical water proofing).

111

- Road construction activities and major repairs.
 - Transfer, loading / unloading of dust generating materials like cement, fly-ash, bricks, sand, murrum, pebbles, crushed stone etc. anywhere within / outside the project sites.
 - Movement of vehicles carrying construction materials on unpaved roads.
 - Any transportation of demolition material.
- Note: All construction related activities other than those listed under 4(i) above, which are relatively less dust-generating shall be permitted to be continued in the NCR, subject to strict compliance of the C&D Waste Management Rules, dust prevention/ control norms including compliance with the directions of the Commission issued from time to time.

(ii) All C&D related activities, including those under 4(i) above, shall be continued to be permitted only for the following categories of projects, however subject to strict compliance of the C&D Waste Management Rules, dust prevention/ control norms including compliance with the directions of the Commission issued from time to time:

- (a) Projects for Railway services and stations
 - (b) Projects for Metro Rail Services and stations
 - (c) Airports and Inter State Bus Terminals
 - (d) National security/ defence related activities/ projects of national importance;
 - (e) Hospitals/ health care facilities
 - (f) Linear public projects such as highways, roads, flyovers, over bridges, power transmission/ distribution, pipelines, telecommunication services (Only for non-open trench works) etc.
 - (g) Sanitation projects like sewage treatment plants and water supply projects etc.
 - (h) Ancillary activities, specific to and supplementing the above project categories.
5. Close down operations of stone crushers in the entire NCR.
 6. Close down all mining and associated activities in the entire NCR.
 7. NCR State Govts. / GNCTD to impose strict restrictions on plying of BS-III petrol and US-IV diesel LMVs (4 wheelers) in Delhi and in the districts of Gurugram, Faridkot, Ghazabad and Gautam Budh Nagar.
 8. GNCTD to impose strict restrictions on plying Delhi - registered Diesel operated Medium Goods Vehicles (MGVs), of BS-III standards or below, in Delhi, except those carrying essential commodities / providing essential services.
 9. GNCTD to not permit BS-III and below diesel operated LCVs (goods carriers) registered outside Delhi, to enter Delhi, except those carrying essential commodities / providing essential services.
 10. Do not permit Inter-State buses from NCR states other than EVs/CNG/BS-VI Diesel, to enter Delhi (excluding buses /Tempo travelers operated with All India Tourist Permit).
 11. State Govts. in the NCR and the GNCTD may take a decision on discontinuing physical classes in schools for children up to Class V and conducting classes in an online mode.

Further, citizens may be urged to adhere to the citizen charter and assist in effective implementation of the GRAP measures aimed towards sustaining and improving the Air Quality in the Region, in addition to the citizen charter of Stage-1& Stage-II, as under:-

- Walk or use cycles for small distances.
- Choose a cleaner commute. Share a ride to work or use public transport.
- People, whose positions allow working from home, may work from home.
- Do not use coal and wood for heating purpose.
- Individual house owners may also provide electric heaters to security / other staff employed by them to avoid open burning of bio-mass/wood / etc.
- Combine errands and reduce trips.

Whereas, CAQM has invited the various restrictions as defined by Stage II GRAP vide order dated 17.11.2024, which includes:-

140

112

1. Stop entry of truck traffic into Delhi (except for trucks carrying essential commodities/ providing essential services). All LNG/ CNG / Electric/ BS-VI Diesel trucks) shall, however, be permitted to enter Delhi.
2. Do not permit LCVs registered outside Delhi (other than EVs / CNG / BS-VI diesel, to enter Delhi, except for carrying essential commodities / providing essential services.
3. Enforce strict ban on ply-up of all regions of BS-IV and below diesel operated Medium Goods Vehicles (MGVs) and Heavy Goods Vehicles (HGVs) in Delhi, except those carrying essential commodities / providing essential services.
4. Ban CRD activities, as in the GRAP Stage-III, also for linear public projects such as highways, roads, flyovers, overbridges, power transmission, pipelines, telecommunication etc.
5. NCR State Govts. and GNCTD may take a decision on discontinuing physical classes even for classes VI - IX, class XI and conduct lessons in an online mode
6. NCR State Governments / GNCTD to take a decision on allowing public, municipal and private offices to work on 50% strength and the rest to work from home.
7. Central Government may take appropriate decision on permitting work from home for employees in central government offices.
8. State Governments may consider additional emergency measures like closure of colleges/ educational institutions and closure of non-emergency commercial activities, permitting running of vehicles on odd-even basis of registration numbers etc.

Further, citizens may be urged to adhere to the citizen charter and assist in effective implementation of the GRAP measures aimed towards sustaining and improving the Air Quality in the Region, in addition to the citizen charter of stage-I, Stage-II and Stage-III, as under:-

- Children, elderly and those with respiratory, cardiovascular, cerebrovascular or other chronic diseases to avoid outdoor activities and stay indoors, as much as possible.

Whereas, AQI of Delhi since morning of 17.11.2024 is hovering in "SEVERE" Category. At around 4:06 P.M of 18.11.2024, AQI of Delhi has been recorded as 424 (Severe Category).

Whereas your unit M/s Deepak Builders and Engineers India Pvt. Ltd. (RMC Plant), Village Kutana, Tehsil Ballaha Assandh, Karnal is a RMC plant and was inspected by SA, Rajnish Dahiya, JEE/Field Officer, HSPCB, Karnal Region on 17/11/2024 and during inspection/visit, your project found non-complaint in following aspects:-

1. CTE /CTO from HSPCB have not obtained.
2. Adequate APCM not provided.
3. RMC Plant found not in-operation during inspection.

Whereas, Air quality of Karnal as per CPCB website is 242 on 17.11.2024 which is in Poor category at the time of inspection.

Whereas by doing so, your unit is emitting air emission pollutants into the atmosphere in violation of the above said act/Rules & directions and endangering the life of public at large.

Whereas, you are liable to pay the environmental compensation in terms of the direction of the HSPCB (issued vide letter No. HSPCB/PLG/2021/2351-79 dated 22.12.2021) as assessed by the Board as per methodology defined as under:-

Environmental Compensation to be levied on all violations of Graded Response Action Plan (GRAP) in NCR.		
Activity	State of Air Quality	Environmental Compensation (Rs.)
Industrial Emissions	Severe +/Emergency	Rs. 1.0 Crores
	Severe	Rs. 50 Lakh
	Very Poor	Rs. 25 Lakh
	Moderate to Poor	Rs. 10 Lakh

Vapour recovery System (VRS) at Outlets of Oil Components

i. Not Installed	Target Date	Rs. 1.0 Crore
ii. Non-Functional	Very poor to Severe+	Rs. 50 Lakh
	Moderate to Poor	Rs. 25 Lakh
Construction sites (Offending plot more than 20,000 Sq.m.)	Severe +/Emergency	Rs. 1.0 Crore
	Severe	Rs. 50 Lakh
	Very Poor	Rs. 25 Lakh
	Moderate to Poor	Rs. 10 Lakh
Solid Waste/garbage dumping in Industrial Estates	Very poor to Severe +	Rs. 25.0 Lakh
	Moderate to Poor	Rs. 10 Lakh
Failure to water sprinkling on unpaved roads		
a) Hot-spots	Very poor to Severe +	Rs. 25.0 Lakh
b) Other than Hot-spots	Very poor to Severe +	Rs. 10.0 Lakh

In view of above mentioned directions and violations at your project and in view of invocation of CRAP directions of stage III for banning, restricting and regulating various activities to mitigate the present severe environmental conditions and protect the life and health of the citizens, it is hereby ordered with the directions to the unit M/s Deepak Builders and Engineers India Pvt. Ltd. (RMC Plant), Village Kutana, Tehsil Ballaha Assandh, Karnal to deposit Environment Compensation amount of Rs. 10,00,000/- (Ten Lakh only) with the Haryana State Pollution Control Board as Environment Compensation on account of the damage caused by the unit to the environment.

CLOSURE DIRECTIONS

The Commission for Air Quality Management in NCR and adjoining areas, vide Direction No. 83 dated 17th September, 2024, issued statutory direction for implementation of the revised schedule of the Graded Response Action Plan (GRAP), which is also available on the CAQM website (caqm.nic.in), as and when orders under GRAP are invoked.

The Sub-Committee for invoking actions under the GRAP in its earlier meetings held, had invoked actions under Stage-I, Stage II and Stage-III of the GRAP on 14th October, 2024, 21st October, 2024 and 14th November, 2024.

The Sub-Committee in its urgent meeting held on 17th November, 2024 further reviewed the air quality scenario in the region as well as the forecasts for meteorological conditions and air quality index of Delhi made available by IMD/IITM.

The Sub-committee observed that the AQI of Delhi was recorded at 44 I (Severe) at 4:00 P.M on 17.11.2024 (today) and has been gradually increasing further and has already reached Severe+ category, as the AQI clocked 447, 452 and 457 at 5:00 PM, 6:00 PM and 7:00 P.M respectively. Further, the average AQI for Delhi is expected to remain in this adverse range owing to heavy fog, variable winds, highly unfavorable meteorological and climatic conditions. Forecasts from IMD/IITM also indicate a likelihood of the AQI of Delhi to particularly remain in higher end of "SEVERE"/"SEVERE+" category in the coming days, owing to unfavorable climatic conditions.

Keeping in view the prevailing trend of air quality, in an effort to prevent further deterioration of the air quality, the sub-committee decided that All actions as envisaged under Stage IV of the GRAP i.e., 'Severe+' category (DELHI AQI > 450) be implemented in right earnest by all the agencies concerned in the NCR, with immediate effect, in addition to the stage I, II and III actions already in force.

Therefore, in an effort to prevent further deterioration of the air quality, the Sub Committee decided that ALL actions as envisaged under Stage IV of the GRAP -'severe+' Air Quality (DELHI AQI>450) be implemented in right earnest by all the agencies concerned in the NCR, in addition to the Stage-I, II and III actions already in force, from 8:00 A.M. of 18.11.2024 in the National Capital Region (NCR).

Whereas the unit M/s R S B Projects Private Limited, RMC Plant, at Village Kohand to Assandh Road, Village Kutana, Distt. Karnal was engaged in the process of Ready mix cement concrete which is covered under Green category as per policy order dated 04.12.2020 of the Board regarding categorization of industries and required prior Consent to Establish and Consent to Operate under Water Act, 1974 and Air Act 1981.

Whereas, the above said unit was inspected by Sh. Abhijeet Singh Tanwar, AEE along-with Sh. Rohtash Dahiya, JEE on 20.11.2024 during the patrolling of the area for implementation of the directions issued by commission under GRAP and he reported the following violations made by the above said unit: -

1. CTE /CTO from HSPCB have not obtained.
2. RMC plant was found operational, thus violating CAQM Direction GRAP Stage-IV.
3. Sprinklers not provided.
4. Uncovered Construction material is lying at site.
5. Metalled / Pucca Road not provided.

Whereas, AQI of Karnal on dated 20/11/2024 was under Poor category and the above said violations made on the part of unit were not only violating the provisions of Air Act 1981 but also creating an emergent situation by contributing pollution in the environment causing further deterioration of the air quality.

Whereas the above said violations made ¹⁴⁴ on the part of the said unit are not only violating the provisions of Water Act 1974 and Air Act 1981 but also creating an emergent situation by contributing pollution in the environment causing further deterioration of the air quality up to Severe+ Category which is creating difficulties in breathing of the peoples residing in the nearby locations. Hence closure action against the above said activity is the need of hour in large public interest.

Whereas power were delegated to Regional Officers by board in its 187th meeting vide agenda item no. 187.12 (S) held on 17.02.2020 and orders were issued vide endst no. HSPCB/PLG/2020/1045-67 dated 19.03.2020 in partial modifications of the office order endst no. HSPCB/2005/2745-2753 dated 23.08.2005 of the board. Vide order dated 19.30.2020, it has been ordered to delegate the power to the Regional Officers of the Board in addition to power already delegated vide order dated 23.08.2005 for issuance of closure directions against the industrial sectors/units, found operating in violation of directions of the EPCA and as directed by Hon'ble Apex Court and Hon'ble NGT.

It is also pertinent to mention here that EPCA has been dissolved and Commission for Air Quality Management in NCR and adjoining areas (CAQM) had been constituted vide MoEF&CC notification dated 05.11.2020 for Air Quality Management in National Capital Region and Adjoining Areas for better co-ordination, research, identification and resolution of problems surrounding the air quality index and for matters connected therewith or incidental thereto.

Therefore, in view the above mentioned facts and in exercise of the powers conferred under section 33-A of the Water (Prevention & Control of Pollution) Act, 1974 and under section 31-A of the Air (Prevention & Control of Pollution) Act, 1981 as delegated by board in its 187th meeting vide agenda item no. 187.12 (S), directions are hereby issued to close down the operation of the above said illegal unit **M/s R S B Projects Private Limited, RMC Plant, at Village Kohand to Assandh Road, Village Kutana, Distt. Karnal** by sealing its plant and machinery & DG set along-with directions to stop the electricity supply of the above said unit, with immediate effect.

In addition to above, it is also intimated that non-compliance with the directions issued under section 33-A of the Water (Prevention & Control of Pollution) Act, 1974 and under section 31-A of the Air (Prevention & Control of Pollution) Act, 1981 is an offence under the provision of 33-A of the Water (Prevention & Control of Pollution) Act, 1974 and under section 31-A of the Air (Prevention & Control of Pollution) Act, 1981.

**Regional officer
Karnal Region**

Endst. No. HSPCB/KAR/2024/5128-5132

Dated: 21 / 11 / 2024

A copy of the above is forwarded to the following for information and necessary action: -

1. The Chairman, Haryana State Pollution Control Board, Panchkula.
2. The Deputy Commissioner, Karnal.
3. The Superintending Engineer, UHBVN, Karnal to stop the electricity supply of said unit.
4. Sh. Rohtash Dahiya, JEE. He is asked to ensure compliance of the closure order immediately. The JEE shall also initiate legal action and propose environment compensation as applicable, as per policy of the Board.
5. M/s R S B Projects Private Limited, RMC Plant, at Village Kohand to Assandh Road, Village Kutana, Distt. Karnal.

ENVIRONMENTAL COMPENSATION ORDER

Sub - Environmental Compensation order against - M/s R S B Projects Private Limited, RMC Plant, Kohand to Assandh Road, Village Kutana, Distt. Karnal or non compliance of CAQM order No.1200 17/27/GRAP/2021/CAQM 1092 Dated 14.11.2024 (GRAP Stage III directions) issued by Commission for Air Quality Management in NCR and adjoining areas.

Whereas, Ministry of Environment, Forest and Climate Change Government of India, in exercise of the powers conferred under Section 3 of the Commission for Air Quality Management in National Capital Region and Adjoining Areas Act 2021 (hereinafter referred as Act), has constituted the Commission;

Whereas, the Commission for Air Quality Management, (hereinafter referred as CAQM) from time to time, has issued directions in respect of measures to abate air pollution in the National Capital Region including directions for strict compliance of air pollution control laws in force;

Whereas, the Commission for Air Quality Management in National Capital Region and Adjoining Areas Act, 2021 empowers the Commission to take all such measures and issue directions as it deems necessary or expedient for the purpose of protecting and improving the quality of the air in the National Capital Region and Adjoining Areas;

Whereas, CAQM has invoked the various restrictions as defined by Stage-I of GRAP vide order dated 14.10.2024.

Whereas, CAQM has invoked the various restrictions as defined by Stage-II of GRAP vide order dated 21.10.2024.

Whereas, CAQM has invoked the various restrictions as defined by Stage-III of GRAP vide order dated 14.11.2024, which includes -

1. Further intensify the frequency of mechanized sweeping of roads.
2. Ensure daily water sprinkling along with dust suppressants, before peak traffic hours, on roads and right of ways including hotspots, heavy traffic corridors and ensure proper disposal of the collected dust in designated sites/ landfills.
3. Further intensify public transport services. Introduce differential rates to encourage off peak travel.
4. (i) Enforce strict ban on the following categories of dust generating/ air pollution causing C&D activities in the entire NCR:
 - Earthwork for excavation and filling including boring & drilling works.
 - Piling works.
 - All demolition works.
 - Laying of sewer line, water line, drainage and electric cabling etc. by open trench system.
 - Brick / masonry works.
 - Operation of RMC batching plant.
 - Major welding and gas-cutting operations. Minor welding activities for MEP (Mechanical, Electrical and Plumbing) works to be, however, permitted.
 - Plastering, polishing and varnishing works etc.
 - Concrete, Plaster / other coatings, except for minor indoor repairs/ maintenance.
 - Cutting / grinding and fixing of tiles, stones and other flooring materials, except for minor indoor repairs/ maintenance.
 - Water Proofing work (Excluding Chemical water proofing).

- Road construction activities and major repairs.
- Transfer, loading / unloading of dust generating materials like cement, fly-ash, bricks, sand, murrum, pebbles, crushed stone etc. anywhere within / outside the project sites.
- Movement of vehicles carrying construction materials on unpaved roads.
- Any transportation of debris etc.

Note: All construction related activities other than those listed under 4(i) above, which are relatively less polluting / less dust generating shall be permitted to be continued in the NCR, subject to strict compliance of the C&D Waste Management Rules, dust prevention/ control norms including compliance with the directions of the Commission issued from time to time.

(ii) All C&D related activities, including those under 4(i) above, shall be continued to be permitted only for the following categories of projects, however subject to strict compliance of the C&D Waste Management Rules, dust prevention/ control norms including compliance with the directions of the Commission issued from time to time:

- (a) Projects for Railway services and stations
 - (b) Projects for Metro Rail Services and stations
 - (c) Airports and Inter State Bus Terminals
 - (d) National security/ defence related activities/ projects of national importance.
 - (e) Hospitals/ health care facilities
 - (f) Linear public projects such as highways, roads, flyovers, over bridges, power transmission/ distribution, pipelines, telecommunication services (Only for non-open trench works) etc.
 - (g) Sanitation projects like sewage treatment plants and water supply projects etc.
 - (h) Ancillary activities, specific to and supplementing the above project categories.
5. Close down operations of stone crushers in the entire NCR.
 6. Close down all mining and associated activities in the entire NCR.
 7. NCR State Govts. / GNCTD to impose strict restrictions on plying of BS III petrol and US IV diesel LMVs (4 wheelers) in Delhi and in the districts of Gurgaon, Faridabad, Ghazabad and Ghatampur Badli Nagar.
 8. GNCTD to impose strict restrictions on plying Delhi - registered Diesel operated Medium Goods Vehicles (MGVs), of BS-III standards or below, in Delhi, except those carrying essential commodities / providing essential services.
 9. GNCTD to not permit BS-III and below diesel operated LCVs (goods carriers) registered outside Delhi, to enter Delhi, except those carrying essential commodities / providing essential services.
 10. Do not permit Inter-State buses from NCR states other than EVs/CNG/BS-VI diesel, to enter Delhi (excluding buses /Tempo travelers operated with All India Tourist Permit).
 11. State Govts. in the NCR and the GNCTD may take a decision on discontinuing physical classes in schools for children up to Class V and conducting classes in an online mode.

Further, citizens may be urged to adhere to the citizen charter and assist in effective implementation of the GRAP measures aimed towards sustaining and improving the Air Quality in the Region, in addition to the citizen charter of Stage-I& Stage-II, as under:-

- Walk or use cycles for small distances.
- Choose a cleaner commute: Share a ride to work or use public transport.
- People, whose positions allow working from home, may work from home.
- Do not use coal and wood for heating purpose.
- Individual house owners may also provide electric heaters to security / other staff employed by them to avoid open burning of bio-mass/wood / MSW.
- Combine errands and reduce trips.

Whereas, CAQM has invoked the various restrictions as defined by Stage-I& GRAP

vide order dated 17.11.2024, which includes:-

1. Stop entry of truck traffic into Delhi (except for trucks carrying essential commodities/ providing essential services). All LNG/ CNG / Electric/ BS-VI Diesel trucks) shall, however, be permitted to enter Delhi.
2. Do not permit LCVs registered outside Delhi other than EVs / CNG / BS-VI diesel, to enter Delhi, except for carrying essential commodities / providing essential services.
3. Enforce strict ban on plying of all registered BS-IV and below diesel operated Medium Goods Vehicles (MGVs) and Heavy Goods Vehicles (HGVs) in Delhi, except those carrying essential commodities / providing essential services.
4. Ban C&D activities, as in the GRAP Stage-III, also for linear public projects such as highways, roads, flyovers, overbridges, power transmission, pipelines, telecommunication etc.
5. NCR State Govts. and GNCTD may take a decision on discontinuing physical classes even for classes VI - IX, class XI and conduct lessons in an online mode.
6. NCR State Governments / GNCTD to take a decision on allowing public, municipal and private offices to work on 50% strength and the rest to work from home.
7. Central Government may take appropriate decision on permitting work from home for employees in central government offices.
8. State Governments may consider additional emergency measures like closure of colleges/ educational institutions and closure of non-emergency commercial activities, permitting running of vehicles on odd-even basis of registration numbers etc.

Further, citizens may be urged to adhere to the citizen charter and assist in effective implementation of the GRAP measures aimed towards sustaining and improving the Air Quality in the Region, in addition to the citizen charter of stage-I, Stage-II and Stage-III, as under:-

- Children, elderly and those with respiratory, cardiovascular, cerebrovascular or other chronic diseases to avoid outdoor activities and stay indoors, as much as possible.

Whereas your unit M/s R S B Projects Private Limited, RMC Plant, Kohand to Assandh Road, Village Kutana, Distt. Karnal is a RMC plant and was inspected by Sh. Abhijot Singh Tanwar, AEE along-with Sh. Ruksana Dabryn, JEE on 20.11.2024 and during inspection/visit, your project found non compliant in following aspects:-

1. CTE /CTO from HSPCB have not obtained.
2. RMC plant was found operational, thus violating CAQM Direction GRAP Stage-IV.
3. Sprinklers not provided.
4. Uncovered Construction material is lying at site.
5. Metalled / Pucca Road not provided.

Whereas, Air quality of Karnal as per CFCB website is 212 on 20.11.2024 which is in Poor category at the time of inspection.

Whereas by doing so, your unit is emitting air emission pollutants into the atmosphere in violation of the above said act/Rules & directions and endangering the life of public at large.

Whereas, you are liable to pay the environmental compensation in terms of the direction of the HSPCB issued vide letter No. HSPCB/PLG/2021/2351-79 dated 22.12.2021 as assessed by the Board as per methodology defined as under:-

Environmental Compensation to be levied on all violations of Graded Response Action Plan (GRAP) in NCR.		
Activity	State of Air Quality	Environmental Compensation (Rs.)
Industrial Emissions	Severe +/Emergency	Rs. 1.0 Lakh
	Severe	Rs. 50 Lakh
	Very Poor	Rs. 25 Lakh
	Moderate to Poor	Rs. 10 Lakh
Vigilance Recovery System (VRS) at Outlets of Oil Companies		

I. Not Installed	Target Date	Rs. 1.0 Crore
ii Non-Functional	Very poor to Severe+	Rs. 50 Lakh
	Moderate to Poor	Rs. 25 Lakh
Construction sites (Offloading plot more than 20,000 Sq.m.)	Severe + Disasters	Rs. 1.0 Crore
	Severe	Rs. 50 Lakh
	Very Poor	Rs. 25 Lakh
	Moderate + Poor	Rs. 10 Lakh
Solid Waste/garbage dumping in Industrial Estates	Very poor to Severe +	Rs. 25.0 Lakh
	Moderate to Poor	Rs. 10 Lakh
Failure to water sprinkling on unpaved roads		
a) Hot-spots	Very poor to Severe +	Rs. 25.0 Lakh
b) Other than Hot-spots	Very poor to Severe +	Rs. 10.0 Lakh

In view of above mentioned directions and violations at your project and in view of invocation of GRAP directions of stage III for banning, restricting and regulating various activities to mitigate the present severe environmental conditions and protect the life and health of the citizens, it is hereby ordered with the directions to the unit M/s R S B Projects Private Limited, RMC Plant, Kohand to Assandh Road, Village Kutana, Distt. Karnal to deposit Environment Compensation amount of Rs. 10,00,000/- (Ten Lakh only) with the Haryana State Pollution Control Board as Environment Compensation on account of the damage caused by the unit to the environment.

CLOSURE DIRECTIONS

The Commission for Air Quality Management in NCR and adjoining areas, vide Direction No. 83 dated 17th September, 2024, issued statutory direction for implementation of the revised schedule of the Graded Response Action Plan (GRAP), which is also available on the CAQM website (caqm.nic.in), as and when orders under GRAP are invoked.

The Sub-Committee for invoking actions under the GRAP in its earlier meetings held, had invoked actions under Stage-I, Stage II and Stage-III of the GRAP on 14th October, 2024, 21st October, 2024 and 14th November, 2024.

The Sub-Committee in its urgent meeting held on 17th November, 2024 further reviewed the air quality scenario in the region as well as the forecasts for meteorological conditions and air quality index of Delhi made available by IMD/IITM.

The Sub-committee observed that the AQI of Delhi was recorded at 44 I (Severe) at 4:00 P.M on 17.11.2024 (today) and has been gradually increasing further and has already reached Severe+ category, as the AQI clocked 447, 452 and 457 at 5:00 PM, 6:00 PM and 7:00 P.M respectively. Further, the average AQI for Delhi is expected to remain in this adverse range owing to heavy fog, variable winds, highly unfavorable meteorological and climatic conditions. Forecasts from IMD/IITM also indicate a likelihood of the AQI of Delhi to particularly remain in higher end of "SEVERE"/"SEVERE+" category in the coming days, owing to unfavorable climatic conditions.

Keeping in view the prevailing trend of air quality, in an effort to prevent further deterioration of the air quality, the sub-committee decided that All actions as envisaged under Stage IV of the GRAP i.e., 'Severe+' category (DELHI AQI > 450) be implemented in right earnest by all the agencies concerned in the NCR, with immediate effect, in addition to the stage I, II and III actions already in force.

Therefore, in an effort to prevent further deterioration of the air quality, the Sub Committee decided that ALL actions as envisaged under Stage IV of the GRAP -'severe+' Air Quality (DELHI AQI>450) be implemented in right earnest by all the agencies concerned in the NCR, in addition to the Stage-I, II and III actions already in force, from 8:00 A.M. of 18.11.2024 in the National Capital Region (NCR).

Whereas the unit **M/s JPS Earth Movers Pvt. Ltd. Near Moonak Head, Village Moonak, Karnal** was engaged in the process of Ready Mix Concrete (RMC), which is covered under Green category as per policy order dated 04.12.2020 of the Board regarding categorization of industries and required prior Consent to Establish and Consent to Operate under Water Act, 1974 and Air Act 1981.

Whereas, the above said unit was inspected by **Sh Rohtash JEE** on **22.11.2024** during the patrolling of the area for implementation of the directions issued by commission under GRAP and he reported the following violations made by the above said unit: -

1. CTE /CTO from HSPCB have not obtained.
2. RMC Plant was not operational during inspection.
3. RECD based DG set not provided at 125 KVA both DG sets are connected.
4. Large quantity of uncovered Construction material is lying at site.

Whereas the above said violations made on the part of the said unit are not only violating the provisions of Water Act 1974 and Air Act 1981 but also creating an emergent situation by contributing pollution in the environment causing further deterioration of the air quality up to Severe+ Category which is creating difficulties in breathing of the peoples residing in the nearby locations. Hence closure action against the above said activity is the need of hour in large public interest.

Whereas power were delegated to Regional Officers by board in its 187th meeting vide agenda item no. 187.12 (S) held on 17.02.2020 and orders were issued vide endst no. HSPCB/PLG/2020/1045-67 dated 19.03.2020 in partial modifications of the office order endst no. HSPCB/2005/2745-2753 dated 23.08.2005 of the board. Vide order dated 19.30.2020, it has been ordered to delegate the power to the Regional Officers of the Board in addition to power already delegated vide order dated 23.08.2005 for issuance of closure directions against the industrial sectors/units, found operating in violation of directions of the EPCA and as directed by Hon'ble Apex Court and Hon'ble NGT.

It is also pertinent to mention here that EPCA has been dissolved and Commission for Air Quality Management in NCR and adjoining areas (CAQM) had been constituted vide MoEF&CC notification dated 05.11.2020 for Air Quality Management in National Capital Region and Adjoining Areas for better co-ordination, research, identification and resolution of problems surrounding the air quality index and for matters connected therewith or incidental thereto.

THEREFORE, in view the above mentioned facts and in compliance of the Directions of the CAQM issued under Section 12 of the CAQM Act 2021, the undersigned hereby issue the direction/order to close down the operation of the above said RMC as M/s JPS Earth Movers Pvt. Ltd. Near Moonak Head, Village Moonak, Karnal by sealing its plant and machinery & DG set, if any, along-with directions to stop the electricity supply of the above said unit, with immediate effect.

The actions and proceedings under the relevant sections and provisions of the Water (Prevention & Control of Pollution) Act, 1974 and the Air (Prevention & Control of Pollution) Act, 1981 would be carried out separately without prejudice to this direction/order against the said project/activity/industry also.

**Regional officer
Karnal Region**

Endst. No. HSPCB/KAR/2024/5210-17

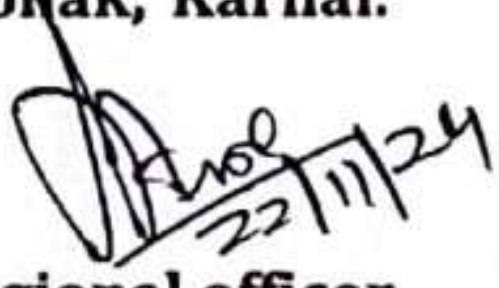

Dated: 22 / 11 / 2024

A copy of this Direction/Order is forwarded to the following for information and necessary action:

1. The Hon'ble Chairman, Haryana State Pollution Control Board, Panchkula with respect to the discussion held in the Review Meeting for GRAP held under his able Chairmanship on 19/11/2024.
02. The Deputy Commissioner, Karnal with a request to appoint a Duty Magistrate along with necessary police protection for the compliance of the said Direction/Order.
03. The Superintendent of Police, Karnal with a humble request to direct concerned DSP and SHO to ensure that the said project/activity/industry doesn't operate till these orders are suspended/revoked by the competent authority.
04. The Sr. E.E., Air Cell, Haryana State Pollution Control Board, Panchkula the same order/direction is issued with respect to the discussion held in the Review Meeting for GRAP held under the able Chairmanship of Hon'ble Chairman, HSPCB on

19/11/2024 and the verbal directions/communications as passed/issued by your good-self in the said meeting.

15. The S.D.M, Karnal with a request to issue necessary direction/order against the said project/activity/industry under **Section 152 BNSS| Bharatiya Nagarik Suraksha Sanhita (BNSS)** as the same is a source of public nuisance also. Further, he is requested to appoint a Duty Magistrate along with necessary police protection for the compliance of the said Direction/Order.
16. The Superintending Engineer, UHBVN, Karnal to stop the electricity supply of said unit.
17. Mr. Rohtash, JEE, Karnal. He is requested to ensure compliance of the closure order immediately. The JEE shall also initiate legal action and propose environment compensation as applicable, as per the environment compensation policy of the Haryana State Pollution Control Board and CAQM.
18. **M/s JPS Earth Movers Pvt. Ltd. Near Moonak Head, Village Moonak, Karnal.

ENVIRONMENTAL COMPENSATION ORDER

Sub. - Environmental Compensation order against - M/s JPS Earth Movers Pvt. Ltd. Near Moonak Head, Village Moonak, Karnal or non compliance of CAQM order No.1200 17/27/GRAP/2021/CAQM 1092 Dated 14.11.2024 (GRAP Stage III directions) issued by Commission for Air Quality Management in NCR and adjoining areas.

Whereas, Ministry of Environment, Forest and Climate Change Government of India, in exercise of the powers conferred under Section 3 of the Commission for Air Quality Management in National Capital Region and Adjoining Areas Act 2021 (hereinafter referred as Act), has constituted the Commission;

Whereas, the Commission for Air Quality Management, (hereinafter referred as CAQM) from time to time, has issued directions in respect of measures to abate air pollution in the National Capital Region including directions for strict compliance of air pollution control laws in force;

Whereas, the Commission for Air Quality Management in National Capital Region and Adjoining Areas Act, 2021 empowers the Commission to take all such measures and issue directions as it deems necessary or expedient for the purpose of protecting and improving the quality of the air in the National Capital Region and Adjoining Areas;

Whereas, CAQM has invoked the various restrictions as defined by Stage-I of GRAP vide order dated 14.10.2024.

Whereas, CAQM has invoked the various restrictions as defined by Stage-II of GRAP vide order dated 21.10.2024.

Whereas, CAQM has invoked the various restrictions as defined by Stage-III of GRAP vide order dated 14.11.2024, which includes:-

1. Further intensify the frequency of mechanized sweeping of roads.
2. Ensure daily water sprinkling along with dust suppressants, before peak traffic hours, on roads and right of ways including hotspots, heavy traffic corridors and ensure proper disposal of the collected dust in designated sites/ landfills.
3. Further intensify public transport services. Introduce differential rates to encourage off peak travel.
4. (i) Enforce strict ban on the following categories of dust generating/ air pollution causing C&D activities in the entire NCR:
 - Earthwork for excavation and filling including boring & drilling works.
 - Piling works.
 - All demolition works.
 - Laying of sewer line, water line, drainage and electric cabling etc. by open trench system.
 - Brick / masonry works.
 - Operation of RMC batching plant.
 - Major welding and gas-cutting operations. Minor welding activities for MEP (Mechanical, Electrical and Plumbing) works to be, however, permitted.
 - Painting, polishing and varnishing works etc.
 - Cement, Plaster / other coatings, except for minor indoor repairs/ maintenance.
 - Cutting / grinding and fixing of tiles, stones and other flooring materials, except for minor indoor repairs/ maintenance.
 - Water Proofing work (Excluding Chemical water proofing).
 - Road construction activities and major repairs.

- Transfer, loading / unloading of dust generating materials like cement, fly-ash, bricks, sand, murrum, pebbles, crushed stone etc. anywhere within / outside the project sites.
- Movement of vehicles carrying construction materials on unpaved roads.
- Any transportation of demolition waste.

Note: All construction related activities, other than those listed under 4(i) above, which are relatively less polluting / less dust generating shall be permitted to be continued in the NCR, subject to strict compliance of the C&D Waste Management Rules, dust prevention/ control norms including compliance with the directions of the Commission issued from time to time.

(ii) All C&D related activities, including those under 4(i) above, shall be continued to be permitted only for the following categories of projects, however subject to strict compliance of the C&D Waste Management Rules, dust prevention/ control norms including compliance with the directions of the Commission issued from time to time:

- Projects for Railway services and stations
 - Projects for Metro Rail Services and stations
 - Airports and Inter State Bus Terminals
 - National security/ defence related activities/ projects of national importance;
 - Hospitals/ health care facilities
 - Linear public projects such as highways, roads, flyovers, over bridges, power transmission/ distribution, pipelines, telecommunication services (Only for non-open trench works) etc.
 - Sanitation projects like sewage treatment plants and water supply projects etc.
 - Ancillary activities, specific to and supplementing the above project categories.
- Close down operations of stone crushers in the entire NCR.
 - Close down all mining and associated activities in the entire NCR.
 - NCR State Govts. / GNCTD to impose strict restrictions on plying of BS III petrol and US IV diesel LMVs (4 wheelers) in Delhi and in the districts of Gurugram, Faridabad, Ghaziabad and Gautam Budh Nagar.
 - GNCTD to impose strict restrictions on plying Delhi - registered Diesel operated Medium Goods Vehicles (MGVs), of RS-III standards or below, in Delhi, except those carrying essential commodities / providing essential services.
 - GNCTD to not permit BS-III and below diesel operated LCVs (goods carriers) registered outside Delhi, to enter Delhi, except those carrying essential commodities / providing essential services.
 - Do not permit Inter-State buses from NCR states other than EVs/CNG/BS-VI diesel, to enter Delhi (excluding buses /Tempo travelers operated with All India Tourist Permit).
 - State Govts. in the NCR and the GNCTD may take a decision on discontinuing physical classes in schools for children up to Class V and conducting classes in an online mode.

Further, citizens may be urged to adhere to the citizen charter and assist in effective implementation of the GRAP measures aimed towards sustaining and improving the Air Quality in the Region, in addition to the citizen charter of Stage-I& Stage-II, as under:-

- Walk or use cycles for small distances.
- Choose a cleaner commute. Share a ride to work or use public transport.
- People, whose positions allow working from home, may work from home.
- Do not use coal and wood for heating purpose.
- Individual house owners may also provide electric heaters to security / other staff employed by them to avoid open burning of bio-mass/wood / MSW
- Combine errands and reduce trips.

Whereas, CAQM has invoked the various restrictions as defined by Stage-IV of GRAP vide order dated 17.11.2024, which includes:-

1. Stop entry of truck traffic into Delhi (except for trucks carrying essential commodities/ providing essential services). A11 LNG/ CNG / Electric/ BS-VI Diesel trucks) shall, however, be permitted to enter Delhi.

2. Do not permit LCVs registered outside Delhi, other than EVs / CNG / BS-VI diesel, to enter Delhi, except those carrying essential commodities / providing essential services.
3. Enforce strict ban on plying of Delhi - registered BS-IV and below diesel operated Medium Goods Vehicles (MGVs) and Heavy Goods Vehicles (HGVs) in Delhi, except those carrying essential commodities / providing essential services.
4. Ban C&D activities, as in the GRAP Stage-III, also for linear public projects such as highways, roads, flyovers, overbridges, power transmission, pipelines, tele-communication etc.
5. NCR State Govts. and GNCITD may take a decision on discontinuing physical classes even for classes VI - IX, class XI and conduct lessons in an online mode
6. NCR State Governments / CNCTD to take a decision on allowing public, municipal and private offices to work on 50% strength and the rest to work from home.
7. Central Government may take appropriate decision on permitting work from home for employees in central government offices.
8. State Governments may consider additional emergency measures like closure of colleges/ educational institutions and closure of non-emergency commercial activities, permitting running of vehicles on odd-even basis of registration numbers etc.

Further, citizens may be urged to adhere to the citizen charter and assist in effective implementation of the GRAP measures aimed towards sustaining and improving the Air Quality in the Region, in addition to the citizen charter of stage-1, Stage-II and Stage-III, as under:-

- Children, elderly and those with respiratory, cardiovascular, cerebrovascular or other chronic diseases to avoid outdoor activities and stay indoors, as much as possible.

Whereas, AQI of Delhi since morning of 17.11.2024 is hovering in "SEVERE" Category. At around 4:00 P.M of 14.11.2024, AQI of Delhi has been recorded as 424 (Severe Category).

Whereas your unit **M/s JPS Earth Movers Pvt. Ltd. Near Moonak Head, Village Moonak, Karnal** is a RMC plant and was inspected by Sh. Rohtash Dahiya, JEE/Field Officer, HSPCB, Karnal Region on 21/11/2024 and during inspection/visit, your project found non complaint in following aspects:-

1. **CTE /CTO from HSPCB have not obtained.**
2. **RMC Plant was not operational during inspection.**
3. **RECD based DG set not provided at 125 KVA both DG sets are connected.**
4. **Large quantity of uncovered Construction material is lying at site.**

Whereas by doing so, your unit is emitting air emission pollutants into the atmosphere in violation of the above said act/Rules & directions and endangering the life of public at large.

Whereas, you are liable to pay the environmental compensation in terms of the direction of the HSPCB issued vide letter No. HSPCB/PLG/2021/2351-79 dated 22.12.2021 as assessed by the Board as per methodology defined as under:-

Environmental Compensation to be levied on all violations of Graded Response Action Plan (GRAP) in NCR.		
Activity	State of Air Quality	Environmental Compensation (Rs.)
Industrial Emissions	Severe +/Emergency	Rs. 1.0 Crore
	Severe	Rs. 50 Lakh
	Very Poor	Rs. 25 Lakh
	Moderate to Poor	Rs. 10 Lakh
Vapour Recovery System (VRS) at Outlets of Oil Companies		
i. Not Installed	Target Date	Rs. 1.0 Crore
	Very poor to Severe+	Rs. 50 Lakh
ii. Non-Functional	Moderate to Poor	Rs. 25 Lakh

Construction sites (Offending plot more than 20,000 Sq.m.)	Severe +/Emergency	Rs. 1.0 Crore
	Severe	Rs. 50 Lakh
	Very Poor	Rs. 25 Lakh
	Moderate to Poor	Rs. 10 Lakh
Solid Waste/garbage dumping in Industrial Estates	Very poor to Severe +	Rs. 25.0 Lakh
	Moderate to Poor	Rs. 10 Lakh
Failure to water sprinkling on unpaved roads		
a) Hot-spots	Very poor to Severe +	Rs. 25.0 Lakh
b) Other than Hot-spots	Very poor to Severe +	Rs. 10.0 Lakh

Sub : Ensure compliance in the NGT matter of OA No. 1132 of 2024; Deepak Versus State of Haryana

Sir,

This has reference to Hon'ble NGT Order dated 18/11/2024 in OA No. 1132 of 2024; Deepak Versus State of Haryana illegal and unauthorized operation of Ready Mix Concrete Plants in violation of environmental laws causing air and water pollution in Panipat region.

A Joint Committee was constituted in the above matter by Hon'ble NGT comprising of *District Magistrate, Panipat; Haryana State Pollution Control Board; and, Central Pollution Control Board.*

The above Joint Committee carried out site inspections on 04/12/2024 and 07/02/2025 in compliance to this order of Hon'ble NGT Tribunal to address the points raised in the letter petition. The observations/findings made by the Joint Committee are reproduced below:

1. During the first site visit on 04/12/2024, the Joint Committee identified 23 Ready Mix Concrete (RMC) plants in the area. Out of these, 17 RMC plants fall under the jurisdiction of the HSPCB Regional Office, Panipat, while the remaining 06 are under the jurisdiction of the HSPCB Regional Office Karnal.
2. Out of the 17 RMC plants in the Panipat region, 16 RMC Plants have been set up without obtaining Consent to Establish (CTE) from HSPCB and are also operating without obtaining Consent to Operate (CTO) from HSPCB. The list of RMC Plants located in Panipat region alongwith state of Consent to Operate, is given in Table 1.
3. Out of 06 RMC Plants located in Karnal region, 05 RMC have been established without obtaining Consent to Establish (CTE) from HSPCB and have not obtained Consent to Operate (CTO) from HSPCB.
4. All 21 RMC plants (16 in the Panipat region and 5 in the Karnal region) that were found to be established and operational without consent from HSPCB have been set up on agricultural land without obtaining the required Change of Land Use (CLU) certificate.
5. None of the 21 RMC plants (16 in the Panipat region and 5 in the Karnal region), which were established and operating without consent from HSPCB, have obtained permission for groundwater abstraction.
6. Two Units which have obtained consent to operate from HSPCB namely i) VRC Construction Company, Ready Mix Concrete Plant, Village Dadlana, Panipat (Panipat Region) and ii) Sandhu Construction Company, VPO Munak, Karnal (Karnal Region) were also inspected by the Joint Committee to verify the environmental compliance particularly with reference to dust control measures. Both the Units were found non-compliant with regard to implementation of dust suppression measures as per conditions of CTO.

It was concluded by the Joint Committee that the allegations of the applicant regarding i) Illegal and unauthorized operation of Ready Mix Concrete Plants in violation of environmental laws, ii) several construction companies have set up ready mix concrete plants on agriculture land of farmers by taking land on rent, iii) These plants are extracting groundwater illegally without permission of competent authority and iv) operation of these plants is also emitting huge quantity of dust causing air pollution in the area are correct.

The joint committee was informed by the member representing HSPCB that the following actions have been taken by HSPCB based on the findings of the Joint Committee in this matter:

Panipat Region:

- i. The Closure order have been issued to 16 RMC Plant which were identified by the Joint Committee established and operating without obtaining consent from the HSPCB. Out of these 16 RMC Plants, the recommendation has been sent by HSPCB Regional Office, Panipat for the approval of Competent Authority, for imposition of Environmental Compensation of 14 RMC Plants.
- ii. The recommendation for imposing Environmental Compensation on M/s VRC Construction Company, Ready Mix Concrete Plant, Village Dadlana, Panipat, which has obtained CTO but found to be violating the conditions of CTO and guidelines.

Karnal Region:

The Joint Committee was informed by HSPCB Regional Officer Karnal that:

- i. Out of 06 RMC Plants located in Karnal region, 05 RMC which were found to be established without obtaining Consent to Establish (CTE) from HSPCB and operating without obtaining Consent to Operate (CTO) from HSPCB, have been closed.
- ii. The action has been initiated on M/s Sandhu Construction Company, VPO Munak, Karnal, which has obtained CTO but found to be violating the conditions of CTO and guidelines

In this context, the compliance of the following may be ensured by Haryana State Pollution Control Board :

- i. HSPCB shall ensure compliance of its Orders issued to the RMC Plants.
- ii. HSPCB shall ensure that the RMS Plants closed by the Board operate only after obtaining Consent to Establish/Consent to Operate and also after complying with prescribed norms and guidelines.
- iii. HSPCB shall ensure regular monitoring of the compliance of the conditions of Consent to Establish (CTE)/Consent to Operate (CTO) granted to RMC Plants.
- iv. The action taken report on the above points shall be provided by HSPCB, to this Office from time to time.
