

BEFORE THE HON'BLE NATIONAL GREEN TRIBUNAL
SOUTH ZONE, CHENNAI
ORIGINAL APPLICATION NO.205 OF 2024

IN THE MATTER OF:

Suo Motu based on the news item
appearing in "The Times of India"
dated 26.03.2024 titled. "Forest fires
singe Eturnagaram & Amrabrad
Wildlife Sanctuaries".

Petitioner...

-VS-

Principal Chief Conservator of Forests
(PCCF) & HoFF Telangana Forest Department,
Hyderabad, Telangana and Ors.

Respondent...

**REPORT OF THE CHIEF WILDLIFE WARDEN, O/o PRL. CHIEF CONSERVATOR OF
FORESTS,**

TELANGANA STATE, HYDERABAD

INDEX

S.NO	PARTICULARS	PAGE NO
1.	Report of the Chief Wildlife Warden, O/o Prl. Chief Conservator of Forests, Telangana State, Hyderabad	1-4
2.	Fire points in Eturnagaram Sanctuary (Annexure-I)	5-81
3.	List of the villages in Eturnagaram Wildlife Sanctuary (Annexure-II)	82
4.	Minutes of the meeting held on 26.03.2024 in the office of the District Forest Officer, Mulugu (Annexure-III)	83-84
5.	Check Dams in the last 5 years in WLM Eturnagaram (Annexure-IV a)	85-86
6.	Percolation tanks in the last 5 years in WLM Eturnagaram (Annexure-IV b)	87
7.	Mini Percolation tanks in the last 5 years in WLM Eturnagaram (Annexure-IV c)	88-89
8.	Fire Risk Zonation map of Eturnagaram division (Annexure-V)	90
9.	POR booked and related documents (Annexure-VI) (TRASLATED COPY ATTACHED)	91-109

Place: Chennai

Date: 10.06.2025

Mrs. H. Yasmeen Ali,
Standing counsel for 1st Respondent

**Report of the Chief Wildlife Warden, O/o Prl. Chief Conservator of Forests, Telangana
Forest Department, Hyderabad.**

1. It is respectfully submitted that the Hon'ble National Green Tribunal, New Delhi has registered a case O.A No 534/2024 Suo-moto on the basis of the News item titled "Forest fires in Tadvai Region of Eturnagaram wildlife Sanctuary in Mulugu and Amrabad Tiger Reserve Telangana" and stated that the fire in Eturnagaram Sanctuary have been raging, posing a serious risk to wildlife across Tadvai, lingala, Medaram, Peddavenkatapuram and Shapally.
2. With respect to the fire accidents in Mulugu, it is humbly submitted that during the 2024 fire season i.e. from the month of January to April, 809 fire points alerts were received from FSI fire alert system. A total of 680.86 Ha of area has been burnt as per the fire point given by FSI and the field inspections done.
3. It is humbly submitted that the forest type in Eturnagaram Wildlife Sanctuary in particular is Dry Deciduous Forest. Thus the trees in forest lose the dry leaves every year. This process starts in the month of January-February. During the month of February-March maximum leaf falls happens. These dried leaves catch fire very easily. Forest fires in this sanctuary are only of ground fire type i.e. only the dried leaf litter on the ground is burnt and there is no damage to standing trees.
4. It is humbly submitted that, the fires in Eturnagaram Sanctuary are anthropogenic in nature i.e. they are caused due to human interference. There are 64 villages (**Annexure-II**) in and around the sanctuary. This leads to anthropogenic risks of fire. The people are mainly tribals and during these months they collect MFPs such as Mahua flowers, Beedi (Tendu) leaves etc. It is a prevalent belief among the tribals that if they set fire for the forest floor, the quality of Beedi Leaf improves and they can get good remuneration. In addition, sometimes the Beedi Leaf contractors will also encourage such fire. Further, for collection of Mahua flowers also, they tend to put fire beneath the Mahua trees so that they can collect the Mahua flowers easily from the ground. Further, during the dry months, the grass tends to get coarse and dry and is non palatable for the cattle to graze. To get new tender shoots of grass, fires are put by the tribal people so that tender blades of grass can be used for cattle grazing. Due to the MFP collection, the forest fire risk increases in summer months.

**Prl. Chief Conservator of Forests
& Chief Wildlife Warden,
Telangana**

5. It is respectfully submitted that the following steps are taken by forest Department to control the spread of Fires
- i. Continuous awareness generation in forest fringe villages as to not put fires for the collection of MFPs such as Mahua flower, beedi leaf etc. The villagers are advised to use old clothes such as old sarees, bedsheets, towels on the forest floors so that the flowers fall directly on the cloth and they need not collect the flowers from ground. This way they need not put any fires to clear the ground.
 - ii. Further, meeting was conducted by District Forest Officer, Mulugu with the Beedi Leaf Purchasers on 26.03.2024 (**Annexure-III**) and gave awareness to them not to light fires for collection of Beedi Leaves. Also, notices were served to the Beedi Leaf Purchasers that in case the fire occurs in the region of Beedi Leaf collection, cases would be booked against the contractors.
 - iii. Further, to prevent the spread of forest fires in Eturnagaram Sanctaury area 48.75 kms of fire tracing were done and 40.00 kms of fire lines were maintained.
 - iv. To increase the moisture regime in the soils and to reduce the incidences of fire in the sanctuary area, 59 check dams (**Annexure-IV a**), 48 Percolation tanks (**Annexure-IV b**), 61 Mini Percolation tanks (**Annexure-IV c**) have been constructed since 2019-20. The water stored in these structures help the water to percolate into the ground and increase the moisture regime of soil. This leads to reduced risk of fire.
 - v. The compartments of forest are classified according to their risk factor for fire. The fire risk zonation allows the forest department to plan the resources well in advance so that response time of the staff in case of fire incident is minimized. The risk zonation map of Eturnagarm Sanctuary is attached as **Annexure - V**.
 - vi. The total number of fire blowers available in Eturnagaram Sanctuary is 19 Nos. All the fire blowers were stationed with the staff near the High Fire prone areas so as to move to the fire areas quickly.
 - vii. All the staff of forest department gets SMS notification from FSI regarding the fire points detected by the satellite. The SMS messages are also received by higher officials like District Forest Officer, Mulugu; Chief Conservator of Forest, Kaleshwaram Circle; and Prl. Chief Conservator of Forest, Telangana State so as to monitor the fire situation. Further, Telanagana State Forest Department disseminates the fire information of the satellite through Whatsapp and monitors the staff movement insisting that note cam photographs be recorded of each fire point generated by the FSI. Also state level Whatsapp group is created with officials from Fire Cell in Aranya Bhavan who monitors each and every fire point. Daily action taken on those fire points are also reported in the group.

Prl. Chief Conservator of Forests
& Chief Wildlife Warden,
Telangana

A report is submitted to the Government of Telangana on daily basis about action taken on each and every fire point. Thus strict monitoring protocol has been put in place.

- viii. Total number of fire points received from FSI in Eturnagaram Sanctuary region are 809. The details of each fire point is submitted as **Annexure-I**.
 - ix. 03 number of Quick Response teams (each team consisting of 05 members to control fires in case of fire incident) were stationed at vulnerable locations.
 - x. Further, 04 number of PORs were also booked against the persons who lit fires to forest. The details of POR are annexed with the report as **Annexure-VI**
6. It is respectfully further submitted that, as the fires in Eturnagaram Santuary are only ground fire in nature, it does not affect the standing trees. Further, there has not been any harm to wildlife as well. The staff of forest department was always alert for fire incidences and have responded quickly whenever fire was detected.
 7. With respect to the fires in Amrabad Tiger Reserve, it is respectfully submitted that **Fire alerts** are being received by all the Forest officers & field officers through SMS. Fire Risk Zonation maps are created by the Head Office and supplied to the field officers. Navigation equipment are available and staff are trained to navigate to the target points.
 8. Further, it is humbly submitted that the following table shows the distribution of fire points over 11 years in various slope classes. ATR is getting 91 % of total points in steep slopes greater than 30% slopes. As per the Road guidelines the maximum around 5% slope is to be maintained for a road. The length of roads needed to traverse these hilly tracks are many times more (Approx 4 times) than that of a plain area. Hence, more road length is required to reach the points comparatively. However, these slopes have some advantage of visibility of fire/smoke from appropriate points facing these aspects. There is approximately 200 km of river boundary to the forest areas and all along the river boundary is steep slopey areas, with access only through water/boats

Circle Wise Fires vs Slope (2012 to 2022)										
Sno	CIRCLE	< 5%	5 - 10%	10 - 15%	15 - 20%	20 - 25%	25 - 30%	> 30 %	Total	Percentage points in > 30 % slopes

11	RANGAREDDY	313	81	58	57	51	31	403	994	40.5
12	WARANGAL	7,166	4,476	3,114	2,819	2,218	1,724	26,847	48,364	55.5
	Grand Total	23,381	15,708	12,487	10,010	8,315	7,161	117,050	194,112	60.3

9. It is humbly submitted that the estimated total Forest fire lines required is 3756 Kms. As of now fire lines available are 1935 Km. Balance required is 1820 Km and preventive measures are being taken to close this gap.
10. Further, it is humbly submitted that to manage the vast areas and control fires effectively Quick Response Teams are being deployed which are strategically moving and controlling forest fires.
11. It is humbly further submitted that the fires in the area are due to the following reasons.
- Mostly these are ground fires due to extensive grasses in the Forest.
 - Collection of NTFP like Mahua flowers, Decalepis tubers & Honey etc.
 - Passersby throw lighted match sticks, Cigarettes etc
 - The existence of a public highway through the middle of the Tiger Reserve
 - Existence of several chenchu hamlets inside the reserve forests, core area
12. It is humbly submitted that to curb this situation, trainings/Awareness camps are being conducted. 06 watch towers are present at Strategic location and helpful in monitoring. Fire blowers (23 Nos) are being employed by field staff / Quick Response Teams for suppression / prevention fires. River patrolling is carried out to prevent any fires by the fisher men. About 200 Kms length of River boundary is adjoining forest with high slopes.
13. It is humbly submitted before the Hon'ble National Green Tribunal, that as the fire accidents cause irreparable loss to the flora and fauna in the forest and protected areas, the department is taking all the precautionary measures to prevent fire accidents in the Protected areas.
14. For the reasons stated above, I pray that this Hon'ble Tribunal may be pleased to dismiss the O.A and pass such other or further or orders as are deemed fit and proper of the circumstances of the case.

MINUTES OF MEETING HELD ON 26.03.2024. AT 05.00 PM, IN OFFICE OF THE DISTRICT FOREST OFFICE, MULUGU DISTRICT, HAS CONDUCTED BY SRI. RAHUL KISAN JADHAV. IFS., DISTRICT FOREST OFFICER, MULUGU DISTRICT, MULUGU.

District Forest Officer, Mulugu, welcomed the officials of Forest Department and the Beedi Leaves Contractors.

1. DFO Mulugu opened the Discussion by Highlighting the issues of Forest Fires Prevalent in Mulugu District Since, last 5 to 6 days.
2. He highlighted the adverse impact of Forest Fire on Wild Animals Nature and Humans. The Pollution levels in towns like Eturnagaram and Mangapet have peaked.
3. During the feild inspections and Field enquiries by the DFO himself, it came to his notice that the Forest Fires are being put by the local villagers on the behest of the Beedi leaf Contractors and there managers.
4. The BL Contractors and there managers are paying money to the local tribals to put fire in forest areas instead of engaging labour for carry out pruning of Beedi leaf plants, to which the BL contractors also agreed.
5. The **SPECIAL TERMS AND CONDITIONS** of advance sale of Beedi leaf through e- tender was also discussed. Special emphasis was laid on conditions 40,41,42 & 43. Accordingly the conditions are introduced here verbatim:

Condition No (40) : The purchaser shall do pruning of Abnus plants in the unit. He shall do so after obtaining prior permission of the Forest Divisional Officer / District Forest Officer concerned in writing and in such manner and during such period as may be directed by him from time to time. Lopping and cutting of branches of trees or damaging trees in any other way is strictly forbidden, and the purchaser is liable to pay the damages caused as assessed by the Forest Divisional Officer / District Forest Officer concerned.

Condition No (42):

- i) Kindling of fire in forest within the B.L. unit area and its vicinity including smoking and carrying matchboxes is strictly forbidden during the fire season.
- ii) It shall be the joint responsibility of the Gram Panchayats under whose jurisdiction the unit falls, and of the Beedi leaves collectors, who benefit from such collection in terms of wages and incentives, to prevent fires in respective B.L. units and its vicinity and also to extinguish fires if any, in such units during the period 15th January to 15th June. The Gram Panchayats shall do everything that is possible to be done to prevent any kindling and spread of fire in the areas of such B.L. units.
- iii) It shall be the responsibility of the Purchaser to prevent kindling and spread of fire in the B.L. unit.
- viii) If any fire takes place in the B.L. unit and the concerned District Forest Officer / Forest Divisional Officer finds that the implementation of preventive measures as suggested in sub-condition No.(v), (vi), and (vii) were not adequately carried out, and that there was laxity on part of the purchaser, he shall make a report about the damage due to fire to the APCCF/CCF/CF (Territorial/Wild Life).
- ix) The APCCF/CCF/CF (Territorial/Wild Life) of the concerned Circle shall be the authority to take action on the report of the DFO/FDO. However, he shall make suitable enquiry to establish the facts and satisfy himself through available evidences and records before imposing fine mentioned below:
 - a. Up to 5% of the BL unit area burnt: Rs.15,000/- per unit (Up to 500 SBs and thereafter Rs. 5/- for every SB).
 - b. 5% to 10% of the BL unit area burnt: Rs. 30,000/- per unit (Up to 500 SBs and thereafter Rs. 10/- for every SB).
 - c. Above 10% of the BL unit area burnt: Rs. 50,000/- per unit (Up to 500 SBs and thereafter Rs. 17/- for every SB).
- x) The B.L. unit purchaser will inform the Forest Department as soon as the forest fire occurs and all possible efforts shall be made by B.L. purchaser and B.L. collectors and forest department to extinguish such forest fire.

Condition No (43):

a) **No collection centre shall be allowed to be opened within a distance of three kms from the boundary of the Protected Areas (Sanctuaries and National Parks).**

6. The Beedi leaf Contractors gave an assurance that they will not incite the locals to burn the forest and will also help and cooperate Forest Department in dousing the fire.
7. The DFO Mulugu has requested the BL contractors to help Department in saving the Natural resources and cooperate in fire fighting to which on the contractors readily agreed to.
8. DFO mulugu closed the meeting by thanking all the FDOs, FROs and BL Contractors for attending the meeting.

PANCHANAMA

POR No.27/2, Dt:08.04.2024.

File No. 04/OR/ENR North/2024-25, dt:08.04.2024.

Panchanama conducted by Smt. Md.Apsarunnisa, Dy.RO I/c Salpak & Smt. R.Rajasri, FBO, Banojibandam in front of two Witnesses.

Details of Witnesses :-

1. Alam Nagesh S/o Sammaiah, Age: 40-Years , Caste: ST(Koya), Occupation: Agriculture, Village: Singaram.
2. Cherukula Ramarao S/o Buchaiah, Age:-30 Years Caste: ST (Koya), Occupation: Agriculture, Village: Singaram.

We both of us witnesses have been called for by the above forest officials on 08.04.2024 at 3.20 PM to proceed to compt.No.121 of Banojibandam RF Beat which is nearer to Etur village. During perambulating of Forests we have seen that one Sri. Korsa Kamal S/o.Bhaya, age: 37 Years, who is R/o. Guthikoya Gudem which is nearer to Etur Village is blowing the Forests. Then the Forests Officials have asked to him that why you are blowing the fire in the Forest? Then Korsa Kamal said that, during two days back one person contacted him and given match boxes and paid Rs.4000/- towards labour charge and directed him to blow the fire in the forests for regeneration and obtaining better abnus leafs. Then the Forest officials have given awareness to Sri. Korsa Kamal regarding Fire blowing in the forests which is Forest offence. The Forests Officials have concluded that the Fire blowing was made by Sri. Korsa Kamal with the encouragement of Forest contractors of Eturnagaram (A) Unit. Then Sri . Korsa Kamal has accepted his guilty and he has tried for blowing the fire in the Forests without knowledge of forest Offences and hence further he has requested to excuse him with minor penalty as he has done the first mistake. Forest Officials have booked the POR and reported in the POR as (03) Carts Poraka.

The two Witnesses have stated that, they have signed in the panchanama as per the above recorded evidences and they have followed the Forest Officials in the field and what they have heard was true.

Signatures of Witnesses 1.Sd/- A.Nagesh 2. Sd/- Ch . Rama Rao	Signature of Offender Sd/- Korsa Kamal	Signature of FBO Sd/- R. Rajasri Banojibandam Beat Sd/- MD.Apsarunnisa begum Dy.Ro. Salpaka Section

PANCHANAMA**POR No. 12/6, Dt:08.04.2024****File No.03/OR/ENR North/2024-25, Dt:08.04.2024.**

Panchanam conducted by Smt. Md.Apsarunnisa, Dy.RO, Bhupathipur & B.Mohan Rao, FBO, Bhupathipur South Beat of Eturnagaram North Range in front of Two Witnesses.

Details of Witnesses:-

1. Chatla Narsingarao S/o Papaiah, Caste: ST, Occupation: Labor, Village: Bhupathipur
2. Charupa Chiranjeevi S/o Sammaiah, Occupation: Labor, Caste: ST, Village: Bhupathipur

We both of us witnesses have been called for by the above forest officials on 08.04.2024 to proceed compt.No.27 of Bhupathipur South beat. When perambulating the Forests, we have seen that one cattle herder is setting fire in the Forests. When we have approached and enquired him, he has told that, his name is Sri. Kaka Sammaiah S/o. Maraiah R/o. Nagapuri (Guthikoya Habitation). Then the Forest Officials have asked him that, why you are setting the fire in the forest? The Cattle herder stated that, yesterday evening one person has come to his house and directed him to set a fire in the forest and for which that person has given Rs.600/- to him towards labour charge. When enquired by the cattle herder, that person who have given Rs.600/- to him has stated that, his name is Sri. P.Sampath Reddy and he is working under the control of one BL Contractor. The Cattle herder has told that he has set a fire in the forest due to better achievement of abnus leafs. Then the Forest officials has given awareness to the said Cattle herder regarding the loss sustained to the Forests and Wildlife due to setting of fire in the Forests and the same is forest offence as per Forest law. The Cattle herder has stated that, he does not know the Forest Acts and Forest Offences and hence he has requested to excuse him as a first time mistake duly imposing minimum penalty. The Forest Officials have reported the loss sustained in the Forest as (04) Carts load poraka and issued a POR No. 12/6,dt:08.04.2024 duly mentioning the above Cattle herder name i.e., Sri. Kaka Sammaiah S/o.Maraiah.

The both the above witnesses have informed that they have signed in the Panchanama in good condition and what they have heard was true.

PANCHANAMA**POR No. 15/82, Dt:07.04.2024****File No. /OR/Tadvai WLM /2024-25, Dt:07.04.2024.**

Panchanama conducted by Smt.V.Ramya Krishna, FBO, Tadvai North Beat of Tadvai South Section of Tadvai WLM Range in front of Two Witnesses.

Details of Witnesses :-

1. Gandharla Ramesh S/o Narsaiah, Age: 29 Years, Caste: SC, Village: Tadvai
2. Rega Bhaskar S/o Laxmaiah, Age: 45 Years Caste: ST, Village: Kaamaram.

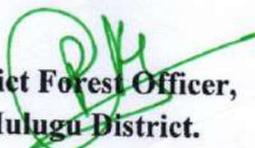

We both of us witnesses have been called for by the above forest Officials on 07.04.2024 to proceed to Medaram road (towards Tadvai route) and then proceeded with forest officials to compt.No.235 of Tadvai North Beat of Tadvai Section. When perambulated in the Forests we have seen that one person is blowing the fire in the forest. When enquired the above said person, he stated that his name is Madakam Jogaiah R/o. Kamaram Guthikoya gudem and he was instructed by some person who has come to his house and given Rs. 1000/- to blow the fire in the forests. He has told that, due to blowing of fire in the forests the abnus leafs can be obtained in better position. Due to the above words of that person, he is (M.Jogaiah) trying for blowing the fire in the forests. Then the forest officials have seized one match box from him and given awareness to him that the blowing of fire in the forests is an forest offence. Sri. M.Jogaiah has stated that, he does not know the any forest offence and Forest Act and hence he has requested to excuse him from the offence with minor penalty. The Forest Officials have concluded that the said area comes under Tadvai (B) BL unit and reported as (03) Carts load Poraka in the POR issued in POR No.15/82,Dt:07.04.2024 and filed and Forest Offence case.

The both the above witnesses have informed that they have signed in the Panchanama in good condition and what they have heard was true.

PANCHANAMA**POR No.7/3, Dt:07.04.2024.****File No. 02/OR/ENR North/2024-25,dt:07.04.2024.**

Panchanam Conducted by Sri. Md. Muddasar Shah Khan, FSO, Roheer and Smt.G.Rajeshwari, FBO, I/c Heerapur, Section :- Roheer in front of two Witnesses.

Details of Witnesses :-

1. Solam Suresh S/o Laxmaiah, Age: 45-Years , Caste: ST(Koya), Occupation: Agriculture, Village: Heerapur, Mandal: Eturnagaram.
2. Palaka Narsingha Rao S/o Muthaiah, Age:-32 Years Caste: ST (Nayakpodu), Occupation: Agriculture Labour, Village: Heerapur, Mandal: Eturnagaram.

We both of us witnesses have been called for by the above forest officials on 07.04.2024 and hence attended. Then the Forest Officials have proceeded for foot patrolling in Comp.No.156 of Heerapur Beat along with us where we have seen the fire in Forest. Then proceeded to some distance of place we have seen one man who is blowing the fire in the Forest. The Forest Officials have asked the name of that man, then he said that, his name is Palaka Laxmaiah S/o. Sammaiah, Age :55 years, Caste: ST (Nayakpodu) R/o. Heerapur. The Forest Officials have found two Match boxes with the above said Palaka laxmaiah and hence enquired him why the match boxes are kept with him. Then Sri. P.Laxmaiah said that, during last night one man was consulted to him and given two match boxes and asked to work as one day labor for Rs.500/- for blowing the fire in the forests for better achievement and regeneration of abnus leafs. The Forest Officials have asked Sri. P.Laxmaiah that what is the name of said person who has given two match boxes to him. Then Sri. P.Laxmaiah said that, the name of the said person is Sri. K.Ramesh and he is working under the control of one contractor of abnus leafs. When interrogated, Sri. P.Laxmaiah has accepted his guilty and he has tried for blowing the fire in the forests without knowledge of Forest offences and further he has requested to excuse him with minor penalty as he has done the first mistake.
