Appointed by National Green Tribunal in OA No.175 & 350/2018 Sir/Madam We, the undersigned land losers under Purushothapatnam Lift Irrigation Scheme, submit that we have not received the land compensation, Solatium etc under New Land Acquisition Act of 2013. We have tried to obtain information under RTI from the Sub Collector/Revenue Department about the deposit of money in the Court or particulars of payment made to us. But the authorities have not provided the information. We submit that the market value of the land in our villages would be between Rs. 40 lakhs to Rs. 50 lakhs. That as per the government records the value of the land fixed as Rs.12 lakhs to Rs.13.50 lakhs per acre. It is submitted that the Government had paid between Rs. 25 lakhs to Rs. 52 lakhs per acre for the land losers under Pattiseema Lift Irrigation Scheme though the fertility of the lands are inferior to the lands acquired under Purushothapatnam Lift Irrigation Scheme. In this connection, we request you to verify the records and see that we will get justice and appreciate compensation is paid for our lands.
