After having heard the learned senior counsel appearing for the applicant/appellant, we make it clear that the judgment delivered in Civil Appeal will not preclude the appellant from filing appropriate proceedings to challenge the E.C.Notification dated 15th January, 2016 insofar as clause 6 in Appendix IX therein and all subsequent modifications thereto are concerned. The clause 6 granted exemption to certain category of dredging and de-silting work from requirement of obtaining Environment Clearance.

While filing the proceedings, the applicant/appellant can always invite the attention of the concerned Forum to the fact that the appellant was prosecuting the earlier proceedings in a bona fide manner. The application is accordingly dismissed.

appearing for the applicant-National Highways Authority of India (NHAI) and the learned senior counsel representing the original appellant.

For the time being, we clarify that the projects for which work orders were issued by the applicant-NHAI prior to 21st March, 2024 will remain unaffected by the judgment dated 21st March, 2024.

However, we direct the applicant-NHAI to file an affidavit giving a list of the projects for which the work orders were issued prior to 21st March, 2024 and produce copies of the work orders and other relevant documents showing service of the work order on contractors within a period of one month from today.

We clarify that the work orders which were issued prior to 28th March, 2020 required Environment Clearance and therefore, the clarification which we have issued under this order will not apply to such work orders.

We make it again clear that we are not permitting the work of all projects which are listed at Annexure A-3 to continue. Only those works will continue where work orders have been issued prior to 21st March, 2024.

Needless to add that in those cases where work order has not been issued prior to 21st March, 2024., the applicant-NHAI will be bound by the decision of this Court dated 21st March, 2024.

For considering the compliance made by the applicant-NHAI, list the application on 25th July, 2024 at 3.30 p.m.

O R D E RIA Nos. 114098 and 135085 of 2024

As per the affidavit dated 4th July, 2024 filed by the applicant-National Highways Authority of India (NHAI), it appears that the projects which are mentioned from serial nos.67 to 483 (both numbers inclusive) in Annexure A-1 to the said affidavit were undertaken after 28th March, 2020 but prior to 21st March, 2024, in the sense, that the work orders were issued during this period. It is not even disputed by the appellant in the Civil Appeals that during this period, the work which is being carried out in terms of the work orders at serial nos.67 to 483 did not require prior Environmental Clearance. It is, therefore, obvious that only these projects will remain unaffected by the final judgment dated 21st March, 2024. If it is the contention of the

appellant that notwithstanding the fact that these projects have commenced during the aforesaid period, the applicant-NHAI must obtain Environmental Clearance, it is for the appellant to take appropriate proceedings in that behalf.

As far as the prayers (a) and (b) of IA D.No.135085/2024 are concerned, the same are beyond the scope of the proceedings inasmuch as there is already a final judgment in the Civil Appeals. As far as prayer (c) is concerned, it is for the appellant to adopt appropriate proceedings in accordance with law.

Hence, the applications are disposed of in the above terms.
