REPORT OF THE JOINT COMMITTEE

(Constituted vide Judgment / Order dated 30.01.2024 by the Hon'ble National Green Tribunal in O.A No. 378 of 2022 Sahil Garg v/s State of Punjab and others).

Background of the case

Mr. Sahil Garg resident of H.No. 1918, Phase-10, Mohali has sent (by email copy of) letter addressed to Ms. Isha Kalia, IAS Deputy Commissioner SAS Nagar District Administrative Complex Sector-76, Mohali and other authorities on public grievance portal of the Hon'ble National Green Tribunal, which has been treated and registered as Original Application No. 378 of 2022. In the application complaint was made about concretization of open spaces on the pretext of parking area requirements, and road-sides, in the name of pedestrian path, right upto the neck of the existing trees and non-implementation of any plantation program for developing green belts in open spaces and along the road-sides.

Constitution of joint committee: Order dated 05.07.2022 and submission or report

Vide order dated 05.07.2022, the Hon'ble National Green Tribunal had constituted a Joint Committee comprising of Principal Secretary, Ministry of Urban Development, Government of Punjab, Principal Chief Conservator of Forests, Government of Punjab, State PCB and Deputy Commissioner, Mohali with direction to submit factual and action taken report within two months which period was extended vide order dated 12.10.2022. In compliance to order dated 05.07.2022, report of the Joint Committee was filed before the Hon'ble Tribunal vide email dated 23.11.2022.

[Handwritten signatures and initials]

Impleadment of respondents

In view of the averments made in the application and observations in the report of the Joint Committee, the Hon'ble Tribunal was pleased to pass an order dated 24.11.2022 thereby impleading the State of Punjab through Chief Secretary, Government of Punjab, State PCB, Mohali Development Authority and District Magistrate, Mohali as respondents No. 1 to 4. Pursuant to service of notices, replies were filed by respondents no. 1, 3 and 4 vide email dated 07.12.2022 and by respondent no. 2 vide email dated 30.12.2022.

Observations of the Hon'ble National Green Tribunal

After considering the averments made in the application, the contents of the report of the joint committee and submissions made in the replies filed by the respondents no. 1 to 4 and other material available on record, it was observed by the Hon'ble National Green Tribunal that the case involves substantial environmental questions of de-concretization of trees and protection of parks, open spaces, green belts in cities which are being over-concretized without providing adequate green cover or destroying the existing green cover.

It was observed by the Hon'ble Tribunal that concretization on road sides by use of interlocking tiles is not prohibited. Use of interlocking tiles with sand without contamination is not prohibited as water can seep through the joints. Use of permeable block pavement in cities and towns can help replenish depleting underground sources of water, filter pollutants before they reach open water sources, help reduce storm water runoff and decrease the quantum of drainage structures.

However, concretization upto the roots and trunks of the trees is not permissible. In Original application No. 82 of 2013 filed with regard to de-concretization around trees standing on roads, pavements, parks etc., the Hon'ble Tribunal vide order dated 23.04.2013 directed the public authorities, more particularly Municipal Corporation of Delhi, DDA, DTC, DMRC, NHAI and all Government respondents including the Director General of CPWD and the Chief

2    

Engineer, PWD that all the sign boards, names, advertisements, any kind of boards or signages, electric wires and high tension cables or other damaging elements be removed from the trees forthwith and that the concrete surrounding the trees within one metre of the trees be removed forthwith and due precaution taken in future so that no concrete or construction or repairing work is done at least within one metre radius of the trunk of trees.

It was further observed by the Hon'ble Tribunal that Concretization around trees not only hampers root aeration but also the percolation of water which could ultimately lead to death of the tree. Since concretization around trees leads to damage of the root system of the tree which ultimately leads to its death so an area of one meter is required to be left de-concretized around the base of the tree at the time of construction of the pavements or roads to facilitate percolation of water to the roots. The area should be leveled with earth/soil and grass/shrubs may be planted, if need be.

Scope Widened: Formation of Joint Committee

In view of importance of protection and proper maintenance of open spaces, parks, green belts and instances of conversion of part or whole of open spaces, parks, green belts in the State of Punjab, the Hon'ble Tribunal considered it appropriate to widen the scope of the present proceedings and vide judgment dated 30.01.2024 has constituted a Joint Committee comprising of representatives of the following departments of the Central and the State Government.

- (i) Ministry of Environment, Forest and Climate Change (MOEF&CC),
- (ii) Central Pollution Control Board (CPCB),

Directions of the Hon'ble Tribunal to Chief Secretary Punjab

Apart from the formation of the Joint Committee vide judgement dated 30.01.2024, the Hon'ble National Green Tribunal was pleased to issue directions and suggestions to the Chief Secretary to Government of Punjab in two parts in paragraph 17, 22, 23 and 24 of the said judgement dated 30.01.2024 as explained and described herein below:

A. Paragraph 17

In view of the above Chief Secretary to Government of Punjab is directed to issue appropriate instructions within one month to all the Municipal Bodies/Civic Agencies/Government Departments/Gram Panchayats to ensure:-

- (i) That all the sign boards, names, advertisements, any kind of boards or signages, electric wires and high tension insulated cables etc. placed on trees are removed within one month from the date of issuance of the instructions;
- (ii) That the trees which are already concretized are de-concretized, manually without use of JCB machines etc so that the roots and trunks are not damaged, by leaving soil filled space of one meter radius to allow percolation

of water to the roots thereof within two months from the date of issuance of the instructions;

(iii) That during fresh construction of roads/ pavements etc, a fresh clause is added in the tender documents that one meter area around the trees shall be left de-concretized/soil filled to allow percolation of water to the roots and that.

(iv) That concretization of road berms beyond footpath and central verge of the roads/ pathways be avoided and appropriate land scaping with plantation of grass, shrubs, flowering plants may be done, as may be viable.

B. Paragraph 22, 23 and 24

The Hon'ble Tribunal has also issued the following directions and suggestions to Chief Secretary, Government of Punjab in paragraph 22, 23 and 24 of the judgement dated 30.01.2024.

(i) To place the report of the Joint Committee before the Government of Punjab for such action on the recommendations of the Joint Committee as may be considered appropriate.

(ii) The matter of protection of green areas/public parks/green belts and trees needs proper statutory framework for reservation, development, maintenance and preservation of green areas/parks/greenbelts and protection of trees.

(iii) Besides the statutory frame work, appropriate administrative guidelines are also required to be issued

for identification, demarcation, development, maintenance and preservation of green areas/parks/green belts and protection of trees in the urban development/colonization schemes/layouts.

(iv) In the context of increasing environmental air and water pollution, we consider it appropriate to make a suggestion to Government of Punjab to consider the desirability of making suitable amendments in the relevant Rules in this regard.

(v) At present there is no legislation in the State of Punjab for protection of green areas/parks/green belts and trees and we also consider it appropriate to suggest to Government of Punjab to consider desirability of enactment of appropriate legislation on the lines of the Uttar Pradesh Parks, Playgrounds and Open Spaces (Preservation and Regulation) Act, 1975 and the Delhi Preservation of Trees Act, 1994/the Uttar Pradesh Protection of Trees in Rural and Hill Areas Act, 1976.

(vi) The Chief Secretary to Government of Punjab is directed to place the above suggestions before the Government of Punjab within two months for such action as may be considered appropriate

Observations and Recommendations of the Joint Committee

The Joint Committee has thoroughly deliberated the issues relating to the availability of green belts, parks, green areas and their maintenance by the respective agencies in different town and cities of the State of Punjab. In larger cities Municipal Corporations are in existence, in smaller towns and cities Municipal Councils, Nagar Panchayats as well as Improvement Trusts are in existence. Apart from the above, the development activities in cities and towns are also carried out by the Punjab Urban Planning and Development Authority and other development authorities (namely Amritsar Development Authority, Jalandhar Development Authority, Greater Ludhiana Area Development Authority, Greater Mohali Area Development Authority, Patiala Development Authority and Bathinda Development Authority) working under the administrative control of the Department of Housing and Urban Development. As such the matter relating to green areas, park, belts its maintenance etc falls under the preview and jurisdiction of Municipal Corporations, Municipal Councils, Nagar Panchayats, Improvement Trusts and Urban Development Authorities. The Joint Committee hereby record its observations and recommendations in the following terms:

S. No.	Observations & recommendations	Responsible Department
1	The green areas/ parks/ belts by whatsoever name are existing in the towns and cities need proper maintenance and future expansion plans in terms of population. The above-named agencies shall make provision for increase in the green areas, parks and belts.	Department of Local Government, Department of Housing and Urban Development
2	The State of Punjab has initiated and implemented the green cover drive namely "Nanak Bagichi" during the 550th Birthday celebrations of Shri Guru Nanak Dev Ji, the founder of Sikhism. All the agencies shall make efforts to adopt the idea of Nanak Bagichi for replication in towns and cities of Punjab so as to increase green cover. The financial support in this regard may be ensured through	Department of Local Government, Department of Housing and Urban Development & Department of Forests and Wildlife Preservation

2nd point cannot be implemented in urban areas parks. It can only be implemented in rural/forest areas

	Corporate Environment Responsibility.	
3	It is observed that green areas/ belts are mostly cemented or tiled to suppress dust and for walking etc., which is a wrong practice. All green areas must only be covered by good grass or small plants/hedges as a binder to dust as well as allowing percolation of water.	Department of Local Government, Department of Housing and Urban Development
4	Arrangements of gardeners, water, organic manure etc be made available for the maintenance of such locations in the cities and towns.	Department of Local Government, Department of Housing and Urban Development
5	Waterbodies, thick plantations, man-made wetlands, fountains, water sprinkles etc may be made essential part of the parks (cities and towns) with minimum civil work.	Department of Local Government, Department of Housing and Urban Development
6	Strong and fancy lights will destroy the plants and trees rather walls and boundaries should be covered with climbers and creepers plants with small nursery beds at the bottom to raise these climbers.	Department of Local Government, Department of Housing and Urban Development
7	Instead of concrete boundary walls of the parks it should be raised by thick hedge or bamboo or straight growing trees/plants.	Department of Local Government, Department of Housing and Urban Development
8	Roads, footpaths etc, if required in big gardens should only be made up of pebbles or red soil/sand to allow water recharge and grass development.	Department of Local Government, Department of Housing and Urban Development
9	The Local Government/ Authorities shall be made self-reliant to generate funds or budgetary provisions for maintenance and expansion of green areas/ parks/ belts etc.	Department of Local Government, Department of Housing and Urban Development
10	The agencies shall carry out Information Education and Communication (IEC) activities in respect of creation and maintenance of green areas, parks and belts. In view of global warming, greenhouse effect due to deforestation, the people shall be made aware about the benefits of clean and green environment, to conserve tree, to take care of plants growing in and around their localities	Department of Local Government, Department of Housing and Urban Development

	and the slogan each one, plant one and care one shall be made compulsory. The role of Resident Welfare Associations must be strengthened towards the performance of such activities.	
11	The agencies shall start tree plantation program during the monsoon season on road sides, parks, schools, factories, homes, villages, towns, cities and vacant spaces.	Department of Local Government, Department of Housing and Urban Development, Department of Rural Development and Panchayat, Department of Forests
12	People shall be made aware to report the incidents of tree cutting to the concerned departments/ District Administration through toll free numbers.	Department of Local Government, Department of Housing and Urban Development, Department of Rural Development and Panchayat, Department of Forests

Member Secretary PPCB, Nodal officer of the Committee apprised that the Worthy Chief Secretary to Government of Punjab has considered the order dated 30.01.2024 passed by the Hon'ble National Green Tribunal in the above said matter has issued directions vide the memo dated 06.03.2024 under reference to the Department

of Science, Technology and Environment for sending the compliance report by 31.03.2024.

Sh. Ashwani Chaudhary, Chief Engineer, Local Government, Mohali suggested to prepare a draft format in Google sheet for compiling the requisite information from every department in single format. He also informed the Committee members that a draft proforma has been prepared by him and if all the Committee members agree and any changes is required then the same may be incorporated in the form of Google sheet to be prepared. The Nodal Officer of the Committee directed EE, PPCB RO SAS Nagar to form a WhatsApp group of the Committee members so that the relevant information related to the case may be deliberated.

Sh. Sarabjit Singh, STP, Mohali apprised that as per Punjab Urban Planning and Development Building Rules, 2021 "for every 225 sqm covered area of buildings One tree shall be planted". Further, he also stated that in approved layout plan(s) 6% area should be reserved for park area/ green area and the same should be verified by the Concerned Department in every construction project.

Dr. Selvan, AD, MoEF&CC, Chandigarh sought the methodology to compile the information, as scope of Committee is confined to some particular area or to entire State of Punjab. The Nodal Officer apprised that it is mentioned in the Hon'ble NGT orders that the scope of the committee is whole State of Punjab. In first phase the Municipal Corporations/ Class-A Local Bodies can be covered. He also suggested that the conditions in the Environmental Clearances granted to the project may also be obtained so that the Committee may know about the green area to be left by the projects.

Sh. J.P Meena, Scientist-D, CPCB, Chandigarh stated that he agrees with the points discussed during the meeting.

After detailed discussions/ deliberations, it was decided as under:

1. The EE, PPCB RO SAS Nagar to visit the office of Chairman SEIAA to get the clarification regarding imposition of conditions in Environmental Clearance in all construction projects as well as industries related to the said matter within 2 days.
2. The EE, PPCB RO SAS Nagar to coordinate with Sh. Ashwani Chaudhary, Chief Engineer, Local Government, Mohali to finalize the Google sheet.
3. The STP, Mohali to provide a copy of the Punjab Urban Planning and Development Building Rules, 2021 to EE, PPCB, RO, Mohali.
4. To conduct next meeting on 28.03.2024 at 11:00 AM through virtual mode to discuss the progress with all the stake holder departments so
