Bazar Block under Suri Sadar Sub-Division; while 156 crushing units in Rampurhat-I Block, 268 crushing units in Nalhati-I Block and 64 crushing units in Murarai-I Block within the Rampurhat Sub-Division are situated.
- (III) Out of the aforesaid 229 stone crushing units situated in Md. Bazar Block under Suri Sub-Division, 36 units are found to be having subsisting CtO from the competent authority, while the rest 193 units are not compliant to the environmental norms. It is pertinently submitted that in pursuance to the solemn direction dated 25.11.2024 passed by this Hon'ble Tribunal in the present matter the District Magistrate, Birbhum, through the concerned Block Land & Land Reforms Officer, Md. Bazar Block caused issuance of closure notice dated 13.01.2025 to these 211 stone crushing units and as per the present status report dated 26.02.2026 obtained from the Block Land & Land Reforms Officer, Md. In pursuance thereof, the Deputy Superintendent of Police (D&T), Birbhum has submitted his report dated 02.03.2026 wherefrom it appears that joint

inspection by the Police authorities along-with the Block level civil authorities was conducted into the stone crushing units under Md. Bazar Block and the survey report dated 02.03.2026 received from the Sub-Divisional Officer, Rampurhat Sub-Division enclosing the list of stone crushing units situated within their respective jurisdictional areas and their present status are collectively annexed hereto as Annexure R-3.

- (VI) It is respectfully submitted that it is necessary that the stone crushing units found situated in the Blocks of Rampurhat-I, Nalhati-I and Murarai-I are required to be examined with their documents to ascertain the legality or otherwise of their operation in order to arrive

at the conclusion which of these crushing units are lawfully permissible to continue their crushing activities or to close them down. For the aforesaid purpose, verification of documents pertaining to these crushing units is required to be made by giving them opportunity of hearing before the concerned authority to represent their case and as such, it is respectfully prayed that this Hon'ble Tribunal may graciously be pleased to grant a further time of twelve weeks or the aforesaid purposes.

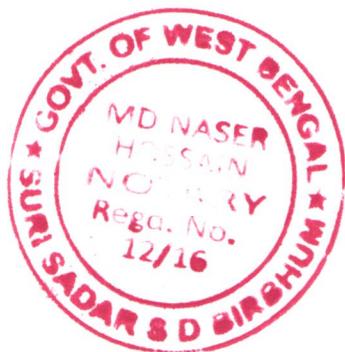

(VII) It is most respectfully submitted that the delay in the accomplishment of the task of verification of these stone crushing units situated in Rampurhat-I, Nalhati-I and Murarai-I Blocks and to determine their legality or otherwise of their operations and to take lawful action thereof, occurred owing to the engagement of concerned officials in the ongoing process of Special Intensive Revision of Electoral Rolls being conducted by the Election Commission of India, which is purely unintentional and bonafide.

5. It is submitted that that regular enforcement programmes are being conducted collectively by the District Civil as well as Police Administration to keep vigil on illegal stone crushing activities throughout the district and the District Civil and Police Administration shall put in all collective efforts to ensure that proper steps are taken in accordance with law.

Sub. Report.

This is to apprise that the memo under subject reference, has been perused and it appears that Miscellaneous Application No. 34/2025/EZ in Original Application No. 154/2024/EZ before the National Green Tribunal, Eastern Zone Bench, Kolkata, arises from a suo motu matter based on a news report titled "Birbhum - a proposed coal mine in West Bengal and the related health hazards" published in The Hindu on 12.05.2024.

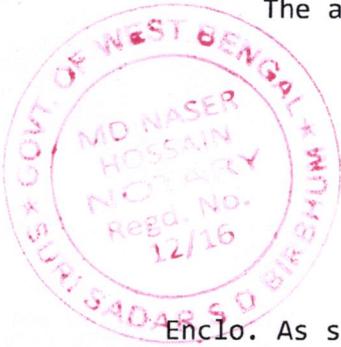

Earlier, the Tribunal had disposed of the matter on 11.08.2025 directing the District Magistrate, Birbhum to compute and recover Environmental Compensation from 211 stone crushing units found operating in violation of environmental norms and without proper documents, in accordance with CPCB guidelines, after granting opportunity of hearing.

In the present proceedings dated 05.12.2025, the Tribunal recorded that a compliance affidavit was filed by the District Magistrate, Birbhum, seeking 12 weeks' time, which was allowed. The Tribunal further directed the Principal Secretary, Environment Department, Government of West Bengal and the Member Secretary, WBSPCB to prepare and upload a comprehensive list of all stone crushers in the State, including ownership details, land particulars, consent status (CTE/CTO), and compliance with CPCB/WBSPCB norms. It was ordered that no stone crusher without valid CTE/CTO or in violation of environmental guidelines shall operate.

Accordingly, the matter was endorsed to the IC Md. Bazar PS and a report has been received which is enclosed herewith. It appears from the enclosure of the report that a joint inspection was conducted in presence of Revenue Inspector, BL&LRO, Md. Bazar, Amin, BL&LRO Md. Bazar, Revenue Officer, BL&LRO, Md. Remaining 211 stone crusher units are found to be non-compliant to 'CTO/CTE' and also *presently not found to be active*.

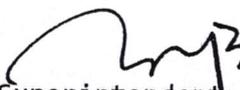

That further it is to be noted that, specific cases were initiated upon complaints of illegal extraction and transportation of stone. Sharp watch is being kept at the identified spots for taking lawful action against any illegal deviation.

The above is for your kind information and perusal.
