Sir/Madam

The Hon'ble Green tribunal (NGT) in the matter of O.A. no. 496 of 2016, (earlier OA no. 253/2015) in its orders dated 11.09.2019 & reiterated vide orders dated 03.02.2020, has issued following directions:

"The existing Government buildings and group housing societies buildings where roof top RWH is required to be installed and has not been installed, may be required to furnish a declaration of compliance at a specified web portal Up to 31.12.2019 that such systems have been installed with compensation being required to be paid for failure".

If specified categories of owners/ occupiers of buildings fail to install RWH and recharge systems by 31.12.2019, the amount of compensation, which may be specified within one month by the DJB, may be recovered and credited to a separate account. Such amount may be spent for the purpose of restitution of environment in accordance with action plan which may be got approved from this Tribunal"

Accordingly, Hon'ble NGT vide orders dated 03.02.2020 laid down such regime as an interim measure as follows:

For failure to install rain water harvesting systems by the institutions responsible for such failure.	As per earlier order dated 16.11.2017 in O.A. No. 217 of 2016 <i>Mahesh Chandra Saxena Vs. The Ministry of Urban Development & Ors.</i> @ Rs. 5 Lakh per institution required to be paid by educational institutions in terms of the said order will apply to all such institutions as may be specified by the Committee and the amount will be payable to and to be recovered by DJB who may notify such institutions within one month about this direction

That in compliance of above orders, the following directions are issued directions are issued in terms of its directions contained in order dated 16.11.2017 in O.A. No. 217 of 2016 *Mahesh Chandra Saxena Vs. The Ministry of Urban Development & Ors.*

- i. All the institutions in NCT Delhi shall install rainwater harvesting systems, if not already installed at their own cost.

192/c
193/c

239/C

- ii. After having established and making rainwater harvesting system operative, institution shall apply to the Committee constituted under this judgment informing them about their becoming operative. The application shall be submitted to **SE (WB/RWH), Delhi Jal Board, 'A ' Building, Varunalaya, Karol Bagh, New Delhi-110005. email: sewaterbodiesdjb@gmail.com**
- iii. The joint inspection team shall inspect and issue a Certificate of Fitness of operationalization of rainwater harvesting system.
- iv. Any institution which does not comply these directions shall be liable to pay a environmental compensation of Rs. 5 Lakh
- v. In the event it is not possible for any institution to construct or install rainwater harvesting system, in that event within one month it will submit application to the Committee constituted under this judgment praying for exemption. The Committee shall inspect the premises of the institution and upon inspection if it find that it is not possible to install or provide, then the committee shall issue an Exemption Certificate to the said institution

PUBLIC NOTICE

The Hon'ble Green tribunal (NGT) in the matter of O.A. no. 496 of 2016, (earlier OA no. 253/2015) in its orders dated 03.02.2020, laid down such regime as an interim measure as follows:

Illegal extraction of ground water by the person doing so.	As per earlier order dated 11.09.2019 in O.A. No. 176/2015, <i>Shailesh Singh v. Hotel Holiday Regency</i> as per formula suggested by CPCB payable to and to be recovered by DJB who may notify all concerned by a general order on its website or otherwise within one month about this direction.

That in compliance of above orders, the following directions are issued;

1. Ground water is an increasingly scarce resource because of its unabated and indiscriminate over-exploitation.
2. Growth in ground water exploitation, has led to a steep fall in water table in several parts of the country.
3. The falling water table is a matter of special concern since it tends to reduce the accessibility of the resource to small and marginal farmers due to increase in costs of extraction.
4. That, illegal installation of tube-wells an offence under the Environment (Protection) Act, 1986,
5. That, prosecution will be initiated, apart from recovering Environmental Compensation for the damage caused due to illegal extraction of ground water, based on the formula suggested by CPCB.
6. The equipment will be dismantled and seized, so as to prevent any reopening of the seal in future
