Sr. No.	Description of Site	Comments / Reply
1.	Birth & Death Registration Office, Ludhiana.	As per information provided by Executive Engineer (B&R). It is submitted that Municipal Corporation, Ludhiana conducted a demolition drive on 04.09.2024 and demolished the unauthorised construction in Green Belt. It is also submitted that debris lying at this site has also been removed. Now the Site is fully clear from debris. The committee visited the spot on 07/02/2025 and Photographs of the same are annexed herewith as Annexure-2.

2.	Scrap yard and office of Junior Engineer Municipal Corporation, Ludhiana	As per information provided by Executive Engineer (B&R). It is submitted that temporary shed and adjoining structure of Junior Engineer office had already been demolished on 04.09.2024. Now remaining rooms have been allocated for storing of Horticulture equipment, which are used for maintaining the Green Belt area in Leisure valley. Committee visited the spot and Photographs of the same are annexed herewith as Annexure-3.
4.	Lord Shiva Statue in the Leisure Valley, Near model Town Extension.	It is further submitted that in spite of our efforts and negotiation with religious representative regarding removal of Lord Shiva Statue, the deadlock is still persisting. Nevertheless, Municipal Corporation has identified nearby temple named Krishna temple to re-establish the statue of Lord Shiva. The committee convened meeting at the place of idol of Lord Shiva on 07/02/2025 and the religious representatives have sought more time to explore upon the option of re-establishing Lord Shiva statue in Krishna temple. It is pertinent to mention here that re-establishing of the statue at this place has become very sensitive issue and about two and half year ago also an attempt was made to re-establish the statue of Lord Shiva. However, this exercise resulted in major law and order problem and resulted in major protests. Due to the then prevailing situation, the idol was

		again established at this place. In spite of previous experiences, the committee is trying to engage all the stakeholders peacefully to resolve the issue, re-establish Lord Shiva statue in Krishna temple.
3.	M/s Urban Tikka Restaurant, Model Town Extension, Ludhiana.	As per information provided by Assistant Town Planner. It is submitted that temporary shed of restaurant had already been demolished by Municipal Corporation, Ludhiana on 4.09.2024 and the owners assured us to not use the pathway opening towards green-belt. However, now committee visited the premises on 07/02/2025 and found that the restaurant had been closed. Nevertheless, now doors of the restaurant opening towards green belt were permanently sealed. Photographs of the same are annexed herewith as Annexure-4.
4.	M/s D.S Enterprises, Model Town Extension, Ludhiana.	As per information n provided by Assistant Town Planner. It is submitted that M/s D.S Enterprises also gave us an assurance that they will not use opening towards green passage and would make necessary amendments in the building. However, the committee visited the spot on 7/02/2025 and sealed the gates opening towards the green belt area of Model Town Extension. Photographs of the same are annexed herewith as Annexure-5.
5.	M/s M.P Ply Palace, Model Town Extension, near Block-C, Ludhiana.	As per information provided by Assistant Town Planner. It is submitted that already the path leading towards opening to door on green belt was ploughed by MCL.

		However, now the site was visited by the committee members and it was found that door opening towards the green belt was locked as the owner assured us earlier that this opening shall not be used. However, to avoid any violation in future, the committee visited the spot on 7/02/2025 and sealed the doors of the premises opening towards green belt. Photographs of the same are annexed herewith as Annexure-6.
6.	M/s AS Wines, Model town extension	As per information provided by Assistant Town Planner, it is submitted that already the pathway leading towards opening of door on green belt was ploughed by MCL and the shutters opening towards green belt were sealed on 4/09/2024. Now, when the committee visited the spot on 07/02/2025, the seals were found intact and M/s AS Wines was using alternate door not having any opening towards green belt. Photographs of the same are annexed herewith as Annexure-7.

9. It is respectfully submitted that the undersigned in coordination with all relevant authorities, is actively addressing the issue concerning the removal and relocation of the Lord Shiva statue. Despite continuous efforts and negotiations with religious representatives, the deadlock persists. However, the Municipal Corporation has identified the Krishna Temple as a suitable location for re-establishing the statue. A joint committee

convened a meeting at the site on 07/02/2025, where religious representatives requested additional time to explore the feasibility of relocating the statue to the Krishna Temple. It is pertinent to mention that the matter is highly sensitive, as a similar attempt approximately two and a half years ago resulted in significant law and order disturbances and widespread protests, leading to the idol being reinstated at its current location. Notwithstanding past challenges, the District Administration, along with the joint committee, remains committed to resolving the matter at the earliest through peaceful engagement with all stakeholders while ensuring compliance with the orders of the Hon'ble National Green Tribunal.

10. It is humbly submitted that the district administration is making all necessary efforts to resolve the matter, and in this regard, a letter has been issued to the Commissioner, Municipal Corporation, Ludhiana, with a copy to the Joint Committee members, vide letter no. 4106-10 dated 13-02-2025, to ensure a permanent resolution. **(Attached at Annexure-G)**
11. The undersigned has followed the instruction passed earlier by Hon'ble National Green Tribunal. That in the view of the compliance and submission of factual report herein above, it is requested that M.A 03 of 2025 in Original Application No 209 of

2023 qua the undersigned may be disposed-off with appropriate orders. Any instructions passed by the Hon'ble Tribunal shall be complied with in letter and spirit.
