Date- \_\_\_\_\_  
Place- New Delhi

the purchase of land and construction business. Respondents No. 1 to 5 are Government Authorities/ Departments responsible for granting Consent to Establish, Environmental Clearance apart from taking action against violation of environmental laws, rules and notifications thereunder and to ensure prevention, abatement and control of pollution and compliance of norms.

2. That the Application was listed before this Hon'ble National Green Tribunal on **28<sup>th</sup> February 2025** for the first time and this Hon'ble Tribunal was pleased to appoint the Joint Committee consisting of the Ministry of Environment, Forest and Climate Change (MoEF&CC) and the Central Pollution Control Board (CPCB) which has submitted its report on 26<sup>th</sup> May 2025 before this Hon'ble Tribunal. Respondent No 6 also filed its reply on 26<sup>th</sup> May 2025. The report prepared by Joint Committee

clearly shows the gross violation by respondent no. 6. The Respondent No. 6 has filed false and frivolous reply.

3. That all the averments made by Respondent No.6 are denied being false and frivolous and being based on their conjecture and imagination.

**Preliminary Objections and Submission**

4. That the joint report of MOEF&CC and CPCB is meticulous and present the clear unbiased picture. The report reflects a thoughtful consideration of the issues at hand and strongly aligns with the principles and outcomes of the above said application. The conclusion drawn in the above said report of CPCB reflects through analysis.

5. That Para-4 under **3.0 Observations** of the Report dated 04.04.2025 of Joint Committee reads as '**Construction material was found lying uncovered in the plot**' and further it says under **Recommendations (Para 5.0)** that

**'Unit shall take all the measures for dust mitigation like use of anti-smog guns and water sprinkling, covering of construction material etc. at the project site.'**

6. That the Joint Committee accordingly recommend for immediately stopping of construction activities till Respondent No. 6 (Project Proponent) obtains EC under The Environment (Protection) Act, 1986 & CTE under The Water Act, 1974 and The Air Act, 1981.

7. That the Application was listed again on **30<sup>th</sup> May 2025** and Hon'ble Tribunal was pleased to pass an order while considering the Report of Joint Committee and directing Respondent No 6 the following (quote - unquote):

**"Meanwhile, Respondent No .6 shall ensure that The O.M. dated 29.03.2022 is not violated".**

However, said direction of Hon'ble Tribunal is being flouted by Respondent No. 6. Construction

is continuing on site without Consent to Establish (CTE) and Environmental Clearance (EC). The project proponent is flouting order passed by this **National Green Tribunal (NGT)**, which is a serious matter.

8. That the Section 25 (1) (a) of The Water (Prevention and control of pollution) Act, 1974 reads as follows:

**Sections 25. Restrictions on new outlets and new discharges.** — (1) *Subject to The provisions of this section, no person shall, without The previous consent of The State Board,*

—  
*(a) establish or take any steps to establish any industry, operation or process, or any treatment and disposal system or any extension or addition Thereto, which is likely to discharge sewage or trade effluent into a stream or well or sewer or*

06  
on land (such discharge being hereafter in this section referred to as discharge of sewage)

That, the Section 21 (1) of The Air (Prevention and control of pollution Act, 1981 reads as follows:

**Section 21. Restrictions on use of certain Industrial Plants.** — No person shall establish or operate any industrial plant in an air pollution control area unless the previous consent of the State Board has been obtained in pursuance of an Application made by such person in accordance with the provision of this section:

Further, according to Indian environmental law, "Consent to Establish" (CTE) is a mandatory requirement under both the Water (Prevention and Control of Pollution) Act, 1974 and the Air (Prevention and Control of Pollution) Act, 1981 for such projects. Consent to establish is pre-requisite before starting any construction, land

clearance, excavation, or installation of plant/machinery. This Hon`ble Tribunal has consistently held that no activity can commence without prior environmental clearance and CTE, even site preparation like land levelling or tree cutting is included.

9. That as per the **Haryana Building Code, 2017 clause (xcii) under Chapter-1(ANNEXURE A-9)**: Title and Definition read as such follow:  
***(xcii) "Temporary building" mean a building built of unburnt bricks, burnt bricks without mortar, corrugated iron, bamboo, thatch, wood, board or plywood but shall not include a building built of burnt bricks, cement blocks or stones laid in mortar and such structures can be dismantled or re-located.***

In the instant case, Respondent No.6 is constructing a building after having laid raft

foundation (RCC work) and erected columns and beams Since October 2024.

10. That as per **MOEF&CC Office Memorandum No. F. No. IA3-22/10/2022-IA.III (E177258), dated 29<sup>th</sup> march ,2022:** Clarification regarding Activities which can be undertaken for securing the land prior to grant of Environment clearance- regarding, The Respondent No. 6 could construct temporary sheds using pre-fabricated/ modular structure, for site office/ guards and storing materials and machinery. RCC work for so called Temporary Office is clear violation of EIA Notification 2006 read with MoEF&CC's OM dated 29.03.2022 and Haryana Building Code 2017.

That it is relevant to mention here that the notice as per the MOEF&CC, New Delhi, Notification dated 14th September 2006 clearly states: -

"2 Requirements of prior Environmental Clearance (EC):-The following projects or activities shall require prior environmental clearance from the concerned regulatory authority, which shall hereinafter referred to be as the Central Government in the Ministry of Environment and Forests for matters falling under Category 'A' in the Schedule and at State level the State Environment Impact Assessment Authority (SEIAA) for matters falling under Category 'B' in the said Schedule, **before any construction work, or preparation of land by the project management except for securing the land, is started on the project or activity:"**

WHICH MEANS THAT CONSTRUCTION CAN'T BE UNDERTAKEN ON THE LAND IN THE INSTANT CASE BEFORE GETTING THE EC AND CONSENT TO ESTABLISH FROM CONCERNED AUTHORITY.

11. That the MOEF&CC issued Notification (29 Jan 2025) and the OM (30 Jan 2025) which are related to environmental regulations. The notification, specifically S.O. 523(E), clarified the applicability of existing environmental regulations in the context of a Kerala High Court judgment. The accompanying OM (Office Memorandum) provided further clarifications on the notification, including the continued applicability of previous clarifications and guidelines. This OM provided further clarifications on the notification. It stated that previous clarifications and guidelines issued in 2022 and 2015, respectively, would continue to apply to the notification. The Hon`ble Supreme Court

later stayed the operation and implementation of both the notification and the OM in WP(C) 116/2025 titled as Vanashakti Vs Union of India.

12. That as such Respondent No.6 has failed to:-

- I. Erect wind-breaking walls, which play a crucial role in minimizing the dispersion of dust particles;
- II. Provide 'Tyre Washing Facility' and cleaning of vehicles at exit gate to check the mud and dust carried away by vehicles while leaving the construction site;
- III. Use of treated sewage water for construction purpose;
- IV. Provide PM2.5/PM10 sensors or a cloud-linked dashboard for real-time ambient Air monitoring, despite CAQM directives;

V. Provide Display Board at the construction site for easy public viewing about dust mitigation measures adopted at The construction site;

VI. Provide required stack height as per CPCB formula for DG sets, operating DG sets and emitting smoke at ground level compounding local air pollution levels.

13. That Respondent No 6 has claimed that the building plan for so called Temporary Site Office has been approved by HSIIDC on 10.1.2025. However, the construction work for permanent structure under dispute was started in October 2024, much before the approval. It establishes that Respondent No. 6 has no respect for the law of the land and has undertaken construction without any approval, EC or CTE.

14. That as per the GPS tagged photographs dated 24.11.2024 and 06.01.2025, topsoil has been mined and taken away from the project site by Respondent No- 6. Respondent No.6 should have obtained separate NOC for the mining of topsoil as rightly advised by HSIIDC wide its latter dated 20.01.2025 (**ANNEXURE R-2**). However, Respondent No. 6 mined to topsoil from November 2024 itself without necessary approvals.
15. That the project proponents KML file/ Google Earth Imaginary of the site shows clearly that there was gross violation of environment laws against the mandatory provisions of EIA notification, 2006. Copy of KML file/ Google Earth Imaginary is annexed herewith as **ANNEXURE A/10**.
16. That HSIIDC has asked The Respondent No. 6 through its letter dated 25.09.2024 to use 25 KLD treated sewage from any STP plant of GMDA.

However, Respondent No. 6 has not used even a single drop of treated sewage since October 2024 till 25.05.2025. A copy of GMDA online data is enclosed at **Annexure A/11**.

**Rule of Locus Standi:**

17. Locus standi means the right of a person to bring an action or appear before a court. Traditionally, only someone directly and personally affected by a legal issue could approach the court. The Indian judiciary especially since the 1980s has relaxed the rule of locus standi in environmental cases. Any public-spirited individual or group can approach the court, even if not directly affected, to protect:

- The environment
- Forests and wildlife
- Rights of future generations
- Communities lacking access to justice

The Hon`ble Supreme court settled the above mentioned legal requisite in "Rural Litigation and

Entitlement Kendra v. State of U.P. (1985)", M.C. Mehta v. Union of India (1986–2000 series)), Subhash Kumar v. State of Bihar (1991)

Further, even Under the NGT Act, 2010, Section 18(2)(e) allows:

"Any person aggrieved, including any representative body or organization" to file an application. This includes:

- Individuals
- NGOs
- Activists
- Residents' groups
- Scientists or researchers
- Journalists/public interest groups

**PARA WISE REPLY (TO THE REPLY ON BEHALF OF RESPONDENT NO. 6)**

18. That the averments made by the respondent no. 6 in para No.1 of the above said

reply are denied being false and frivolous. That in response to para-No.1 of the reply filed by respondent No.6, it is stated that The Respondent No. 6 is constructing permanent structure at project site without mandatory CTE under The Water Act, 1974 and under The Air Act,1981 from Respondent No. 3 and EC from Respondent No. 2 & 5.

19. That the averments made by the respondent no. 6 in para No.2 of the above said reply are denied. That the para-2 of the reply filed by respondent number-6, it is most respectfully submitted that the contents are matter of record and calls for No comment.

20. That the averments made by the respondent no. 6 in para No.3 of the above said reply are denied. That in response to Para-3 of the reply filed by respondent number-6, It is most respectfully submitted that the facts, circumstances and available evidence,

Respondent No. 6 has grossly violated the provision of The Water Act, The Air Act & The Environment (Protection) Act, 1986. The averments in OA are true duly supported by photographs and verified by Joint Committee in its report. The use of word *misconceived*, *malafide* etc. by RespondentNo.6 is unfortunate and uncalled for. The contention that the petition/claim is misconceived is denied. The claim is based on valid legal and factual grounds, as detailed in the original application coupled with the joint committee report. The Respondent's attempt to dismiss the claim as misconceived is baseless and unsupported by any material on record. The allegation of malafide intent is strongly denied. The actions undertaken by the applicant have been in good faith and within the framework of law. The Respondent has failed to provide any evidence to support this baseless accusation.

18

21. That the averments made by the respondent no. 6 in para No.4 of the above said reply are admitted. That in response to Para-4 of the reply filed by respondent number-6, it is most respectfully submitted that it calls for No comment.

22. That the averments made by the respondent no. 6 in para-No.5 of the above said reply are denied being false and frivolous. That in response to Para-5 of the reply filed by respondent number-6, it is most respectfully submitted that **submission of Scrutiny Fee** by Respondent No. 6 for obtaining EC is not a certificate of EC but a pre-requisite for submission of Application. The threshold of the project as mentioned by respondent number-6 himself shows that project covers under item 8(b) of the EIA Notification. Moreover, project proponent also require to submit EIA report in addition to pre-requiste of Water and

Air Act. Respondent No. 6 has been undertaking construction in violation of extant law since October 2024 and submitted the scrutiny fee only on 27.12.2024.

23. That the averments made by the respondent no. 6 in para-No. 6 of the above said reply are denied being false and frivolous. That in response to Para-6 of the reply filed by respondent number-6, it is most respectfully submitted that Respondent No. 6 has admittedly appeared before the SEAC (Respondent No. 4) for obtaining the Environmental Clearance (EC), making any construction on the site- purportedly under the guise of a temporary sales office is illegal and subject to demolition. Moreover, in the Hon`ble Supreme Court's judgment in **Vanashakti Vs Union of India**, dated 16 May 2025, the Court unequivocally held that projects initiated without prior EC cannot be regularised retrospectively, Hon`ble Court struck down both

the notification of 2017 and 2021 which allows ex-post facto clearances, and expressly directed that such illegal constructions be dismantled and environmental compensation be also imposed.

24. That the averments made by the respondent no. 6 in para No.7 of the above said reply are denied being false and frivolous. That in response to Para-7 of the reply filed by respondent number-6, it is most respectfully submitted that respondent No. 4 (SEAC) must clarify the basis for introducing a so-called "GOLD RATING," as neither the EIA Notification 2006 nor any subsequent amendment, Office Memorandum, or MoEF&CC order provides for such a rating or grading system. There is, in fact, no legal or regulatory provision under the EIA framework that authorizes SEAC to award or recognize a "Gold Rating" for any project.

25. That the averments made by the respondent no. 6 in para-No.8, 9, and 10 of the

above said reply are denied being false and frivolous. That in response to Para-8, 9, and 10 of the reply filed by respondent number-6, it is most respectfully submitted that these averments pertain to Respondent No. 4 & 5 so they are in better position to respond. However, non-implementation of the joint report so far speaks about the working of respondent number 4 and 5 itself. The stipulated time line given under the notification of 2006 is for law abider and not for law violators. In the guise of deeming provision, no one is authorised to break the law. The averment of the joint committee report and OA filed by applicant herein shows that construction is on full swing since October-2024, and the Respondent No.6 has applied for EC only on 27.12.2024.

26. That the averments made by the respondent no. 6 in para No. 11 of the above said reply are denied being false and frivolous. That

in response to Para-11 of the reply filed by Respondent No 6, it is most respectfully submitted that as explained specially under Para 9 above, no construction work can be started including levelling or, excavation at the project site without CTE under The Water Act, 1974, CTE under The Air Act, 1981 from the office of Respondent No. 3 or EC from Respondent No 2 & 5. Further, as explained in preliminary submission above, The Respondent No. 6 is trying to mislead this Hon`ble Tribunal. It is a permanent structure erected by Respondent No 6. It is no way a temporary site office or, a perishable structure.

27. That the averments made by the respondent no. 6 in para No.12 of the above said reply are denied being false and frivolous. That in response to Para-12 of the reply filed by respondent number-6, it is most respectfully submitted that, it is stated that Respondent No.

2 issued Office Memorandum No. F. No. IA3-22/10/2022-IA.III (E177258) dated 29<sup>th</sup> March, 2022 to secure the land by way of temporary fencing. Temporary sheds can be erected using pre-fabricated material / modular structure. The interpretation of EIA notification, OM dated 29.03.2022 and the Haryana Building Code, 2017 being put forward by Respondent No 6 is mischievous and not tenable.

28. That the averments made by the respondent no. 6 in para No.13 of the above said reply are denied being false and frivolous. That in response to Para-13 of the reply filed by respondent number-6, it is most respectfully submitted that it is stated that HSIIDC has no jurisdiction what so ever in the process of CTE and EC. Even if HSIIDC had a jurisdiction, Respondent No. 6 could not have mined and undertake construction in October, November 2024, i.e., till 10.01.2025 the date on which

HSIIDC issued the letter (**ANNEXURE R-3**). Further letter dated 20.01.2025 (**ANNEXURE R-4**) does not have a mention on approval/ consent for starting construction at Site without CTE or, EC since, it is beyond the jurisdiction of HSIIDC.

29. That the averments made by the respondent no. 6 in para No.14 of the above said reply are denied being false and frivolous. That in response to Para-14 of the reply filed by respondent number-6, it is most respectfully submitted that, SEAC(Respondent No.4) has relied on the Submission/ Affidavit of Respondent No.6 since no independent site inspection report was available at that moment to Respondent No.4. The plea of Respondent No. 6 is arbitrary and misconceived in this regard under the given circumstances.

30. That the averments made by the respondent no. 6 in para No.15 of the above said

reply are denied being false and frivolous. That in response to Para-15 of the reply filed by respondent number-6, it is most respectfully submitted that, as explained above, the Respondent No.6 cannot undertake construction, permanent in nature using raft foundation made of RCC, RCC columns and beams as evident from photographs annexed with the Original Application and duly mentioned in Inspection Report by the Joint Committee constituted by this Hon`ble Tribunal.

The claim of Respondent No 6 in capital letters that '**THE PROJECT OF THE ANSWERING RESPONDENT HAS BEEN GRANTED PERMISSIONS AND SANCTIONS FROM VARIOUS STATUTORY AUTHORITIES**' is devoid of facts and evidence duly confirmed by the report of the Joint Committee.

**IT IS FURTHER SUBMITTED THAT THE PROJECT UNDER REFERENCE DOES NOT HAVE CTE UNDER THE WATER ACT, 1974, THE AIR ACT, 1981 AND EC UNDER THE ENVIRONMENT (PROTECTION) ACT, 1986 DULY CONFIRMED IN THE REPORT BY THE JOINT COMMITTEE.**

31. That in response to Para-16 of the reply filed by respondent number-6, it is most respectfully submitted that:
- a. There is No provision of "Gold Rating" under The EIA Notification-2006. Respondent No. 4 may be asked to provide the authority for this rating scheme under the law.
  - b. Height clearance from Airport Authority is a matter of record and calls for no comments.
  - c. As far as NOC for power is concerned, it is a matter of record and calls for no comments.

- d. However, as far as mining Activity is concerned, Respondent No. 6 mined the topsoil without any permission/NOC from concerned department. In the letter dated 20.01.2025, HSIIDC has clearly advised Respondent No. 6 to seek necessary approval from Mining Department/ concerned authority which is not there. Further, HSIIDC or, Mining Department are not competent to grant post facto approval for topsoil mining, a minor mineral.
- e. As far as intimation for forest land /natural conservation zone is concerned, it calls for no comment except that there were 12 grown up trees on the plot of land. Respondent No.6 may be directed to take care of those trees.
- f. The issue of locus standi in Environmental matters has been settled by Hon'ble Supreme court (*M.C. Mehta vs. Union of India W.P.C. No.13381 of 1984*)).

**g.** Incidentally HSIIDC has asked The Respondent No. 6 through its letter dated 25.09.2024 to use 25 KLD treated sewage from any STP plant of GMDA. However, Respondent No. 6 has not used even a single drop of treated sewage since October 2024 till 25.05.2025.

32. That the averments made by the respondent no. 6 in para No.17 of the above said reply are denied being false and frivolous. That in response to Para-17 of the reply filed by respondent number-6, it is most respectfully submitted that, the issue of locus standi in environmental matters has been settled by Hon'ble Supreme court in various matters as well as section 18 of the NGT Act-2010. It allows for a more inclusive and effective approach to environmental protection enabling individuals to seek legal recourse for environmental issues and

ensuring access to justice. The Applicant is a responsible citizen and filed this Application for the protection of environment, which was later on confirmed by the Joint Committee appointed by this Hon`ble Tribunal in the above said matter.

33. That the averments made by the respondent no. 6 in para No.18 of the above said reply are denied being false and frivolous. That in response to Para-18 of the reply filed by respondent number-6, it is most respectfully submitted that, applicant tried to approach the concern authorities/ departments before approaching this Hon`ble Tribunal to seek environmental justice. Respondent No. 6 has undertaken mining of topsoil, not using treated sewage water for construction purposes and constructed permanent structure without CTE of Respondent No. 3 and EC from Respondent No.

2,4 & 5. There is no malice as alleged by Respondent No.6. The copy **Annexure-A/4** is reproduced herewith of kind perusal of this Hon'ble Tribunal.

34. That the averments made by the respondent no. 6 in para No.19 of the above said reply are denied being false and frivolous. That in response to Para-19 of the reply filed by respondent number-6, it is most respectfully submitted that, Respondent No 6 has undertaken construction, permanent in nature in violation of EIA Notification under the garb of Temporary Sales Office. The nature of construction is permanent has been duly confirmed by the Joint Committee in its report. As far as allegations of misleading, the Hon'ble Tribunal or concealing the crucial facts or misrepresentation of facts are concerned. It is other way round. since Respondent No. 6 is trying to throw dust in the eyes of law.

35. That the averments made by the respondent no. 6 in para No.20 of the above said

reply are denied being false and frivolous. That in response to Para-20 of the reply filed by respondent number-6, it is most respectfully submitted that Respondent No. 6 does not hold required valid Environmental Clearance issued by SEIAA and CTE by HSPCB, and permission of mining of topsoil. Respondent No. 6 has to face consequences of violation of environmental & pollution control laws and notifications thereunder.

36. That in response to Para-21 of the reply filed by respondent number-6, it is most respectfully submitted that allegation of malice, clean hands & ulterior motive are strongly contested. Respondent No. 6 should have complied with the provision of the law instead of mud-slinging.

37. That the averments made by the respondent no. 6 in para No.22 of the above said reply are admitted. That in response to Para-22

of the reply filed by respondent number-6 is admitted, it is most respectfully submitted that it calls for no comment. However, Respondent No. 6 is trying to buy an argument which is not tenable under the law of the land.

38. That the averments made by the respondent no. 6 in para No.23 of the above said reply are admitted. That in response to Para-23 of the reply filed by respondent number-6, it is most respectfully submitted that it requires no comments being formal para.

39. That the averments made by the respondent no. 6 in para No.24 of the above said reply are admitted. That in response to Para-24 of the reply filed by respondent number-6 is admitted, it is most respectfully submitted that it requires no comments being formal para.

40. That the averments made by the respondent no. 6 in para No.25 of the above said reply are denied being false and frivolous. That

in response to Para-25 of the reply filed by respondent number-6, it is most respectfully submitted that the facts stated in the Joint Committee report speaks loudly itself. In addition to Joint Committee report, nothing new can be added.

41. That the averments made by the respondent no. 6 in para No.26 of the above said reply are denied being false and frivolous. That in response to Para-26 of the reply filed by respondent number-6, it is most respectfully submitted that the facts stated in the joint Committee report speaks loudly itself. In addition to Joint Committee report, nothing new can be added.

42. That the averments made by the respondent no. 6 in para No.27 of the above said reply are denied being false and frivolous. That in response to Para-27 of the reply filed by

respondent number-6, it is most respectfully submitted that the SEAC is only recommending authority not a granting authority. The joint Committee recommending as under:

*1. Unit may be directed immediate stop of the construction activity till grant of valid EC and CTE.*

*2. Unit shall take all the measures for dust mitigation like use of anti-smog guns and water sprinkling, covering of construction material etc. at the project site.*

These recommendation loudly speaks itself that construction is going on at site in violation of the extant laws and Hon`ble Supreme Court judgment in **Vanashakti Vs Union of India**.

43. That the averments made by the respondent no. 6 in para No.28 of the above said reply are denied being false and frivolous. That in response to Para-28 of the reply filed by respondent number-6, it is most respectfully

submitted that Respondent No. 6 has faulted by violation of EIA Notification, 2006 and the provisions of The Water Act, 1974 & The Air Act, 1981. It is a fit case for heavy environmental compensation as per existing guidelines of CPCB by concern authorities apart from demolition of existing illegal structure at the site. OM dated 29.03.2022 of MoEF&CC is very much applicable in the instant case.

44. That the averments made by the respondent no. 6 in para No.29 of the above said reply are denied being false and frivolous. That in response to Para-29 of the reply filed by respondent number-6, it is most respectfully submitted that Respondent No. 6 is trying to buy an argument which is not tenable under the law of the land. Any construction at the site, other than of temporary in nature, can't be undertaken without prior EC & CTE under The Water Act, 1974 and The Air Act, 1981. It is a fit case of imposing

environmental compensation as per the guidelines.

45. That the averments made by the respondent no. 6 in para No. 30 & 31 of the above said reply are denied being false and frivolous. That in response to Para-30 & 31 of the reply filed by respondent number-6, it is most respectfully submitted that averment of the applicant in OA specifically under para 14 may kindly be considered. Any construction at the site, other than of temporary in nature, can't be undertaken without prior EC & CTE under The Water Act, 1974 and The Air Act, 1981.

46. That the averments made by the respondent no. 6 in para No. 32 & 33 of the above said reply are denied being false and frivolous. That in response to Para-32 & 33 of the reply filed by respondent number-6, it is most respectfully submitted that applicant stand with the contents of Para-21 through 23 of OA. The

issue of locus standi has been dealt with above. It's a fit case for imposing exemplary environmental compensation on Respondent No.6.

47. That the averments made by the respondent no. 6 in para No. 34 of the above said reply are denied being false and frivolous. That in response to Para-34 of the reply filed by respondent number-6, it is most respectfully submitted that the averments made in Para 24 to 32 of OA may kindly be considered.

48. That the averments made by the respondent no. 6 in Para-35 -42 of the above said reply are denied being false and frivolous. That in response to Para-35 -42 of the reply filed by respondent number-6, it is most respectfully submitted that the Hon'ble Tribunal has the jurisdiction in the matter since present OA is under section 14,15,16,17 & R/W Section 18(1) of The National Green Tribunal Act, 2010 against

38

The illegal construction, permanent in nature being raised by Respondent No. 6. It is urged that environmental compensation may be imposed on the Respondent No. 6 for the violation apart from demolition of existing construction at site.

49. That the averments made by the respondent no. 6 in Para-43 of the above said reply are denied being false and frivolous. That in response to Para-43 of the reply filed by respondent number-6, it is most respectfully submitted that instant Application was filed within the period of limitation prescribed under Section 14 of The National Green Tribunal Act, 2010. An application for the settlement of a dispute relating to environmental rights **must be filed within 6 months** from the date on which the cause of action first arose, which may be extended for another 60 days. The cause of action is continuing in nature, and the delay, if

8. any, is neither intentional nor deliberate and is liable to be condoned in the interest of justice.

9. That in response to Para-44 of the reply filed by respondent number-6, it is most respectfully submitted that this Hon'ble Tribunal may graciously please:-

- (i) To allow the above said application filed by the applicant.
- (ii) Dismiss the reply filed by the Respondent No.6.

**THE HARYANA BUILDING CODE, 2017-**

**Alongwith amendments upto 25.05.2023**

**Haryana Government**

## Preface

Whereas the Government of Haryana observed that the different Development Agencies, Authorities/Departments were implementing Building Rules as per their present Statute/Rules and it is also observed that the different provisions in Building Rules makes difficult for common man/Entrepreneur/Industrialist to carry out building work throughout State of Haryana uniformly. In order to streamline the provisions of Building Rules and to facilitate citizens, the Building Rules being followed by the different Agencies/Departments/Authorities werethen repealed by the Government and the Haryana Building Code, 2016 was made applicable to entire State of Haryana from 30.06.2016.

Thereafter, considering and examining several representations/ suggestions received on the Code the Code has been revised as the Haryana Building Code, 2017.

**Original published on 30.06.2016**

**1st Revision: 06.01.2017**

it, or if there be no floor above it, then the space between any floor and the ceiling next above it;

- (lxxxvi) “stilt” means poles, posts or pillars or columns used to allow a structure or building to stand at a distance above the ground;
- (lxxxvii) “street line” means the line defining the side limits of a street;
- (lxxxviii) "Structural Engineer" means a person who is a post graduate in structural engineering from a recognized Indian or Foreign University or Corporate Member of Civil Engineering Division of the Institute of Engineers of India or equivalent Institute with a minimum of three years experience in structural engineering practice in designing structures and field work and/ or registered as such with the Competent Authority, employed for preparation of structural design of buildings upto 15 metres height. However, only the Structural Engineer Possessing post graduate qualification in structural engineering along with a minimum of 3 years experience in the design of multi storey and specialized structure and/ or registered with Competent Authority shall be employed to undertake and submit the structural design of buildings other than residential and commercial buildings upto 15 metres height (including stilt), as per the requirements of the relevant **Form BR-V(A2)** (Please see **Appendix “A”**).
- (lxxxix) “structural wall” means a load bearing wall or wall that carries load in addition to its own load;
- (xc) “sub-soil drain” mean a drain used or constructed to be used solely for conveying to any sewer (either directly or through another drain) any water that may percolate, through the subsoil;
- (xci) “sun-shade” means a slope or horizontal or vertical structure over hanging, usually provided over openings on external wall to provide protection from sun and rain and shall not be used for human habitation;
- (xci-a) “supervisor” means a professional whose qualification and competency has been stated at **Appendix-A;**
- (xcii) “temporary building” mean a building built of unburnt bricks, burnt bricks without mortar, corrugated iron, bamboo, thatch, wood, board or plywood but shall not include a building built of burnt bricks, cement blocks or

stones laid in mortar and such structures can be dismantled or re-located;

- (xciii) “Town Planner” means a person holding valid Associate Membership of the Institute of Town Planners or Graduate or Post-Graduate Degree in Town and Country Planning from a recognized Indian or Foreign Institute/ University at Appendix-A;
- (xciii-a) <sup>6</sup> [“Transferable Development Rights Certificate (TDR Certificate)” means the certificate of development rights given to an owner who surrenders such land to vest with the Government without claiming any compensation and such certificate may be sold within urbanisable limit of a development plan by the owner, as defined in Act no. 8 of 1975, amended from time to time and governed by policy notified on 16.11.2021, as amended from time to time;
- (xciii-b) “Transit Oriented Development” means any development, macro or micro that is focused around/along a transit node/ corridor and facilitates complete ease of access to the transit facility, thereby inducing people to prefer to walk and use public transportation over personal modes of transport, as defined in the Haryana Development and Regulation of Urban Area Rules, 1976, amended from time to time and governed by policy notified on 09.02.2016, as amended from time to time;”]
- (xciv) “verandah” means a covered area with at least one side open to the outside with the exception of 1.2 metre high parapet on the upper floors to be provided on the open side;
- (xcv) “water closet” means a privy with arrangement for flushing the pan with water. It does not include a bathroom;
- (xcvi) “zoning plan” mean the detailed layout plan of the sector or municipal area or a part thereof or of individual sites to whom permission for CLU has been granted, maintained in the office of the Competent Authority showing the sub division of plots, open spaces, streets and other features and in respect of each plot, permitted land use, building lines and restrictions with regard to use and development of each plot in addition to those laid down in the building Code, further same can also be prepared/ maintained for industrial plots, if need arises.

## Water Tanker Booking

Gurugram Metropolitan Development Authority (GMDA) supplies water to colonies in Gurugram through which are under construction or where water supply pipelines haven't been extended so far.

The types of water that can be procured from treatment plants are as follows:-

Type of Water	Water Filling Station	Use of Water
Potable/Drinking Water	Water Works - Basai	Drinking
	Boosting Station - Sector 16	
	Boosting Station - Sector 51	
Raw/Canal Water	Water Works - Chandu Bhudera	Construction / Landscape Irrigation
Recycled Water	Sewage Treatment Plant - Dhanwapur	Construction / Landscape Irrigation
	Sewage Treatment Plant - Beharampur	
CETP-Treated Water	Common Effluent Treatment Plant - Manesar	Construction / Landscape Irrigation

(herein after called the advocate/s) to be my/our Advocate in the above noted case authorized him:

To act, appear and plead in the above-noted case in this Court or in any other Court in which the same may be tried or heard and also in the appellate Court including High Court subject to payment of fees separately for each Court by me/ us.

To sign, file verify and present pleadings, appeals cross objections or petitions for execution review, revision, withdrawal, compromise or other petitions or affidavits or other documents as may be deemed necessary or proper for the prosecution of the said case in all its stages.

To file and take back documents to admit and/or deny the documents of opposite party.

To withdraw or compromise the said case or submit to arbitration any differences or disputes that may arise touching or in any manner relating to the said case.

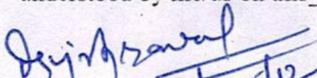

The deposit, draw and receive money, cheques, cash and grant receipts thereof and to do all other acts and things which may be necessary to be done for the progress and in the course of the prosecution of the said case.

And I/We the undersigned do hereby agree to ratify and confirm all acts done by the Advocate or his substitute in the matter as my/our own acts, as if done by me/us to all intents and purposes.

And I /we undersigned do hereby agree not to hold the advocate or his substitute responsible for the result of the said case. The adjournment costs whenever ordered by the Court shall be of the Advocate which he shall receive and retain himself.

And I /we the undersigned do hereby agree that in the event of the whole or part of the fee agreed by me/us to be paid to the Advocate remaining unpaid he shall be entitled to withdraw from the prosecution of the said case until the same is paid up. The fee settled is only for the above case and above Court. I/We hereby agree that once the fee is paid. I /we will not be entitled for the refund of the same in any case whatsoever. If the case lasts for more than three years, the advocate shall be entitled for fresh fees schedule or as may be decided mutually.

IN WITNESS WHEREOF I/We do hereunto set my /our hand to these presents the contents of which have been understood by me/us on this \_\_\_ / \_\_\_ 2025.

  
 (Advocate) 21/435/12
