Municipal Commissioner
YSR Tadigadapa Municipality

Status Report of The YSR Tadigadapa Municipality In Compliance To The Hon'ble N.G.T (SZ) Order Dated.26.09.2024 in O.A. No.59 Of 2022(SZ) Filed By Sri Velagapudibabu Rao, Yanamalakuduru (V), Krishna District Before The Hon'ble N.G.T (SZ), Chennai.

It is humbly submitted that O.A. No.59 of 2022 (SZ) was filed before the Hon'ble N.G.T (SZ), Chennai by Sri Velagapudi Babu Rao, Yanamalakuduru Village, Krishna District regarding dumping of waste / garbage into the Krishna River by YSR Tadigadapa Municipality and Vijayawada Municipal Corporation (VMC) has set up a Sewage Treatment Plant on the banks of Krishna River and the sewage effluents which are generated are being released into the River Krishna.

Municipal Solid Waste Disposal Status Report of YSR Tadigadapa Municipality

It is submitted that, the YSR Tadigadapa Municipality was newly formed through Ordinance No. 17, dated December 31, 2020, by merging the Grama Panchayats of Yanamalakuduru, Tadigadapa, Kanuru, and Poranki. The municipality spans 30.86 square kilometers and has a population of 126190 as per the 2011 census, which has now grown to 196605. The municipality is divided into 38 election wards and 19 sachivalayams.

It is submitted that, the Yanamalakuduru area is one of the circles within the municipality, bordered by the 1.5 km long Avanigadda karakatta road. This road runs along the Irrigation Department's river bund of Krishna, starting from the Vijayawada Municipal Corporation limits and passing through Pulipaka and other villages.

It is submitted that, during the Yanamalakuduru Gram Panchayat era, door-to-door collected garbage was dumped on the east side of the Kara Katta ramp gate. However, after merging into the YSR Tadigadapa Municipality, this practice was stopped, and waste was no longer dumped in the Krishna river bed.

It is submitted that, the YSR Tadigadapa Municipality generates 111 metric tons of waste daily. Initially, the waste was transported to the Poranki circle's Chepalakundi center dump yard. Later, with permission from the VMC authorities, a garbage transportation point was set up at the Auto Nagar area. As per higher authorities' instructions, the waste is now transported to the Waste-to-Energy (WtE) plant, M/s. Jindal Urban Waste Management (Guntur) Ltd, in Guntur District. During the period from 01-01-2024 to 26-11-2024 This Municipality has been transported 25,147.43 metric tons. The garbage transport report is here with submitted for kind perusal.

P.B. Prasad

It is submitted that, the YSR Tadigadapa Municipality has been diligently implementing Solid Waste Management (SWM) rules and adhering to guidelines issued by the Hon'ble National Green Tribunal (NGT) court. Notably, The YSR Tadigadapa Municipality has made significant efforts in managing municipal solid waste. According to reports, the municipality generates 111 metric tons of waste daily, with a impressive 93% of waste being processed.

It is submitted that, the applicant claims that solid waste is still being dumped in the Krishna River bed, submitting photos as evidence. However, the YSR Tadigadapa Municipality has taken measures to prevent this, including painting caution notice boards and deploying a vigilance team to monitor the area.

It is submitted that, the municipality's efforts have led to the catching of 14 vehicles dumping garbage in restricted areas, and fines were imposed on all of them. To further address the issue, the municipality has conducted awareness campaigns and placed 13 compactor lorry bins along the kara katta road for proper garbage disposal.

Despite these efforts, garbage vehicles continue to secretly dump waste in the restricted Krishna river bed area between midnight and 4 am, when the gate is open for farmer's utility purposes. The river bed ramp serves as a connected passage, providing access from one end to the other, facilitating the movement between fields and land.

It is submitted that, In September 2024, the area experienced heavy rainfall, causing a significant influx of rainwater into the Krishna River. As a result, all gates were opened to allow the water to flow downstream. After the rainwater receded, numerous small heaps were formed in the Krishna River bed. Initially, these heaps appeared to be garbage dumps. However, it was discovered that they were actually created by the flowing rainwater. Dt. 29-11-2024 Photographic evidence of the current state of the Krishna River is attached for your kind perusal.

It is submitted that, the YSR Tadigadapa Municipality covers a total area of 30.86 square kilometers and generates 111 metric tons of waste daily. The municipality is responsible for cleaning 203.45 kilometers of drains and sweeping 265.30 kilometers of roads. To manage these sanitation tasks, the municipality has been allocated 328 Public Health (PH) workers under Andhra Pradesh Corporation for Outsourced Services (APCOS). However, this number is insufficient, and an additional 150 workers are required. Due to the shortage of PH workers, the municipality faces significant challenges in daily sanitation activities, including door-to-door garbage collection, clearing garbage vulnerable points, cleaning roads, cleaning drains, and lifting silt heaps. Given these circumstances, the YSR Tadigadapa Municipality is unable to effectively monitor the Krishna river bed for solid waste dumping and requires assistance from the Andhra Pradesh Pollution Control Board (APPCB) and the Irrigation Department.

P.B. Prasad

This report is submitted to the Hon'ble National Green Tribunal (Southern Zone) in compliance with the directions issued by the Tribunal. The YSR Tadigadapa Municipality is committed to adhering to all directions issued by the Hon'ble Tribunal, as deemed fit and appropriate.

Place: Poranki,
Dated.29.11.2024.

వైయస్సార్ తాడిగడప పురపాలక సంఘం హాచ్చరిక

యనమలకుడురు నది తీర ప్రాంతంలో ఏవిధమైన చెత్తను పడవేయట నిషేధించటమైనది
ఫైట్ తర్వలను అతిక్రమించిన, చెత్తను పడవేసిన వారిపైన మరియు వాహనములపైన
SWM రూల్స్ 2016. NGT, వారి నిబంధనల ప్రకారం భారీ మొత్తంలో జరిమానా -

విధించబడును మరియు చట్టపరంగా చర్చలు తీసుకొనబడునని కమిషనర్ వైయస్సార్ తాడిగడప
పురపాలక సంఘం. గమనిక ఈనది ప్రాంతంలో చెత్తను పడవేయచున్నా వారి సమాచారమును
ఈ క్రింద తెలిపిన ఫోన్ నెంబర్ గాని, వాట్సాప్ నెంబర్ గాని తెలియజేయగలరు. ఫోన్ నెం- 8639633465

The YSR Tadigadapa Municipal Council has issued a warning that dumping waste in the Yanamalakuduru river area is strictly prohibited. Those who violate this order will face heavy penalties and legal action under the SWM Rules 2016 and NGT guidelines.

If you witness anyone dumping waste in the river area, you can report it to the Commissioner of YSR Tadigadapa Municipal Council at phone number 8639633465 or via WhatsApp.
