SYNOPSIS

That the Civil Appeal was filed by the Applicant under Section 22 of Green Tribunal Act, 2010 before the Hon'ble Supreme Court against the impugned judgment and final order dated 13.10.2022 passed by this Hon'ble National Green Tribunal, Principal Bench at New Delhi in Original Application No. 399 of 2022; whereby the State PCB is directed by Hon'ble National Green Tribunal, Principal Bench at New Delhi to take further action by following due process of law and file its Action Taken Report with requisite details. In its report the State PCB shall also mention as to whether any prosecution has been launched against the persons involved in running of the units illegally. The Action Taken Report be filed by the State PCB within two months.

Upon the consequence of the impugned order, the State Govt. and its agencies have either seized or attached the mills. The Majority of mills and were demolished by JCB, which is not only harsh but miscarriage of justice. The Hon'ble National Green Tribunal and Joint Committee constituted have not even noticed the owner of these mills neither given any opportunities to appear or represent. The act of Respondent is violation of natural justice and against the spirit of spirit of Article 19 (1) (g) of Constitution of India and also in disregard of the order of the Ld. NGT which had directed to take action by following due process of law.

The case of the Applicant, briefly, is a plywood manufacturer in the State of Bihar and having all the license and permit and operating within the law. The Applicant obtained No Objection Certificate under Section 25 and 26 of the Water (Prevention and Control of Pollution) Act, 1974 and under Section 21 of the Air (Prevention and Control of Pollution) Act, 1981, from the Bihar State Pollution Control Board. The Applicant is also aggrieved by the impugned order dated 13.10.2022 as the Hon'ble Green Tribunal nor the Joint Committee so constituted gave the applicant herein opportunity to represent and submit all the requisites licenses present with the applicant and arbitrarily the State agencies have seized and demolished the plant of Applicant including others 150 saw mills and plants.

The state laws for the wood industry are the Bihar Saw Mills (Regulation) Act 1990, and the Bihar Saw Mills (Regulation) (Amendment) Act 2002, which say that no person engaged in wood-based industries will be able to establish and/or operate any wood-based industry without a license under the act. In August last year, the government brought in the Bihar Wood Industries Investment Promotion Policy, 2020 with an aim to attract new investments and build a positive business ecosystem to improve existing saw mills, Veneer mills, plywood units and furniture units. Since, 1995 the state government has not issued the license under Bihar Saw Mills (Regulation) Act 1990, and the Bihar Saw Mills (Regulation) (Amendment) Act 2002.

The State of Bihar has a total of 2,272 saw mills, 279 Veneer mills, 149 plywood industries, which form the base of the unorganized sector. Facilities given to wood industries by the state are thus underpinned by a mixture of policy dilemma i.e. exhortations of investment boost on one hand and breeding illegal business without crackdown on the other. Section 5 of the Bihar Saw Mills (Regulation) Act, 1990, states that no person shall establish a saw mill or a saw pit except under the authority and subject to the conditions of a license granted while the Applicant is running its mill and plant with approval of State Pollution Control Board and with other required license. Moreover, the Bihar Government has issued a notification dated 27.02.2009, exempted 10 types of trees for forest-based industry and products.

The Applicant is using these Bamboo, Mango, Litchi trees and etc. as raw material for his plant and mill. The additional 'forest produce' were added under with Rule 3(3) of the Bihar Kasthanatha Anya Van Utpadan Abhivahan Ka Niyamawali, 1973.

That due to the impugned order having been passed in violation of the principles of *audi alteram partem*, the manufacturing unit of the Applicant along with 250 other Plywood mills, Saw mills and peeling and veneer mills have either seized/attached or demolished by the virtue of impugned order. The total 70 thousand (25 thousand women) skilled/unskilled have become jobless and 1.5 Lakh farmers are affected due to the consequent action of impugned

order. That grave injustice has been inflicted upon the applicant who is a trade's man and has suffered loss of livelihood due to arbitrary action of the Respondent and due to violation of its right under Articles 14, 19 & 21 of the Constitution of India.

The Respondent's arbitrary action has impacted the applicant and also his/her workers employment and that the Respondent ought to have considered that demolishing/sealing / seizing of the manufacturing units-cum-plants particularly in a state like Bihar, which has limited resources to livelihood and where the issue of migration of labour is highest in the country. It is pertinent to say that no rule or regulation has been framed by the State Government nor there is any enactment authorising the officers of the Forest Department to interfere with the workings of the manufacturer herein. That such an arbitrary action is contrary to Article -14 i.e. against arbitrary action and also against right to life/livelihood and to live with dignity under Article - 21 of the Constitution of India.

The order dated 24.03.2023 passed by the Hon'ble Supreme Court of India in Civil Appeal No. 1945 of 2023; wherein the Hon'ble Apex Court has stated that:

"It is not in dispute that the appellant is not a party. In fact, this forms part of the complaint of the appellant that the order under which demolition of part of the appellant's factory has been carried out has been passed without notice being given to the appellant. We would think that the appellant should approach the NGT and place its grievances before the NGT. Accordingly, the appeal is disposed of.

The appellant is permitted to approach the NGT and place its grievance before the NGT.

We also leave it open to the appellant to approach this Court again against the order in case it becomes necessary."

Hence, this Application for Intervention.

**APPLICATION FOR INTERVENTION ON BEHALF OF THE APPLICANT
TO THE ORIGINAL APPLICATION NO. 112 OF 2023**

MOST RESPECTFULLY SHOWETH:

1. That the Applicant herein craves to intervene into the Original Application No. 112 of 2023 in compliance to the direction passed by the Hon'ble Supreme Court order dated 24.03.2023 in Civil Appeal No. 1945 of 2023; wherein, the Hon'ble Apex Court has stated that it is not in dispute that the applicant is not a party. In fact, this forms part of the complaint of the applicant that the order under which demolition of part of the applicant's factory has been carried out has been passed without notice being given to the applicant. The Hon'ble Court said further that

the applicant should approach the NGT and place its grievances before the NGT. Accordingly, the appeal is disposed of. The applicant is permitted to approach the NGT and place its grievance before the NGT. A true copy of the order dated 24.03.2023 passed by the Hon'ble Supreme Court of India in Civil Appeal No. 1945 of 2023 is annexed herewith and marked as ANNEXURE/A-1 (Pages ~~16~~ to ~~17~~).

2. That the Civil Appeal was filed by the Applicant under Section 22 of Green Tribunal Act, 2010 against the impugned judgment and final order dated 13.10.2022 passed by this Hon'ble National Green Tribunal, Principal Bench at New Delhi in Original Application No. 399 of 2022; whereby the State PCB is directed by Hon'ble National Green Tribunal, Principal Bench at New Delhi to take further action by following due process of law and file its Action Taken Report with requisite details. In its report the State PCB shall also mention as to whether any prosecution has been launched against the persons involved in running of the units illegally. The Action Taken Report be filed by the State PCB within two months.
3. The Applicant respectfully states and submits that the following important questions of law arise for consideration of this Hon'ble Tribunal in the instant application: -
 - a. Whether the Impugned Order passed by the Hon'ble National Green Tribunal is a violation of the Principles of Natural Justice?
 - b. Whether the Ld. NGT exercised its judicial powers, it could not have ignored the principles of natural justice, which, even under Section 19(1) of the NGT Act, it is bound to follow?
 - c. Whether the Impugned Order passed by the Hon'ble National Green Tribunal is against the spirit of Article 19 (1) (g) of Constitution of India?
 - d. Whether the action of Respondent State and its agencies is arbitrary, harsh, abuse of law and in blatant violation of Article-14 and Article - 21 of the Constitution of India?

4. The facts and circumstances relevant to the instant appeal are briefly stated herein below: -
- A. The applicant obtained GST certificate on 15.05.2022 vides 10BJVPB7828L1ZV and the same is herewith annexed and marked as ANNEXURE/A-2 at (Pages 18-19).
 - B. The Udyam Registration Certificate has been issued in the favour of the applicant on 15.05.2020 vide UDYAM-BR-23- 0005776 and the same is herewith annexed and marked as ANNEXURE/A-3 at (Pg 20-21).
 - C. The Consent to Establish (NOC) plant under Section 25 and 26 of the Water (Prevention and Control of Pollution) Act, 1974 and under Section 21 of the Air (Prevention and Control of Pollution) Act, 1981 and the same is herewith annexed and marked as ANNEXURE/A-4 at (Pages 22 to 24).
 - D. The Respondent No. 2 has filed the O.A. No. 399 of 2022 before the Hon'ble National Green Tribunal, Principal Bench at New Delhi on 21.05.2022.
 - E. The Sub-Division office served the notice to submit all the papers relating to ply mills but not to the applicant and the same is herewith annexed and marked as ANNEXURE/A-5 at (Pg 25-26).
 - F. The Hon'ble National Green Tribunal has constituted the Joint committee to enquire the plywood industries dated 08.07.2022 and the same copy of order is herewith annexed and marked as ANNEXURE/A-6 at (Pages 27 to 28).
 - G. The Joint Committee has submitted the report to the Hon'ble National Green Tribunal.
 - H. That the Impugned Order dated 13.10.2022 passed by the Hon'ble National Green Tribunal, Principal Bench at New Delhi in Original Application No. 399 of 2022; whereby the State PCB is directed to take further action by following due process of law and file its Action Taken Report with requisite details. In its report the State PCB shall

also mention as to whether any prosecution has been launched against the persons involved in running of the units illegally. Action Taken Report be filed by the State PCB within two months.

- I. The Applicant has applied for the Fire Safety Certificate vide letter no. 8374 dated 26.10.2022 and the same is herewith annexed and marked as ANNEXURE/A-7 at (Pages 29 to 31).
 - J. The State of Bihar and its agencies after passing the impugned order, have taken many coercive actions against licensed/unlicensed plywood, saw mills unit. They have seized it, demolished it through JCB on the consequent upon the impugned order. The photographs of these actions are herewith annexed and marked as ANNEXURE/A-8 at (Pages 32 to 36).
 - K. That being aggrieved by the action of Respondents, the applicant has approached the Hon'ble Supreme Court of India vide Civil Appeal No. 1945 of 2023 dated 12.01.2023.
5. That this Hon'ble Tribunal ought to appreciate that the Order passed is in violation of *audi alteram partem* i.e the Principles of Natural Justice as the applicant has neither been heard nor allowed to represent his/her case and yet adverse order has been passed against the applicant herein.
 6. That this Hon'ble Tribunal while exercising its judicial powers ought not to have ignored the principles of natural justice, which, even under Section 19(1) of the NGT Act, it is bound to follow as under: -

Section 19 in The National Green Tribunal Act, 2010 is as follows:

19 Procedure and powers of Tribunal. -

(1) The Tribunal shall not be bound by the procedure laid down by the Code of Civil Procedure, 1908 (5 of 1908) but shall be guided by the principles of natural justice.
 7. That the Hon'ble Apex Court in *Municipal Corporation of Greater Mumbai vs. Ankita Sinha and Others*; 2021 SCC OnLine SC 897 has observed that," It must also be said that the exercise of suo motu jurisdiction

does not mean eschewing with the principles of natural justice and fair play. In other words, the party likely to be affected should be afforded due opportunity to present their side, before suffering adverse orders."

8. That the this Hon'ble Tribunal has not appreciated that the passing such direction without hearing the Applicant herein violates the principal of natural justice. That the learned NGT erred in passing orders which have vitally affected the rights of the citizens who were already granted provisional license/license and were operating in accordance with law. The order impugned is totally in breach of the principles of natural justice.

9. That in State of *U.P. v. Sudhir Kumar Singh and Others; (2020) SCC Online SC 847*, this Court has observed that as under:-

"39. An analysis of the aforesaid judgments thus reveals:

(1) Natural justice is a flexible tool in the hands of the judiciary to reach out in fit cases to remedy injustice. The breach of the audi alteram partem rule cannot by itself, without more, lead to the conclusion that prejudice is thereby caused.

(Emphasis supplied)

10. That the scope of judicial review has been succinctly explained by this court in the case of *Tata Cellular vs. Union of India; (1994) 6 SCC 651*, which has been consistently followed in a catena of cases. This Court, in the said case, observed thus:

"77. The duty of the court is to confine itself to the question of legality.

Its concern should be:

1. Whether a decision-making authority exceeded its powers?

2. Committed an error of law,

3. committed a breach of the rules of natural justice,

4. reached a decision which no reasonable tribunal would have reached or,

5. abused its powers."

(Emphasis supplied)

11. That applying the aforesaid principle to the present case, it could be said that the decision-making process has been vitiated either on account of illegality, irrationality or procedural impropriety.
12. That this Tribunal ought to appreciate that the Order passed has adversely effected the right to business guaranteed under the Article 19 (1) (g) of Constitution of India.
13. That the action of Respondent State and its agencies in demolishing and seizing the manufacturing units of the applicant herein without due notice and any opportunity to produce documents valid licenses etc. is arbitrary, harsh, abuse of law and in blatant violation of Article-14 and Article - 21 of the Constitution of India.
14. That it is a settled legal proposition that Article 14 of the Constitution strikes at arbitrariness because an action that is arbitrary, must necessarily involve negation of equality. This doctrine of arbitrariness is not restricted only to executive actions, but also applies to the legislature. Thus, a party has to satisfy that the action was reasonable, not done in unreasonable manner or capriciously or at pleasure without adequate determining principle, rational, and has been done according to reason or judgment, and certainly does not depend on the will alone. See *A.P. Dairy Development Corpn. Federation vs. B. Narasimha Reddy and others*; (2011) 9 SCC 286.
15. That under Article 21 Right to livelihood is an integral part of the Right to life. If one's Right to livelihood would be deprived, then it means that we are taking that person's Right to life. In *Narendra Kumar Chandla v. State of Haryana* the Supreme Court held that the Article 21 protected the Right to livelihood as an integral facet of Right to life. See *Narendra Kumar Chandla vs. State of Haryana and others* (1994) 4SCC460.
16. That the findings recorded or conclusions drawn are either contrary to the evidence or without there being any evidence in support thereof. The applicant who has been granted provisional license/license for plywood Industries from Bihar State Pollution Control Board and

having other requisite license to operate, haven't been served notice from this Tribunal, from the Committee appointed by this Tribunal and as well from the law enforcement agency before sealing/demolishing the unit.

17. That the State Government decided to exempt 10 different categories of Wood Based Industries (WBIs). The requirement of raw material for different categories of WBIs is different. It is submitted that this Tribunal has grossly erred in considering all categories of WBIs together and erred in passing the order against licenses granted to all of them.
18. That it is submitted that the original applicant before this Hon'ble Tribunal is not bona-fide litigant. That there are reasons to believe that the proceedings were initiated at the instance of letter written to this Tribunal in reference to settle local politics for not getting votes in election.
19. That before a litigant is permitted to knock the doors of justice and seek orders which have far reaching effects of affecting the employment of thousands of persons, stopping investment in the State, prejudicing the interests of the farmers; the credentials and bonafides of the applicants must be tested.
20. That the only distinction between the prohibited trees and non-prohibited trees is that the non-prohibited trees can be felled without permission, whereas prohibited trees can be felled only in certain circumstances and only after the requisite permission is granted.
21. That if the WBIs are permitted to run or regularized as per the guidelines, it would result in more farmers going in for Agro Forestry in the State, which, in turn, will increase the forest cover. It is submitted that said 150 units are likely to give employment to around 70000 (25 thousand women) people.
22. That it is necessary that, while protecting the environment, the need for sustainable development has also to be taken into consideration and a proper balance between the two has to be struck. That closing the

manufacturing unit belonging to the applicant herein despite having valid license is an abuse of process of law and against the settled principles of sustainable development.

23. That this Hon'ble Court in *The State of Uttar Pradesh & Ors. Etc.Etc. vs. Uday Education and Welfare Trust and Anr. Etc. Etc. vide C.A. Nos. 2407-2412 of 2021*, observed that:

"101. (a)

(b) *In the case of Essar Oil Ltd. vs. Halar Utkarsh Samiti and others; (2004) 2 SCC 392*, this Court discussed the need for a balance between the economic and social needs and development on the one hand and environment considerations on the other. It was observed that laws on environment should be to create harmony between the two since neither one can be sacrificed at the altar of the other. In this regard, the observations of this Court in the case of *Indian Council for Environmental Action vs. Union of India and others; (1996) 5 SCC 281*, were quoted as under:

"While economic development should not be allowed to take place at the cost of ecology or by causing widespread environment destruction and violation; at the same time, the necessity to preserve ecology and environment should not hamper economic and other developments. Both development and environment must go hand in hand, in other words, there should not be development at the cost of environment."

(c) *In the case of Maharashtra Land Development Corporation and others vs. State of Maharashtra and another; (2011) 15 SCC 616*, reference was made to *Glanrock Estate Private Limited vs. State of Tamil Nadu; (2010) 10 SCC 96*, wherein it was observed as under:

"27. Forests in India are an important part of the environment. They constitute [a] national asset. In various judgments of this Court delivered by the Forest Bench of this

Court in T.N. Godavarman Thirumulpad v. Union of India (Writ Petition No. 202 of 1995), it has been held that 'intergenerational equity' is part of Article 21 of the Constitution.

28. What is intergenerational equity? The present generation is answerable to the next generation by giving to the next generation a good environment. We are answerable to the next generation and if deforestation takes place rampantly then intergenerational equity would stand violated.

29. The doctrine of sustainable development also forms part of Article 21 of the Constitution. The 'precautionary principle' and the 'polluter pays principle' flow from the core value in Article 21.

30. The important point to be noted is that in this case we are concerned with vesting of forests in the State. When we talk about intergenerational equity and sustainable development, we are elevating an ordinary principle of equality to the level of overarching principle."

24. That the Applicant has no other alternative remedy except to move this Hon'ble Tribunal by way of this Intervention Application.
25. That the Applicant is of the humble view that it should become a participant in the present petition so that its views are correctly put forward and so that a comprehensive decision can be arrived at by this Hon'ble Tribunal.
26. The Applicant submits that it should be added as a party in the present petition so as to ensure proper adjudication of the present matter.
27. This application is made bona fide and in the interest of justice.

PRAYER

In the circumstances set forth above, it is therefore, most respectfully prayed that your lordships may graciously be pleased to:

- a) This Hon'ble Tribunal may be pleased to allow the Applicant to intervene in the subject Original Application No. 112 of 2023; and
- b) Pass such other and further order(s) as may be deemed fit and proper in the circumstances

AND FOR THIS ACT OF KINDNESS THE APPLICANT AS IN DUTY BOUND SHALL EVER PRAY.

ORDER

Permission to file appeal is granted.

Delay condoned.

The appellant challenges the order passed by the National Green Tribunal (hereinafter referred to as 'NGT' for brevity). It is not in dispute that the appellant is not a party. In fact, this forms part of the complaint of the appellant that the order under which demolition of part of the appellant's factory has been carried out has been passed without notice being given to the appellant. We would think that the appellant should approach the NGT and place its grievances before the NGT. Accordingly, the appeal is disposed of.

The appellant is permitted to approach the NGT and place its grievance before the NGT.

We also leave it open to the appellant to approach this Court again against the order in case it becomes necessary.
