The Joint Committee assembled at check post of mining department, check post including weigh bridge of mining department is established to check and collect revenue in form of royalty i.e. eighty rupees per Ton of limestone. Record(s) maintained by mining department through weighing machine along with CCTV footage was checked by joint committee. The copy of weigh record at mining check post from period 14.10.2022 to 16.11.2022 is annexed herewith as **Annexure-4**. As revealed from records, on an average approx. 30 no's of trucks are engaged for transporting limestone from mine area (Banaur) to stockyards at Gorkhuwala & Puruwala via-Banaur-Rajpur-Amboya-Gorkhuwala-Puruwala which falls under Tehsil Paonta Sahib, District Sirmaur, H.P. covering road distance of approx. 25 km. During course of inspection trucks engaged in transporting limestone from mines to stockyard were further inspected/ checked on Banaur-Rajpur-Amboya road. All trucks had provided tarpaulin covering over limestone/mined material during transportation. It is pertinent to mention here that mining activities are carried out in day light only i.e. sunrise to sunset. No mining activities including transportation of material is carried out after day light. It was also observed that condition of Banor-Rajpur-Amboya road was not good and required maintenance from Public Works Department, H.P. The road is single lane and movement of vehicles on unpaved berms generates fugitive dust emissions on the roadsides. Further encroachment on roadside due to dumped construction material of local residents leaves no space for vehicles to allow passing movement for vehicle coming from opposite side. Regional Transport Officer, Sirmaur also checked record as per allowed capacity of trucks. Afterwards, the joint committee held a meeting with truck operators at Village Baag Banor, Tehsil Paonta Sahib, Distt. Sirmaur and advised to follow traffic rules strictly and any violation of traffic rules shall not be tolerated. Trucks were also inspected for pressure horns. No pressure horn was found during the inspected of trucks. Driving licenses, Pollution Under Control Certificates and RCs of concerned truck drivers are annexed herewith as **Annexure-5**.

## 2.0 Ambient Air and Noise Monitoring by HPSPCB

Regional Office, HPSPCB Paonta Sahib carried out Ambient Air and Noise Level monitoring at potentially affected locations due to mining activities in Banor area and mining material transportation routes. The ambient air samples were sent to Regional Laboratory, HPSPCB Paonta Sahib for analysis.

The details of ambient air & noise monitoring conducted and their analysis results are given below in **Table 1** and **Table 2** respectively.

**Table 1: Ambient Air Monitoring Results**

विषय: बनौर क्षेत्र की खानों में चल रहे ट्रक ड्राइवर्स की समस्याओं के बारे में,

महोदय जी जब हम लोग माईन से माल (पत्थर) भर कर चलते हैं तो हमें रास्तों में

निम्न प्रकार की समस्याओं का सामना करना पड़ता है जो निम्न हैं।

1. जहाँ-जहाँ गांव पड़ते हैं तथा भोड़ी साईड देने की जगह होती है वहाँ पर गांव वालों द्वारा रेत बजरी पत्थर उतारे होते हैं और वह हमें समय तक उन्ही जगहों पर पड़े होते हैं जिस वजह से हमें साईड देने के लिए लोड गाड़ीमों को बँक जेर में मीढ़े लाना पड़ता है जिससे कई बार हमारी गाड़ी के पार्ट्स भी टूट जाते हैं।
2. अम्बोया स्कूल के पास पड़ी रेत बजरी तथा इन्टरनल लोक टाईलों की हल्ला जाम टाँके साईड खुल जाय।
3. P.W.D. रोड़ में जो वर्षा में पानी से दोनों तरफ जहरी खाई बन जाती है जिसमें लोड गाड़ी उतारना बड़ी समस्या होती है गाड़ी चलाने का खतरा होता है कृपया वर्षा के तुरन्त बाद P.W.D. इनको भरवाने के लिए सहयोग करवाने की कृपा करें।
4. श्रिकामत कर्ताओं की माईन और ड्राइवर्स आदि से जमादे शोकायत नहीं है बनौर गांव बासीमों को मिल रहे रोजगार से शोकायत है।
5. माईन औरों द्वारा बनौर पंचायतों को जैसे सामुदायिक भवन सड़क अन्य कार्य जैसे दु:ख विमर्शों में सभी की मदद करते हैं उसमें भी चिढ़ होती है।
6. हमारे माईन औरों District mimeral fund में भी Royalty का 30% जमा करवाते हैं वह भी हमारी माईनों से लगती पंचायतों में ही रकब होना चाहिए।
7. माईनिंग बैंक पोस्ट पर जो तुलाई के लिए कंटेनर नामे गये हैं वह छोटे साईज के हैं उन्हें बड़ा करवाने में सहयोग करें।
8. गांव डांडा पागर से अम्बोया स्कूल तक सड़क बहुत तेग है इसे छोड़ी करवाने की कृपा करें।
9. गांव डांडा पागर में जो खिनाई वाली पानी की बूल बनाई गई है वह रोड़ में बनाई गई है जिससे रोड़ तेग हो गई साईड देने की बड़ी परेशानी होती है।
10. जहाँ तक धूल उड़ने का अश्न है तो माईन औरों द्वारा पानी का बँकर लगाने गये हैं।
11. रोड़ सुधारने का कार्य P.W.D. विभाग का है लेकिन माईन औरों की तरफ से नहीला धूम से लेकर बनौर तक चार पांच आदमियों की टीम लगाई गई है जिसका भुगतान में लोग स्वयम् करते हैं।

Subject: Compliance of Hon'ble NGT order in OA No. 633 of 2022 titled  
Sachin Sharma Vs State of Himachal Pradesh & ors.-reg.

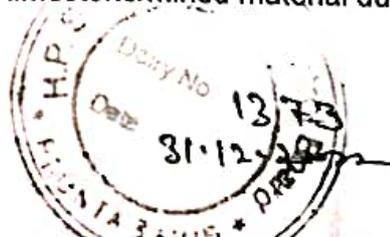

Sir,

This is with reference to your office letter No.HPSPCB/AEE/(Pt)Various  
NGT Matter/2022-2122-23 dated 08.12.2022 on the subject cited above.

In this connection, it is informed that in compliance to Hon'ble NGT  
orders dated 13-10-2022, a joint inspection of limestone mining sites situated at  
Village Banore, P.O. Rajpur, District Sirmour in connection to OA No. 633 of 2022  
was conducted on 15.11.2022.

In this connection, it is submitted that in the Banore area total five  
mining leases have been granted by the Government for the extraction of limestone  
out of which four are under operation at present. A mining check post has been  
established by the Industries Department at Rajpura to keep an effective check on  
the mineral extracted and transported by the lease holders and to avoid any pilferage  
of illegally mined mineral and evasion of royalty and taxes in the area. All the record  
pertaining to transportation of mineral by lease holder is cross checked at the check  
post. During inspection the records of mining check post w.r.t. transportation of  
mineral and revenue collection in form of royalty was checked by joint inspection  
committee.

It was also observed that in the working limestone mines of Banore  
area, average approx. 30-40 no's of trucks are engaged for transporting limestone  
from mine area (Banaur) to stockyards at Gorkhuwala & Puruwala via- Banaur-  
Rajpur-Amboya-Gorkhuwala-Puruwala which falls under Tehsil Paonta Sahib, District  
Sirmaur, H.P. covering road distance of approx. 25 km. During course of inspection  
trucks engaged in transporting limestone from mines to stockyard were further  
inspected/checked on Banaur-Rajpur-Amboya road. All trucks were found covered  
with tarpaulin over limestone/mined material during transportation.

It was also observed, the road leading to mining site and further to stockyard is a link road and single at few locations. Further the condition of Banor-Rajpur-Amboya road also require maintenance. Since, the link road is shattered at few points, therefore the possibility of dust emission during vehicular traffic cannot be ruled out. During inspection the truck owners were also interacted and they were advised to follow the traffic rules.

Further, in compliance to directions issued by worthy Deputy Commissioner during inspection, a traffic awareness camp was also organized on 17-11-2022. During this camp all the truck operators were directed to ensure compliance of traffic rules. They were also directed to cover the trucks with tarpaulins while carrying mineral to avoid any air pollution. It is further informed that no truck has been found carrying mineral without tarpaulin after this awareness camp. The staff on check post is also directed to ensure that only truck who have covered with tarpaulins shall be allowed through check post.

It is also submitted that the lease holders have also directed to ensure strict compliance of traffic rules and take maximum measures to avoid any pollution or disturbance to local public.

However, in order to make effective check and to ensure the compliance it is suggested that constant inspections shall be conducted by the concerned officials. The condition of trucks should also be cross checked by the transport authorities time to time to avoid any pollution while carrying mineral.

Further, the PWD authorities shall be requested to repair the road and ensure its proper maintenance after continues intervals.

Yours faithfully,

Mining Officer,  
District Sirmour at Nahan
